### IMPORTANT CAPTURE

Confessed Assailant of Policeman Chadwick Arrested in Brunswick Yesterday.

THE EVIDENCE IN THE CASE

Prisoner is White Man of Alleged Ba Character and Was Brought to the City Last Night by Sergeant Burnett.

After energetic pursuit by the police for four days the man confessing to be the assailant of Policeman E. R. Chadwick was captured yesterday by

The man captured is John R. Potter, white, who is known more familiarly as "John Reb" Potter, aged about 35 years, and last employed at the Delgado Mills. Chief Furlong received a telegram from Sergeant Burnett giving the bare facts of the capture and stating that he would arrive in the city last night via the W. C. & A. railroad from Brinkley, which is just across over the Brunswick line in Columbus county.

Potter evaded capture since his al-

leged crime Saturday night in a most mysterious manner but Chief Furlong determined upon his arrest at any cost. After shooting Mr. Chadwick, Potter remained in the city until Sunday morning and then crossed over into Brunrwick county, his native home. Although most diligent search was made for him Saturday night and Sunday morning, there was little clue to his whereabouts. Sergeant Burnett, who has been most active in his efforts to catch the man ascertained that Potter or some one had shot into the house of a woman living near Fifth and Wright streets. He soon discovered that the tracks about the street where the shooting occurred, were not those of the negro Fisher, who was at first charged with the offence, and he followed the tracks to Greenfield mill pond and later discovered that Potter had made an unsuccessful attempt to get a boat to cross the river further down. Sunday morning about three o'clock he crossed at Hilton bridge and Sergeant Burnett and Policeman Marcus Gray were detailed by Chief Furlong to follow his trail. Later, Chief Furlong and Policeman E. Skipper

went over but returned with Police-

from Policeman Chadwick on the

night of the shooting. From there

track of Potter was lost and Sergeant

Burnett associated with him in the

About twelve miles from the city Potter had passed the house of Tom Henry and about four miles further on he had been seen by a relative, Mr. Sam Potter, who gave the officers all information possible. The next place where Potter was located was at the house of a gentleman named Raven, where he had dinner, shaved off his mustache and left by mistake the club which had been wrested

Before Dr. W. W. Harriss, Justice of the Peace, an interesting civil suit was heard yesterday. It was brought by Mr. Thos. F. Bagley against Capt. Charles Wessell and involves a ripaproperty near the foot of Ann street. He claims that the defendant is indebted to him in the sum of \$70 for seven months rent of the wharf. Capt. Wessell has used the place on different occasions for tieing up his boats. Capt. Wessell claims that the boats were made secure to piling in front of the wharf and placed there under instructions from the Harbor Master of the port. He contends, therefore, that the piling are not a part of the property. The plaintiff is represent ed by Thomas Evans, Esq., and Wm. J. Bellamy, Esq., appears for the defendant. Dr. Harriss has reserved his decision until to-morrow morning at

Funeral of Mrs. E. G. Polley.

Impressive funeral services were conducted yesterday morning at 10:30 o'clock from Grace M. E. church over the remains of the late Mrs. E. G. Cole, pastor of the deceased, who paid a very beautiful tribute to Mrs. Polley's Christian womanhood and devotion to her church. Rev. Mr. Cole was assisted by Rev. J. W. #### THE MOORE DAMAGE SUIT.

Most Celebrated Case in History of County Still in Hearing at Southport-The Witnesses Examined.

> John H. Gore, Jr., Esq., of counsel for defendant, Mr. Fred. Kidder and a number of other witnessss interested in the case of F. M. Moore vs. Navassa Guano Company, at Southport, came up to the city last night at 10 o'clock on the tug Navassa.

As predicted before in these col-

umns, the case will consume the balance of this week in hearing, and it will likely be late Saturday afternoon before the issues are given to the jury. Up to Tuesday noon, thirty of the seventy-five witnesses for the plaintiff had been examined, and at that stage Sergeant C. S. Burnett in Brunswick the plaintiff rested. The defendant then began with its witnesses, and those that have thus far been examined are Mr. E. Borden, manager of the chemical department of the Virginia-Carolina Chemical Company; Mr. H. W. Malloy, president of the Nayassa Guano Company; Mr. Peter S. Gilchrist, an expert chemist, of Charlotte; Mr. W. W. MacRae, superintendent of the acid chambers at Navassa; Mr. B. G. Worth, who testified as to the rental of the "Hall place" before it passed into the hands of plaintiff; Mr. T. W. Bixby, an expert from Baltimore, as to the construction of acid chambers; Messrs.

> Chinnis, of Brunswick county. Dr. Charles Baskerville, professor of chemistry in the University of North Carolina, went on the stand in the afternoon yesterday and had not concluded his testimony when court took a recess last night.

D. L. Gore, S. P. McNair, J. H.

Brown, of Wilmington, and S. L.

It is expected that it will require until to-morrow night to finish with the witnesses and argument will be made by counsel to the jury on Saturday. By agreement the speeches will be limited to one hour each.

AT OPERA HOUSE TO-NIGHT

Old Favorite Emotional Play "East Lynne."

The production of "East Lynne," which will be seen to-night at the Opera House, is said to be the best that has been given this famous old play in many years, and will doubtless prove to be one of the events of the local

theatrical season. The charming young emotional actress, Miss Leah Lessi, will portray the dual role of Lady Isabel and Madame Vine. Critics are almost unauimous in declaring her to be Mrs. Henry Wood's ideal "Isabel." The version which will be seen here, was written by Miss Lessi herself after a careful study of the novel, and the stage presentation it is said will be as true to the book as it is possible to make the two coincide. Miss Lessi has an excellent supporting company.

One of the features of this production that will be pleasing to ladies is the beautiful gowns worn by Miss Lessi. They were all designed and manufactured, according to the claim of the management, in Paris last Summer. Besides her splendid ability as actress, Miss Lessi is well known in the musical circles, many of her compositions having b come popular. The transfer of Funn to Virginia is in accordance with the laws of North Carolina, and Col. John D. Taylor, Clerk of the Superior Court, will send with the prisoner all the papers in the case, including two letters written by Funn while in prison to Chief of Police Furlong. In this letter the delusions of the deranged man are pretty accurately summed up.

Merchants Anxiously Take Hold of Scheme to Promote Their Interests During Pair Week-One of Bostock-Ferari's Many Attractions.

As early as the middle of next week the merchants of the city in the Elk Carnival district will begin erecting fancy booths in front of their stores, and the indications are that a large majority of them will be novel and beautiful, adding much to the gala attire of the city upon that occssion. Mr. F. C. Huffman, the fair promoter, and Mr. H. J. Gerken, chairman of the Carnival Executive Committee, yesterday began a canvass of the business houses at Walnut street

and met with much encouragement in the way of promises for booth build ing. It was impossible to get over all the area yesterday, but the canvass will be continued to-day and to-morrow, if not finished sooner, Many of the merchants will build very elaborate booths and have them handsomely decorated and lighted. Decorative material, including many
