Gen. DeWet, whose wife died  
some time ago, has a family of nine  
children, and they are all good look-  
ing ones, too.  
It is estimated that the census of  
1900 will cost something over \$15,-  
000,000. As a permanent institu-  
tion, as some want to have it, there  
would be some nice pickins in it for  
the faithful.  
When Minister Wu saw his first  
game of football and saw the knock  
out he pronounced the inquiry  
"Why don't they use rifles." He  
evidently thought that would be an  
easier way to settle it.  
There is talk of an independent  
glass combine to fight the trust.  
We are not a combiner, but in this  
case we hope the new combine will,  
in the language of Kaiser Wilhelm,  
"smash" the other combine "all to  
pieces."  
Li Hung Chang is said to have  
made most of his millions by run-

throughout China, where he had  
scores of them, and stuck it to the  
fellows who had occasion to call on  
their "uncle."  
Mr. Rockefeller recently delivered  
an address before a Sunday School  
on the "vanity and emptiness of  
great riches." But he isn't project-

any Sunday School remarks on the  
subject.  
A London physician expresses  
the opinion that if the British sol-

they would suffer very little from  
typhoid and enteric fevers. Our

for Cuba had their drinking water  
boiled.

## AN ANNUAL MEETING.

### The Merchants' Association Chase Directors and Transacted Routine Business.

### REPORT OF THE SECRETARY.

Much Good Accomplished in Way of Col-  
lections and Credit System Somewhat  
Reformed—Suggestion Which  
Was Favorably Received.  
Directors were elected and a num-  
ber of routine matters were attended  
to at the fourth annual meeting of the  
Wilmington Merchants' Association,  
held yesterday afternoon at 3 o'clock  
in its rooms in the Seaboard Air Line  
building.  
Mr. M. W. Jacoby was called to the  
chair as presiding officer in the ab-  
sence of Col. W. A. Johnson, the  
president, and Mr. Heinsberger, as  
secretary, was at his post. It was  
found that 78 members out of a total  
number of 100 were represented, either  
in person or by proxy.  
The reports of the secretary and  
treasurer, the latter duly approved by  
Messrs. J. H. Thomas and Wm.  
Nestle, the auditing committee, were  
read, adopted and ordered on file.  
On motion of Mr. George R. French  
it was decided to increase the number  
of directors from 11 to 15 and Article  
S, Section 1, of the by-laws and con-  
stitution was amended to that effect.  
A nominating committee, appointed  
by the chairman and consisting of  
Messrs. Hugh MacRae, W. E. Worth  
and J. H. Thomas, submitted the fol-  
lowing names of members to compose  
the Board of Directors for the ensuing  
year and they were unanimously elected,  
the secretary, by instruction, cast-  
ing the vote of all those present:  
Sol Bear, Chas. M. Whitlock, A. B.  
Skelding, William Nestle, J. M.  
Solky, Marcus W. Jacoby, George O.  
Gaylord, J. W. Murchison, J. H.  
Behder, W. E. Worth, DeWitt C.  
Love, J. H. Thomas, B. Solomon, W.  
E. Springer, M. W. Divine.  
Messrs. Jacoby, Worth, Nestle and  
Love were members of the old board;  
the others are newly elected.  
The Board was instructed to meet on  
Thursday, 21st inst., at 3:30 o'clock for  
the purpose of electing officers.  
At the meeting the following letter  
was read:  
WILMINGTON, Oct. 1st, 1901.  
Mr. P. Heinsberger, Secretary,  
DEAR SIR:—I make the following  
suggestion: At your next annual  
meeting the Association publish a  
pamphlet, giving a complete list of all  
the members of the Association, with  
the organizations, together with any  
other matter that might pertain to  
them. Opposite each name a memoran-  
dum should show what methods  
were used to collect the account and  
whether successful or not. Very truly,  
JAMES H. CHADBOURNE, JR.  
The suggestion in the letter was  
favorably received and upon motion  
of Mr. W. E. Worth and second by  
Mr. S. H. Fishblate, the secretary was  
instructed to have the pamphlet pub-  
lished as described by Mr. Chadbourne.  
The only annual report of general  
interest was that of the secretary,  
which contains much interesting data  
to members and is as follows:  
To the Wilmington Merchants' As-  
sociation:  
DEAR SIR:—I have the honor to sub-  
mit herewith my fourth annual report  
for the year 1900-1901.  
The Merchants' Association was or-  
ganized in September, 1897, and began  
its fourth year with 110 active and  
three honorary members. The re-  
ceipts from membership and dues dur-  
ing 1900-1901, amounted to \$749.47.  
The expenditures amounted to \$671.59,  
leaving a balance in the Atlantic Na-  
tional Bank of \$77.88.  
Twelve business houses have joined  
your Association since I was elected  
and nine have resigned. Sixty-three  
firms have reported regularly delin-  
quent debtors. The monthly reports  
showed an amount of \$15,434.07. The  
amounts collected through this office  
by the use of our official letter blanks  
is \$1,661.30. The benefits derived  
to our members through the Associa-  
tion have been great. Many migratory  
persons who had made it a business  
of having goods charged and never pay-  
ing for them have been slow in pay-  
ing their monthly bills are now good cash  
buyers. A merchant not long ago  
remarked that he was satisfied that  
the Merchants' Association brought about  
this great change.  
My thanks are extended to the  
Board of Directors who greatly assisted  
me in performing my duties during  
the year just closed. Respectfully,  
P. HEINSBERGER, Sec'y.

### MADE FALSE FIRE ALARM.

Whether their intentions were good  
or bad, Scip Ash and Wm. Miller,  
both colored, will have to answer in  
the police court to-day at noon for  
turning in a false alarm and for dis-  
orderly conduct, respectively.  
Because smoke issued from the win-  
dow of a shop in "Racket store alley"  
where a blacksmith was shrinking a  
tire at a cart wheel yesterday after-  
noon, Ash turned in an alarm from  
box 43, corner Front and Orange  
streets, and the department came  
rushing upon the scene. Chief  
Schnibben arrested Ash for the mis-  
crane, and Miller insisted on having  
too much to say about the arrest,  
whereupon Alderman Harris, chair-  
man of the fire committee, took him in  
tow for the station house. Both will  
have to answer for their conduct to-  
day.

### NEGRO TURNED ONE IN AND ANOTHER HAD TOO MUCH TO SAY.

Whether their intentions were good  
or bad, Scip Ash and Wm. Miller,  
both colored, will have to answer in  
the police court to-day at noon for

### UNUSUAL DEMAND UPON BENEVOLENCE OF THE PEOPLE OF WILMINGTON IS INDICATED.

TO THE EDITOR:—I feel it to be a  
duty to supplement the card of Rev.  
Dr. Blackwell, president of the Asso-  
ciated Charities, published in this  
morning's paper, for the reason that,  
for the first time so early in the season  
applications are now being made at the  
office by both white and colored people,  
for food or for hauling it when given by the Associated  
Charities. The indications are certainly  
point to unusual demands upon the  
benevolence of our citizens during the  
Winter, and I am sure they will be  
liberally complied with as they have  
always been.  
A. M. WADDELL, Mayor.

### CAPT. HUMPHREYS TRANSFERRED.

Capt. Chas. Humphreys, assistant  
engineer in the U. S. Engineer's De-  
partment in this city, has been ordered  
to Wheeling, W. Va., to take charge  
of some improvements in the Ohio  
river, and he left Monday night for  
that city, much to the regret of his  
many friends in Wilmington, where he  
has resided the past sixteen years. His  
family will not join him at present,  
but may leave for their new home later.

## DAUGHTERS OF CONFEDERACY

### Interesting and Well Attended Meeting of Cape Fear Chapter Yesterday After- noon—Thanks for Kindness.

There was an unusually large at-  
tendance at the meeting of the Cape  
Fear Chapter of the U. D. C. yester-  
day afternoon at the W. L. L. armory.  
After routine business, the late con-  
vention was very pleasantly discussed  
and the Chapter was gratified to hear,  
through various members, that the  
delegates from the different States had  
expressed themselves as quite pleased  
with their entertainment while in the  
city—indeed, the convention occa-  
sioned very favorably with any held  
in other cities heretofore.

### THE MONTHLY TAX RECEIPTS.

Bond of Wm. MacLean & Co., Water  
Works Contractors, Approved—No  
Firearms Yet for Policemen.  
Bills for Current Expenses.

The greater portion of last night's  
regular monthly meeting of the Board  
of Audit and Finance of the city was  
taken up in approving the usual num-  
ber of bills for current expenses.  
Present at the meeting were Mr. H.  
C. McQueen, the chairman, and  
Messrs. C. W. Yates, S. P. McNair,  
Jesse Wilder and J. A. Orrell.

The Board of Messrs. Wm. MacLean  
& Co., the contractors for extending  
the water works system into the Fifth  
ward, in the sum of \$1,000, was ap-  
proved with The City Trust, Safe De-  
posit and Security Company, of Phila-  
delphia, as surety. Much of the ma-  
terial for extension of the water mains  
is already on the grounds and the con-  
tractors hope to begin work very soon.  
It was expected that the work would  
have begun before this time, but a ne-  
cessary delay came and the work will  
now be rushed.

Although a communication was laid  
before the Board relative to the equip-  
ment of the police force with fire-arms,  
no action was taken upon it, but the  
matter will likely receive considera-  
tion at a subsequent meeting. The  
Board of Aldermen has already made  
an appropriation covering the cost of  
the equipment.

Among the interesting features of  
the proceedings was the reading of the  
regular monthly report of the City  
Clerk and Treasurer, showing receipts  
and disbursements of the public fund  
for the month of October. Ordinarily  
the reports are not of general interest,  
but at this season taxes are coming in  
and the progress of collections is  
always watched as an indication of  
what amount of the total levied will  
be available. The receipts and dis-  
bursements for the month were as  
follows:

RECEIPTS.  
Balance from September.....\$36,798 04  
Mechanics' license..... 2,358 14  
Liquor license..... 1,414 00  
Markets..... 132 16  
Mayor's court..... 221 60

Rent and personal tax..... 21,015 21  
Tax prior to 1901..... 275 34  
Dog badges..... 1 40  
Scavenger system..... 32 23  
Costs on back taxes..... 32 37  
Total.....\$52,369 19

The total amount collected during  
the month was \$25,576.15 to which was  
added the balance from September,  
making a grand total of \$52,369.19.  
Of this amount \$34,988.59 was dis-  
bursed, which disbursements included  
the payment of two notes of \$5,000  
each for money borrowed to tide the  
city over the summer months when  
tax gathering was dull. The balance  
to November account is \$17,388.50.

### THE WROG MR. WRIGHT.

"Mr. George L. Kennedy, press agent  
for "The Wrogs" of Mr. Wright's com-  
pany, which will be seen at the Opera  
House Saturday matinee and night,  
arrived in the city yesterday. The  
attraction is a bright, breezy farce,  
constructed for and especially adapted  
to laughing purposes by that prince  
of authors, George H. Broadhurst. The  
principal role is taken by Mr. John  
Allison, who is pleasantly remembered  
in Wilmington in "What Happened  
to Jones" two seasons ago. Mr.  
Allison is supported by Miss Maud  
Allison, who is remembered in the  
"Jones" cast in the clever interpreta-  
tion of the Swedish girl. A number  
of good specialties are introduced and  
the show is said to be well worth the  
price.

### THE Y. M. C. A. WEEK OF PRAYER.

Rev. James A. Dorritte, who has  
been detained in Charlotte on account  
of the sickness and death of a friend,  
has wired that he will be here to-night  
to conduct the men's meeting at the  
Y. M. C. A. A special musical pro-  
gramme will be rendered. Much in-  
terest is manifested and an unusually  
large crowd is expected to attend the  
service. The meeting last night at  
the Y. M. C. A. was conducted by Dr.  
George C. Worth and the Rev. Mr.  
Leavitt.

### EXHIBITIONS IN WILMINGTON.

Perhaps no feature of the entertain-  
ment now being given at the Opera  
House by "Sevensgals" is the hypnotic  
show, which is produced as a  
second part to the regular performance  
in hypnotism. Nothing like it has  
ever been seen here before and this  
feature alone, if no other, should com-  
mend the attraction to the public.  
The company last night was greeted  
with a fairly good house considering  
the very inclement weather.

### STATE BANKERS' ASSOCIATION.

The local bankers have been joined  
by the Wilmington Chamber of Com-  
merce in inviting the State Bankers'  
Association to hold its annual meet-  
ing here next Summer. The Associa-  
tion is one of the most important com-  
mercial bodies in the State and Wil-  
mington would feel proud to entertain  
its members. The choice of a  
place of meeting is usually left with  
the Executive Committee.

### WAS IT SNOW OR SLEET?

A slight fall of sleet or hominy  
snow occurred yesterday afternoon  
about 4 o'clock. It melted very soon,  
however, upon reaching the ground  
and was hardly distinguishable from  
rain. Snow was reported during the  
day at Florence and Camden, S. C.,  
and at points in Western North Caro-  
lina.

### SOUTH DAKOTA'S SUIT.

Consul Retained by Governor Aycock.  
Children Burned to Death—Serious  
Gunning Accident Near Raleigh.

[Special Star Telegram.]  
RALEIGH, N. C., Nov. 19.—Governor  
Aycock to-day retained Governor Roun-  
der, Esq., Wilmington; ex-Judge Jas.  
E. Shepherd, Raleigh, and ex-Judge  
Jas. H. Merrimon, Asheville, as coun-  
sel to appear with Attorney General  
Gilmer to protect the State's interests  
in the preliminary hearing of the suit  
of South Dakota vs. North Carolina,  
just admitted in the United States  
Supreme Court. The suit is for the  
value of \$10,000 bonds of the Western  
North Carolina Railroad Company,  
issued by the State, together with in-  
terest since 1869.

Three little children of M. C. Black-  
lock, colored, were burned to death  
near here this afternoon. The parents  
were at work in a field, when the  
house caught fire and was burned  
down.

J. T. Broughton was seriously  
wounded by the accidental firing of  
a gun by J. S. Gray while hunting  
this afternoon near Raleigh. The en-  
tire load entered the back below the
