President Roosevelt isn't afraid of being shot, but he objects to kodakers taking snap shots at him.

Judging from Czolgosz's bill of fare, as published in the papers, he is living higher in jail than he ever did before.

With oil selling at 30 cents a barrel in the Texas oil belt, there is no reason why Texas should not be a pretty well lubricated State.

Ex-Senator Mills, of Texas, isn't studying politics now. He is devoting his time principally to watch the oil gushers and getting rich.

AN AFFRAY IN RALEIGH.

Street Fight Between Mayor Powell and Mr. Ed. S. Battle-Both Were Badly Bruised-The Supreme Court.

[Special Star Telegram.] RALEIGH, N. C., Sept. 25.-There was an affray on Hillsboro street late this afternoon between Mayor A. M Powell, of this city, and Mr. Ed. S Battle, a young attorney of Wilmington. Mr. Battle, accompanied by two friends, Robt. L. Gray and R L Thompson, both prominent, met Mayor Powell and said, "I have been looking for you for some time, to tell you that you maliciously and willfully lied in your testimony regarding the case against Policeman Bell." Mayor Powell thereupon struck Battle in the face. Battle, in return, staggered the Mayor with a blow on the nose and struck him again as he, the Mayor, fell. There was a considerable

PRAISED BY PRESS AND PEOPLE.

Favorable Criticism of "Other People" Money" by Lynchburg Paper.

Cf "Other People's Money," the refined comedy to be presented at the Opera House Friday night by Mr. Hennessy Leroyle, the Lynchburg News of September 20th has the following complimentary reference:

"Mr. Hennessy Leroyle, the well known comedian, made his second visit to Lynchburg last evening and presented to a most appreciative audience his laughable and highly entertaining play, "Other People's Money." On the occasion of his first visit Mr. Leroyle made a most favorable impression, and consequently every one who went to the Opera House last evening anticipated a most enjoyable performance. and that no one was disappointed was clearly shown in the hearty applause and laughter with which the efforts of Mr. Leroyle and his support were received.

"Other People's Money" is a de lightfully amusing piece, full of in-tensely judicrous situations, and the manner in which it is presented renders it a rare treat for all who love the humorous and mirthful. Of course, Mr. Leroyle was the star of the production, but there were other members of the company worthy of sharing in the honors. Mr. Leroyle was the principal feature of the picture, but the de-tails were filled in effectively and harmoniously by the excellent work of the clever people whom he has secured for the season. It has been a long time since Lynchburg theatregoers have had an opportunity of enjoying a better comedy than "Other People's Money," and the position which Mr. Leroyle has won in the estimation of Lynchburgers will assure him in years to come a generous reception and a liberal patronage.'

Seats for the appearance here are now on sale at Gerken's. The prices are \$1.00, 75, 50 and 25 cents.
