LUMBER MILL FIRE.

Comparatively Heavy Loss Yesterday Morning at Plant of Angola Lumber Co.

FLAMES ON THE DRY KILNS.

Originated From Unknown Source and Wrought Damage Amounting to About \$5,000-Pire in Barber Shops An Awning Burned.

Fire which originated from an unknown source wrought a damage of between \$5,000 and \$6,000 at the plant of the Angola Lumber Company, just beyond Hilton Park, yesterday fore-

The damage was to a pair of dry kilns and their contents, consisting of 100,000 feet of lumber, and it was only by dint of hard work and excellent fire appliances at the mill and in the city, that the entire plant was saved. The fire originated on the inside of the kiln and had gained considerable headway when discovered. The fire engine pump at the mill was immediately put to work on the flames as were also two streams of water from hydrants in the yard. The steamers Marion and Compton, on the river, were also attracted to the scene by the blowing of whistles and clouds of smoke that arose from the plant. The boats each soon had a stream playing on the building and a little later the steamer tug Buck had towed up a lighter bearing an engine of the Fire Department from Market dock. Hose companies Nos. 1 and 3, of the Department also went to the scene

and did valiant work. The fire was discovered at 10:30 o'clock and in less than an hour it was under control, bespeaking much for and for the capable management of the mill.

The loss is fully covered by insur-

Mr. W. T. Sears, general manager of the mill, desires to publicly express the thanks of the company to the tug Marion, steamer Compton and tug Buck, to Chief Schnibben and his associates in the Wilmington Fire Department; especially to Mr. George Harriss, chairman of the Fire Committee, and to the Cape Fear and Hilton Lumber companies for their valuable service rendered during the

Other Fires Yesterday.

At 9:56 o'clock yesterday morning an alarm was sent in from box 41. The fire was located at No. 81 North Second street, at the rear of a building owned by T. F. Simmons and occupied by Mrs. Judge as a pressing club. No damage was done to that building but the barber shop adjoining, occupied by Louis Peterson, was damaged to the extent of about \$15, and an adjoining shop occupied by R. W. Diew was damaged about \$25. All the injury was principally to the buildings and was protected by insurance.

At about 4 o'clock yesterday afternoon the awning in front of Messrs. Victor Zoeller & Company's store on Front street was burned but no damage resulted to the building or stock. The awning was down at the time and it is thought some one threw a lingted cigarette or match from above upo then the canvas. The up-stairs of the building is occupied by the Carolina Athletic Club. The department was not called out for the slight blaze. The Fire Last Night.

Considerable damage resulted to the stock of drugs belonging to Mr. Jos. C. Shepard, Jr., and to the building, No. 123 Market street, by a fire which was discovered last night at 10:30 o'clock in the rear of the store. The origin of the fire is unknown. An alarm was sent in from box 41, Water and Market streets, and the firemen were soon on the scene, the Chemical Engine alone being used in subduing

Mr. Shepard estimates the damage to his stock at about \$3,000, with insurance of only \$1,500, distributed equally among agencies represented by J. H. Boatwright and John VanB. which is owned by D. L. Gore, will not exceed \$600 and is fully covered by a total insurance of \$4,000. The kitchen and other rooms of Mrs. D. Rountree, who conducts a boarding house on the second floor, were damaged by burning and smoke to some

extent with no insurance. The fire originated either in a storage room in the extreme rear of Mr. Shepard's store where about \$1,000 worth of patent medicines in original packages were stored, or in a wood house on the first floor belonging to Mrs. Rountree. Further in the rear of the place were stables for a mule time. The origin of the fire is unknown, as no combustibles were

stored in that part of the store. Members of the Mabel Paige Company had apartments for the week at the Rountree House and pandemonium reigned when they discovered the building on fire. Their trunks, etc., were hastily brought to the streets but were soon returned when it was found the danger was over.

- Deputy Collector Jno. E. Taylor left last night for Washington to look after "his fences" in the fight for the Wilmington Collectorship.

Fight Waged in Washington Over North

Carolina Jobs .- Dancy's Name Sent In. Regarding the Wilmington Collectorship for which there is a superabundance of candidates, the Washington correspondent of the Raleigh News and Observer sends that paper of yes terday the following:

"John C. Dancy, the negro collector of the port of Wilmington, who is on the slate for recorder of deeds of the District of Columbia, called on the President to-day. He will not be appointed until a successor to him as colector has been decided upon and this matter waits during Pritchard's absence. Senator Pritchard is still kept at home by the sickness of his wife. Bernard is here and says he will win in the District Attorneyship fight.

"Mr. B. F. Keith, of Wilmington, an applicant for the position of Colector, is here with the endorsement of about 100 business men of Wilmington. He hopes to get Senator Pritchard's O. K. mark.

"Ex-Senator Marion Butler arrived to-day. It was understood that he came here to fight Skinner's appointment as District Attorney.
