The final game of basket ball in the Y. M. O. A. L-ague for the Zeller cup was played last night at the City Hall and the contest for the evening as well as for the pennant for the season was won by the Business Men's tes in. The game last night was between the Business Men and the Young Men sto the score in favor of the first named was 19 to 17. The contest was spirited and the result of it in doubt notil the last moment. Two 20-micute halves were played with an intermision of ten minutes. At the end o' ib first half the score stood 12 to 13 and it was a battle royal in the second for the honors. ### THE BASI BALL OUTLOOK.

Manager Bear Says He Will Begin Signing Team at Once-The Meeting tield Last Night.

If it is in the power of Edgar Bear, Wilmington will have a baseball team in the State League this sesson.

Mr. Bear met an enthusiastic crowd of the "faithful" at the City Hall last night and made the positive statement that he was willing to undertake the engineering of a team throughout the season upon the guarantees he has on paper and the assurances he has been given in the way of financial support. Not quite the \$500 has been raised but Mr. Bear says he will get the remain der of the amount in a few days and is willing to go ahead with the signing of a team to report here for practice two weeks before the opening of the league eason, May 5th. That kind of talk brings joy to the hearts of the fanatics here, who are dead anxious

for the sport. A Brown University catcher of Baltimore has been signed to captain the team and play utility. Dommell, the big Dutchman of Pennsylvania, who played first base for Wilmington on the heel of the season last year, wants to come and bring a catcher. He will be signed. McGinnis, the "Grand Old Centre Fielder," of Roanoke, also writes that he will come, and, of course, Wilmington can't do without him. The remainder of the team will be picked from half a hundred appliations already on file.

Manager Bear says the chute is still open for subscriptions. There are a hundred who should give \$1 and \$3 each, and he is very anxious to hear rom that hundred. He can be found any and everywhere, and "Now is the time to Subscribe."

### AFTERMATH OF ROBBERY.

Pocketbook Rifled of \$1,800 in Currency Found On the Streets-The Checks Intact-Mr. Smith's Loss.

The robbery of Mr. Herbert Smith clerk of the Superior Court of Duplin county, was decidedly the talk of the lown yesterday. Particulars of the affair were given in yesterday's paper. The only development during the sy was the finding of the rifled pockstbook by John Norwood, an old colored man employed in cleaning up bout the back yard of Mr. W. H. Sprunt's residence on Third and Grace treets. The book was found on the arbing of the sidewalk on the Grace reet side. All the currency had been aker from it, though checks amountng to something over \$300 and a mber of other papers were left stact. An envelope which contained \$ 42 for deposit for a friend of Mr. mith was broken open and the money seen. The checks were regularly enorsed and might have been negotiated but the thief preferred not to take the k and left them. One of the checks r \$105 was the personal property of Mr. Em th and the currency belonging him and lost amounted to between 500 and \$1,700. The \$143 taken from

the envelope belonged to another paras did also several checks, which Mr. Smith left last evening for his

# **UNDERWRITERS KICK**

They Don't Want a Centralization of the Down-Town Fire Companies.

WOULD IMPAIR THE SERVICE

That Pica is Entered With the Mayor and the Board of Aldermen. Why the Change is Desirable-The Letter.

The proposed centralization of the fire department companies now located at Fourth and Princess streets; Fourth street near Dock, and Dock street, near Fourth, at one mammoth central station, near Fourth and Dock streets. as suggested by Chief Charles Schnibben in his annual report, does not take Underwriters.

The suggestion of Chief Schnibben was received with much favor at a recent meeting of the Board of Aldermen, and the Fire Committee was instructed to look further into the matter of the consolidation, but nothing decisive has yet been done. In view of the fact, however, that 'the matter will very naturally come up for final action at the first regular meeting of the Board of Aldermen in April, the Underwriters decided it would be best to give the city authorities some intimation of their feeling in that regard. Accordingly, at a meeting of the liocal Board Tuesday, the following letter was ordered sent to the Mayor and Board of Aldermen:

To the Honorable Mayor and Board of Aldermen of the City of Wilmington, N. C. "Gentlemen-At a meeting of the

Local Board of Fire Underwriters this morning the Secretary was instructed to call your attention to the fact that it is the opinion of the Local Board that the contemplated consolidation of the different fire houses and apparatus, will materially impair the present efficiency of the Wilmington Fire De-"We are sorry that there is any

such action contemplated to reduce the standard of our Fire Department especially at this time when the call through the country is for greater effi-

"By consolidating the department there will be portions of the city left, in a measure, without immediate protection. If any change is to be made we think it would be desirable for the city to have the apparatus scattered even more than at present, so as to protect every part of the city; we, therefore, respectfully request that the contemplated consolidation be abanioned. Yours respectfully, "S. M. BOATWRIGHT, Secretary."

The proposed centralization of the companies was in the interest of economy and in order to afford a place at Fourth and Princess streets for the city's live stock, which are now fed and cared for by contract. It was not the plan to consolidate all the companies of the department, but only those mentioned above, which are now within two blocks of each other; the Hook and Ladder and Chemical being even nearer than a block.

High School Champions and Blue Caps Will Contend for Mastery,

BASEBALL THIS AFTERNOON

An interesting game of baseball is scheduled to be played this afternoon at 3:30 o'clock at Hilton Park. The contesting teams will be the High School Champions and Merriweli's Blue Caps, the game being the second in the series of three to decide the championship of these aggregations of well known junior players. The game last week between the same nines resulted in a victory for the High School by a close score. The contest this afternoon will be interesting and the public is cordially invited.

Foard and Moore will compose the battery for the "Champions" and Genaust and King, E., will serve the eather and handle the mit for the "Blue Caps."
