Valuable Wharf Property Destroyed by Large Fire Early This Morning.

ORIGIN IS UNKNOWN.

Probably the most destructive fire in Wilmington in recent years occurred this morning.

source at one o'clock and the burned ection is the old C. F. & Y. V. wharves and buildings, belonging to the Atlantic Coast Line Railroad Company, and roughly valued at \$35,000; the old London wharf and buildings, belonging to the North State Improvement Company and variously estimated as worth from \$10,000 to \$15,000, with stocks of merchants and others in warehouses, which will probably make he aggregate loss in the neighborhood of \$100,000, though of course no approach to an accurate estimate can be made at this hour.

From best information the fire orig nated immediately on the London wharf, at corner of Chesnut street, in warehouse occupied by C. C. Covington & Co., just in the rear of their store on Water street. A fire occurred further north in the same building about 6 o'clock yesterday evening in some hay in the ware house of Capt. Jas. I. Metts, but the firemen are positive in the statement that the flames could not have origi for the winning team were Roscoe nated from that source.

A clean sweep of the river front to | Ellis, J. Montgomery and F. Smallthe Clyde wharf was made, including | bones. The captain of the "Seventh the large two-story brick building oc- Streeters" was Roscoe Davis, and cap cupied as offices by J. H. Sloan, Capt. tain for the "Juniors" was Earle Metts, J. R. Turrentine & Co., and Page. others, on Water street about the middle of the block.

Messrs. Covington & Co., estimate their loss at about \$15,000, fully covered by insurance; next on the wharf was a store room filled with lime and cement, belonging to Roger Moore's Sons & Co., and valued at \$2,000, partially insured; next was Capt. Metts' warehouse containing hay. grain and flour valued at about \$4,000, fully covered by insurance; next there was a loss of perhaps \$1,000 to goods belonging to the Wilmington Brokerage Company, insurance unknown; next under the shed was the wholesale grocery stock of S. P. Mc Nair, valued at \$20,000, which Mr. McNair says is about three-fourths covered by insurance; next was the river steamer Climax being built by the Merchants' and Farmers' Transportation Co., and valued \$4,000, upon which General Manager T. D. Love says he has \$3,000 insurance with J. H. Boatwright & Son. The Clyde Gearhardt; O. G., H. Cox. wharf was uninjured.

On and near the line of Water street was the Schlitz Brewing Company's plant, which was damaged about \$1,000 and covered by insurance with J. VanB. Metts; S. P. McNair's office was slightly damaged. Next was the A. C. L. building occupied as offices by J. H. Sloan, Capt. Metts, J R. Turrentine Co., & and Smith & Gilchrist. The Sloan loss could not be learned but will approximate about \$1,000; other losses were J. R. Turrentine & Co., office and warehouse on the wharf, omitted above, estimated by Mr. Turrentine at \$10,000, with \$2,000 insurance; Smith & Gilchrist, office, \$200, covered by insurance; Captain Metts, office and fixtures, \$100, no insurance. The small buildings adjoining on the south, occupied by W. A. Whitehead & Son and Wilmington Brokerage Company, were partially destroyed. It is near the south side of the Turrentine building that the London property bigins, and there are no buildings on Water street until the corner is reached. Messrs. J. T. Riley & Co. are in this building and suffered loss to stock of terra cotta piping and building material by breakage and water. The loss is covered by insurance. Upstairs is the junk business of W. A. Eckels. The damage there is slight; next is the brokerage office of Capt. J. C. Morrison; the damage there is mainly by water. On the corner is C. C. Covington & Co's. office, where like damage resulted, the principal loss of the firm

being on the wharf. The ownership of the London wharf is in question. It was recently bid in at receiver's sale by the A. C. L., but it is believed the sale was not confirmed, and the property is still in the hands of the North State Improvement Company, of which Mr. J. W. Fries, of Salem, N. C., is receiver.

The steamer Wilmington came alongside of the wharf and saved several flats tied up for the night and a negro man who had been cut off by the flames.

Three mules belonging to Mr. S. P. McNair were burned at the south end of the wharf. Several A. C. L. box cars on the dummy tracks near the

wharf were slightly damaged. The insurance on the A. C. L. property and the London wharf could not be ascertained. It is stated that in the first instance, the A. C. L carried a part of its own insurance and other insurance with different com-

With the assistance of President Cunningham. Capt. Gilligan and his crew managed to get the "Good Ship Mary Jane" pumped out and caulked in time for yesterday afternoon's sail about the diamond at Hilton but though Dannehower held a steady hand and a clear head at the wheel with Gwaltney in the engine room behind the plate, the "Mary J." was soon on the shoals again and her gallant captain was unable to save her from the wreck that the Giants have had up their sleeves for the ill-fated craft ever since the League opened.

Stewart was in the box for the Giants and the inimitable Cranston behind the plate. Dannehower did well the honors for the visitors and Gwaltney eaught him a splendid game

The Giants scored three runs in the first inning and the Skippers one in the second, but after that time neither team scored and goose eggs were chalked up galore until Norfolk was retired in the ninth, and the Giants refused their privilege at bat leaving the score three to one.

Tairteen hundred people crowded the grand stand and bleacheries, and the Second Regiment Band was playing, when promptly at 4:300'clock Mr. Staley called play ball.

Norfolk came up and Spratt was out

at first; Smith fanned and Mullen hit hot and safe to third; E. Gilligan went to centre for two bags; Reddy is out from third. Wilmington came up for her only three and winning runs. Cranston walks and steals second Crockett singles past short; McGinnis fans and Stafford hits to deep left for three bags, scoring Cranston and Crockett: Clayton pops fly to McDade; Allen singles to right, scoring Stafford Warren hits hot to short, but is out at

first on Smith's fast assist. Norfolk came up and made her lone run of the game on a "slight" error of 'Tacks' Allen, who afterwards overcame it by good fast playing. Morrisey had gone to Delaney; McDade had walked and "Bobby" Gwaltney had made a beautiful sacrifice, sending McDade to second; Dannehower came up and hit a "sockdologer" to "Tacks" down in left field, who was observing the weather and wondering if the rain gods were going to allow us to beat the Skippers in at leasst a five-inning game. He failed to connect with the ball and McDade went over the plate. Spratt beat the air furiously three times and Stewart smiled. It was the last run of the game but the rooters didn't know it and proceeded to get up

Wilmington came up and Crans ton got the only single over second

It looked gloomy in the third, when Mullen, after Smith had gone out from pitch, hit way down in centre for three bags. Stewart pulled himself out of a very ugly hole by allowing the two Gilligans only two little infield hits. Stafford fanned for Wil mington-second time this season-

and Allen got the only single. In the fourth and fifth the teams went out almost in their batting order, with the exception of singles by Allen and Warren, upon which Stafford was thrown out in a daring attempt to cross the plate.

In the sixth, Gilligan, E., was caught napping by Stewart on first after a single to left; "Reddy" Gilligan was retired on a beautiful catch by Delaney over his shoulder in right field; Morrisey went out from short.

In the seventh McDade brushed the atmosphere: Gwaltney went out to of inferior quality and size. With centre; Dannehower singled over second; Spratt singles to right but Smith fanned. For Wilmington Stafford got the only single.

In the eighth, Mullen beat the air; E. Gilligan got a single, and "Reddy" Gilligan hit to second, who made a beautiful double to Stafford at first Allen and Delaney fanned, and Warren went out to Morrisey. In the ninth, Morrisey was hit; Mc

fanned and Dannehower went out from pitch. The features of the game for Norfolk, were the fast infielding of Smith at short, Dannehower's pitching, and the stick work of Gilligan, E.; for Wilmington, it was Stewart's heavy infielding and pitching, Delaney's work in right and Allen's batting.

Dade went out to centre; Gwaltney

At 2:30 o'clock in the afternoon the military organizations gathered at the W. L. I. armory and at 3 o'clock the march to the cemetery was begun, the Wilmington Light Infantry in full dress gray uniform, commanded by Capt. A. P. Adrian; the Naval Reserves, in regulation uniform, commanded by Lieut. H. M. Chase, and Col. Walker Taylor's Boys' Brigade in full dress uniform, commanded by Lieut. Jas. A Price. At the cemetery they were joined by the Second Regiment band, Cape Fear Camp, Confederate Veterans, commanded by Capt. Jas. I. Metts: Third North Carolina Infantry Association, commanded by Col. W. L DeRossett; Cape Fear Chapter, Daughters of the Confederacy: Sons of Veterans, and pupils of the Wilmington schools, who had half holiday for the exercises.

The above order was observed in marching up to the splendid Confederate monument near the main entrance to the cemetery, and upon going in the enclosure the military formed open ranks outside and the Daughters of the Confederacy passed in. Then followed the military, taking up their position around the

monument enclosure. A dirge was first played by the band, and the Rev. Dr. A. G. Voigt, pastor of St. Paul's Lutheran Church, offered a very fervent prayer.

Col. A. M. Waddell then introduced the orator of the day, Capt. C. B. Denson, of Raleigh, to whom he referred as a "Confederate Soldier, his place. Osteen is unknown to most Patriot, Scholar and Orator." Col. Waddell related in the beginning a very touching incident illustrating the devotion of the Confederate soldier to his flag, and then presented Capt. Denson, who responded in an oration which was appropriate, or-

nate and pleasing. During the exercises "Nearer My God to Thee" and "Soldiers of Christ Arise" was sweetly sung by those gathered about the monument, which was splendidly draped and decorated

by the ladies. As a finale to the observance the military fired a salute over the monument and the crowd dispersed after one of the most pleasant Memorial days's of many years.

The graves in the cemetery were beautifully decorated and the scene was indeed a beautiful one.

THE COMPETITIVE DRILL.

Private Brown of the Franklin Guards Won the Medal-Memorial Day In Releigh-Heavy Rain and Hail.

[Special Star Telegram.]

RALEIGH, N. C., May 10 .- Private W. M. Brown, Franklin Guards, Franklinton, won the medal in the in dividual drill between representatives of various companies of the State Guard. Whitney and McMillan of the. Wilmington Light Infantry, made a good record. The drill in Capital Square was witnessed by 300 people; there would have been a larger crowd but for rain. The medal was presented by Hon. James H. Pou.

Major Graham Daves delivered a masterly oration in connection with Memorial day observances.

Very heavy rain and hail storm visited this section this morning. The rain came down in torrents; hail was not heavy enough to do very great damage hereabouts. It is reported to have been more destructive in sections between Raleigh and Greensboro. A profusion of leaves were cut from trees and growing crops badly broken up.
