## AT THE PLAY HOUSE.

A Breezy Time Will Be Here New Year's Day, Matinee and Night.

### MONTE CRISTO—SAG HARBOR

Two of Liebler & Company's Big Attractions to be Presented at Opera House Next Week—Jas. O'Neill With Company of Strong Actors.  
The clash of interest in "A Breezy Time," with its fine band and orchestra will be seen at the Opera House on New Year's day, matinee and night, in brought by the fact that the creditors of a young college student have pursued him out of town, and that the girl he loves has done likewise. It is easily to be seen that comic complications can grow out of this state of things. Leaving the plot altogether out of the question, however, the piece is said to bring upon the stage a great many people who have made hits in their time, and who have been brought together for the first time in the newest—"A Breezy Time." Price 25, 50 and 75 cents. Bargain matinee 25 cents for everybody. Seats on sale Tuesday morning at Gerken's, Monte Cristo.  
Supported by a notable company of over fifty people, and with the same great scenic production that ran all last season in New York, Boston and Chicago, Mr. James O'Neill will be seen at the Opera House next Thursday night, January 2nd, in a colossal revival of "Monte Carlo." The production was furnished by Liebler & Company, a firm whose name has become synonymous with star casts and magnificent spectacles, and it is said that they have outdone themselves in this instance. The company includes such prominent artists as Frederic De Belleville, James O'Neill, Jr., Warren Conlan, W. J. Dixon, Claude Gilbert, Joseph Slaytor, Edward Lally, Mark Ellsworth, Edgar Forrest, Miss Selene Johnson, Kate Fletcher and Virginia Keating. The subsidiary company is extremely large and in keeping with the immensity of the production.  
The sale of seats for this engagement will open Tuesday morning at Gerken's. Prices, \$1.50 and \$1.00. Admission, 75 cents.  
Sag Harbor.  
James A. Herne's "Sag Harbor" has been considered by most of the able critics who have seen it a better play than the higher art standpoint than even Herne's earlier famous work "Shore Acres." Its record of success is undoubtedly the greatest of all Herne plays, and it is not at all singular that our theatre-goers are on the qui vive to see this play about which so much in extreme commendation has been said and written.  
In "Sag Harbor" assurance is given by Liebler & Co., under whose skillful management the play enjoyed such marked success in the East that it will be given here with the same splendid scenic investiture that was such a factor in New York, Boston and Chicago. It will be presented at the Opera House Friday night, January 3rd.

They are to be initiated into the pleasures of this sport at Rutherfordton.

## THE ELKS' STAG SMOKER.

Second Anniversary of the Founding of the Lodge Will be an Occasion Full of Sweet Pleasures.

The second anniversary of the Wilmington Lodge of Elks will be celebrated to-morrow night at the Elks' Temple with a stag smoker. The occasion is being looked forward to with unusual interest by the many Elks in Wilmington, and it will be one of the most enjoyable events yet given by that festive fraternity.  
A special meeting of the lodge is called at 8 o'clock to initiate two candidates. Immediately after the initiatory exercises the smoker will be on.  
An excellent programme for the evening has been arranged and it is expected to be very pleasant. All members are urged to be present to make it the success it deserves. There will be happy responses to several appropriate toasts.  
The gathering will be an occasion of thanksgiving and general rejoicing at the phenomenal strides made by the local lodge in the two years of its existence. Members of the Wilmington Lodge of Elks now number a hundred and fifty and the order here is on a sound basis and in a most flourishing condition. The stag smoker will be just what it ought to be, one of the most delightful and pleasant celebrations in the history of the antiered tribe of this city.

**ABOUT JANUARY WEATHER.**  
Data Covering a Period of 31 Years Compiled From Weather Bureau Records.  
The following data, covering a period of 31 years, have been compiled from the Weather Bureau records at Wilmington for the month of January.

**HAD A ROUGH VOYAGE.**  
Capt. Pennewell and His Young Companion Arrived Safely at New York.  
The schooner *Emily F. Northam*, for which some anxiety was felt, has reached New York in safety. She sailed from this port on December 6th with a cargo of lumber for Stamford, Conn. The day after the vessel sailed from Southport she struck a hurricane, and for many days she encountered exceedingly rough weather. Her only mishap during the voyage was the losing of a part of her deck load.  
It will be remembered that Master George Shepard left on the schooner with Capt. Pennewell. The safe arrival of the vessel through the stretch of bad weather is due largely to the capability of Capt. Pennewell, who is one of the youngest sailing masters plying on the Atlantic coast.  
Capt. Pennewell will return to Wilmington for another cargo at an early date.

**WIRELESS TELEGRAPHY.**  
Experts Sent to North Carolina to Make Experiments—To Extend System.  
The Weather Bureau has decided to push its wireless telegraph experiments along the North Carolina coast. Observer Pickells, of Norfolk, has been ordered to Manteo, N. C., to join Profs. Fessenden, Thelless and Hess, the Weather Bureau's wireless telegraph experts. The system has already been in successful operation between Hatteras and Cape Henry, where permanent stations have been established. The system is now to be extended and attempts will be made to disseminate weather reports to ships at sea. Prof. Fessenden claims his system to be superior to that of Marconi, who has only recently succeeded in fully signalling across the ocean without wires.

**A. C. L. Directors Declare Dividend.**  
The Board of Directors of the Atlantic Coast Line Railroad Co. have a notice in this issue announcing that they have declared a dividend of one and one-half per cent on the capital stock of that company, payable to all holders of record of January 1st, 1902. **At Blackwell's Chapel.**  
The Christmas tree exercises at Blackwell's Chapel on Christmas night were quite a success. The Sunday school children were pleased with the gifts of Santa Claus. Rev. J. J. Payne, pastor of the Brooklyn Baptist church, delivered a splendid lecture on Sunday school.

**MR. GWATHMEY'S HORSES.**  
His Bay Trotter Tudor Chimes Was the Star Attraction On the Speedway.  
Won Many Heats.  
The following clipping from the New York Evening Telegram of a recent date will be read with interest by many Wilmingtonians:  
Mr. A. B. Gwathmey and his bay trotter, "Tudor Chimes," which he purchased at a long price as a pole mare for Tiverton, were the star attraction at the Speedway yesterday. It was the owner's first appearance in several weeks, and he seemed to thoroughly enjoy riding at speed over the firm, smooth surface. His trainer, John Lovell, of Tiverton, said that the horse had shown so fast together to the pole, the owner was anxious to see them pitted against each other in single harness.  
"The horses were as closely matched in single harness as when harnessed together, and although Tudor Chimes won each heat, it looked like a close race, and the trainer could have made the pace just a trifle faster with Tiverton, even if he had not been able to win. It is never considered quite 'good form' for a trainer to finish in front of his employer. On the other hand, it must be remembered that the two horses had many contests before Mr. Gwathmey made the purchase, and Tudor Chimes never lost a heat, except on two occasions, when he lost his stride."

**POINT CASWELL NOTES.**  
Interesting Christmas Exercises Held at the Presbyterian Church Tuesday Night.  
[Special Star Correspondence.]  
POINT CASWELL, Dec. 28.—On Tuesday evening a large crowd assembled at the church to witness the exercises of the children and view the beautiful Christmas tree laden with useful presents for the children.  
The exercises were opened with prayer by the Rev. Mr. Starbuck, who was spending his vacation at Point Caswell. After the prayer the children sang several songs suitable to the occasion, Miss Annie Padden acting as organist, after which the various presents were distributed to the children, who greatly enjoyed them.  
The Sabbath school of this church is in a very healthy condition, the attendance is large and regular and it is said to be the very best in the county. I cannot close without mentioning the great interest taken in this entertainment by the Misses Mary and Minnie Henry, and to whose efforts the success is mainly due.
