W. L. I. BAZAAR.

Various Committees Completed All Details Yesterday for the Entertainment To-night.

A VERY BRILLIANT AFFAIR

Is Assured From Every Point of View. Something of the Decorations and Features of the Excellent Programme—Veterans Invited.

Whether the weather be fair or not to-night the Wilmington Light Infantry bazaar will be a brilliant success. Of course, the favor of the elements is desired, especially as many features of the fête have been appointed to take place on the spacious and pretty lawn surrounding the handsome armory, on Market street, but should it be otherwise it will make no matter mind, as the festival will then take place within the armory building, which is admirably adapted for an affair of this kind.

The able committee of arrangements culminated the plans yesterday and are to be complimented on their work, for the event is to be conducted on an exceptionally novel as well as large scale. The entire commodious armory building and the surrounding lawn will be beautifully and profusely decorated. The chief decorations will consist of a display of handsome flags, pot plants, novel designed refreshment booths, cory lovers' bowers, picturesque tete-a-tete spots, etc., while aloft will be artistically strung numerous Japanese lanterns of various hues and designs. Besides these pretty lanterns many electric globes, of different colors, will help illuminate the gay and festive scene.

The center of attraction will probably be the fine lawn in the rear of the building. Here will be located the different booths, many of which will be appropriately fashioned as tents and each will be presided over by one of the Daughters of the Confederacy, who in turn will be assisted by a bevy of Wilmington's fairest and most charming daughters. On this lawn also will be found the lovers' nooks and pretty festooned tables where choice edibles will be daintily served; and here, too, from an especially arranged stage, will take place the main feature of the sociable. This will be an elegant musicale, the programme of which will be rendered by the city's best talent. It will include vocal solos by Mrs. Joseph Waters, Mrs. E. K. Bryan, Miss Mary Cole, Miss Woodward and little Miss Beck Love Johnson, and a unique costume drill and dance directed by Miss Bessie Bartlett and executed by a score or more of graceful maidens. Two other important features will be a whistling solo by Miss Lizzie Otten, with violin obligato by Miss Alice Smallbones and piano accompaniment by Miss Fannie Corbett, and choice selections by the Munson Quartette (Mr. E. H. Munson, director), which is composed of the following well known singers: Mr. C. H. Cooper, first tenor; Mr. Robert Banks, second tenor; Mr. Busie, first bass, and Mr. H. K. Holden, second bass.

Another unique feature will be the attendance, in full uniform, of the company, a portion of which will march around the building and lawn, making a veritable camp-fete of the bazaar, while the other part will add to the attractiveness of the event by being of service on the lawn. The reserve and veteran corps of the company will also be present to lend aid, as they always do when their grand organization can be benefited.

The attendance at the bazaar will no doubt be large, as it should be, as the proceeds are to be devoted to a thorough renovation of the armory, which will include some important improvements in the room of the "old vets."

The work of decorating will commence early this morning, and Capt. P. Adrian wishes all the members who possibly can to report and assist the ladies in the work. Donations can be sent to the armory at any and all times to day.

The ladies in charge of the different departments are as follows: Candy booth, Mrs. L. L. Pritchard; ice cream booth, Mrs. Jno. C. James; cake booth, Mrs. M. S. Willard; lemonade booth, Mrs. B. W. Hicks; entertainment, Mrs. C. C. Brown; hall committee, Mesdames R. P. Cronly and John T. Rankin.

The entrance to the bazaar will, of course, be from Market street, and the admission will be 10 cents. The musicale will commence about 9 o'clock.

LOCAL DOTS.

Wilmington Lodge No. 139, I. O. O. F., will confer the second and third degrees upon 24 candidates to-night.

The First Baptist church prayer meeting will be conducted to-night by Rev. E. H. Hildreth in the absence of Dr. Blackwell, who has gone to Asphale to make a commencement address.

Mr. W. H. Biddle, register of deeds, has an important notice to Schedule B tax payers in another column. The tax upon a number of trades and professions is due and payable June 1st.

Mr. F. T. Mills is on his way back from Virginia and Kentucky and telegraphs that he has the finest lot of horses and mules ever brought to Wilmington. They were bought right and will be sold right.

Mr. W. J. Kirkham will this week install a new system of call bells in the Seashore Hotel at Wrightsville Beach. Manager Joe Hinton seems to be leaving no stone unturned to make this popular hotel one of the most modern on the South Atlantic Coast.

The STAR acknowledges with thanks the receipt of an invitation to attend the Tenth Annual Convention of the Georgia Bankers' Association to be held at Old Point Comfort, Va., June 4th and 5th. The annual address will be by Hon. Ellis H. Roberts, Treasurer of the United States.

The S. S. S. team was victorious in a score of 15 to 6 over the D. S. D.'s in a game of base ball yesterday afternoon. Features of the game were the catching of Croom and pitching of Reilly and the all round playing of Orrell for the S. S. S.'s and the brilliant work of Hewlett for the D. S. D.'s.

DROPPED DEAD IN DRUG STORE.

Young Mr. George Evans Fell Dead While Waiting for Prescription Yesterday.

George Evans, a young white man aged 28 years and a resident of Middle Sound, dropped dead yesterday morning about 10:30 o'clock in front of Hardin's Palace Pharmacy, whether he had gone for medicine to relieve a severe pain in his chest, about which he informed Mr. C. H. Edens, with whom he was talking a few minutes before. He purchased a box of tablets from Mr. Hardin and went out, but soon came back and complained of intense suffering. He sat down on some bags of seed at the front of the store, and while Mr. Cramer, one of the clerks in the store, was preparing a prescription for him he toppled over and died almost instantly.

Dr. C. D. Bell, the coroner, was summoned and he pronounced the death as a result of heart disease. The body was taken to the undertaking establishment of Mr. W. E. Yopp, where it was prepared for burial and from whence it was taken to the home of his sister, Mrs. L. J. Mason, on Middle Sound, for interment to day.

ROYAL ARCANUM COUNCILS.

Will Celebrate Twenty-fourth Anniversary of Founding of the Order.

Cornelius Harnett and Carolina Councils, Royal Arcanum, of this city, are arranging to celebrate in fitting style on Thursday, June 30th, the twenty-fourth anniversary of the founding of the order in America.

The celebration will most probably be in the nature of an excursion down the river on the steamer Wilmington, with stops at all points of interest along the route and a big collation at Southport. Cornelius Harnett Council has appointed its committee of arrangements as follows: Capt. J. C. Morrison (chairman), Messrs. W. H. Turlington and B. J. Jacobs. Carolina Council will make its appointment Monday night.

The Royal Arcanum both in the State and nation have recently had a great impetus in the way of membership and the anniversary celebration all over the world will be more elaborate this year than ever.

The Acme Tea Chest Co.

Mr. Will L. Miller, American Manager for the Acme Tea Chest Company, Glasgow, Scotland, yesterday received a cablegram from his house stating that another steamer had been chartered and would arrive at Wilmington for another cargo of gum and other veneering timber on June 8th. Mr. Miller has a full cargo of 600,000 feet or 8,000 tons at the company's pier at Point Peter and it will be ready for shipment as soon as the steamer arrives. He has lately shipped several cargoes by rail to Newport News and Norfolk and then by steamship to Glasgow, but this cargo will go direct.

Forthcoming Marriage.

Announcement has been made of the forthcoming marriage on the evening of June 12th, of Miss Francis Hamilton Meade, of Birmingham, Ala., to Mr. Arthur Williams Belden, formerly of Wilmington and a son of Capt. Louis Belden, but now a distinguished chemist at one of the large manufacturing enterprises of Birmingham.

Shallotte Presbyterians Church.

The Presbyterians of Shallotte, N. C., have recently completed a very handsome church. Rev. F. C. Morton will begin a series of revival services in the church to-morrow. He will leave Wilmington to day to conduct the service.

SENSATIONAL FINISH.

With a Whoop and a Flourish the Giants Made It Three Straights Yesterday.

GARRETT'S COSTLY ERROR.

And a Bunching of Hits in the Ninth Made It Possible for Wilmington to Walk Away With Richmond—Raleigh and Portsmouth Lose.

YESTERDAY'S GAMES.

Wilmington 6; Richmond, 5.
Newport News 3; Portsmouth, 5.
Raleigh 3; Norfolk, 5.

WHERE THEY PLAY TO-DAY.

Wilmington at Newport News (2).
Norfolk at Portsmouth (2).
Raleigh at Richmond.

STANDING OF THE CLUBS.

Club	Won	Lost	Per cent
Wilmington	23	11	.682
Newport News	21	13	.617
Raleigh	20	17	.540
Norfolk	18	18	.500
Portsmouth	13	20	.395
Richmond	9	26	.257

And Garrett "lost his job for quite a while."

Garrett is Richmond's new third baseman from Charleston and a conscientious little fellow, but an unskilled ball player. He is well remembered here, having been with the Virginia team when it was in Wilmington last week. Barley Kain had everything his own way in the game with the Giants yesterday afternoon up to the last half of the ninth inning. Then it was that a dumb play allowed Wilmington to spread on a sensational finish that is seldom witnessed by cranks on any diamond. Here is the story of Richmond's ninth consecutive defeat, as telegraphed the STAR last night by the sporting editor of the Richmond Times:

ELKS' SOCIAL SESSION.

Most Enjoyable Banquet Last Night by One of the Most Popular of Wilmington's Fraternal Orders.

The "Best People on Earth"—the Elks—held high carnival at their Temple last night from 9:30 to 12 o'clock, the occasion being one of those greatly enjoyable and highly successful affairs—a social session—for which the order everywhere is noted.

Promptly at the hour designated the western parlor of the splendid Temple building was thrown open and the banquet was inaugurated by Iredell Moore, Esq., as master of ceremonies, who in a graceful speech told of the Bohemian purpose of the assembly. Then the banquet was on and wit, song, music and repartee followed "fast and furious." No member of the seventy odd enthusiastic Elks present was allowed to escape, for each was called upon to entertain with the gift or talent for which he was locally distinguished. It is unnecessary to say that the attempts at entertaining by each of the seventy men failed to materialize to the satisfaction of the Master, and each was duly fined and the fines collected by the Equire, Dr. T. B. Carroll. "Jack" Bellamy assiduously cared for the collections in the capacity of treasurer.

Music was discoursed during the progress of the banquet by Senor Don VanCammerro's Italian Band, late of Venice, with piano accompaniment by Prof. Goodman.

Amid all the levity of the evening, turning to more serious subjects, toasts were responded to in impressive and eloquent words by Wm. J. Bellamy, Esq., who spoke on "Charity," one of the main principles of the order—always dispensed without ostentation—and by Dr. Chas. T. Harper, who spoke upon another cardinal virtue of the order, "Fidelity." Both were listened to with marked attention and applauded liberally.

The hall was beautifully decorated by lady friends of the Elks with purple banners and numerous flowers, and they were given a rising vote of thanks for their kindly services in this particular.

At 11 o'clock according to a time-honored custom of the Elks a silent toast was drunk to "Our Absent Brothers" and as the city clock chimed the hour of twelve, the members dispersed each one to the full satisfaction that Wilmington Lodge, No. 638 B. P. O. E., had scored another great success in that, its third social session.

The committee of arrangements for the event was as follows: Thos. W. Davis (chairman), T. B. Carroll, H. Lacy Hunt, Jno. R. Turentine, Jr., H. J. Gerken, Ike Solomon and "Jack" Bellamy.

Japanese Lawn Party.

The ladies of the First Baptist Church are arranging for quite an enjoyable lawn fete to be given next Wednesday evening for the benefit of the church fund. It will be in the nature of a Japanese lawn party and will be given on the church grounds. The committee in charge consists of Mrs. A. S. Holden (chairman), Mrs. L. L. Pritchard, Mrs. S. H. Burt, Mrs. Geo. E. Leftwich and Miss Heister Struthers.

Indoor Base Ball.

The popular branch of athletic sport just now in vogue at the Y. M. C. A. is "indoor" or hand base ball. The gymnasium is crowded every evening with members practicing the game and the first of a series of contests in this line will be played to-morrow evening at 6 o'clock between teams composed of Secretary W. W. Turner and Mr. Cliff Hopkins, upon the one side, and Physical Director Weisel and Wilbur Dosier upon the other.
