THE CRIMINAL COURT

The Day's Proceedings Yesterday Were Without Special Interest to General Public.

ONE SENTENCE TO ROADS.

And Judgment Reserved in Cases of Several Other Defendants—Jurors Summoned for Today—Term May Extend into Next Week.

Yesterday's session of the Criminal Court, though lasting practically all day, was without special interest.

In printing yesterday's proceedings of the court, the name of Mr. E. T. Mills appeared on the docket as charged with assault and battery with a deadly weapon. The matter has already been adjusted, Mr. Mills having submitted it at the beginning of the term, paid the cost and cleared it from the calendar.

The following proceedings were had yesterday:

- King Bell, assault and battery; judgment open.
- Ann Pollock, larceny; not guilty.
- Leroy Perry, submitted to assault and battery; three months on road.
- Joe Rowland, assault and battery with deadly weapon; not guilty.
- Wm. Simon, concealed weapons, submitted; fined \$5 and costs.
- King Bell, concealed weapons, submitted; judgment open.

The grand jury returned the following true bills: George W. Price, Jr., disposing of mortgaged property (two cases); John Hudson, concealed weapons; John Hudson, assault and battery with deadly weapon; L. Her-ring, larceny; Tony Hart, false pretence; Mary Campbell, concealed weapons.

The following taleymen were summoned for today: John C. Boesch, S. Sneeden, J. B. Hewlett, H. L. Barden, J. H. Boatwright, J. O. Brown, J. S. Brock, J. B. Sandlin, B. F. King, W. G. Webb, W. N. Crosby, H. W. König, W. F. Legwin T. C. Bray, J. H. Taylor, J. W. Cooper, R. H. Brady, P. T. Stevenson and L. J. Mason.

The court adjourned at 5:30 o'clock until to-day at 9:30 A. M. Solicitor Duffy and Judge Bryan are using all possible dispatch to clean up the docket, but it is believed that the session will extend over into the coming week.

SHADELAND DAIRY BURNED.

Buildings Totally Consumed With About One-half Insurance—Will Be Rebuilt. "Shadeland Dairy," situated one mile from the city, on the Market street road, and belonging to Mr. Alex. O. McEachern, of Wilmington, was totally consumed yesterday morning about 10:30 o'clock, presumably from a defective fire leading through the roof of the milk house. Thirty-two cows and two horses were gotten out of the building without injury.

PIANO RECITAL YESTERDAY.

Pupils of Miss Hamme's Classes Observed a Very Enjoyable Programme. The pupils of Miss Hamme's piano classes yesterday afternoon observed the following programme at a delightful recital given at her studio, No. 24 North Second street:

Gurliit, "Hunting Song," by Miss Luciana Poisson.
Gounod, "Hunting Song," by Miss Louise Cornish.
Burgmüller, "Rondo," by Miss Louise John.
Ludwig, "The Ball," by Miss Lina DeRosset.
Gaul, "Song Without Words," by Miss Anna Wooten.
Bohm, "Dance of the Gnomes," by Miss Olive Mintz.

Here to Install Pipe Organ.

Mr. J. O. Funkhauser, of Hagers-town, Md., arrived yesterday to arrange for installing the new pipe organ in Grace M. E. Church. Mr. Funkhauser, accompanied by Mrs. W. H. Shaw, president of the Organ Fund Society, and Mr. Chas. E. McMillen, inspected the interior of the church yesterday morning and found that some few alterations are necessary in the rear of the church, of which Mr. McMillen will have charge. It is hoped to have the organ completed by the first of November.

As Excursion to Sea.

Another of those delightful excursions to Southport and to sea will be given next Sunday on the steamer *Compton* leaving the city at 9:45 A. M. and returning at 6:30 P. M. The fare for the round trip is only \$5 cents.

Marriage Last Night.

Mr. James E. Hall and Miss Leonora Piner were quietly married at the residence of the bride's parents, No. 108 Castle street, last night, Rev. Dr. Calvin S. Blackwell officiating. This is a very popular couple of young people, and quite a number of their friends were present with heartfelt congratulations. Mr. and Mrs. Hall will reside on Front and Church streets.

On account of the annual convention of the Southern Industrial Association at Philadelphia, June 14th, the A. C. L. announces a rate of one fare for the round trip. Through Pullman buffet sleeping cars on all through trains. Tickets sold June 9th and 10th with final limit June 17th.

THE COUNTY TAX LEVY.

Magistrates Met Yesterday at Noon and Adopted Rate—About the Issuance of Bonds for County Roads.

ALMOST A SHUT-OUT.

It Took Vorhees to Show Sucky Ashenback That We're in the Game Still.

It's a long lane that has no turning, and the crook was certainly our way yesterday, the Giants, with Vorhees on the slab, having won from the Shipbuilders ten to two. It would have been a shut-out if Vorhees had received the support in the ninth inning that his work merited. As it was, with two men down, dumb playing allowed two Shipbuilders to cross the rubber and he was deprived of the "skunk" that Ashenback had already conceded by leaving the bench.

A phenomenal one-hand catch by Devlin in right, a beautiful stop at "Davy" at second, Clayton's work at short and Vorhees' fine pitching were easily the features of the game.

In the first inning Deisel and Gilligan went out from Vorhees and Wedge got first on Warren's error and third on Cranston's wild throw; Foster went out from singled. For the Giants, Clayton singled and scored on Cranston's sacrifice and Crockett's safe hit; Crockett was caught trying second and Stafford went over third for two bags; Sebring went out from the infield. In the second the Shipbuilders would have scored on singles by Ashenback and Curtis but for Devlin's fast handling of Johnson's single to right, throwing out Ashenback at home plate. Oskin and Hempleman had fanned in the meantime. For the Giants free passes were given Devlin and McGinnis; Warren sacrificed and Vorhees' single, Devlin was caught at home. A single by Clayton scored Vorhees and McGinnis, and Clayton was caught at home on Cranston's single.

The third did not materialize a run for the visitors and when the Giants came up Ashenback relieved Johnson in the box and High went to centre. Crockett went out to first; Stafford drew four balls; Sebring flew out to right; Devlin singled; Warren walked and the bases were full. Ashenback and McGinnis walked, forcing Stafford home. Vorhees went out from third. One, two, three order for the Shipbuilders in the fourth and Clayton got a pass; Cranston singled; "Davy" climbed the funeral pyre and Clayton and Cranston scored on Stafford's two bagger; Sebring caught one of Ashenback's finest for two bags and Stafford scored; Devlin hit to short and Sebring was caught going to third; Warren flew out to centre.

High and Deisel went out from the infield in the fifth; Gilligan got a two base hit, but Wedge went out from Clayton. The Giants then experienced their first inning without a score and the sixth came on with an out from "Davy" for Foster; a pearlambulation for Ash; a single by Ostein and a force-out by Hempleman. For Wilmington Cranston went out from third; Crockett singled; Stafford got first on Deisel's error and on Sebring's single, Crockett scored; Devlin was hit by pitcher and Warren forced Clayton at home; Sebring scored on a wild pitch and McGinnis went out to pitch. A single by High was all the Shipbuilders got in the seventh and the Giants came up with Vorhees, out to pitcher, and Clayton, out on pop foul to Foster; Cranston walked and Ashenback made a beauty throw to first upon which Cranston scored. Ash got ex-cruciatingly funny then and with Crockett at bat he threw a ball away up over the fence. E Gilligan at short re-enacted with Ash for his reckless humor at the expense of the team and though the re-enactment must have been very mild, Ashenback sent him to the bench for "two or three days," as he said, but Gilligan got his effects and left the grounds, ostensibly for home. He left on the same train with the team, however, last night. When Ash caught his breath, he allowed Crockett to walk and Stafford flew out to right. Newport News and Wilmington went out in their order in the eighth and the ninth came up and Hempleman flew out to right and Curtis fanned. Then came a bunch of hits by High, Deisel, Johnson and Wedge, which netted two runs after two men were down. At least two of his above could have been out off had the fast fielding of the eight previous innings been kept up. Cranston being the bat did exceptionally fine work and made the record of sticking his fingers in six successive tip fouls.

THE \$50,000 BOND ISSUE.

Remember these facts: Unless you register your vote you will not count either way in the bond election to be held June 18th.

If you wish to vote for the issuance of the bonds for county road improvement you must both register and vote.

If you are opposed to the issuance of the bonds (\$50,000), you must register. Then your vote will count against bonds, whether polled or not. It requires a majority of the registered vote, not a majority of the vote cast, to authorize the bond issue.

Do not overlook the fact that an entirely new registration is required for this special election.

Another Atlanta Excursion.

Messrs I. S. Mitchell, G. S. Prior, E. E. Gardner, W. E. Adamson and Geo. H. Sims, constituting a committee from the Retail Grocers' Association, of Atlanta, arrived in the city yesterday via the Seaboard Air Line and went down to Wrightsville at 2:30 P. M., with a view to running an excursion here on or about June 26th. They were accompanied by Mr. H. S. Leonard and Capt. T. D. Meares, of the S. A. L. and Mr. B. F. King, of the Chamber of Commerce Committee. The Atlanta gentlemen spent the night at the Seashore and will return home to day.

SEWERAGE PROBLEM.

Two Hours' Discussion by Aldermen in Special Session Availled Nothing.

DISPOSAL PLANT PERMIT.

It Was the Cause of a Vigorous Speech by Mayor in Reply to Resolution—Municipal Ownership and Sewerage Commission Suggested.

For two long hours the Board of Aldermen wrestled with the sewerage proposition last night and when adjournment was reached, the status of affairs was no more definite than when the meeting began.

Mayor Waddell presided and each member was in his seat when the Board was called to order. The Clerk read the original proposition of Mr. Darby, offering, under conditions, \$10,000 for a franchise and a supplemental proposition, giving the city the power to purchase the plant under the same conditions as those offered by the Wilmington Sewerage Company. Upon motion of Alderman Harris, the communication went to the Sewerage Committee. Mayor Waddell then stated that in accordance with a written request of seven members of the Board, he had called the special meeting and now awaited its pleasure.

Mr. West then raised the point of order that Mr. Darby's motion to reconsider the matter of approval of the plans of the Wilmington Sewerage Company was not in order, upon the ground that he did not ask to have his vote recorded in the affirmative at the original meeting until after the vote was announced, and upon the further ground that the Board did not grant him the right to so change. The records were appealed to, and in the absence of objection at the time, the Mayor did not sustain Mr. West.

Mr. Johnson then offered a resolution, which contained the "silly in the countant," to the effect that the Mayor and Superintendent of Health be ordered to revoke their action in granting a permit to the Wilmington Sewerage Company to begin work on its disposal plant in the extreme northeastern section of the city, after authority to grant permits for certain excavations had been delegated to these officials at Monday night's meeting.

Mayor pro-tem West was called to the chair and Mayor Waddell made a speech defending his position and that of Dr. Harper. He traced the history of the much-talked-of excavation ordinance of a few weeks ago and of the action of Monday night's meeting in granting it and Dr. Harper the authority, which they had exercised. The excavations he said in the disposal plant instance were not to dig for sewerage or to lay pipes, but to construct a building a mile from the City Hall and a half mile from all habitation—to remove about two feet of sand at a point beyond where the vilest of city garbage is left by carts in the city cleaning service. He went on to say that before granting the permit, the Board of Health had been called together as a safeguard and the physicians and other members of same had unanimously agreed that the public health would not be endangered by the excavations asked for. It was the purpose of the Board to hold up the work, for other than healthful interests or in the interests of another sewerage company, he gave the Board warning that he washed his hands clear of any litigation that would follow an attempt of that character. The Mayor concluded by saying, he considered the resolution a rebuke and one which he could not ignore, hence his plain-spoken statements.

A motion was then made that the Mayor's action be endorsed, but the vote stood five to five. Messrs. Bailey, Johnson, Mann, Harris and Von-Glahn voting nay. The Mayor refused to cast the deciding vote on a question pertaining to himself and a second vote was called for by Mr. Mauder with no change of result.

Alderman Johnson then offered a resolution emphasizing the importance of a sanitary sewerage system and providing for a submission of the question of municipal ownership of a plant to a popular vote of the city. The resolution was put to the meeting and a five to five vote resulted, the Mayor voting nay and explaining his action in so doing.

A vote was then called upon the original motion of Mr. Johnson in regard to the disposal plant, but after some further discussion, the motion was withdrawn.

Alderman Bailey then moved that his motion to reconsider the approval of the plans of the Wilmington Sewerage Company be deferred until the next meeting and it was so ordered.

Mr. Darby then addressed the Board at some length upon his proposition for the establishment of a system and was followed by Hon. Jas. D. Bellamy, counsel for the Wilmington Sewerage Company. Mr. Bellamy was followed by Brooke G. Empe, Esq., counsel for Mr. Darby, and upon the conclusion of his remarks, Mr. Bailey moved that a Sewerage Commission be appointed and composed of two Aldermen, one member of the Audit and Finance Board, one citizen, a member of neither board, and a fifth member of the commission to be chosen by the four other members and to be a sanitary engineer, to determine and advise the Board of Aldermen as to the best system of sewers to be established. This motion was lost and soon afterwards the Board adjourned.
