## MUNICIPAL AFFAIRS.

### The Board of Audit and Finance Was in Regular Session Last Night.

### THE STREET IMPROVEMENT.

#### It Must Cease When the \$2,000 is Expended—Shall the Quarry be Sold? The Clerk and Treasurer's Monthly Statement.

The City Board of Audit and Finance, Chairman McQueen and Messrs. Wilder and Orrell in attendance, was in regular session last night from 8 to 10 o'clock.

One of the most important features of the proceedings was concurrence in the extra appropriation by the Aldermen of \$2,000 to continue the permanent street improvement, but the City Council was informed that with the information in the hands of the Finance Board that amount would only carry the work until about March 1st, after which date no more work must be done. It was at first thought by the Aldermen that \$2,000 would carry the work until April 1st, when a new appropriation would be forthcoming.

The introduction of the street improvement subject by Chairman McQueen brought forth a general discussion of the idea. Several members expressed the idea that the rock quarry in East Wilmington could be worked more advantageously by private parties, the city agreeing to purchase so much of the material as 10,000 tons each year. If a sale of the machinery could be made to some responsible party it appeared to be the consensus of belief that a saving to the city would result. The Board having taken the view that private individuals could operate the quarry more cheaply than the municipality.

The sale of the old road roller, purchased in 1900, and too heavy for use in this section, was also suggested and Alderman Maunders, of the Streets and Wharves Committee, who was present, stated that he would see that it could be done. He thought perhaps the county would buy it and exchange it for a lighter machine better adapted to a sandy soil.

Mr. Robert H. Cowan, the new lessee of the Opera House, was present with his bond, but the Board could take no action until the document came officially first from the Board of Aldermen.

Alderman Geo. Harris, chairman of the Fire Committee, was present and discussed several matters in regard to the Department.

It was suggested in talking of the cessation of the street improvement that two hands could be employed to keep the shafts clear of water at the rock quarry and to see that the machinery was not injured by non-use, as was suggested some time ago by the Aldermen in meeting.

The contract for the Fifth street bridge, with Geo. H. Crofts, of Atlanta, was referred again to the Aldermen, with the suggestion that before the time is fixed for a completion of the work some written agreement should be had with the railroad authorities as to what time they would have the abutments ready.

The usual bills for current expenses were read and approved.

City Clerk and Treasurer B. F. King submitted a statement of the operations of his office during January, showing a balance on hand Jan. 1st of \$24,023 85; receipts during the month, \$30,900 22; total, \$54,923 07. The disbursements during the month consisted of the payment of two notes of \$10,000 each for money borrowed during the Summer; compromise of the Strauss suit, \$2,100, and \$3,838 paid on the Princess street paving, making a total of \$37,977 58.

The receipts were as follows: License tax, \$2,829 83; bars, \$984; markets, \$196 08; mayor's court, \$177 75; pound fees; miscellaneous and extraordinary, \$347 85; real and personal property tax for 1901, \$26,360 78; prior to 1901, \$453 44; costs, \$59 40; drays, total, \$50,900 22.

Adjournment of the meeting was had subject to call of the chairman.

The ceremony was performed by the Rev. Dr. Calvin S. Blackwell in the presence of only a few invited friends.

The bride and groom received many congratulations, and left at 3:15 o'clock for Charleston to spend their honeymoon at the Exposition.

Engaged in Lumber Business. State Senator B. F. Aycock, of Wayne county, was in the city yesterday en route to Whiteville, N. C., where in partnership with his nephew, Mr. Chas. N. Edgerton, he has recently begun the construction of a large saw mill and lumber enterprise.

## PENDER COURT POSTPONEMENT.

### Mass Meeting at Burgaw Saturday Asked That Disposition of March Term.

At a representative public meeting of citizens at Burgaw Saturday it was decided that in view of the great prevalence of smallpox in adjoining counties that it would be best to postpone the term of Pender Superior Court for the first Monday in March and the Governor and Judge presiding will be communicated with accordingly.

Bruce Williams, E. Q., of Burgaw, who was in the city yesterday, stated that while there is no smallpox within the boundaries of Pender, the disease is reported from all along the border and in view of these conditions the people do not care to take the risk necessarily following a court gathering, which would bring to the town people of all classes and conditions from every section of that county. Sampson and Duplin courts have already been postponed on account of smallpox and it is deemed proper to take the same action as to the term for Pender.

Dr. E. J. Powers, chairman of the Board of County Commissioners of Pender, presided over the meeting Saturday and there were present all town and county officers and representative citizens generally.

### Want A Submarine Boat.

A petition to the U. S. Treasury Department was being circulated here yesterday, asking that one of the new submarine boats soon to be stationed at different ports of the country be sent to Wilmington. There are ten or more of the boats being built and these are to be stationed somewhere and the originators of the petition very properly ask why should not one of the number be sent here?

## THE STATE COUNCIL.

### Junior Order of United American Mechanics in Session in Wilmington.

### EXERCISES AT COURT HOUSE.

#### Visitors Welcomed to the City by Mayor Waddell Yesterday Afternoon—Reports Read Yesterday—The Programme for To-day.

All trains yesterday brought additional recruits to the large number of visitors who were already in the city to attend the eleventh annual State Council of the Junior Order of United American Mechanics. A conservative estimate of the number now in the city on account of the meeting is something like 150 and a few others are yet to arrive.

The public exercises yesterday afternoon at 3:30 o'clock in the Court House were well attended and augured pleasant sessions for the Juniors during their stay in Wilmington. Councilor W. J. Ehlman, of Wilmington, presided and called the meeting to order in a timely speech bearing with ardor in the Jr. O. U. A. M. cause. At the close of his remarks he introduced Wilmington's distinguished mayor, Col. A. M. Waddell, who cordially welcomed the Juniors to the hospitalities of the city. Col. Waddell's speech, while entirely impromptu, was in one of his happiest vein and brought forth at frequent intervals the most generous applause.

The response was by Goldsboro's brilliant young mayor and legislator, Geo. E. Hood, E. Q., who was both eloquent and grateful in his words of acceptance of the hospitalities proffered.

The exercises were opened and closed with very fervent prayer by the Rev. Mr. Wells, of Spencer, N. C. Upon the conclusion of the exercises at the Court House, the Juniors repaired to the lodge room of Jeff Davis Council, No. 63, on South Front street, where the executive sessions are being held. The first of these was called to order at 3 P. M. yesterday, State Councilor C. B. Webb, of Statesville, presiding. All the officers are in attendance with the exception of Vice Councilor B. J. Moore, of Washington, in whose stead Geo. E. Hood, E. Q., of Goldsboro, is acting.

The remaining officers are as follows: Junior East State Councilor B. S. Nissen, Winston-Salem; State Council Secretary Sam F. Vance, Winston-Salem; State Council Conductor J. N. Maxwell, Salisbury; State Council Inmate Sentinel W. E. Yopp, Wilmington; State Council Outside Sentinel W. A. Fogleman, Salisbury; State Council Chaplain Rev. W. H. Roach, High Point; State Council Treasurer J. T. Thacker, Greensboro; State Council Assistant Secretary R. E. Fulghum, Wilson; State Council Warden T. G. Cobb, Morganton, and National Representatives W. E. Faison, Raleigh; Rev. C. A. G. Thomas, Thomasville; A. B. Horney, High Point; Jas. T. Thacker, Greensboro, and L. O. H. Howlett, Greensboro.

The afternoon session of the Council was principally devoted to annual reports. That of the Credentials Committee, composed of B. S. Stewart, Asheville; Geo. W. Blum, Winston, and W. H. Bruns, Hickory, showed that about 100 daily accredited representatives were present from 78 Councils in the State. The reports of officers in their order were heard as follows: State Councilor Webb, State Council Secretary Vance and three finance committees.

All the reports were referred to a special committee consisting of H. E. Shore (chairman), of Kernersville; O. V. Voils, of Mooresville, and B. A. Baber, of Hatteries. The special committee will report at this morning's session.

Secretary's Annual Report. Secretary Vance's annual report showed that the order in this State has gained in finances and membership during the past year. There were 37 deaths, the largest number since the Council was established in this State in 1890.

The receipts from subordinate councils were \$31,612.33; disbursements, \$34,595.54; cash in hand, \$3,778.75; property valuation, \$11,011.35; total worth of property of subordinate councils, \$46,790.10. The State Secretary has collected for State per capita tax, charter fees, etc., \$3,283.96. The assets of the State Council at present include \$3,867.22 in cash and \$140 worth of property and supplies. There are 78 councils. Supplies were shipped this week for institution of a new one in Caldwell county with 35 charter members.

The first session of the State Council was held at Winston-Salem in May, 1891. At the first meeting there were only 35 members of the State Council. To-day the Council has under its jurisdiction about 4,700 members.

Last Night's Council Session. The afternoon session adjourned at 6 o'clock and an oyster supper was enjoyed at the Bonits at 6:30 P. M. The regular Council exercises began again in the lodge room at 8 o'clock.

An adjournment of fifteen minutes was taken to allow Mr. C. L. Caldwell, of Philadelphia, secretary of the Junior American Mechanics Funeral Benefit Association, an opportunity to address the Council upon that auxiliary branch of the order. Secretary Caldwell's address was listened to with much pleasure and profit. The

Funeral Benefit Association is for the purpose of establishing a fund for the payment of funeral benefits to members of councils of the Jr. O. U. A. M., in good standing at the time of their death.

After the address the regular exercises were of a routine and private character, and an adjournment was had until 9 o'clock this morning. An afternoon session will be held at 2 o'clock at which time the election of officers will take place.

The matter of the building of an orphanage in this State will be taken up last thing during the session, but it is not thought that the decision will be to build as the Jr. O. U. A. M. is already contributing to the support of a national institution in another State. The special committee which has this work in charge is composed of Chairman T. G. Cobb, of Morganton; R. B. Eism, of Charlotte, and others, the two first named being the only members present.

There is lively competition between several towns in the State for the location of the orphanage. Fayetteville has made a very flattering offer for it; Durham offers a site and \$5,000, while Raleigh, Wilmington and other cities may be regarded as bidders.

Notes of the Council Gathering. Rev. J. C. Troy, of Durham, the versatile editor of *Trojan's Notion*, who is here attending the State Council, last night visited Clarendon Lodge No. 2, Knights of Pythias, and entertained the gathering with a pleasing address. Rev. Mr. Troy is an enthusiastic Pythian as well as a loyal "Juniour."

Through the courtesy of Mr. A. M. Guthrie, of Fort Johnson Council No. 37, of Southport, permission was secured yesterday from the officers of the revenue cutter *Algonquin* for members of the State Council to go aboard and see that magnificent ship. Many of those in the city for the meeting went aboard at 11 o'clock yesterday morning.

Postmaster E. W. Davis, of Fort Johnson Council, of Southport, is among the delegates to the Junior meeting.

Capt. Jas. W. Harper has extended the courtesy of the magnificent steamer *Wilmington* to the visitors this afternoon at 5 o'clock. The State Council will be taken over the harbor for a trip of an hour or more entirely free of cost. The boat may be boarded at Market street dock.

Among the delegates who arrived yesterday were Ernest Christian, Roper, N. C.; W. Hartwell, Randleman; Dr. J. B. Thompson, Graham; W. P. Williamson, Haw River; G. W. Robbins, Rocky Mount; A. T. Horton, Raleigh; W. H. Young, East Durham; R. L. Poindexter, Elkin; H. D. Traverso, Elkin; A. B. Horney, High Point; W. D. Gaster, Fayetteville; R. R. Simmons, Henrietta; Chas. F. Alexander, Charlotte; C. L. Leonard, Lexington; R. L. Ryan, Salisbury; J. L. Peeler, Faith; Robt. E. Fulghum, Wilson; W. L. Sumner and Geo. E. Hood, Goldsboro; Chas. Josey, Madison; E. A. Baber, Belmont; T. G. Cobb, Morganton; B. E. Eism, Charlotte; W. E. Faison, Raleigh; E. W. Moore, Taylorsville; Alex. Pace, Rockingham, and G. C. Smith, Greensboro.

## PRETTY SOCIAL FETE.

### Entertainment Last Evening at Residence of Col. Foster by Woman's Auxiliary.

### THE GUESTS WERE MANY.

#### Highly Successful Affair Socially and Financially—Programme of Music Charming Rendered by Select Artists—Decorations.

A very large and fashionable audience was present last night and thoroughly enjoyed the musical and social fete at the hospitable home of Col. and Mrs. F. W. Foster, No. 110 North Sixth street. The entertainment was under the auspices of the Woman's Auxiliary of the Young Men's Christian Association, and the proceeds, which amounted to about \$45, will be used to increase a fund for furnishing the Y. M. C. A. building, a commendable undertaking begun by the ladies a month or six weeks ago.

The affair last night at Col. Foster's pretty home was a most charming one. The host and hostess received in most gracious manner the hundred or more guests who attended, and the ladies of the Auxiliary in charge of the fete were none the less attentive.

Mrs. C. T. Harper was chairman of the general committee of entertainment and her duties were performed in a most pleasant and acceptable way. Mrs. W. J. Crosswell, Jr., was in charge of a beautiful candy booth which netted good results. Miss Lucy Chadbourne and Miss Lizie Robinson were in charge of the refreshment booth. They were assisted by a bevy of charming young ladies, handsomely costumed, polite and attentive.

A splendid musical programme was arranged by Miss Ethel Barnes and most admirably executed as follows: Violin Solo, "Grandpa," by Miss Florence Pearsall. Vocal Solo, "Out on the Deep," Mr. Alex. S. Fleming. Whistling Solo, Miss Lizie Otten. Vocal Solo, "Fiddle and I," Miss Norma Foster. Recitation, "The Cripple," Miss Florence Pearsall. Vocal Solo, "Far is She," Mrs. James D. Smith. Photograph selections, Mr. Chas. M. Whitehead.

The refreshment tables were superbly decorated and well laden with tempting edibles, including salads, ice cream of several varieties, coffee and chocolate. The entire residence was most tastefully decorated with a profusion of flowers, plants, etc., combining to make a most beautiful scene.

The entertainment was unique and pleasant for the cosmopolitan of the attendance. People of all churches, creeds and circles came together upon one place and the effect was most pleasing. If in no other way, the fete was socially a splendid success.

### Military Will Likely Go.

There is now every indication that the local military will be well represented at the Charleston Exposition during North Carolina Week. There is a strong sentiment for attendance in the ranks of the Wilmington Light Infantry and whether the State Guard sends a regiment or not, it is most likely that Company C will go of its own accord. The Naval Reserves are also making preparations to go, but of course nothing official is yet known.

### LEWIS MORRISON TO-NIGHT.

Scenic Effects Said to be Unsurpassed. Opera House to-night. Lewis Morrison himself appears as *Mephisto* at the Opera House to-night in a superb new scenic production of "Faust" with new choral, musical and scenic effects. The newly written prologue with its choral music and vocal solo is said to be a splendidly dramatic opening to the play. Arrambur and Seavey have painted seventeen scenes representing cloud and aurora effects which gradually disappear. The requirements of this scene which is shaded and colored lights until the culminating spectacle is reached where the host of angels surrounding the *Archangel* and *Mephisto* are revealed with a perspective of the heavenly gates in a ray of pure white light. There will be an invisible choir, singing music composed and adapted to the requirements of this scene which lasts eight minutes. Miss Rosabell Morrison, Lewis Morrison's talented daughter, will appear as *Marguerite*.
