AT CAMP YESTERDAY.

First Regiment Enjoyed Another Day of Excellent Weather and Fine Practice.

BATTERY HAD A SHOOTING.

Punctured Target in Many Places—Lieut. Colonel of Regiment and Col. Cobb, of Governor's Staff, Returned Home—General News Notes.

Camp Aycock, Wrightville, Aug. 9.
To-day was a lively one in camp. At 10 o'clock Colonel Bain, the inspector general, accompanied by the staff officers, inspected the camp, going through each company street. He pronounced them all in excellent order.
After the inspection Battery A, of Charlotte, had a practice both with their machine gun and with the Howitzer at 600 yards target, which was placed on Mingo Island, at a distance of about 1,600 yards. The men perforated the target fifty-three times.
In the afternoon the dress parade was very creditable. The new formation, "Column of Companies," was used and will be continued throughout the encampment.
Colonel Johnson, with the Governor's staff, took tea with the regimental staff this evening.
At dress parade the only order read was the order of the day, which delegates Captain Hearn, of Company F, officer of the day, and officers of the guard; senior officer, First Lieutenant Turner, of Company E, and junior officer, Second Lieutenant Watson, of Company A.
Colonel Cobb, inspector of small arms practice, returned to his home, Lumber Bridge, to-day. His leaving is regretted by all the men and officers in the camp. His services have given satisfaction to all concerned, and in Major White he has had a most faithful and painstaking assistant.
Lieutenant Butzler was called home on business, to-day. He left in the afternoon for Charlotte. The regiment by his departure is deprived of a splendid officer and courteous gentleman.
The regimental chaplain, Dr. Caldwell, of Winston, will hold services in the pavilion at 8 o'clock Sunday morning.
Dr. Burbank, of Wilmington, paid the hospital staff a pleasant visit this afternoon.
The battalions were drilled by the bugle yesterday. It is a decided improvement.
The order of the day to-day is as follows: Guard mount, 9 A. M., and dress parade at six. This is to give those who want to go on the steamer Wilmington, an opportunity to do so.
Lieutenant Colonel Johnson, of the Second Regiment, and Colonel Taylor and Major Robertson, of the Governor's staff, were welcome visitors in camp to-day.
Captain Cobb, of Company L, Second Regiment, who has been the guest of the Fayetteville company, returned home this morning.
Nothing was heard from the Governor's son to-day, but the general impression is that he is better.
Colonel Cobb says, in regard to the encampment: "No State Guard encampment will be a success until the regiments are brought into camp for a month and each officer and man paid so much per diem." This sentiment appears to be general with all the regiments in the Guard.
May Camp at Hilton.
There is a well defined rumor in military circles in the city that Col. Armfield, of the First Regiment, is considering seriously the question of marching his men up to the city from the Sound early next week and encamping them at Camp Aycock near night, returning to Camp Aycock next day. Such a move would give the regiment good marching drill and it would be a genuine pleasure for the people of Wilmington to have the soldier boys in their midst for a day or so.

Mr. J. LOCAL DOTS.

The tug Alexander Jones is here for repairs to the crown sheet of her boiler.
— Rev. Mr. Dorritze, of Charlotte, chaplain of the First Regiment, will conduct the men's meeting at the Y. M. C. A. to-morrow.
— On account of the First Regiment Band excursion to-day to Southport and to sea, the Wilmington will not make her usual 2:30 trip in the afternoon.
— The past week in naval stores has not been a very lively one locally. The stock report posted yesterday at the Produce Exchange shows a falling off in receipts of all items, especially spirits and rosin.
— Mr. Robert H. Northrop has withdrawn from the S. P. Cowan Livery Company and will be associated in the livery business of S. & W. H. Northrop, whose mill will resume operations shortly.
— Friends in the city of Judge J. W. Harris, of Cartersville, Ga., will regret to know that he is quite ill at his home with appendicitis and complications of peritonitis. He is a son-in-law of Capt. A. L. DeRosset, of this city.
— Two commitments were made to jail yesterday for next week's Superior Court. Joe Hill, colored, came over from the municipal court charged with larceny of money from Walter Silva and Annie Arrington, colored, came over from Justice Fowler's court charged with slander.
— Friends in the city will be interested in the announcement of the forthcoming marriage on August 14th of Miss Ruth Primrose, daughter of the Rev. Dr. W. S. Primrose, formerly of this city, to Judge Frank Larkin, of Mississippi. The ceremony will be performed at the home of Dr. Primrose, Greenville, Miss.

SAVED FROM DROWNING.

Miss Blanche Chadwick, of Wilmington, had narrow escape at Wrightsville.
Miss Blanche Chadwick, of Wilmington, had a narrow escape from drowning while surf bathing at Wrightsville Beach yesterday morning about 11 o'clock. She was enjoying the surf in front of the Atlantic Yacht Club with a party of her young lady friends, among whom were Miss Rosa and Stella Meredith, Sue Boon, Jessie Montgomery, Willie Ward and Jennie Langston, when she was caught by the undertow and carried to a point almost 300 feet beyond the beach. The perilous and helpless position of the young lady was soon observed by those in the vicinity and by Mr. W. G. T. Keon, janitor at the club house. A life boat, containing Rev. Dr. Dorritze, of Charlotte, and a number of soldiers, were quickly dispatched to the scene, but in the meantime the young lady was rescued by Mr. McMan, of Wilmington, and Lieutenant Ghiorist, of the First Regiment, who swam to her assistance.

Mr. and Mrs. Stokley Bereaves.

Friends of Mr. and Mrs. W. H. Stokley, Wrightsville Sound, will sympathize with them deeply in the death of their little daughter, Katie Manning, which occurred last night at 11:30 o'clock at the family residence on the sound after an illness of a little over two weeks with typhoid fever. The funeral will take place from the residence of the parents at 4 o'clock this afternoon and the remains will be brought up to the city on the Seacoast train at 5 o'clock. Carriages will be in waiting at the station and the remains will be tenderly laid to rest in Oakdale.

The damage was of no consequence. The alarm was sent in by telephone, as the electric system has been out of order for the past two days.

The Turtles made it two out of three from the Giants yesterday and worst of all to the "hard loser," it was a shut out, four to nothing.
Smith was on the slab for the visitors and pitched his usual invincible game. Hopkins, one of Wilmington's new twirlers, was in the box for the locals and pitched a good game, but his support was ragged and he yielded up fourteen hits, which, however, were well scattered as the score card indicates.
McGinnis came near saving the locals in the ninth inning from the shut-out they received but his work came too late. He drove away over in right field for three bases, but there were two men down and the next up, Capt. Thackeray fanned.
The first run by the Turtles was on a muff by Allen allowing Stanley second cushion when two men were down. He scored on Curran's two base hit, which the latter tried to stretch to third and was caught. The Giants did pretty well in their half by taking good advantage of a couple of errors but the side was retired on a beautiful stop of McGinnis' line drive by Venable.
No more runs were chalked up until the sixth inning when the visitors put another to the good. Curran was hit and Kelly got a safe hit on Hopkins' error. Hennegar singled scoring Curran while Kelly was thrown out at the plate. Stockdale fanned; Hennegar was out at second; LeGrande singled and Stockdale was caught at third.
A double play is credited to both sides in the seventh with no runs. In the ninth a juggling act by Willing in right field allowed LeGrande third on a scratch hit. Smith fanned and Venable scored LeGrande. Then Atz sacrificed and Stanley scored Venable. The ninth for the locals was distinguished by McGinnis' three-base hit after Warren was out from pitcher and Allen had fanned. Thackeray ended the agony leaving the Grand Old Centre Fielder almost home and praying for a hit.

BASEBALL.

Wilmington, N. C., Aug. 9.—Governor Aycock has again respited Louis Council, the negro under sentence to be hanged August twelfth; this time until November 1. This is the fourth respite since the original sentence to hang June 22. It is granted for the reason that Justice Douglas, of the Supreme Court, has ordered a new trial on the strength of evidence submitted by ex Judge Bryan.
Prof. Thomas M. Dick, of Brooklyn, has accepted the chair of mechanical engineering in the A. and M. College. He is an honor graduate in the mechanical engineering department of the Naval Academy, Annapolis.
The Corporation Commission issued an order to-day that standard freight and passenger rates apply on all lines of the Southern Railroad in the State.

Rescued Colored Man.

Mr. George McClammy, the well known night watchman at the naval store yards of Messrs. Paterson, Downing & Co., across the river, rescued Jackson Corbett, a colored rafterman from up the country, last night about 11:30 o'clock. Corbett was coming down the river on the freshet with a raft of timber and signalled his entry into port with loud hollering, which interpreted by Mr. McClammy, meant that the negro's raft had gone to pieces. Mr. McClammy yelled to him to keep a steady hand on his wheel and come on down the river, which he did and was taken from a bit of driftwood into a boat which had been rowed out into the stream.

Excursion Next Thursday.

Messrs. Wall and Spencer, of Edgar, N. C., will bring an excursion to the city on the 16th. The train will arrive in the evening and the party will remain over the following day. On the 18th, there will also be an excursion.

COUNCIL RESPITED.

For Fourth Time Cumberland Negro is Temporarily Saved From Gallows.

MOTION FOR A NEW TRIAL.

Has Been Lodged By Ex-Judge Bryan, of Wilmington, with Judge Douglas, of Greensboro—Case One of Most Remarkable in History of State.

Lewis Council, the Cumberland county rapist, will not hang at Fayetteville day after to-morrow, as was expected from the utterances of Governor Aycock upon the occasion of his last respite on July 19th.
This time he has been respited until November 1st next and in the meantime Judge E. K. Bryan, of this city, who has been lately employed by friends of Council, outside his family, to use his best endeavor for a commutation of sentence, will urge Judge Douglas at Greensboro to grant the condemned man a new trial on the grounds of irregularity in the former trial.
According to yesterday afternoon's Fayetteville Observer, Sheriff Burns, of Fayetteville, at 11:15 o'clock yesterday morning received a telegram granting the respite until November 1st, as stated. This is the fourth respite which has been granted to the negro since his trial in December and each one has come just as final preparations were being made for the execution. Upon Council's conviction he was sentenced to hang on March 5th. The prisoner's counsel, Col. T. H. Sutton, and A. S. Hall, Esq., took an appeal to the Supreme Court and this served as a stay of execution and upon the finding of error by the higher court, the Governor set June 24th as the day upon which the prisoner should hang. Six days before the execution would have taken place another respite came until July 15th. Four days before the execution time again a further respite until July 29th. Three days before the negro would have hung upon the Governor's second respite, the prisoner was respited the third time until next Monday. The fourth respite, which came yesterday, gives the negro until November 1st to show his innocence of the criminal assault upon Mrs. West. The case is one of the most extraordinary, perhaps, in the criminal annals of the State.
The following is from yesterday morning's News and Observer:
Judge Bryan, of Wilmington, has made application to Judge Douglas, at Greensboro for a new trial of Louis Council, under sentence of death at Fayetteville, on the ground that there was irregularity in the former trial. It is alleged that eleven jurors took the special oath required in all capital trials, while the twelfth juror was not so sworn.
