One reason why the British troops can't keep up with the Boers in the chase is because they are too anxious to carry their plunder along with them. They load their caravans down with all kinds of plunder, even pianos, etc.

ELKS' FAIR AND CARNIVAL.

Enthusiastic Meeting Last Night of Executive Committee—How to Erect Booths.
The Executive Committee of the Elks' Carnival held a most enthusiastic meeting last night at the Temple, Mr. H. J. Gerken presiding. All the sub-committees were well represented and with few exceptions by a full membership. Encouraging reports were received from every department and new work was mapped out for the coming week. The territory contiguous to Wilmington has been well worked in an advertising way and travelling men say the crowds will be large.
Merchants in the carnival district are expected to erect booths in front of their stores and that all may be creditably represented, Mr. F. C. Huffman, the fair promoter, and Mr. H. J. Gerken will to-day visit a number of the stores and make suggestions as to the manner and means of making the best display. Of course there will be no privilege tax for the booths and it is a free will offering on the part of Messrs. Gerken and Huffman to make the visit.

NEGRO CARPENTER INJURED.

Toomer Dixon Fell From Elevated Gangway Leading Into Coal Yard.
Toomer Dixon, a colored carpenter engaged on the gangway of the Coal, Cement and Supply Company, South Front street, fell from the scaffolding yesterday morning about 9 o'clock and badly fractured one of his legs below the knee.
The schooner *Jno. R. Fell* was being unloaded at the wharf and in attempting to stand aside for one of the large wheelbarrows to pass him on the gangway, he lost his footing and fell to the ground, a distance of about twenty-five feet. In falling he struck a box car on the track beneath him and this saved him, perhaps, from more serious injury. He was attended temporarily by Dr. T. S. Burbank and later sent in the patrol wagon to the Walker Memorial Hospital.
Dixon is very well known in Wilmington. For some time he was a letter carrier at the postoffice.

TO DIVIDE THE ASSOCIATION.

Plans Being Devised for Division of Eastern Baptist Organization—Committee.
At the recent union meeting of the churches in the Southern division of the Eastern Baptist Association, a committee consisting of Rev. Dr. Calvin S. Blackwell, Rev. J. C. Walton and Rev. R. H. Hewlett, was appointed to ask for letters of dismission from the Eastern Association and to meet at Burgaw on Thursday following the third Sunday in November for the purpose of forming a new Association to be named, perhaps, the "Wilmington Association."
The Eastern Association now comprises a very large area and there has long been on the part of the churches in the Southern division a desire to withdraw from the old and form a new association. This desire will probably be gratified in the formation of the new organization as will be outlined by the committee in charge.

RAILROAD FACILITIES

Board of Managers of Produce Exchange Wants Extra Train On W., C. & A. Road.

RIVER AND HARBOR CONGRESS

Delegates Appointed to Meeting in Baltimore Next Week—A New Member Elected—Classified New York Directory Ordered.
Yesterday afternoon at 12:15 o'clock the regular monthly meeting of the Board of Managers of the Produce Exchange was held in the Exchange rooms on Water street. Mr. P. Fearall presided and those in attendance were Messrs. L. B. Rogers, G. J. Boney and Col. Walker Taylor, absent. Messrs. J. H. Chadbourne, Jr., H. W. Malloy and D. McEachern. Col. Jno. L. Cantwell having been busily engaged with his stock report, Col. Taylor acted as secretary.
Mr. J. King Corbett, commercial agent in Wilmington of the C. & A. railroad, was unanimously elected to membership in the organization in due form.
The secretary was instructed to purchase a classified business directory of New York for the use of members of the Exchange.
The service of the Inter-State telephone, which was recently discontinued, was ordered reinstated.
Messrs. H. G. Smallbones and J. A. Aringdale were elected to represent the Exchange at the River and Harbor Congress to be held at Baltimore Oct. 8th and 9th. These gentlemen will also represent the Wilmington Chamber of Commerce.

The most important matter considered by the meeting, perhaps, was the desirability of extra mail and passenger train facilities on the Wilmington, Columbia and Augusta Railroad. There is now one passenger train on the road between Wilmington and Florence, but the Exchange managers think it would be a great benefit to secure another train and the Atlantic Coast Line Company will be petitioned to that effect. The Chamber of Commerce will be asked at its meeting tomorrow afternoon to join in the request.
It was stated at the meeting yesterday that a train reaches Mullins, S. C., each day from Charleston and that it would entail very little more expense to bring it out to Wilmington, reaching here about 10 P. M. and returning in its regular schedule as now. It was also pointed out that it would greatly facilitate the work of travelling salesmen from Wilmington's wholesale houses.

Upon motion, Mr. G. J. Boney was appointed to confer with the railroad authorities relative to the improved service.
Other routine business was transacted of no general interest and the Board adjourned.

WILMINGTON SEWERAGE CO.

Excavations Begun Yesterday On Castle Street and Pipe Being Laid for New System—Disposal Plant.

Messrs. Wm. McLean & Co., the Philadelphia contractors who recently located in the city, yesterday morning began work with a force of 200 hands upon the excavations and laying of pipe for the Wilmington Sewerage Company, lately re-organized to equip the city with a complete system of sanitary sewerage.
The work began at Front and Castle streets and before night the excavation extended as far as Third street, with the pipe laid and the excavation refilled for about half this distance. The progress is remarkable and within a week it is expected that several streets will have been completed.
The work yesterday was the first in the city proper, as the health regulations would not permit excavating before Oct. 1st. During the Summer a disposal plant, costing several thousand dollars, was constructed on Burnt Mill Creek north of Oakdale cemetery and much other preliminary work was also done there. When the streets are laid with the pipe, it will require little time to connect with the disposal plant and have the system in operation.
Col. J. E. Lewis, of Philadelphia, president of the Sewerage Company, arrived yesterday morning to look after his interests here.

Daughters of Confederacy

An enthusiastic meeting of Cape Fear Chapter, Daughters of the Confederacy, was held yesterday afternoon at the W. L. I. armory. The most important feature of the meeting was the consideration of plans for conducting the refreshment booth at the Elks' Carnival week after next. The attendance was unusually large and upon invitation, Mr. H. J. Gerken addressed the meeting in explanation of the scope of the work about to be undertaken by the Chapter. He answered many questions relative to the booth and plans were set on foot by the Daughters to avail themselves of the kind proffer of the Elks.
For Intermittent at Newbern.
The remains of the late Mrs. J. E. Borden, of Jacksonville, Fla., passed through the city yesterday for interment at Newbern, N. C., this morning at 10 o'clock. Mrs. Borden was formerly Miss Rida Kehoe, of Newbern, and her husband is foreman of a large saw mill plant at Jacksonville. They were married about a year ago.

SUNDAY SCHOOL RECEPTION.

Very Elaborate Event at First Baptist Church in Honor of Mr. Lettwith, Retiring Superintendent.

A large audience filled the First Baptist Sunday School rooms last night to tender Mr. Lettwith, Superintendent. The testimonial of esteem on the eve of their departure for Greensboro. The fitness of the affair was in the fact that Mr. Lettwith has been for a number of years the enthusiastic and successful Sunday School Superintendent of the church.
The following programme was artistically rendered:
Piano Duet, "Valse Brillante" (Schubert) by Mrs. G. L. Finch and Miss Ethel Barnes.
Recitation "Old Ace," by Mrs. Bernice Moore and on encore, "Jennie," both pieces written by Fred Emerson Brooks.
Vocal Solo: Miss Barnes, "A Day Dream," (Strelzick) with violin accompaniment by Miss Foster and piano by Miss Finch.
Violin Solo by Miss Norma Foster, "Polish Dance," (Wienauski) with piano accompaniment by Miss Fannie Corbett.
Vocal Solo, by Miss Anne Taylor, "Because I Love You So," (C. B. Hawley).

After the rendition of the programme, Dr. Blackwell called Mr. Lettwith to the platform and in a brief but tender talk presented him the following resolutions beautifully engrossed and handsomely enclosed in an oval gold gilt frame.
First Baptist Church of Christ,
Sunday School Department.
WHEREAS, Bro. George G. Lettwith, for many years our efficient superintendent, removes from the city, therefore be it
Resolved, That we recognize in him our leader in Sunday School work—strong in faith, buoyant in hope and steadfast in purpose. That to the best interests of our school he has given his means, his time and himself. That it is with unfeigned regret we sever a relation so fruitful in good and so delightful in personal associations. That we most heartily commend him and his consecrated wife to the church and Sunday School wherever they locate, as "lovers of God and little children." That our prayers go with them and theirs wherever they abide.
C. D. WEEKS, Superintendent.
Ed. H. Farniss, Secretary.

Mr. Lettwith made a happy and heartfelt response.
The audience then took a free social form and almost every one of the large crowd came forward and gave Mr. Lettwith and his charming wife and little son, Marion, a tender farewell. Later in the evening Miss Lizzie Otten gave a unique exhibition in whistling, which was greatly enjoyed.

The Sunday School room was tastefully decorated with a profusion of plants and palms deftly arranged by a committee of young ladies and gentlemen of the Sunday School.

SUDDEN DEATH YESTERDAY.

Mrs. Ann Eliza Polley Died Suddenly at Her Home On Market Street—Funeral This Morning.

Announcement of the death of Mrs. Ann Eliza Polley, wife of Wilmington's esteemed townsman, Mr. E. G. Polley, will bring sorrow to the hearts of many friends in Wilmington and elsewhere. Her death occurred very suddenly yesterday morning at 7:30 o'clock of heart failure at her residence, No. 212 Market street. Mrs. Polley, until the instant of her death, appeared to be the best of health and her sudden taking away came as a sad and unexpected blow to a devoted husband and to her children. The family had just finished breakfast and Mrs. Polley accompanied her husband to the door as he left for his office at the Custom House. She then turned to her household duties and while about the same she was stricken and passed away instantly. Mr. Polley received the information of his devoted wife's death before he reached his office and hurried to his home immediately, but not in time to see her alive again.
Mrs. Polley was a sincere Christian woman and had long been a devoted member of Grace Methodist Church. She was a Miss Holmes before marriage and was a native of Richmond, Va. She was 44 years of age last May and was married to Mr. Polley in 1873, since which time they have resided in Wilmington.
Besides a sorrowing husband Mrs. Polley is survived by six children, all of Wilmington except one. They are Mrs. J. E. Bessett, of Richmond, Va.; Miss Eva G. Polley, Mr. Walter Polley, Masters E. G., Jr., and Hiram N. Polley and Little Miss Alma Creasy Polley. All of them have the tenderest sympathy of hosts of friends.
The funeral will be conducted at 10:30 o'clock this morning from Grace M. E. Church and the interment will be in Oakdale cemetery.

Naval Reserves Elected.

After a very satisfactory inspection by Lieut. H. M. Chase, commanding the Wilmington Division, Naval Reserves, held a business meeting last night and elected Mr. Junius Davis, Jr., to the office of Lieutenant Junior Grade, and Mr. Morgan Skipper to the office of Ensign. Mr. Davis succeeds Mr. Chase, promoted upon the resignation of Mr. A. B. Skidding, and Mr. Skipper succeeds to a vacancy long existing. Mr. Hugh L. Muller having been one of the last Ensigns of the Division. After the election the newly elected Ensign served a sumptuous feast of refreshments to his comrades in appreciation of the honor bestowed upon him.

AFFAIRS OF THE CITY

Board of Audit and Finance Held Semi-Monthly Meeting Yesterday Afternoon.

THE BUSINESS CONSIDERED

It Was Principally of Minor Importance. Suggestion From Alderman Johnson as to Health Officers—Salary of Messenger Increased.
At the regular semi-monthly meeting of the City Board of Audit and Finance yesterday afternoon at 3 o'clock a number of matters were considered, but none of them was of unusual importance. Present at the meeting were Chairman McQueen and Messrs. Yates and Wilder; absent, Messrs. McNair and Abner. Aldermen Harris and Johnson were also in attendance.
Action of the Board of Aldermen in increasing the salary of Melvin Dent, messenger to the Mayor, from \$30 to \$35 per month was not concurred in, but in its stead, upon motion of Mr. Yates, the salary was made \$25 per month. Alderman Harris was present to urge the increase.
Alderman Johnson was present to urge a change in the system of health officers, by which three men will be on permanent duty the year round instead of four in Summer and two in Winter as now. Mr. Johnson explained that the Board would save more than overbalance the excess in Winter. The Board was of the opinion that if the change is desirable at all, it is best to defer the same until the beginning of next Summer.
City Attorney Bellamy, who was also present, stated to the Board that Mayor Waddell had admitted all the allegations in the complaint of the S. P. Cowan Livery Company in its suit against the city for payment for the police patrol wagon and asked the Board as to the method of its defence of the suit in court. He was instructed to defend the suit to the best possible advantage. It will be remembered that the Board of Aldermen authorized the purchase of the vehicle and the Board of Audit and Finance refused to concur in the contract.
The matter of fixing the compensation of the tax lister was deferred until a subsequent meeting, which will be held as a special session in a few days.
The contract and agreement with the city attorney, which had previously been referred to the chairman for examination was found correct in every detail and was formally approved.
Bills of the Wilmington Live Stock Co. for \$385 for two mules for the street department and \$150 difference in exchanging two worn-out horses for a new one for the fire department, were approved.
A bill in favor of the City Attorney for \$142.19 for collection of \$1,374.83 back taxes, was also approved.
No other bills were approved at the meeting and adjournment was had subject to call of the chairman.

LEAVES TO-DAY FOR EL PASO, TEXAS

Mr. S. R. Vick Will Go West to Engage in Railroad Business.
Mr. Samuel R. Vick, one of the most popular and most highly esteemed young men of Wilmington, will leave this afternoon via the Seaboard Air Line for El Paso, Texas, where he has a lucrative and very responsible position in the auditor's office of the El Paso and Southwestern Railroad Company. The system is owned by one of the wealthiest copper mining corporations in New York with a capitalization of over a million dollars and the chances for still further promotion are very promising for a young man of Mr. Vick's ability.
He has been employed the past ten years as private secretary to Mr. Jas. F. Post, secretary and treasurer of the Atlantic Coast Line Railroad Company, and nowhere is the regret greater at his leaving, taking that with his employer and his fellow employees. Yesterday afternoon in token of the esteem in which he is held by them, the clerks in Mr. Post's office presented to him, through Mr. Henry Burkheimer, a very handsome gold old fellow emblem, which Mr. Vick accepted in words of grateful appreciation.
Last night at the hospitable home of Mr. Post, Sixth and Princess streets, he was the guest of honor at an informal, though very cordial, reception to which were invited all the employees in the office of the secretary and treasurer. Later in the evening the general offices gave Mr. Vick an elaborate "farewell supper" down town. The best wishes of hundreds of friends in his native city go with him to his adopted home.

Death of Aged Citizen.

Mr. Thos. Maashburn, an aged citizen of this county, died Sunday afternoon about 2 o'clock at his home on Middle Sound. He was 87 years of age and was born and reared on the farm where he died. The funeral was held Monday afternoon at 4 o'clock. A. J. Marshall, Esq., of this city, who had occasion to look up some Court House records for the family yesterday, discovered that Mr. Maashburn's great grandfather lived on the same place where his son died Sunday. The family was one of the earliest settlers in this country and the land has gone from father to son for a period of nearly 200 years. Mr. Maashburn, who died Sunday, was never out of the immediate neighborhood and was one of the few farmers who literally "lived at home" and that, too, for a period of many years.
