pointed Tuesday night to work under the direction of the Central Executive Committee for the big Elks' carnival and fair in Wilmington during the gala week in October, have gone to work with hearty good will and results are already beginning to crop out here and there to such an extent as to make the situation extremely encouraging. The business men of the city, while none of them has been approached, are speaking well of the project and are manifesting an interest in committee work. The salaried men in the city are also taking kindly to the affair and several of them have even gone so far as to volunteer subscriptions. If this class of citizens see in the fair a good thing for the city, how much more so should the business in-

committees have thus far been the most active of the several appointed. The former has applied to the railway companies for a one-cent a mile rate to the city during the fair and has been given every encouragement expected. A very low rate for the occasion is assured.

The advertising committee, of which Dr. T. B. Carroll is chairman, was busy yesterday and will be again today in collecting envelopes from merchants and others upon the reverse side of which will be printed advertising matter for the fair and the envelopes returned to the Edgar L. Hart is "doubling" on the ness on the diamond were finally ex- dreds of friends whom he has drawn owners. Several thousand advertising lapel buttons have also been ordered and will be here shortly.

Upon the whole the prospects for the fair are exceedingly bright.

Front Street Runaway.

A gray horse belonging to the S. P. Cowan Livery Company and attached to the buggy of Capt. Donald MacRae made things lively on Front street between Orange and Princess yesterday afternoon about 1 o'clock. The horse stumbled and fell near the corper of Front and Orange and Hsing in harness he became frightened and dashed up Front street. Mr. W. A. Little, stenographer for Messrs. Hugh MacRae & Co., who was in the buggy, was thrown over the dash board when the animal fell. A negro boy remained in the buggy "standing manfully behind the guns" until the vehicle was overturned in front of the Masonic Temple. Neither of the occupants was seriously injured. The buggy was partially demolished.

Mr. and Mrs. Larkins Bereaved.

The death angel visited the home of Mr. and Mrs. Liston Larkins yesterday at fifteen minutes to two o'clock and bore away to her heavenly home their bright and sweet little daughter, Dora Bellamy. She was just nine months old, and had been sick for two or three weeks. She suffered greatly until death came as a relief. The remains will be taken to Southport this morning for interment. The community extends to the young father and mother their deepest sympathy. Little Dora Bellamy was a bright and sweet child, and all who knew her loved

Spectators Rushed on the Field With Sticks-The Game Was Lost, One to Nothing.

YESTERDAY'S GAME. STANDING OF THE CLUBS.

RALEIGH, N. C., Aug. 23.-To-day's game was one of excitement bordering upon sensationalism. The game itself was a beautiful one and should have gone to the visitors but Umpire Mace would not see it that way and his actions almost caused a riot on the field. It was in the eighth inning and happened after two men were out. Allen singled and Dommel did likewise. This gave third base to the former and second to the latter. Warren was up and had two strikes called. As Smith started to make his delivery Allen started on a steal home. Smith tried to hurry and LeGrande jumped on the plate to stop Allen. Of as was his right, and it passed Le-Grande. Both Allen and Dommel crossed the rubber and Warren went to first. Mace would not see it that way and in spite of the fact that Le-Grande stepped on the plate as Warren struck, he called the batter out
