August Term of One Week Expired by Limitation Last Midnight.

VOL. LXVIII.--NO. 126.

HAUSER INCENDIARY CASE.

Defendant Cave Increased Bond-Motion to Quash Continued With Trial Until November - Matter Involving City Tax Ordinance.

The August term of the Superior Court expired last midnight by limitation. Judge Allen will leave at once to convene a special term of Pitt Superior Court, which was made necessary by the continued illness of Judge Bryan, of Newbern.

The closing day's session was marked

by a clearing up of the odds and ends on the docket preparatory to the next term, which does not convene until the first week in November. The morning session was occupied principally in the hearing of the case of Wm. Johnson, a colored ice cart driver, for violation of the city ordinance requiring all vehicles to be tagged. Judge E. K. Bryan appeared for the defence and City Attorney Wm. J. Bellamy for the municipality. A motion was made by defendant to dismiss the warrant but the motion was refused and defendant excepted. A special verdict was rendered and the court held the defendant not guilty. The plaintiff excepted and appealed to the Supreme Court. The ordinance was found defective in that it made by its verbiage "the truck, wagon, dray or cart" subject to the fine instead of the drivers thereof. This law has been on the books for several

> George Hurst, colored, was found guilty of larceny and sent to the roads for four months.

In the case of J. W. Cotton vs. Mrs. Susan Moore, Eugene S. Martin, Esq., was appointed referee. In the case of Edward Wootten vs.

W. & W. R. R., E. K. Bryan, Esq. was appointed referee. The most interesting proceed

ing of the day was in connection with the Hauser case, in which the defendant is charged with burning his store last Sunday night. The case was called and Solicitor Duffy asked that the bond be made \$1,000 instead of \$400 as fixed in the municipal court. There was argument pro and con on this question which ultimately resulted in Judge Allen's naming the amount at \$600, justified. The defendant is represented by Messrs. Bellamy Peschau and Brooke G. Empie, Esq.; the prosecution by City Attorney Wm. J. Bellamy, Herbert McClammy and Marsden Bellamy, Esqs. Upon the fixing of the bond, there was a plea in abatement and motion to quash. The motion was continued until next term. Leave was allowed the prosecution to amend and answer plea. The plea and motion to quash is as follows:

The defendant Hauser, through his attorneys, hereby enters the following pleas in abatement, and requests the court to quash the bill of indictment found in this cause upon the following

grounds: First—That the Solicitor of the Superior Court, as he is informed and believes, while the grand jury was deliberating on the bill of indictment in this cause, was sent for by the grand jury and went into the grand jury room, before said body of grand ju-rors, and was consulted by the grand jury as to the finding of the bill.

Second-That one of the grand jurors, H. L. Peterson, has a suit pending and at issue in the Superior Court this county.

Third-That the grand jury as now constituted is illegal, as they were drawn from a box the names in which were selected and the list revised in the month of July, 1901, when it should have been selected and revised on the first Monday in June, 1901, and if then revised should not have been added to or interfered with in July, 1901.

The defendant was ordered in custody of the sheriff until the required bond was given. He went to jail, but at 6 o'clock last evening the bond was arranged in the sum of \$600, with the following sureties: H. Wentzensen, F. W. Ortmann, Paul Casse, F. H. Krahuke, F. G. Punke and Leger Meyer. The bond is regarded as a

### THE GRAND JURY'S REPORT,

Very Comprehensive Insight to County

Affairs as Returned to the Superior

Court Yesterday Aflernoon.

To Hon. Oliver H. Allen, Judge pre-We, the grand jury for the August 1901 term of the Superior Court of

New Hanover county, beg leave to make the following report: We have found twenty-nine true bills and three not true bills, and have made three presentments. There were three bills in which the witnesses could not be found, upon which no action was taken. We have been somewhat hampered by the delay in fluding witnesses, and, in our opinion, all wit-

a certain session of court should be located before court sits. The jury visited the jail and found t in good condition as to cleanliness. We heard no complaint from the prisoners as to treatment, those spoken to saying the treatment was good. We found the glass broken from some swinging sash in the basement. We would recommend that the glass be re-

nesses who are known to be needed at

placed and that suitable hooks be provided to fasten the windows back when open and prevent slamming by wind. The registers in the main prison are worn out and should be replaced before winter. There is also a broken place in the iron ceiling of the base-ment which should be fixed.

We visited the rock quarry and prison at Castle Haynes and found the prison in a cleanly condition, the prisoners well satisfied as to their food of which, in our judgment, plenty is supplied. We would sugget that meat for the convict s be bought in smaller quantities than box lots, especially dur-ing hot weather. We commend the county physician and the manager of the institution for the sanitary precautions taken to guard the health of the inmates, there being only three fever cases and they are convalescent. The portable prison which is kept stationary here until needed for use on the road, should have boards placed under its wheels to protect the rims, as its weight sinks the tire under the surface of the ground. From our observation, we are of the opinion that the work at the quarry and on the road is being done as economically as possible under existing circumstances. The road plow or scraper we found about four miles from town just outside of the road in the bushes. We recommend that it be placed under shelter, as we understand it has been unused

for a month or more.

At the County Home we found a general cleaning up going on. The walls of the kitchen and colored dor covers for the cistern, spoken of by former grand juries, have been ordered and will soon be in position. We recommend that the broken terra cotta sewer under the lead pipes from the dormitory of the colored inmates be repaired and extended in such a manner as to take the water entirely away from the building, there being a bad washout under the pillars of the back piazza of this house. All the in-mates of this home speak well of their treatment and our opinion is that a better keeper than the present encumbent would be hard to find. We think that the iron ceiling of the kitchen should be painted as it is rusty.

We note the change in the cour room and believe it will tend to make it more comfortable for all who have business there. The painting which is in progress on the interior of the building is needed. We desire to cal attention to cobwebs and dirt in the windows of several offices. We would suggest that the water in the base ment be attended to at once, and tha the work be made permanent. Also we recommend that the hall floor b strengthened by permanent posts and

Having finished our work we would ask to be discharged. Respectfully submitted, J. F. LITTLETON, Foreman.

RALEIGH, N. C., Aug. 17 .- Wil mington should have won in a canter to-day and would have done so had not the elements decreed to the contrary. In fact it would have been a "shet out." For six innings the visitors had plenty of ginger and hit the ball hard, while Hopkins had the locals at his mercy, only allowing one hit and a scratch. Then the trouble began. Rain set in and the game was called. After about ten minutes duration, play was resumed but had to be stopped in short order on account of another hard shower, which lasted another ten minutes. Mr. Mace, for a third time, called the game, but at the time most of the people from the bleachers had sought shelter. Those who remained on the bleachers did so

at the request of home players. Capt. Allen requested Mr. Mace to wait longer, but he refused and Manager Cowan protested. The eighth inning, with Raleigh at the bat, was played in the rain.

This was Mr. Mace's off day, as h made several erroneous decisions. Clayton's short stop playing for the visitors was a feature.

### Wilmington Did Not

Ouite Touch Bottom. -- Now for the eleven pennant games. They will draw well.

- Even with seven errors by Raleigh, Wilmington could not win. -- Hopkins pitched an excellent game and also made a three-base hit. - Crockett and High have been released from the Detroit American

League team. - Clayton showed yesterday that he can play ball, his work being a fea-

ture of the game. - Manager Cowan protested the game yesterday for reasons given in the Raleigh special to the STAR.

- Umpire Mace doubtless intended to be fair, but he must know that Turtles are in their element when it

comes to mud and water. - The eleven pennant games are to begin at Raleigh Tuesday. Five games will be played there, the 20th, 21st, 22d, 23d and 24th. On the 26th one game will be played on neutral ground. The remaining five games will be played in Wilmington on the 27th, 28th, 29th, 30th and 31st.

- Of Friday's game the Raleigh News and Observer says: "Wilmington had at the slab a big fellow, a newman on the team and Newman by name. He was a puzzler to the Red Birds and yielded only four hits. These and the errors of Jack Frost and other Lobsters were sufficient to

turn the trick." - When Charlotte forfeited the two games to Tarboro yesterday, the Queen City team was in the league and remained there until it withdrew at night, consequently both games must be counted sgainst the Hornets and for the Tartars, as appears in our percentage column this morning.

- Those who are subscribers to the paseball fund should come forward manfully and pay the amounts due. Upon their return here the players must be paid and the money is needed. The remaining eleven games will furnish an abundance of remuneration for the subscription and it should in all honesty be paid. Charlotte Forfeited Two Games.

CHARLOTTE, Aug. 17.-Charlotte forfeited a double-header to Tarboro today by refusing to play with the official umpire. The teams played two exhibition games, however, which resulted in scores: Tarboro, 10; Charlotte, 2; Tarboro, 0; Charlotte, 4.

The organization grew out of a mass meeting of the carpenters of the city, over which Mr. J. P. Stevens presided and at which Mr. H. R. Rhodes acted

as secretary. Mr. Rhodes, of Jacksonville, Fla., Mr. Davis, of Charlotte, and a gentleman from Atlanta made brief addresses as to the benefits to be derived from the organization of the union, and Messrs. J. R. Davis and W. B. Savage, of Wilmington, the latter of the Electrical Workers' Union, also made brief addresses favorable to organization, the purpose of which is for social and benevolent objects and opposed to

strikes and in favor of arbitration. The charter list will remain open for two weeks and in the interim a can vass will be made for new members. Meetings will be held each Saturday night at 8 o'clock until further notice.

A vote of thanks was tendered to the Red Men for the use of their hall.

### A GOOD WOMAN GONE.

### Death of Mother Mary Augustine Kent a Belmont, N. C., On Thursday.

Many friends in the city have heard with sorrow the news of the death of Mother Mary Augustine Kent, of the Convent of the Sacred Hart, Belmont, N. C., which occurred on Thursday of last week. She was well known by the Catholic Church throughout North Carolina, and in her taking away her church has suffered an irreparable loss.

During the epidemic of yellow fever in Wilmington in 1862, she, with two companions, came to nurse the fever stricken people. Her gentle, Christian charity won the love and esteem of all. Again, in 1869, at the invitatation of Cardinal Gibbons, she came to Wilmington to establish a

convent and school for young ladies. Solemn requiem mass for the repose of the soul of the dead was celebrated Batteries: Hopkins and Turner; Per- at the Cathedral at Belmont yesterday, after which her remains were laid to rest in the Sisters' plot in the adjoining cemetery.

The following list compiled by Capt. R. M. Capps, the clever jailor, is worth the reading to those interested in county affairs:

No More Regular Series Games. **But Pennant Contests Will** be Hummers.

AT RALEIGH LAST NIGHT.

Charlotte Withdrew From Organization and a Three-Club Association Was Found Impracticable-Proceedings of Meeting in Detail.

[Special Star Telegram.]

RALEIGH, N. C., Aug. 17 .- The very checkered career of the Virginia-Carolina League is at last at an end. I has received many bumps and thumps but it did not receive a "knock out" until to-night. The blow was deliver ed by Charlotte in the shape of a resignation filed by W. S. Dorr, of the Charlotte Association. The resignation was filed by wire to night at quite a unique meeting. The meeting was conducted over leased telegraph wire between Charlotte and Raleigh. All the clubs were represented. Upon the filing of Charlotte's resignation and notification of Tarboro that their club would report in Raleigh for schedule games next week, Manager Cowan, of Wilmington, refused to go to Charlotte unless a positive guarantee was given. Receiving a negative answer, he motioned for termination of the season to-night and demanded immediately the playing of the pennant series, three-club league being impracticable. Bryan, of Tarboro, demurred, but motion was carried, Wilmington and

Raleigh voting in the affirmative. President Higgs officially declares the season at an end. The pennant series of eleven games will commence Tuesday, Wilmington playing in Raleigh five games. Monday, August 20th, sixth game of series will be played on neutral grounds

ed in Wilmington, commencing on August 27th. RALEIGH, N. C., August 17 .- A meeting of the Virginia-Carolina Atlanta, after a very pleasant visit to League was held here to-night. Raleigh and Wilmington were represented by delegates, while Charlotte and Tarboro acted by wire, the meeting being in a telegraph office. Charlotte resigned from the league. Tarboro said it would stick, but as a three-club league was impracticable, Wilmington and Raleigh voted to close the season at once, while Tarboro voted against it. Raleigh wins the second series and will beginning Tuesday. Five here, five in Wilmington and three on neutral ground. Charlotte withdrew as it re

close the league on August 15th. From Charlotte's Point of View. CHARLOTTE, N.C., Aug. 17 .- Owing to what is considered unfair treatment by the president of the league in forcing an umpire upon the Charlotte team, it to-night withdrew from the league and the latter will disband. Wilmington and Raleigh will play the pennant series.
