Capt. W. H. Ward, owner and master of the steam tug Buck, was yesterday served with notice by Deputy U. S. Marshal Knox that his vessel had been libelled for a claim filed in the office of the United States Court clerk by Mr. C. M. Whitlock, proprietor of Whitlock's Machine Shops, this city. The amount of the claim is \$68, and

s for a propeller wheel ordered from Milwaukee house by Mr. Whitlock about two years ago, and which Captain Ward says he didn't accept on account of its not having come up to contract in the way of delivery, etc. The vessel is tied up at the foot of Dock street with a watchman aboard and is in charge of the deputy marshal. The libel proceedings were instituted through Messrs. Russell & Gore, attorneys for Mr. Whitlock.

The boat is just off the ways at Skinner's ship yard, where it received a complete overhauling preparatory to taking up the contract for carrying the mail between Southport and Wil mington on June 1st. Capt. Ward says he has made arrangements to have Capt. Harper continue his contract a day longer on the Wilmington and that he will give bond and have his vessel released by Monday so that he can take up the contract on his own

He also said last night that he he retained Messrs. Empie & Empie and A. J. Marshall, Esq., and would at once institute a damage suit against Mr. Whitlock for the alleged unlawful detention of his boat. The amount asked for, he said, would be \$10,000. He claims that inasmuch as the wheel did not arrive as per contract, he owes Mr. Whitlock nothing and he has no right to detain the boat.

The Umpires Have Trouble.

The path of the average umpire is not strewn with roses. The morning games at Portsmouth and at Richmond on Thursday were both productive of trouble for that official. A special from Richmond to the Washington Post says;

the season, and in the last inning Um pire Snyder came near being mobbed The trouble occurred in the thirteenth inning. Raleigh had two men out and two men on bases, when the ball was hit to the infield and was passed back by Daly to Mann to cut off the runner, who was then making for home. Mann got the ball and would have put out the runner, but he was knocked off his feet by Hennager, who was coaching and the runner reached the plate. Instead of calling him out the umpire allowed him to return to his base and take the chance of scoring

on the next man up. This incurred the anger of the excited crowd, and a number of people ran out into the field and attacked the umpire. He was struck twice, and would have fared worse had not cooler heads and hands put a stop to the proceedings and allowed the game

Of the trouble in Portsmouth, the Star, of that city, says in its account of the ten inning game with Norfolk: The ninth was non-productive of runs and Portsmouth was blanked in the tenth. Norfolk's first two batters were easy outs in this inning, but
Smith and Gilligan landed singles,
and Daly, after having two strikes,
hit a foul to left field fence and Smith
crossed the plate with the winning
run. Nobody thought that Mr. Stamittee.
