## THE WILMINGTON MILITARY.

Naval Reserves and Infantry Having Twelve-Week Drill—Composite Regiment.  
Both the W. L. I. and Naval Reserves had enthusiastic and well attended drills last night in anticipation of the Charleston trip. The W. L. I. hopes to go with about sixty men in ranks and next Thursday night those who can attend are requested to register their names at the armory. The Naval Reserves will go aboard the cruiser Hornet with the N. C. Division and will also go in unbroken ranks.  
The companies from the Second Regiment recommended by Col. Rodman to form a part of the composite regiment to act as the Governor's escort are Wilmington, Washington, Clinton and Edenton. The Second Regiment Band will not go, one of the two other regimental bands in the State Guard having been selected.  
The W. L. I., at its regular meeting Monday night, transacted routine business and elected to membership Messrs. T. J. Gause and W. L. Walker, Jr.

The Municipal Court Yesterday.  
Mayor Waddell had another pretty lengthy session of the police court yesterday. Arthur Brown, colored, for carrying brass knucks, was sent to the roads for 30 days and John Adams colored, for being drunk and down, got 30 days. J. Robert Cavatt, a young white boy, for committing a depredation upon the flower yard of Mr. John H. Hardin, Fifth and Dock streets, was ordered confined in the station house ten days, and Robert and Alonso Brown, colored, were each fined \$5 for disorderly conduct. Dave Green and Ed Bush, colored, who were found to have been with the "gamblers" Sunday afternoon, were each fined \$10, and Calvin Hall, colored, for being drunk and disorderly, was fined \$5.

To Succeed Sheriff Burns.  
Mr. Ralph Jessup, of Fayetteville, has been chosen by the Cumberland County Commissioners to succeed the late Sheriff Geo. A. Burns, who died last week. Mr. Jessup has been for a number of years one of the county auditing committee and in that position displayed marked ability and faithfulness to duty. The commissioners have given it out that the person selected by them for sheriff would only be prosecuting and court officer, as it was their intention to give the coming tax books to the next Democratic nominee for sheriff.

Stereoscopic Albums.  
The alarm of fire at 9:30 o'clock last night was from box 51, Seventh and Nan streets. A colored "professor" was giving a "world renowned" moving picture exhibition to a "standing-room-only" house in Bath Hall when the programme was abruptly cut short by his stereoscopic taking fire. Pandemonium reigned supreme for a while but the flames were soon extinguished with the loss of a single lens, and the performance proceeded. The blaze was out by time the department reached the scene.

Entertainment Thursday Evening.  
Mrs. Mitt Moore's circle of Grace M. E. church will give a musical entertainment at the residence of Mr. E. C. Merritt, 115 North Fifth street, Thursday evening. The musical feature of the evening will be in charge of Miss Mary Cole. Refreshments will be served during the evening. The proceeds will be devoted to the church improvement fund.

By deed executed and filed for record yesterday Robert B. Lewis, administrator of the late Mrs. Ella E. VanOrsdell, transferred to John P. Quail, the house and lot on the east side of Sixth between Dock and Orange streets, the lot being 45 feet on Dock street and running back into the block 60 feet. The consideration was \$1,300.

## MEMORIAL HOSPITAL.

Grounds Around the Magnificent Institution Will be Improved and Beautified.

## MANAGERS MET YESTERDAY.

The New Building Now About Ready for Occupancy—Will be Heated by Gas—The Proceedings of the Board.

Now that all the furniture for the splendid James Walker Memorial Hospital has been put in place and the new building made practically ready for occupancy, the Board of Managers has turned its attention to the matter of beautifying the grounds about the institution.  
The matter of improving the property received consideration at some length yesterday at the regular monthly meeting of the Board of Managers which was held at the hospital. The grounds were looked over by members of the Board and it was seen that Nature has made it possible for the conversion of the place into an ideal spot indeed. The front lawn will be neatly terraced and planted in grasses and flowers. Walks will be laid out and made as pretty as possible. The new fence has recently been completed and when the grounds shall have received the attention the Board wishes to give them, there will be nothing left for the public to desire.  
The matter of improving the grounds was left at the meeting yesterday to a special committee consisting of Dr. Thos. B. Little, Dr. W. J. H. Bellamy and Mr. W. H. Sprunt.

Other business considered by the Board yesterday consisted principally of the approval of the usual bills for current expenses and an examination and approval of the report of Dr. Little, the superintendent.  
The small house on the south side of the old hospital building being no longer needed, the Board decided to sell the same and have it removed from the premises.  
The Murchison National Bank was designated as the depository for the hospital funds.

Dr. Little and the hospital corps have not yet moved into the new building and are still occupying the old one. All the furniture, apparatus, etc., is, however, in readiness in the new building and Dr. Little hopes to move this week. It only remains for the gas mains to be laid to the building and fixtures installed, and this work will be done just as early as possible. All the heating will be by gas, thereby ensuring neat, clean and comfortable service.

## CITY BOUGHT BLOOD HOUNDS.

Two Were Ordered by Telegraph by Chief Farlow Yesterday Morning.  
The City of Wilmington has acted upon the suggestion of the STAR and has purchased two thorough-bred blood hounds for trailing criminals. The Mayor, after a consultation with a number of the Aldermen yesterday, authorized Chief Farlow to purchase two trained hounds that were offered for \$25 each by Dr. T. F. Meisenheimer, of Morven, N. C. Dr. Meisenheimer wrote Chief Farlow that the dogs offered were the same hounds that trailed and captured the negro rape fiend in Anson county some months ago and were thoroughly reliable. Chief Farlow ordered the pair by telegraph at once.  
The county is also on the lookout for a pair of good hounds and will doubtless make a purchase this week.

## The "London Wharf" Sale.

A deed evidencing the recent sale of the "London wharf" to Mr. D. L. Gore by John W. Fries, receiver of the North State Improvement Company, was filed for record yesterday. The property is described in the deed as beginning at the northwest intersection of Chesnut and North Water streets and running thence northward along the western line of North Water street about 168 feet to the line of a lot formerly belonging to E. P. Hall, thence westwardly to Cape Fear river; thence southwardly with the line of the wharf to the northern line of Chesnut street, and thence eastwardly with said line about 194 feet to the beginning. The consideration is \$10,000.

## A Special Wilmington Edition.

Messrs. Richard Battle and C. J. Riverbank, of the Raleigh News and Observer, are here gathering data for a special edition of that paper to be circulated at the Charleston Exposition on Wilmington Day, April 11th. Messrs. Battle and Riverbank interviewed the Mayor, several of the Aldermen and a number of business men yesterday and met with much encouragement in the commendable undertaking by North Carolina's great newspaper.

## Right Hand Cut Off.

Harley Grady, a negro youth employed by the Pittsburg Lumber Company, had his right hand cut off just below the wrist in a planer at the mill just the river yesterday morning about 8 o'clock. He was brought across the river to Hilton in a boat and sent to the hospital in the police patrol wagon.

Christian Science service at Masonic Temple, Room 10, this evening at 8 o'clock.

## DEATH OF MRS. W. A. M'GUIRE

Aged Lady and Once Resident of Wilmington Passed Away Yesterday in Fayetteville—Funeral to-morrow.

Friends in the city will learn with sorrow this morning of the death of Mrs. William Ann McGuire, which occurred at her home at the residence of the late Sheriff Geo. A. Burns, of Fayetteville, at 12:45 o'clock yesterday afternoon. The remains, accompanied by Mr. J. K. Milligan, of Syracuse, N. Y., a warm friend of the deceased lady, arrived in Wilmington last night over the A. & Y. railroad and were taken to the residence of Mr. W. P. Price, No. 317 South Fifth street, thence to St. Thomas' Catholic church, to-morrow morning at 10 o'clock. The interment will be in Oakdale cemetery after regular high mass for the repose of the soul of the dead is celebrated in St. Thomas' by Rt. Rev. Bishop Leo Haid, of Belmont, assisted by Father C. Dennen, of Wilmington; Father Marlon, of Fayetteville, and Father Price, of Raleigh.

Mrs. McGuire was born in Charleston, S. C., September 30, 1819, and was, therefore, in the 82nd year of her age. She was the wife of the late John McGuire, of Fayetteville, who died many years ago in that city. Mrs. McGuire removed with her family to Wilmington before the war and lived for several years alternately in this city and in Fayetteville. She then moved with her family to Maryland but returned in the seventies to Wilmington, where she resided until she removed to Fayetteville permanently about 10 years ago.

Mrs. McGuire was wealthy in her early and middle life and was noted far and wide for her great charity and deeds of kindness to humankind. Thousands of dollars were contributed by her to deserving objects and many now living can testify to her generosity. She was a devoted church-woman and lived a life of quiet work. She had two sons but both have passed away. One of them was Prof. John McGuire, of Villa Nova College, in Pennsylvania, and the other was Mr. Hugh McGuire, who died some years ago in Fayetteville. Both of them were buried here.

## SIR WALTER RALEIGH.

Interesting Historical Address by Noted Chicago Clergyman—Beautiful Introduction by Dr. Blackwell.

Those who attended Dr. Fox's lecture at the Y. M. C. A. last evening enjoyed a rare historical treat. His subject, "A Neglected Cavalier," had in it that measure of local interest, which, combined with the singularly refreshing and original style of the speaker to afford an evening of instruction and entertainment, seldom obtained. He has a broad range of literary knowledge, is well acquainted with ancient and modern productions, has a rare appreciation of the beauties of nature, and a power for vivid and realistic word picturing that is wonderful.

In introducing the distinguished speaker, Dr. Calvin S. Blackwell, the eloquent pastor of the First Baptist church, said:  
"Ladies and Gentlemen: However other communities in States may neglect the name and fame of the most chivalrous cavalier of the Elizabethan age, North Carolina will not let Sir Walter Raleigh pass. Raleigh was the knightliest of them all. Every wave of the Atlantic that beats upon the shores of our Roanoke island sings unsparingly for us the requiem of Raleigh's Lost Colony." There, in our sands and beneath our pines, lie buried his brightest dreams. But yonder the noble glow of our State capital is cinctured with his imperishable name.

"The ventures of Lord Raleigh gave to our State the proud distinction of having born upon her soil Virginia Dare, the first white child to open its eyes to the light of the new world."

"We have assembled to-night to gladly greet the distinguished gentleman from another State, who comes 'to rescue from partial oblivion and to render a just tribute of renown' to our own patriot statesman. We wait impatiently to hear the thrilling story of our world-famous 'Neglected Cavalier,' retold by Dr. D. F. Fox, of Chicago."

## PITABLE CASE OF WHITE WOMAN.

Mrs. Lizzie Phillips, Demented, Imagines Other Children Are Her Own.  
Mrs. Lizzie Phillips or Newsum, a white woman a little past middle age who until recently was employed as a domestic at one of the Summer residences on the sound, was taken into keeping of the police yesterday on account of her insanity. She came to Wilmington from Goldsboro about a year ago and until very recently was in possession of all her mental faculties. She wandered from the sound to Mr. Geo. Branch's home at Thirteenth and Market streets and there her condition was realized and she was well cared for pending her transfer to the State Hospital, at Raleigh, Col. Jno. D. Taylor having a few days ago made an examination of her case and recommended her admission into the asylum.

She was doing very well until yesterday morning, when she became more violent and her crazy imaginings led her to believe that some girls next door were her daughters and that she had the right to a planer at the mill just the river yesterday morning about 8 o'clock. He was brought across the river to Hilton in a boat and sent to the hospital in the police patrol wagon.

—Mr. Repton Scott, of Atlanta, is in the city on a visit to his parents, Mr. and Mrs. B. H. Scott.

## WILMINGTON TO BAT

Enthusiastic Meeting of Baseball Cranks at the Elks' Temple Last Night.

## STATE LEAGUE GATHERING.

Edgar J. Bear Will Represent This City at Raleigh To-night—Makes an Offer to Control and Assume Responsibility of Local Team.

The attendance upon the baseball meeting in the Elks' Temple last night was not large; in fact, there were not more than twenty-five persons present, but the contingent that was there was strongly representative of the class of enthusiasts in the city who generally say something in cold cash toward the sport.  
As Col. Walker Taylor, who was present, substantially expressed it, the attendance would have been much larger had this year's State League, calling the State meeting in Raleigh to-night and outlining the plan of a local organization. It is stated that each club will be allowed two representatives who will be entitled to two votes in the meeting, and representatives finding it impossible to attend may send written proxies. It is also stated that each club must be prepared to deposit \$25 as admission fee, \$10 of which is paid for protection under the National Agreement and the remainder goes to the expense fund.

The question of entering the league was gone into at length but no one present was authorized to speak for the Massachusetts man or Manager Rivers. Mr. Edgar J. Bear, however, made a proposition to assume the responsibility of managing and maintaining a team throughout the season, provided \$500 will be raised by popular subscription and the Street Railway Company will hold good its proposition to furnish an enclosed park and donate \$300 to the fund, making a total of \$700.

This proposition met with favor at the meeting and several expressed the opinion that the \$500 could be raised easily.  
There was next a general discussion of the outlook by Mr. Bear, Col. Taylor, Maj. C. H. White, Mr. George Harris, Mr. Eugene Woodward, Mr. J. C. Blackley, William J. Bellamy, Esq., and others. Mr. Bear agreed to represent Wilmington at the meeting in Raleigh to-night, and a motion at length prevailed, appointing him to the position, and an amount sufficient to pay all expenses was pledged by a number of gentlemen present.

Mr. Bear was instructed to report at a more general outpouring of the local fanatics to be held Saturday night in the Elks' Temple. Every lover of the sport in the city is cordially invited to attend the meeting and if Mr. Bear's report is favorable, a plan will be set on foot at once to raise the \$500 needed.

The meeting in Raleigh is to be held at 8 o'clock in the Capital Club and the purpose is to go into the details of the coming season, to make rules and regulations, to talk over the umpire problem and arrange the playing schedule.  
The question of umpires will be one that will require serious attention. There are three to be named, and the success of the season depends largely upon the manner of men who interpret the rules and their control of the players. A Raleigh enthusiast suggests that power be placed in the hands of the State League president, or with a protest committee, to fine any umpire who fails to inflict the proper fines upon offending players.

It is expected that the season will begin about May 15th. The cities from which delegates are expected at the meeting are Charlotte, Durham, Greensboro, Wilmington, Newbern and Raleigh.

## A Carpenter Injured.

Mr. F. S. Thomas, a carpenter in the Coast Line shops, fell from a box car about 11:30 A. M. yesterday and received painful injuries, which were relieved by Drs. Thomas and Steele, A. C. L. surgeons. He was afterwards sent to his home, No. 929 North Fourth street, where he is doing very well. Mr. Thomas was doing some work in the car and in attempting to step from the door to a scaffold he missed his footing and was violently precipitated.

## Athletic Contest.

Charlotte Observer: "In a contest between a team of three men from Wilmington and a like number of this city yesterday the events were as follows: o-hin dip, potato race and high dive. The Charlotte boys won the contest by 26 points, showing up well in endurance and speed. Their Wilmington friends did fine work in the high dive. The teams were: Wilmington—Loughlin, Irwin and Doshier; Charlotte—E. Hinson, Eosinger and T. George."

## A SAFE WAS LOOTED.

Ham & Company, Money Lenders, Lost \$126—Two Clerks Disappeared.  
Kinsey Knowland, of Pant, N. C., and Homer Duncan, of Norcross, Ga., are the names of two young men charged by Ham & Co., money lenders, with having looted their safe upstairs over Gerken's cigar emporium, and skipped out Sunday night with \$126 in cash.

The first named, aged about 23 years, has been with the firm one year, and the latter, a boy of about 18, has been in the office since last December. Up to the time of the disappearance of the money they were believed to have been perfectly honest. Mr. Merritt, the manager, said yesterday that he had received no information as to the whereabouts of the young men.  
The two clerks didn't report for duty Monday, and it was learned during the day that parties bearing their description bought tickets to Richmond Sunday night. Suspicion rested upon them immediately as Mr. Merritt was certain he locked the safe Saturday night and it was open Monday morning. One of the young men knew the combination.

## Frost Street Runaway.

There was an exciting runaway on Front street yesterday afternoon. Two women who reside on Fourth street were driving in a buggy, the horse attached to which became frightened and made a mad dash down the street. In front of Mercer's furniture store, near the Wilmington Iron Works, the occupants of the buggy were thrown to the ground but were not seriously injured. The buggy was broken up to some extent.
