## COURT ADJOURNED.

Last Term for the Present Year Expired Last Midnight by Limitation.

## REPORT OF THE GRAND JURY.

It Recommends More Adequate Provisions in Jail for the Inmate—Magistrates Should Have Jurisdiction. Proceedings Yesterday.

The last term of the Superior Court of New Hanover for the present year expired last midnight by limitation, after disposition by a number of unimportant cases during the day. Judge Allen and Solicitor Duffy will leave to-day for Konaanville to hold Duplin Superior Court, after which they will go to Pender county, Judge Allen then finishing up his circuit of this district. It is with reluctance that the attorneys of the Wilmington bar and the public at large give him up for the present, as he has made his most favorable impression by his fair and impartial rulings and his uniform courtesy to all who have occasion to visit a court over which he is presiding. He will go from this to the Raleigh district and Judge E. W. Timberlake, of Louisiana, will come here for the term opening January 5th.

The following proceedings appear from the court docket yesterday: J. H. Waters, assault with deadly weapon; verdict, guilty of simple assault; thirty days on roads. Not guilty as to same defendant for carrying concealed weapons. Henry Green, false pretense, called and failed; judgment nisi; instantan capias ordered and issued. Henry Purdie, assault with deadly weapon; guilty of simple assault, and case continued; bond fixed at \$25. Martha Clark, larceny of goods from H. W. Konig; plea guilty of larceny and receiving; sentenced to county jail for four months with privilege to County Commissioners to hire out to pay costs. Oscar Mills, forgery; 4 months in jail with privilege to hire out to pay costs. Thos. Croon, non-payment of costs; capias to issue. Joe Lee, assault with deadly weapon; not pressed with leave.

In view of the fact that attorneys for the defense began investigation as to legality of the grand jury which returned a true bill against Hector McLaughlin and E. Tiner, charged with burglary in the first degree, Solicitor Duffy disregarded the old bill and sent down a new one to be passed upon. The alleged irregularity was that Mr. Samuel Blossom, a grand juror at the time, had a suit pending in court. The grand jury at this term failed to return a true bill as to Tiner and he was released yesterday from jail. The case of McLaughlin was continued until the next term. The attorneys for the defense are C. D. Weeks and E. G. Grady, Esqs.

Report of the Grand Jury. The grand jury finished its work yesterday morning and was discharged with thanks by Judge Allen, after having returned the following report of its deliberations during the week: To The Honorable O. H. Allen, Judge Superior Court: We, your grand jury, have endeavored to carry out your instructions. On account of the recent term held, have had little business before us and many of these cases of a very trivial nature. We feel that these should be settled in the magistrate courts with out prosecution by and so much cost to the county.

We have had 20 bills of indictment presented to us, 17 of which we found to be true and 3 not true bills. We wish to thank your Honor for kindness and courtesy shown for impartiality in presiding and dispatch of business.

We visited the jail, which we found to be well kept, clean and well heated. We find that there is no provision for the care of unfortunate insane and as the State institutions are so crowded that often it is necessary to confine them here for months before admission can be had. We feel that duty and humanity demand that provision be made for their care while so detained. Proceedings had in the last few months, we learn that these unfortunate have inflicted much injury to themselves on account of improper facilities for their care. A pitiful example of this having been presented to us in the case of Willy Flowers, whom we found in jail. We are informed that there have been three similar cases in the last six months. We recommend that two padded cells be built in the jail for care of detained insane. Respectfully submitted, M. M. PARKER, Foreman.

## POULTRY SHOW IN JANUARY.

Fanciers of the State Being Interested. Lesson is incubation. The first four days in January have been decided upon as the time for the poultry and pet stock fair to be given in this city by the Wilmington Poultry and Live Stock Association. The City Hall will most probably be the place.

An enthusiastic meeting of the arrangement committee, consisting of Messrs. S. J. Davis, Jno. C. Boshch and Frank L. Huggins, was held Friday night with the Association as a body, and plans were enthusiastically discussed. A feature of the show will be the hatching of chickens and other fowls by incubator, and a number of dealers have been invited to exhibit their machines on this occasion. It is proposed to make it an educational exhibit, and the fanciers of the State are receiving letters asking their cooperation. An extract from one of many letters says: "A lively interest in fancy poultry is being awakened among our people, and we believe a large part of the birds sent for exhibition can be sold. If not sold, birds will be returned to you at our expense."

Skeletons Exhumed. While excavating for the laying of sewerage pipe on the east side of Fourth between Market and Dock streets yesterday morning, workmen unearthed two skeletons of bodies apparently buried years ago at a depth of about five feet in the ground. The skeletons were remarkably well preserved and appeared to have been of the negro race. The teeth were plainly evident and were picked from the skull by those who desired them for souvenirs of the find. Last week, while excavations were being made on Fourth between Dock and Orange streets, other skeletons were exhumed.

Judge Allen denied the application in the following opinion from which an appeal was taken: "This cause coming on to be heard upon the complaint filed herein, which is exhibited to the undersigned as an affidavit, and it appearing to the court that the plaintiffs seek to restrain the sheriff of New Hanover county and the city of Wilmington from collecting certain taxes upon the grounds (1) that they are required to list their shares of bank stock without being allowed to deduct from said shares debts due and owing by them and (2) that the Revenue law was not passed in accordance with the provisions of the constitution, and it appearing to the court that the requirements complained of are neither unreasonable, unjust or against conscience, and being of opinion that the courts of the State should not interfere by injunction with the collection of taxes, which are necessary for the subsistence of the government when it would tend to serious and grave consequences, therefore, without passing upon the legal questions involved, it is considered that the said application for a restraining order be and the same is refused. O. H. ALLEN, "Judge 5th Judicial District."

County Attorney W. B. McKoy, Messrs. Rountree & Carr and City Attorney Bellamy represent the defendants and will fight the case in the Supreme Court, before which time it can be heard practically all the taxes for the current fiscal year will have been collected.

As the STAR employs no traveling agents, bills are sent direct to subscribers. These bills should receive prompt attention.

## TAX ON BANK STOCK.

Judge Allen Yesterday Denied Request for Restraining Order Against Collection.

## APPEAL TO SUPREME COURT.

Important Case in Which Large Monied Interests and Constitutionality of Revenue Act Are Involved. Able Counsel Employed.

An application, which may become famous in court circles in the State and one which would be far reaching in its consequences, if allowed, was denied by Judge Oliver H. Allen in the Superior Court yesterday, whereupon an appeal was taken to the Supreme Court.

The case is entitled "Jno. S. Armstrong, W. E. Worth, J. W. Norwood, H. C. McQueen, J. V. Grainger, N. B. Rankin, Geo. R. French and W. A. French, trading as Geo. R. French & Son, and Andrew Moreland, J. A. Springer, August O. Schuster, Richard Bradley, M. J. Corbett, T. M. Emerson, V. E. Zoeller and F. W. Dick against Frank H. Stedman, sheriff of New Hanover county, North Carolina, and the City of Wilmington." The plaintiffs are all well known bank stock owners of the city, and the motion is for a restraining order upon the sheriff and city authorities against their collecting the tax on plaintiffs' bank stock without deducting from it the indebtedness of individual shareholders, as is allowed to other money interests as set forth in the complaint. The validity of the entire revenue act is attacked, and the outcome will be decided with interest.

Ex-Judge E. K. Bryan is retained as counsel for the plaintiffs and in the complaint it is set forth in substance that on the first Monday in June the Board of County Commissioners and the City of Wilmington, acting under the Revenue Law of 1901, levied and assessed taxes against all the real and personal property of the plaintiffs and that the plaintiffs are informed and believe that the said Revenue Law was not passed by the Legislature in a constitutional manner, in that it was not read the three several times on three several days, etc., as required; that the sheriff of the county and officers of the city of Wilmington are threatened to levy upon their property and enforce collection of the alleged illegally assessed taxes; that the plaintiffs have stood ready and willing to pay the taxes as assessed for 1900 and that defendants have declined to accept same.

For a second cause of action the plaintiffs say that they were on June 1st, share holders in either the Atlantic or Merchants national or the two savings banks of the city, and that on the first Monday in June the county and city authorities required them to list all the shares of stock held by them in all banks without allowing them to make any deductions from shares on account of debts due and owing by them, in violation of the law.

For a third cause plaintiffs allege that June the 1st the city and county authorities by virtue of the Revenue Act required them to list their shares with no deduction for debts, contrary to Section 27 of the Revenue Law; that there is about \$375,000 invested in capital stock of private banks, and in loans by note and mortgages on real estate about \$10,000,000 invested and that about \$4,000,000 was listed against money on hand for 1900, and about \$21,000,000 in solvent credits, upon all of which property there was allowed deductions for solvent credits and that the stock of State and National Banks will not exceed \$15,000,000; that the County Commissioners in allowing plaintiffs no deductions on account of their indebtedness thus unjustly discriminated against them and that the tax levied against them is at a greater rate than that assessed against other moneyed capital, which was employed in competition.

Judge Allen denied the application in the following opinion from which an appeal was taken: "This cause coming on to be heard upon the complaint filed herein, which is exhibited to the undersigned as an affidavit, and it appearing to the court that the plaintiffs seek to restrain the sheriff of New Hanover county and the city of Wilmington from collecting certain taxes upon the grounds (1) that they are required to list their shares of bank stock without being allowed to deduct from said shares debts due and owing by them and (2) that the Revenue law was not passed in accordance with the provisions of the constitution, and it appearing to the court that the requirements complained of are neither unreasonable, unjust or against conscience, and being of opinion that the courts of the State should not interfere by injunction with the collection of taxes, which are necessary for the subsistence of the government when it would tend to serious and grave consequences, therefore, without passing upon the legal questions involved, it is considered that the said application for a restraining order be and the same is refused. O. H. ALLEN, "Judge 5th Judicial District."

County Attorney W. B. McKoy, Messrs. Rountree & Carr and City Attorney Bellamy represent the defendants and will fight the case in the Supreme Court, before which time it can be heard practically all the taxes for the current fiscal year will have been collected.

As the STAR employs no traveling agents, bills are sent direct to subscribers. These bills should receive prompt attention.

The Elks will assemble at their Temple on North Front street shortly before the exercises and march to the Opera House in a body.

W. Daniel, who has in late years been prominently spoken of for the presidency. The orator will be introduced by Herbert McClammy, Esq., a leading member of the Wilmington bar and an Elk whose fidelity is never questioned.

The exercises will be opened with a prelude by an orchestra composed of the following: Miss Norma Foster, violin; Mr. S. A. Schloss, violin; Mr. Will. Rehder, clarinet; Mr. W. A. Martin, flute; Mr. J. E. Willson, cornet, and Mr. Robert Morris, trombone.

The Clyde steamer Argonquin, on her way from New York to Charleston, will, however, stop at this port and leave freight on Tuesday as usual.

Underwriters' Injunction. The STAR was in error yesterday in stating that the amount involved in the injunction secured by the Wilmington Underwriters' Insurance Association was only the tax on \$4,900 worth of real estate at 38 cents a hundred. The amount involved is the entire tax on the capital stock of the company and Eugene S. Martin, Esq., is employed by the plaintiff, Messrs.
