The Celebration This Year of An Elaborate Order and Was Very i njoyable.

THE SEVERAL EXCURSIONS.

Were Well Patronized and Attractions the Beaches Were Many--Observance at Southport Was General and of a Patriotic Nature.

The Fourth of July in Wilmington and vicinity was perhaps more generally observed this year than usual. The weather was ideal for the kind of sport offered by the beaches and the various excursions by water and rail, and everybody had a "good time," to use a common place expression. There were no accidents of very grave consequence and very little drunkenness or disorder notwithstanding the unusually large crowds which participated in the various forms of entertainment.

In the city the day was marked by a practical cessation of business and a holiday air pervaded the entire atmosphere. National colors floated from many buildings and evidences of "our natal day" were seen in many windows, in the stores and in places compelled by circumstances to remain

The "Fourth" at Wrightsville this year was simply a repetition of the Fourth of July as it has been celebrated at this popular resort for seasons past. Train load after train load of sweltering people were poured into its limits Thursday as fast almost as steam could carry them, and they spent the day in such amusements as the occasion afforded, or as were most suited to the'r moods and were not prohibited by law.

The hotels and the club houses were filled with guests during the day and the surf and the entire ocean front ere lined with sh-leking and sputte ing men, women and children cavorting in the waves, or wading along the

There were a number of attractions scheduled for the day. The annual Fourth of uly regatta of the Carolina Yacht Club drew together an immense crowd. Eight yachts reported for the start which was made from a point to the South of the Club house pier at 11:02 A. M.

The weather conditions were perfect and not a serious mishap occurred during the race. The course was the regular eight mile course of the Club. from the pier to Masonboro, back to the pier, then to and around Mott Channel buoy, back to Masonboro and then to the finishing line opposite the pier. The race was won by the "Sadie," with the "Mequero" second, and the "Yomalee" third. The start and finish with the elapsed time were

The "Mabel," "C" and "Phantom" withdrew during the race on account of slight accidents.

In the afternoon a "double header" of base ball was played on the beach in front of the Carolina Yacht Club house between the first and the second Carolina Athletic Club teams. The first game resulted in a victory for the second team by a score of 4 to 3; the second game resulted in a victory for the first team by a score of 6 to 4. Batteries for the first team were H. Emerson and Z. Bell; for the second

team, W. Peschau and Edwin Moore. The water artist advertised for a dive from a 120 feet tower into water six feet did not materialize. His failure to keep his contract was a source of much disappointment to many who went down to the beach and to the Wilmington Seacoast Railroad, who will institute legal proceedings to re-

cover damages. At night everything was noise and went up in smoke. The sand flies had no showing. The heavens were ablaze with rockets and roman candles, and the noise of exploding crackers and the smell of powder were all per-

A well attended dance at the Seashore at night concluded the day's

the day, and not a single arrest he to be made on the entire beach. The Wilmington Seacoast railroad

handled exactly 3,474 passengers during the day, which breaks the record of last year by several hundred. For supper at night the Seashore Hotel had 658 guests and each one was cared for with entire satisfaction. The Street Railway in the city also made a break of the Fourth of July record in the transportation of passengers. The number handled during the day was

between 6,000 and 7,000. At Carolina Beach the crowds were large and the amusement varied and wholesome. The celebration was under the auspices of Eyota Tribe No. 5, Improved Order of Red Men, and right well did the "Big Injuns" care for their guests on this occasion. There

night at Sedgely Hall club house and refreshments were plentiful for all. Capt. Harper of the steamer Wilmington carried something over a thousand passengers during the day and the trips down the river were delightful.

At Southport, the celebration was paraded the streets at 10:45 A. M., and ing and amusing. The boat races then followed and proved very exciting. The marshals of the day were C. Ed. Taylor, (chief), Howard Curtis, Marshall Guthrie, Fred R. Mintz and J. Arthur

RALEIGH, N. C., July 5 .- The Wil nington Champions won from the Furtles in spite of the worst umpiring ever seen here, Raleigh getting the best of about every decision. The umpire's work was declared so extremely partial that a number of fairminded sportsmen left the field in disgust. After several decidedly rank decisions Staley apologized to Manager Peschau on the field, saying Wilmington's contentions were evidently right, but he could not reverse his decisions. Their rankness was the cause of Peschau's interference. The declaring of Allen out on third in the first inning was the first and most rank decision. The Giants had scored three on his three-bagger and he was clearly safe, but was called out.

Some fine playing was done by Wilmington in the second inning. cotton bloom" from the farm of Cranston singled and came home on Stewart's beautiful home run. Clayton singled, scoring on Devlin's fly. A blocked ball gave Wilmington her run in the fourth.

Ladies of Wilmington Have Responded Nobly to Needs of Athletic Association.

FRIDAY, JULY 12TH, DATE. There Will be Hundreds of Attractions and a Pleasant Outing for Everybody at

Small Cost-Pete to be Given

at Hilton Park.

A movement looking to an elaborate Base Ball Bazaar for the benefit of the Wilmington Athletic Association was successfully launched by the good ladies of Wilmington at a well attended and enthusiastic meeting in the parlors of the Elks' Temple yester-

day afternoon at 5:30 o'clock. Next Friday evening, July 12th, from 8 to 12 o'clock is the time and Hilton Park the place for the big event which already has augury of a brilliant success, both from the viewpoint of pleasure for those who will attend and also with regard to the financial feature of the affair, which is for a most commendable object indeed. Mrs. Cuthbert Martin was made chairman of the meeting and Mrs. A. B. Skelding secretary. Among those in attendance were Mrs. Herbert Borden, Miss Carrie Maffitt, Mrs. Anson

Alligood, Miss Burkheimer, Mrs. C. S. Grainger, Mrs. N. N. Davis, Mrs, F. A. Lord, Mrs. E. P. Boatwright, Miss Stella Divine, Mrs. C. W. Woodward, Miss Rena Myers, Mrs. M. L. Stover, Mrs. W. W. Hodges, Mrs./E. H. Sneed, Mrs. A. C. Sneed, Mrs. Joe Watters, Miss Lina Wiggins, Mrs. Skelding, Mrs. Martin, Miss Carrie Meyers, Miss Lillie Peschau, Mrs. B. J. Jacobs, Mrs. R. H. Grant, Miss Kate Maffitt, Mrs. Geo. P. Cotchett and Mrs. W. C. Munds. Various methods and means of en-

tertainment were enthusiastically dis cussed. The grounds at the park will be brilliantly lighted and decorated. A pavilion will be built for dancing and music will be furnished by a competent band. There will be several gaily decorated and well filled booths at which ladies will preside for the sale of fancy articles and refresh ments. Then there will be numerous voting contests, one of which will be for the most popular player on the Wilmington team, etc., etc. There are fifteen season tickets admitting to the remaining games at the park this year for distribution, and the contest for these as well as for other articles

is expected to be extremely lively. At the meeting a number of sub committies were named and the "crankerinas," composing the same are already as busy as bees. Articles for the various booths and especially for the mammoth "country store," which the ladies' will conduct, are asked to be donated by the men cranks of the city. All those who can assist in this particular or in another way are asked to communicate by telephone either with Mrs. Martin or Mrs. Skel-

Another meeting of the ladies will be held at 5.30 o'clock Wednesday af ternoon when it is hoped there will be even a much larger attendance than on

Arrangements are being made for a late train to the beach after the close of the bazaar and upon the whole, it is safe to predict that the "fair fanatics" will surprise the town on the amount needed to make the Wilmington team again the winners in the pennant race. Raleigh realized something like \$600

from a fete in that city Thursday night. The Wilmington ladies will do equally as well, if not better, in this city next Friday night. The admission to the bazaar will be only 25 cents, including fare both ways on the street car and a chance to win a

season ticket to all ball games. DEATH OF MR. P. E. KELLY.
