## VETERANS' REUNION.

Orders Will be Issued Soon for **Encampment at Wrights**ville August 14th.

VOL. LXVIII.--NO. 108.

VERY LOW RAILROAD RATES

Have Been Secured and Mai. London, Adjutant General of the N. C. Division, Thinks Prospects Are Bright. The Annual Meeting.

The encampment of the Confederate Veterans of the State at Wrightsville beach just after the evacuation of Camp Aycock by the State Guard is now a certainty and fully a thousand of the gallant old soldiers are expected to be with the people of Wilmington and Wrightsville on this occasion.

The present plan is to have the veterans' encampment begin on Wednesday afternoon, August 14th. and end on Saturday morning, the 17th, though there is a possibility that the time may be extended to make the outing ten days.

Capt. James I. Metts, commander of Cape Fear Camp No. 254, U. C. V., of this city, and a member with Capt. W. R. Kenan and Dr. J. E. Matthews, of the local committee of arrangements, yesterday received a letter from Mai. H. A. London, of Pittsboro, adjutant general of the N. C. Division Confederate Veterans, in which he stated that practically all arrangements had been made for the outing for the soldiers. which some days ago appeared very improbable. Maj.London has succeeded in securing from all the railroads in the State a rate of one cent a mile for veterans, their families and all others, who desire to attend. Tickets will be sold on the 12th, 13th and 14th of August, with final limit

August 24th, one continuous passage. Maj. London says that to guard against impostors he will require every person applying for accommods tions in the tents to show a certificate from his Camp Commander or from the Clerk of the Court in counties in which there is no camp, certifying that he is veteran who served and retired from the service honorably.

A general order covering these facts will be issued in a few days and an in all districts. Rains are reported in effort will be made to have a very large attendance, Veterans are notified to carry or buy their own provisions and they may rent cots from the furniture houses in Wilmington. The railroad rate is the same as that given to companies in the State Guard.

The First Regiment of the State Guard will go out of camp on Wedneeday moreing, 14th inst., and it is proposed to have the veterans come in on the afternoon of the same day. Major London in a recent letter to the press says in connection with the

encampment: "The tents will accommodate neary one thousand persons and there will be cooking stoves sufficient for that number. The veterans must furnish their own rations, which they can either carry with them or pre-pare at the encampment. It would tion from each county, to form messes. Each tent is eight feet square and has a plank floor and two blankets. If cots are desired they must be rented for the occasion. Those veterans desiring better accommodations can get them at the hotels and boarding houses.

At this reunion the annual election

of Division and Brigade commanders will be held by the duly accredited delegates from the U. C. V. camps which have paid their dues in full. A num ber of camps have not paid and their attention is called to this with the hope that they will promptly pay up."

Races Again Postponed.

The ladies' yacht race at Wrightsville Beach under the auspices of the Carolina Yacht Club were again postponed yesterday afternoon on account of the lack of a favorable breeze. The date to which the regatta was postponed is as yet indenifite. The yachts reporting were: "Question," Miss Julia Paraley; "Phantom." Miss Leonora Cantwell; "Curlew," Miss Mabel Powers; "Yomalie," Miss Isabel Rountree; "Little Alice," Mrs. M. S. Willard, the "Eugenia" and "Lillian Florence."

Captured Escaped Convict.

Superintendent N. F. Taylor, of the Berkely County, South Carolina, chain gang, arrived in the city yesterday and with the assistance of the Wilmington police, arrested Peter Bennett alias Henry Shepard, colored, an escaped convict serving a two year's term. The negro was employed at Worth's ice factory and Superintendent Taylor left in the afternoon, returning with the negro to South Carolina.

Orip Containing About \$40 Stolen From Office of the S. J. Davis Livery Company Yesterday Morning.

A sneak thief made a good haul at the stables of the S. J. Davis Livery Company on Market street yesterday morning. The haul consisted of a grip sack containing among other articles the snug little sum of \$40. which Mr. Davis had just received as the revenue from the operation of a wagonette from the station at Wrightsville to the encampment grounds. No clue to the identity of the thief has been established.

Mr. and Mrs. Davis went down to the sound and returning in the carriage to the stables, the grip containing the money was left in a cabinet in the office. Some time after arriving in the city Mr. Davis went to the cabinet to get the grip and deposit the money in his safe. He was both surprised and non-plussed to find the entire outfit gone. The police are working on the case.

[Special Star Telegram.] RALEIGH, N. C., July 27 .- For the econd time this week the Champions lost to-day to the Turtles. It was generally conceded that they were going to lose before "play ball" was called, for victory with Meade as umpire was impossible.

It is true that the Turtles would have obtained a victory anyway, for Willig was hit hard and often, while Clayton assisted with errors, but it would have been hotly contested had Meade surprised himself and given fair decisions. But such is not his composition and the inevitable hap pened. In the second inning he would not permit LeGrande to fan though the ball was directly over the plate and so apparently so that the inimitable "Bill D." admits it. Both second and third bags were covered with one man down. LeGrande stepped to the pan and threshed the air twice. The next ball up split the plate, but Meade would not see it, and on the erred and one run was tallied with still would have played it safely to first, but under existing circumstances he threw it wildly to home, and thus two more men crossed the rubber. Willig then gave up plenty of bits and in the next inning was relieved by Allen. who twirled good ball. Many of Meade's decisions were so decidedly yellow that the fans gave him the

horse laugh. A protest will be filed against him to-night by the Wilmington manage-

RECEPTION TO THE GOVERNOR

s Being Planned for Next Week at Seashore Hotel-Record of Companies and Battalions in Rifle Pits. Some General Notes.

CAMP AYCOCK, WRIGHTSVILLE, July 27. To-day was a great one in Camp ycock. The drills were the best yet seld. It was hard to tell which company had the best in line.

The sham battle was a decided suc cess and all the officers feel very much pleased over it. As stated already in the STAR, the Third battalion, under Major C. J. Griswold, was attacked by the First and Second under command of Major Bond. The two attacking battalions were victorious, routing the Third completely. About one thousand shots were fired by both bodies and the rattle of the musketry could be heard for about two miles. It was

a decided success. The Third battalion behind the preastworks included the Edenton, Hertford, Greenville and Raleigh companies, while the two battalions attacking were composed of the Tarboro, Wilson, Washington and Wilmington, and the Goldsboro, Lumber Bridge, Maxton and Clinton companies.

Two orders were issued yesterday from Col. Rodman's headquarters and were read at dress parade, as follows: Headquarters Second Regiment, North Carolina State Guard

Of the companies, the Lumber Bridge Light Infantry made the best score, which was 19 19 29 out of a possible 25. The Sampson Light Infantry came second, with a score of 15 13 17. The best average made by the battalions was by the Third, composed of the Goldsboro, Lumber Bridge, Maxton and Clinton companies. This

average was 16 33-87 out of a possible
