## A NEW ICE FACTORY.

Prominent Business Men of Wil-  
mington Have Formed Large  
Stock Company.

### AUTHORIZED CAPITAL \$100,000.

Forty Thousand Dollars of Amount Already  
Paid in and Work on Plant Will Be-  
gin at Once—All Classes of  
Trade Will be Cared For.

Authoritative announcement has just  
been made of the formation in this  
city of a joint stock company for the  
purpose of erecting and operating a  
new ice factory in Wilmington.

It will be known as "The Independ-  
ent Ice Company" and the paid-in  
capital stock will be \$40,000, with  
an authorization to increase to \$100,000,  
if at any time it should be deemed ad-  
visable. The incorporators are J. A.  
Springer, W. G. Whitehead, W. E. Pen-  
ton, W. E. Perdue, all of Wilmington,  
and L. H. Simmons, of Rocky Mount,  
N. C.

Formal application was yesterday  
made to the Secretary of State for a  
charter, which will be forthcoming in  
a few days and then the company will  
be organized by the election of offi-  
cers, etc.

The machinery for the plant was  
purchased last week and it will be  
strictly modern and of the most ap-  
proved manufacture. The capacity  
will be 75 tons per day guaranteed,  
which will be the largest output by  
a single factory in the State.

As the new plant has already been  
purchased, but thus far promi-  
nent members of the company prefer  
not to give the location for reasons  
best known to themselves. It is suf-  
ficient to say, however, that the fac-  
tory will be most eligibly located with  
abundant railway facilities and con-  
veniences for doing a very large busi-  
ness. Ground will be broken for the  
new buildings Monday, December  
2nd, and a member of the company  
significantly remarked last night  
that it would be the "quickest  
built and equipped ice plant ever con-  
structed in the State."

The contract for the machinery is with an entire  
elimination of "ifs" and "ands" and it  
is expected that the company will be  
ready for orders early in January.

Both the wholesale and retail trade  
will be solicited and orders outside  
of the city will be diligently  
looked after. The incorporators  
of the company, except Mr. Simmons,  
are well known and substantial busi-  
ness men of capital and indomitable  
energy. Mr. Simmons is a man of cap-  
ital and fourteen years experience in  
ice manufacture. Until a few months  
ago he was interested in and managed  
a plant in Rocky Mount, N. C., and  
prior to that time was engaged in the  
manufacture of ice at Durham, N. C.,  
and Roanoke, Va. He will remove  
with his family to Wilmington and  
will give every detail of the building  
of the factory his strictest supervision.

Although no authoritative an-  
nouncement is made to that effect, it  
is learned that several contracts have al-  
ready been secured by the new com-  
pany, prominent among them being  
with the Armour people and others.

Mr. Simmons, who has been in the  
city the past several days in the in-  
terest of the new company, left yester-  
day evening, returning to his home at  
Rocky Mount.

### New Hanover Pensioners.

The pension roll for New Hanover  
county, as received by Col. Jno. D.  
Taylor, clerk of the Superior Court,  
shows two soldiers of the second class,  
five of the third class and twenty-five  
of the fourth class. There are twenty-  
two widows of soldiers who are enti-  
tled to pension money. Soldiers of  
the first class, of which New Hanover  
has none, receive \$62 per year; second  
class, \$50; third class, \$40, and fourth  
class, \$30. Last year the first class re-  
ceived \$88; second, \$43.50; third, 29,  
and fourth \$14.56. The number of  
pensioners in the State is approxi-  
mately 9,000, of which number 117  
are first class, 275 second class, 838  
third class and 7,700 fourth class.

### A Real Estate Transfer.

day transferred, by deed recorded at  
the Court House, to Anderson-Strand

corner of Eleventh and Wooster  
streets the second adjoining the first  
tract, 33x163 feet, on east side of  
Eleventh street, and the third, on the  
next corner of the block, 33x100 feet  
in size.

The British steamer *Slingsby*,  
hence for Bremen, arrived out yester-  
day.

A special train will be run over  
the Seacoast railroad Thanksgiving  
day, leaving the city at 10 A. M. and  
returning, leaving the beach at 11  
o'clock.

J. H. Watters, colored, was  
sent to jail by Mayor Waddell  
yesterday in default of bond for his  
appearance in the Superior Court to  
answer the charge of assault with  
deadly weapon.

The Danish steamship *Galina*

cargo of kaitit and phosphate, part of  
which is consigned to T. D. Meares,

\$1 per gallon. The advertisement  
should be read by prospective cus-  
tomers.

The Gore-Carlyle Company,  
presenting "Married for Money"  
passed through the city yesterday en  
route to Lumberton where a perform-  
ance was given last night. Singular  
to relate, persons who have seen both  
plays, say the lines of "Married for  
Money" and the "Gay Mr. Goldstein"  
are almost identical.

City Attorney William J. Bel-  
lamy yesterday received an invitation  
from Past Exalted Ruler O'Brien, of  
the Greensboro lodge of Elks, asking  
him to deliver the memorial address  
at that city next Sunday. Owing to  
professional matters Mr. Bellamy was  
obliged to decline with regret the  
honor conferred upon him by his  
Greensboro brethren.

### INDEPENDENT ICE COMPANY.

Secretary of State Granted Charter Yester-  
day—A. C. L. Will Not Resist Cor-  
poration Commissioners' Order.

[Special Star Telegram.]  
RALEIGH, N. C., Nov. 25.—The  
Secretary of State charters the Inde-  
pendent Ice Co., of Wilmington, with  
\$100,000 capital and privilege to begin  
business with \$40,000. The incorporators  
are J. A. Springer, W. G. White-  
head, William E. Springer, E. W.  
Wallace, D. H. Penton, W. E. Perdue,  
L. H. Simmons.

Counsel for the S. A. L. appeared  
before the Corporation Commission to-  
day and gave notice that they would  
not resist the Commission's order for  
uniform freight and passenger rates  
to apply over the entire system. The  
order goes into effect December 1st.  
The Seacoast counsel also withdrew  
all appeals from the Commission's rul-  
ings now pending. There are two  
suits as to a continuous mileage basis  
for cotton seed and hails, and one  
making a reduction of about 25 per  
cent. rate on logs.

### Police Department Change.

By a new ruling in the police de-  
partment and one that appears wel-  
come to the force at large, in the fu-  
ture the men will be on duty day and  
night alternately. The rule applies to  
sergeants and janitors as well as to  
patrolmen, and went into effect yester-

the privates will be on day duty one  
week and night duty two weeks.

Wilmington expect to go to Kinston  
for the installation of the lodge the  
middle of next week.

## MILLIS - BELL FEUD.

Superior Court Principally Taken  
Up Yesterday in Investigat-  
ing Family Quarrel.

### JUDGE O. H. ALLEN PRESIDING.

Term Will Continue But for One Week,  
With Heavy Docket—Special Venue  
to Try Murder Case—Other Pro-  
ceedings of the Day.

New Hanover Superior Court for  
the trial of criminal cases convened  
yesterday morning at 10 o'clock and  
will continue in session for one week.  
The docket is very heavy and the  
court was slow in organizing. Judge  
Allen, presiding, Solicitor Duffy  
and other court officers got imme-  
diately to work and before an adjourn-  
ment for the day was reached at 6  
o'clock yesterday evening a large  
amount of business was transacted.

A large portion of the day was spent  
in investigating cases growing out of  
the Bell-Millis family feud, all of  
which are familiar to the public from  
accounts of the preliminary examina-  
tions and magistrate tribunals.

Geo. Millis, son-in-law of the elder  
Bell, Scipio Millis, brother of George  
Millis, and Walter Bell, son of the  
elder Bell, were each arraigned dur-  
ing the morning session on the charge  
of having engaged in an affray in front  
of Justice McGowan's office a month  
or more ago. The Millis' boys were  
represented by A. J. Marshall and  
Herbert McClammy, Esqs., and when  
a portion of the testimony had been  
received, they each submitted to sim-  
ple assault, which plea was accepted and  
defendants were taxed with the costs.

The younger Bell entered through his  
counsel, George L. Peschau, Esq., a  
plea of self defence in using a deadly  
weapon and he was acquitted by the  
jury.

The three defendants were then  
placed on trial for resisting Constable  
Sheehan, who interfered with the  
mele and assisted Justices Fowler,  
McGowan, Alderman Geo. Harris,  
Policeman Howell and others in mak-  
ing the arrests. The jury rendered a  
verdict of not guilty as to Bell by  
agreement with Solicitor Duffy, who  
appeared for the State, and George  
and Scipio Millis were found not  
guilty by the jury.

Later in the day Scipio Millis entered  
a submission of guilty to a charge  
of assault with a deadly weapon at an-  
other time upon the elder Bell. The  
submission was left open by Judge  
Allen, pending investigation of further  
cases. Bell, Sr., for shooting  
George Millis and against George  
Millis for assaulting Bell with a scale  
weight.

Judge Allen stated to counsel that  
he would take those matters up first  
thing to-day at 9 o'clock, just before  
trial of the Wallace murder case.

Upon the convening of court, the  
sheriff returned 34 of the 36 jurors  
summoned for the term and the fol-  
lowing were excused by His Honor,  
Judge Allen: Samuel J. Davis, Jas.  
F. Post, Jno. S. Divine, J. S. Grimes,  
I. B. Rhodes, H. A. Burr, L. B. Pen-  
nington, Jno. H. Brusjes, Frank P.  
Lamb, S. Solomon, R. W. Wallace,  
N. L. Smith and Jno. H. Hinz.

The following grand jury was  
selected for the term and duly sworn:  
M. M. Parker (foreman), O. R. Branch,  
Geo. T. Hewlett, John Simon, M. W.  
Jacobi, F. W. Ortmann, Jr., M. H. F.  
Clark, Mike Clark, Julius Well, W. E.  
Merrit, C. W. Hewlett, Jesse E.  
Smith, R. S. Tadlock, James Wilder,  
Frank E. Miller, J. J. Williams,  
Theophilus and J. A. McGeechey.  
O. M. Harris was sworn as bailiff of  
the grand jury.

Fifteen talsmen were ordered sum-  
moned for duty to-day.

The first case for the day was that  
of John Wallace, colored, charged  
with the murder of Will Dudley, also  
colored. John H. Gore, Jr., Esq., of  
counsel for defendant asked for a con-  
tinuance of the case on account of a  
press of professional business of a  
civil nature, but Judge Allen insisted  
upon a trial, stating that the associate  
counsel, Robert Ruark, Esq., was  
present and willing to try the case. Mr.  
Gore at length consented to try the  
case and the same was set for trial this  
morning at 10 o'clock. The Sheriff  
was instructed to summon a special  
venue of sixty jurors from which to  
select the trial jury. These were sum-  
moned yesterday afternoon and will  
be returned to-day.

Other proceedings of the court yester-  
day were mainly without interest.  
William Mack, a negro, who said he came  
from Charleston, S. C., on a visit was  
found guilty of assault with deadly  
weapon upon a colored woman and  
likewise of carrying concealed weap-  
on. He had no counsel, conducted  
his own case and said he had been in  
jail four months. He will be senten-  
ced to-day.

Wm. Brown, the negro cleverly  
"nabbed" by Policemen E. J. Grim-  
sley as he was about to rifle the cash  
drawer in the store of E. Warren &  
Co., several months ago, was tried for  
store breaking and the jury retired  
with the case. Herbert McClammy,  
Esq., counsel for the negro, made the  
point that the element of "breaking"  
was not shown as the window up-  
stairs from which he entered from an  
adjoining building might have been  
open. The bill did not charge lar-  
ceny and Judge Allen called the jury  
out of the room and, by agreement of  
counsel, ordered a mistrial. Brown  
will, however, be held under a new  
bill of indictment now being pre-  
pared and charging larceny.

When the Wallace case is ended

## BOUGHT COTTON MILL.

Sale of Great Falls Manufac-  
turing Plant, Near Rockingham,  
Confirmed Yesterday.

### PURCHASED BY MR. D. L. GORE

Announcement That He Will Expand Large  
Amount in Enlarging and Improv-  
ing the Factory—in Union  
Superior Court.

Judge Walter H. Neal, in Union  
County Superior Court at Monroe,  
yesterday confirmed the receiver's sale  
of the Great Falls Cotton Mill, near  
Rockingham, N. C., to Mr. D. L. Gore,  
the well known business man  
and capitalist of this city. The price  
at which the property was bid in by  
Mr. Gore at the sale on November  
4th was \$37,345, and the mill is con-  
sidered a great bargain at that  
amount.

It is announced that Mr. Gore will  
spend over \$40,000 in an improvement  
and enlargement of the plant, so that  
it will be one of the most important  
factories of its kind in the State. Not  
only will the mill be enlarged, but  
machinery will be installed for the  
manufacture of a finer grade of goods,  
and Mr. Gore will then rank as per-  
haps one of the largest individual cot-  
ton mill owners in North or South  
Carolina.

The sale was by W. N. Everett, re-  
ceiver, and was by order of the Superi-  
or Court. The price at which the  
mill was sold is but about \$7,500 in  
excess of the company's liabilities.

About \$50,000 has been spent on im-  
provement of the property within the  
past six years, and the plant was in  
active operation only a few months  
ago. The late improvements were in  
the way of new machinery, new ware-  
houses, repairing dams and the instal-  
lation of a new water wheel. The  
tax value of the property is \$30,000.

In speaking of the mill a recent issue  
of the *Rockingham Anglo Saxon*  
says:  
"It is one of the oldest mill sites in  
the State. The old Richmond mill  
manufactured cotton goods there with  
the crude methods of the times, from  
1837 up to the time of the war, when it  
was burned down by Sherman's army.  
It was rebuilt in 1871 and stocked with  
machinery at the high price immedi-  
ately following the war, and hence it  
was capitalized proportionately at a  
high figure. For many years it did a  
prosperous business, but within the  
last few years it has been unable to  
keep up with the times, so that when  
its machinery was worn out it had  
to borrow to buy. Then came the  
Chinese disturbance, which practically  
closed down the market for the heavy  
white goods it was making, and there  
was nothing left for it to do but shut  
down. We have no doubt that a new  
management will equip it for manu-  
facturing a different grade of goods  
and do a successful business."

THANKSGIVING THEATRE ATTRACTION  
"Quo Vadis" Will be Seen Here Thurs-  
day, Matinee and Night

Of Carpenters' splendid production  
of "Quo Vadis," which will be seen  
at the Opera House here Thursday at  
matinee and night performance, the  
Stanton, Va., *Daily News* of a recent  
date says:  
Carpenters' "Quo Vadis" was pre-  
sented at the Opera House last night  
to a large and fashionable audience.  
Some in the personal, others in the  
costumes and the stage settings. The  
new scenic and electrical effects were  
superb and the costumes were rich and  
impressive. The whole, in fact, is com-  
posed of finished actors, who know  
their business. There was not a hitch  
over at beginning to end, and the au-  
dience was filled with satisfaction at  
the close of this beautiful production.

### TO INSPECT LOCAL MILITARY.

Col. T. H. Bain, Inspector General, Will  
be Here This Morning—To-night.

The Wilmington Light Infantry,  
Wilmington Division of Naval Res-  
erve, and Second Regiment Band  
received word, through their respect-  
ed commanders, yesterday from Col.  
T. H. Bain, Inspector General of the  
North Carolina State Guard, that he  
would be here this morning on his  
annual tour of inspection and would  
expect the companies to be ready in  
ranks for the formal review to-night.  
Col. Bain will arrive this morning  
and although the companies have only  
the barest notice, they will be ready and in  
fine shape for the inspection.

### Resignation Accepted.

The STAR learns with regret that  
Rev. B. H. Herring, pastor of South-  
side Baptist church, has pressed his  
resignation and that it has at length  
been accepted with much reluctance to  
go into effect in the near future. Rev.  
Mr. Herring has many friends both in  
his congregation and in Wilmington  
at large who will receive the news of  
his intended departure with a feeling  
of personal loss. He is considering one  
or two calls to other churches but as  
yet has made no plans for the future.

### "The Gay Mr. Goldstein."

A good sized audience was present  
last night to witness the production of  
"The Gay Mr. Goldstein" at the Opera  
House. Following so closely upon  
the "Young Mr. Wright" by John All-  
ison on Saturday night, "Mr. Gold-  
stein" was, perhaps, not the success  
he would otherwise have been. Por-  
tions of the performance were, how-  
ever, very laughable but upon the  
whole it was not what might have  
been expected of a three star cast.

### Mr. Jaspersen Smith, of New York, arrived in the city last evening.

## WANTED TO KILL HIMSELF.

Drunken White Man Caused Excitement  
On Third and Church Streets.

George Roderick, white, created  
considerable excitement in the vicin-  
ity of Third and Church streets yester-  
day afternoon about 2:30 o'clock, by  
crying aloud that he was at once go-  
ing to commit suicide, at the same  
time pressing the barrel of a huge re-  
volver against his temple as if about  
to perform the deed so loudly pro-  
claimed. He was badly intoxicated  
and his wild gesticulations attracted  
several persons passing who implored  
him to desist, but who received for re-  
ply, with an oath, the admonition to  
go away from him, else he would  
make it a double tragedy. It is need-  
less to say that a majority of the on-  
lookers did the desisting and at last  
when Roderick attracted no further  
attention, he amused himself by hold-  
ing up a negro dryman.

A hurry call was sent to the police  
station and Sergeant Burnet and Hall  
Officer Howell responded. They ar-  
rested Roderick further up the street  
and lodged him in the station house  
for trial to-day by Mayor Waddell.

The pistol was taken from his person.  
Roderick is a middle-aged man and  
lives in the southern section of the  
city.
