**THE SEACOAST RAILROAD.**

Arrival of Mr. Randolph from New York. The Proposed Trolley Line.  
Mr. W. W. Randolph, an expert civil and electrical engineer of New York, and Mr. Hugh MacRae, of Washington, D. C., who is behind the movement to convert the Seacoast railroad into a trolley system, arrived in the city Sunday.  
The arrival in the city of Mr. Randolph is construed to mean that in a short time the purchasers of the Seacoast railroad will be in position to know definitely the practicability of their plans.  
Capt. Walter G. MacRae is still at work gathering engineering data from a survey of the road, and the people of Wilmington hope to see the plans of the company to convert the road into a trolley line successfully in operation by next season.  
To South Carolina for Trial.  
Jim Sanders, the negro arrested Saturday by Policeman C. E. Wood on a telegram charging burglary and house-breaking, was taken to Mullins, S. C., Sunday afternoon by Deputy Sheriff B. R. Mullins, of that town. Deputy Mullins had no trouble in identifying the prisoner and was very glad to get his hands upon him. The negro lives in Wilmington, and was thought to have been the thief who entered Warren's bakery a short while ago, but there was no direct proof to that effect.  
Superintendent Blair Retained.  
Mr. John J. Blair, superintendent of the Wilmington Public Schools, arrived in the city last evening from High Point, N. C., where he visited his mother a few days after returning from an extended tour in Europe. Mr. Blair is here to arrange all preliminaries for the opening of the schools next Monday. His friends in Wilmington are glad to see him looking so well from his trip abroad and are glad to have him with them again.  
Brokerage Office Removed.  
Yesterday, the office of Murphy & Co., Mr. T. M. Turrentine, manager, was moved from the second floor of the Sierberg building to the office in the Smith building formerly occupied by Mr. Andrew Smith, who has moved upstairs in the same building. The new office of Murphy & Co. will extend entirely through the building, the partition in the rear of Mr. Smith's former office having been removed.  
Hotel Proprietor Dead.  
A special to the STAR last night from Wadesboro, N. C., says: "Mr. W. T. Fluke, proprietor of the Klondyke Hotel at this place, died here to-day at six o'clock. The deceased has many friends through this section and among traveling men, who will learn of his death with regret."  
Corner Stone Laying.  
The corner stone of Mt. Zion A. M. E. church, Fifth, near Nixon street, was laid with appropriate ceremonies yesterday afternoon at 3 o'clock. Several of the colored lodges, notably the Odd Fellows, participated in the exercises and the attendance was large.

**NEW FISH FACTORY.**

Location Will Be Near Old Brunswick and Capacity Will Be Large—Representatives Here to Look Over Field. Important Industry.  
Less than a year ago a menhaden fishery was established at Old Brunswick on the west side of the Cape Fear river between Wilmington and Southport by the Atlantic Fisheries Company. Its first year's business has been phenomenally successful and the building of the first factory bids fair to open a new and important industry of mammoth proportions in these waters. As readers of the STAR are aware the menhaden fish or "fat backs" as they are ordinarily termed, are used solely for commercial purposes, the oil being extracted from them and the scraps sold for fertilizer manufacture to the gunn factories North and South.  
Through the influence of Capt. Jno. W. Harper and others of the Atlantic Fisheries Company, now located here, the attention of capitalists in the North has been attracted to the unlimited supply of fish in these waters and it may now be announced with authority that another and much larger factory will be located in less than 60 days on the Cape Fear.  
Capt. Thos. F. Price, Messrs. C. T. Wilden and N. B. Church, of "The Fisheries Company," of New York, arrived in the city Sunday and soon after their arrival promptly decided to establish a large factory here. The new factory will be located on Howe's Point, near the site of the present factory, and will be more than double the capacity of the old plant.  
"The Fisheries Company" has a capital of a million dollars and already has in operation 23 factories along the coast from Maine to Texas, one of the largest being at Lewes, Del., from from which point several of the Wilmington fertilizer factories now receive fish scrap.  
Capt. Price and Messrs. Wilden and Church yesterday went down the river on the steamer Wilmington and concluded the purchase of the factory site from Capt. Harper. They were accompanied by Capt. J. J. Milligan, of the Atlantic Fisheries, who showed them every courtesy possible.  
Work on the new factory will begin at once. Two or three steamers will be brought down as soon as practicable and everything placed in readiness for the coming season.

**ELK CARNIVAL NEWS.**

Advertising Committee Has Its Hands Full. Extra Trains Assured—Military Feature—Meeting To-night.  
It's now up to the advertising committee in Elk Carnival circles and the gentlemen in charge of that department say that nothing green will be allowed to grow beneath their shoes. All the "paper" is now in for posting and last night 300 packages were made for many agents on the different railroads entering the city. These will be shipped out this morning and are expected to spread the carnival spirit far and wide. Encouraging reports come from every quarter as to attendance and there's no doubt about the crowds that will be here. They will be taken good care of, too, and ample accommodations will be provided for every one.  
The Atlantic Coast Line has kindly agreed to put on two extra trains on the Newbern road during Wednesday and Thursday of the fair and a great crowd is expected from that section. The trains will reach the city about 9 A. M. and return late at night. As before stated the Seacoast Air line will also operate three extra trains on three days of fair week. The schedules will be as convenient as is possible to make them for prospective visitors.  
All sub-committees are requested to meet the Central Executive Committee at 8 o'clock to-night for the purpose of reporting officially the progress in their several departments. A full attendance is desired.  
The military feature of the fair is expected to culminate in one of the most successful of the many on tap. Every company in the State Guard has been invited to come with full ranks and many are expected to consider favorably the invitation. Every Elk lodge in North and South Carolina has also been invited and, of course, a majority of them will be here with full representation.  
Daughters of Confederacy.  
All members of Cape Fear Chapter, Daughters of the Confederacy, are urged to be in attendance upon the special meeting called for this afternoon, at 4 o'clock, in the W. L. I. armory. The object of the meeting is to consider plans for conducting the Chapter booth in the Elks' Carnival, the proceeds of same to be devoted to the entertainment fund for the National Convention, Daughters of the Confederacy, in Wilmington in November.

**A NEW STEAM LAUNDRY.**

Messrs. D. F. Fort, Jr., and R. T. Carlyle Will Launch Enterprise On Market Street January 1st.  
Some time ago the STAR stated that a movement was on foot for the establishment of another steam laundry in the city.  
Plans for the same now appear to have reached tangible shape and the enterprise will be launched on January 1st by Messrs. D. F. Fort, Jr., of Raleigh, and R. T. Carlyle, of Salisbury. These gentlemen spent Sunday and yesterday in the city and have rented the store next west of Mr. C. B. Bello's place on Market street. The store will have plenty of room and is thought by the proprietors to be in a very eligible location for an industry of this character.

**PUNERAL SUNDAY AFTERNOON.**

Remains of Mr. M. H. Beardley Laid Away With Odd Fellow Honors.  
At 4 o'clock Sunday afternoon the funeral of the late M. H. Beardley was impressively conducted by the Rev. Jno. H. Hall in the presence of a large number of friends and relatives including a delegation of 102 Odd Fellows of which order the deceased was a member. The services were held from the late residence, No. 408 Queen street, thence to Fifth street M. E. Church and to Bellevue Cemetery, where the deceased young man was laid away with Odd Fellow honors, with Noble Grand K. W. Jewell and Capt. J. M. McGowan, chaplain of Wilmington Lodge, officiating.  
The pall bearers for the sad occasion were Messrs. Jos. T. King, John F. Littleton, J. F. Woodson, C. O. Wetherington, M. M. Marshburn and J. F. Montgomery.

**THE STEAMER SEABRIGHT SOLD.**

Derelict Bid in at Auction Yesterday by Messrs. Brooks & Taylor.  
Messrs. Brooks & Taylor, of this city, were the successful bidders at \$441 for the derelict steamer Seabright, which was sold at auction at noon yesterday on Smith's Island, Brunswick county, in pursuance of the order of a board of survey which recently made an examination of the wreck for the underwriters and the owners, The Wilmington and Little River Transportation Company.  
Those who attended the sale went down on the steamer Wilmington yesterday morning and returned in the afternoon. They reached Smith's island from Southport on the little asphalt launch, now doing ferry duty about Fort Caswell. The sale took place at noon and Mr. M. J. Corbett, president of the Transportation Company, was the auctioneer. The bidding was lively between Messrs. R. R. Stone, Sam'l Bear, Sr., Brooks & Taylor, Capt. W. A. Small and others. All except Messrs. Bear and Brooks & Taylor dropped out of the contest when \$400 was reached and it was lively between these two rivals at "one dollar a clip" until "forty-one" was reached. Messrs. Brooks & Taylor hope to have the vessel ultimately floated and engaged in the coastwise trade again.  
"EAST LYNN" THURSDAY NIGHT.  
Miss Leah Lessl Supported by Strong Company Will Present Old Favorite.  
The trials, temptations and sorrows of the beautiful Lady Isabel, the heroine of Mrs. Henry Wood's ever popular novel, "East Lynne," will be again exploited on the stage at the Opera House next Thursday night, where that charming young actress, Miss Leah Lessl, will be seen in the role of the unfortunate wife and mother. This season Miss Lessl is presenting her own dramatization of "East Lynne," which is said to be superior in many ways to its predecessors. In order to give a first class production of her play, Miss Lessl has chosen her company with great care. She fully realizes that no matter how clever an actor a star may be, a good stage story does not hinge on one person alone, but on adequate support by competent people. The great human interest which is attached to "East Lynne" accounts in a large measure for its continued popularity which, it would seem, can never be impaired. For over forty years it has been reviewed and produced by many of the leading artists of the stage.  
Seats will be on sale to-morrow morning at Gerken's.

**CHRISTIAN TEMPERANCE UNION.**

State President Laid to Large Congregation—Solo by Miss Barren.  
At the First Baptist Church last evening Mrs. M. E. Cartland, of Greensboro, president of the State organization of the Woman's Christian Temperance Union, delivered a very pleasing and instructive address from the subject, "Is the Boy Safe?" The discourse was addressed mainly to parents, and the presentation of facts was forcible. A large audience was present, including a majority of the local branch of the organization of which Mrs. W. P. Oldham is president.  
A feature of the musical programme was a solo by Miss Ethel Barnes, who sang with touching effect, "Oh Where Is My Wandering Boy To-night?" In the afternoon at 5 o'clock Mrs. Cartland addressed a large gathering of ladies in the lecture room of the church upon the subject, "Christian Womanhood." Both the afternoon and evening addresses were heard with pleasure and profit.

Yesterday morning at 10:30 o'clock the bar of the city met at the office of Col. John D. Taylor, Clerk of the Superior Court, and arranged the calendar of cases for the two weeks term, beginning next Monday. Mr. Eugene S. Martin presided, and the attendance of members was not large on account of the court now in session at Southport, where many Wilmington lawyers are now engaged.  
Monday of the first week will be engaged principally in the hearing of divorce cases, of which there is a larger number than usual. Most of the important cases on the docket have been reserved for the second week. On Monday will be the rehearing of the case of Pennay vs Railroad Company, in which a new trial was granted at the last term, and a damage suit of more or less interest is on the calendar for each day thereafter until Saturday.

**REAL ESTATE OFFICES.**

Announcement is made in another column of the purchase by Messrs. J. C. Wright & Son of the real estate, renting and collecting business formerly conducted by Mr. Andrew Smith on Princess street. The formal transfer has already been made and Mr. Smith asks his patrons to continue their business with the enterprising firm that succeeds him. Mr. Smith will devote himself in the future to other business, the details of which he does not now care to make public. Messrs. Wright & Son have been in business for eight years and can offer everything desirable in the new and enlarged agency.  
Will Move to Greensboro.  
Mr. Geo. E. Leftwich, a well known business man of the city, in the employ of Messrs. McNair & Pearson, will leave to-morrow for Greensboro, N. C., his former home, where he will engage in the retail grocery business for himself. Mr. Leftwich has been for several years the faithful and energetic superintendent of the First Baptist Sunday School and in his honor a farewell reception will be given at the church to-night. Many friends in Wilmington regret exceedingly to know that Mr. Leftwich and his excellent family will go elsewhere to live.

**TWO EXCURSIONS YESTERDAY.**

Two excursions—the "last roses of Summer" so to speak—reached the city yesterday. Both were for the benefit of colored people and were poorly patronized. The first came from Selma via Fayetteville at 11:40 A. M. and returned at 3 P. M. In the party were 68 people. The second came from Mullins, S. C., and brought 213 South Carolina "darkies" from Mullins. It arrived at 12:17 P. M. and returned at 5 o'clock in the afternoon.

**FOR GRIPPE AND INFLUENZA USE OHENEY'S EXPECTORANT.**

**LOCAL DOTS.**

The Board of Managers of the Produce Exchange will meet at 12:15 o'clock this afternoon.  
The New York schooner Harry W. Haynes arrived yesterday with a cargo of coal for The Coal, Cement and Supply Co.  
Misses Florence Bonitz and Nan Huggins will resume the kindergarten classes at Immanuel Presbyterian church to-day.  
During the past month eight licenses were issued by the Register of Deeds for the marriage of white persons, and ten for colored persons.  
Cotton receipts yesterday were 1,897 bales; same day last year 400 bales. Buyers were offering only 7 1/2 cents per pound for middling yesterday.  
Messrs. Frank Shepard, C. G. Southland, Jr., and Alfred Jewett announced that they will open a dancing school across the street from the City Hall Monday night.  
Miss Norma Foster contributed largely to the musical programme at the First Baptist church Sunday night. She rendered in excellent voice the solo: "Jesus Lover of My Soul."  
Miss Maggie Howell will give an entertainment to-night at the residence of Mrs. Smith, on Seventh, between Market and Dock streets, for the benefit of the Fifth Street M. E. church.  
Pupils of the Fletcher Music Method, both simplex and kindergarten, are asked to meet for classification this afternoon at 4 o'clock at the home of Miss Fannie K. Corbett, No. 411 North Fourth street.  
A Civil Service examination for clerks and carriers in the postoffice service will be held in Wilmington Nov. 20th. Similar examinations will be held at Winston, Raleigh and Charlotte Nov. 16th.  
Wilmington Presbytery will meet in regular Fall session at Clarkton, Oct. 10th. One of the principal features of the meeting will be the decision on a location for the Presbytery High school boys.  
The schooner Jno. R. Fell, Capt. Dodd, arrived yesterday with a cargo of salt from New York for the Worth Company. Capt. Dodd, who is an old and popular trader at this port, reports a very rough passage down.

**KILLED A FINE MULE.**

Unknown Person Entered Mr. G. T. Shepard's Stable and Hacked a Good Animal to Death.  
One of the most inhuman and dastardly acts ever recorded in the county, perhaps, was perpetrated at Mr. Geo. T. Shepard's place on Middle Sound between midnight and day Sunday morning. Some fiend in human form entered the stables between the hours indicated and deliberately killed a fine mule belonging to Mr. Shepard by knocking the animal in the head with an axe or hatchet until it was dead.  
Mr. Shepard's driver, who had been on the city Saturday with a load of produce, returned about 11 o'clock at night and the mule, in the very best of condition, was turned into her stable as usual and fed. She commenced eating heartily and Mr. Shepard retired for the night. Upon going to the stable at 6 o'clock Sunday morning he was dumbfounded to find the mule dead and perfectly stiff. There was no sign of sickness or yawning on the ground as mules usually do when sick. An ugly gash about three or four inches long and one and a half inches deep was found in the animal's forehead and another of like character on the side of the jaw. Mr. Shepard is naturally at a loss to account for the motive that prompted such a deed.

**DEATH OF AGED CITIZEN.**

Mr. Abner Quin, a well known and highly esteemed citizen of Wilmington, passed away at his home, No. 515 North Seventh street, at 9 o'clock Sunday night. He was born in Carteret county, N. C., but had lived in Wilmington all his life, which ended in his 86th year. The only surviving members of the immediate family are his wife and two daughters, who have the sincere sympathy of many friends. The funeral was conducted at 4 o'clock yesterday afternoon from the late residence by the Rev. R. H. Herring, and the interment was in Bellevue cemetery. The pall bearers were Messrs. Robert Edens, E. J. Littleton, J. O. Brown and G. M. Horne.

**SHOOTING OF POLICEMAN CHADWICK.**

The condition of Policeman E. R. Chadwick, who was shot Saturday night, was much improved yesterday. It is now known that Fisher, the albino negro, was not the assailant of the officer, though all the circumstances point that way. A young white man, whose name the police authorities prefer not to make public just now, is wanted on the charge, and yesterday afternoon Chief Furlong and Policeman Skipper left by private conveyance through Brunswick county in search of him. At an early hour this morning the officers had not returned.

**IMPORTANT ANNOUNCEMENT.**  
WILMINGTON, N. C., September 28th, 1901.  
To the Citizens of Wilmington and the County of New Hanover:  
The Board of Managers of the James Walker Memorial Hospital beg to announce that the new Hospital, which was donated to the city and county by the late James Walker, has been completed and delivered to the Board of Managers.  
Ample provision has been made by the city and county authorities for the support and maintenance of the Hospital. Before its usefulness can be realized, it must be furnished and equipped; and this duty is among the first that has devolved upon the Board of Managers in assuming charge of the property. A careful estimate has been made and it is ascertained that it will require at least six thousand dollars to properly furnish and equip the Hospital. An appeal is now made to the citizens of the city and county to supply this amount. It having been suggested that many private citizens would desire to make contributions towards this purpose, the Board has decided to open subscription lists in order that an opportunity may be afforded to those who desire to do so, to contribute. These subscription lists are in the hands of Dr. C. P. Bolles, the Secretary of the Board, at the office of Messrs. Hugh MacRae & Co., Bankers, and it is hoped that liberal contributions will be promptly made. It has been decided that, in order to have the Hospital uniformly and properly equipped, the same must be done under the supervision of the Board of Managers, and, on this account, the contributions must be in cash.
