MAY BE A MISTRIAL.

No Verdict Reached in Williams Damage Suit Against Telephone Company.

JURY WAS OUT ALL NIGHT.

Sternberger-Shrier Controversy Over Real Estate Line in Superior Court Yesterday-Motion for Receiver. Other Proceedings of Day.

The Williams damage suit against the Inter-State Telephone Company in the Superior Court will doubtless result in a mistrial.

The case went to the jury yesterday morning about 11 o'clock after a very lear and comprehensive charge by Judge Timberlake, but up to the hour the STAR goes to press, although nearly 24 hours has elapsed, no verdict had been reached.

From all appearances members of the jury expected to agree upon something early last night but this evidently failed, as about 11 o'clock the lights at the Court House were put out and all in the room were soon soundly

When the jury took the issues in the Williams case yesterday morning the court entered upon a trial of the first matter regularly set for the day-Jao. E. Taylor vs. W. H. Howewhich has been on the docket for several years and which involves the title to about \$25 worth of personal property. The case was argued by Herbert McClammy, Esq., for the plaintiff and Messrs. Bellamy & Peschau for the defendant. The verdict was in favor of the plaintiff for the amount named and an appeal was taken to the Supreme Court The following jury determined upon the amount: H O. Craig, J. B Casteen, W. T. Mercer, J. T Canady, A J Howell, Levi Mc-Millan, J. F. Fales, H J. Bierman, M. S Willard, E A. Chadwick, B. S.

Montford and W. W. Holladay. The remainder of the morning session was taken up in the hearing by Judge Timberlake of a motion for receiver in the case of R. W. Hicks against Maj. Jno. D Kerr, of Clinton, the matter having been brought down from Sampson Superior Court.

The case is an old one and has been on the docket of the courts since Ostober, 1891. Stevens, Beasley & Weeks, E. K. Bryan, Esq., and Faison & Grady represented Mr. Hicks, while the interest of Maj Kerr was looked after by himself and J. L. Stewart, Esq , of

The case of the City of Wilmington against John D. Bellamy, set for yesterday, was continued until next term to supply papers.

In the afternoon the case of I. J Sternberger vs. I. Shrier, et al., was taken up and argument had commenced to the jury, when court took a recess at 6:30 o'clock until 9:30 A. M. to-day. The controversy between the parties to the Sternberger-Shrier suit is regarding the dividing line between two valuable tracts of real estate on the west side of Front street, near the Elks' Temple. Both parties have handsome stores on their respective lots and Mr. Sternberger claims that Mr. Shrier's store is about three-quarters of an inch over his line and vice versa.

The plaintiff demands judgment against the defendants: (1) For the possession of the lands and premises described; (2) for \$1,000 damages for wrongfully and unlawfully withholding the same from the plaintiff; (3) for the costs of the action, and (4) for such other relief as in the opinion of

the court is regarded proper. There is an able array of counsel on both sides, and in any event the case will go to the Supreme Court. Messrs. Bellamy & Bellamy and A. J. Marshall, E-q, appear for the plaintiff, and Mr. Shrier's interests are looked after by Messrs. Bellamy & Peschau, Junius Davis and Herbert McClammy, E.qs. The evidence is being taken down in shorthand.

At the beginning of the trial, a motion was made by Maraden Bellamy, E.q , to strike out that part of the answer which sets up a counter claim of \$1,000 in favor of Mr. Shrier and the motion was sustained. There was a sharp legal controversy several times over the competency of certain t-stimony. In one instance there was objection by Mr. Davis to the admission of any evidence of bulging out or lapping over of the wall above the ground, upon the plaintiff's property, upon the ground that the action brought is one of ejectment and that is not the proper remedy for such an injury or trespass, if made. The obj ction was overruled and an excep-

The witnesses for the plaintiff were Capt. Jos. H. McRee, Mr. J. Dixon Kelly, L. R. King, a brick mason, and Marsden Bellamy, Esq, one of counsel for plaintiff. Capt. McRee was several times recalled and various maps and drawings were exhibited. The witnesses for the defendant were Mr. I. Shrier, W. H. Wilkins, a colored brick mason, and Capt. Walter G. MacRae, civil engineer.

Upon the conclusion of the testimony, argument to the jury was begun by Herbert McClammy, Esq , for defendant, and A. J. Marshall, Esq., for the plaintiff. The remainder of the attorneys will be heard to-day and the issues will not likely reach the jury until noon.

The case of Jno. W. Atkinson vs. Wm. Sheehan, constable, was not reached yesterday and, therefore, goes over to next term. The cases set for to-day are Owen Martindale vs. Jos. Albro, et al.; Emeline Mask vs. City of Wilmington; J. B & J. C King vs. ton vs. Iredell Meares, et al.

perger-Shrier case is composed of D. L. Gore, H. O Craig, J. B. Casteen, J. T. Canady, A. J. Howell, Levi Mc-Millan, J. F. Fales, R. W. Hicks, E A Chadwick, W. W. Holladay, C. H. Ward and J. H. Ruark.

RAILROAD MILEAGE AGREEMENT,

Interchangeable Books on Lines of Trave in Southeastern Territory.

The following lines in the Southeastern Territory will issue interchangeable mileage, the arrangement to go into effect as soon as the roads can secure supplies from the printers, which will probably be not later than May 1st :

Atlantic, Knoxville and Northern Atlantic Coast Line; Charleston and West Carolina, Columbia, Newberry and Laurens; Louisville and Nashville; Northwestern of South Carolina; Richmond, Fredericksburg and Potomac; Washington Southern; West ern and Atlantic: Atlanta and West Boint: Baltimore Steam Packet Compauy; Onesapeake Steamship Company; Georgia railroad; Nashville, Chattanooga, and St. Louis; Plant System; Seaboard Air-Line; Western railway of Alabama.

The Relief Department.

Employes of the Plant system who have their lives insured in the Plant system insurance and relief depart ment have been asking themselves what is to become of their policies when the change of ownership takes place July 1st, says the Sayannah Press The policies will probably be allowed to continue if the Atlantic Coast Line takes the system over, as the Atlantic Coast Line has a relief department also. It is not known if the rules of the Plant system and At lantic Coast Line relief departments are the same, but the policies now in vogue in the Plant system could probably be exchanged for those of the Atlantic Coast Line.

Forty-one Years Ago.

Mr. P. H. Sears, of the Angols Lumber Company, made an interest ing discovery of a curiosity while looking over the contents of an old building near the mill yesterday. Upon a pane in an old window sash on the premises, he accidentally found cut into the surface of the glass, evidently by means of a sharp instru ment, the names: "Eliza MacRee, "G. J. MacRee" and "Aunte Young," followed by the date "April 10th, 1861," forty-one years ago to the day on the day the inscriptions were found.

The Sanford Robbery. The STAR is glad to correct an erro made in these columns a few days ago regarding an attempt to rob the bank at Sanford, N. 20. Our informant was in error as to the bank, the building upon which the attempt was made having been a private one some distance away. President Edwards says the Sanford bank is well protected, having a burglar proof vault, and amply covered by burglar insurance. B-sides three watchmen are on duty every night within 100 yards of the building.

After Thirty-three Years. Messrs. John Nichols, William Simpson, A.S. Heide and R. H. Bradley all met in Baltimore in 1869. thirty-three years ago, and had a group photograph taken. The weather has been so severe that the growth of the plants has been very much retarded, and it is not probable that the plants will be as large as usual, and therefore the yield will hardly be as heavy. During the few days of favorable weather that we have had, the berries have improved greatly, and we look for them to be loer in quality than usual.

OFFICIAL SCHEDULE.

Revision of the Baseball Dates as Sent Out from Raleigh Saturday Night.

THE NEW ARRANGEMENTS.

Does Not Disturb Wilmington's Nine Games for the Opening-Constitution and By-laws Adopted-Other Notes of the League.

It appears now that the schedule of games for the State Baseball League, as sent out from Raleigh Saturday night, is not the official one and another has been sent out to all local

managers, giving the correct dates. The new schedule entirely pleases all the promoters. It gives each club in the league sixty games on the home grounds and sixty games away from home, except in the single instance of Raleigh, which town is given one extra game on the 4th of July on its home grounds with Durham. Charlotte will be at home six successive days during the week of the 20th of May celebration.

Manager Edgar Bear, of the Wil mington team, yesterday received copies of the constitution and by-laws for the League. The constitution is similar in purport to all baseball ball league governments. It provides for an official scorer for each club though not designating the remuneration of the scorer, leaving that matter to the clubs. The constitution also provides that the umpires shall be paid \$7 for each schedule game with no extras for double-headers except when morning and afternoon games shall be played, when the umpire is to receive \$5 for each game. The league umpires have not been selected as yet. Bill McGee, an old National league player, will probably be one of the umpiring staff. He has been recommended by Manager Ashenback and he is a good

The later schedule sent out from fect Wilmington so far as the opening of the season is concerned, Raleigh comes on May 5, 6 and 7; Greensboro on May 8, 9 and 10 and Charlotte on May 12, 13 and 14. Then the home team goes to Durham and Charlotte for three games each. The next week Durham comes here for three games; Wilmington goes to Newbern for three and Newbern returns here for

NOT CAPTAIN MORSE'S FAULT.

What Major Skinner Says About the Horget and Its Delay.

[Charleston News and Courier.] In yesterday's issue of the News and Courier the delay in the arrival of the Hornet, carrying the North Carolina Naval Reserves, was attributed to the inefficiency of the pilot, Mr. Thomas Morse. Since that time the information has been received through Major Skinner, of the Naval Reserves of North Carolina, that the delay was not due to incompetency on the part of Mr. Morse. Major Skinner said: "Mr. Morse is a thoroughly competent coast pilot and it was no fault of his that the Hornet did not arrive in the harbor on scheduled time. When the Charleston light ship was reached Mr. Morse wisely called a consultation of the officers and told them that the responsibility of piloting the Hornet into Charleston harbor at night, when he could not keep steerageway, was too great and asked them what to do. After deliberating the officers decided to anchor outside the bar and wait for daylight, and hence the delay attendant upon the Hornet's arrival." flues and the siphon and pumps were all out of order, and men were kept bailing water from the hold in buckets for five hours previous to the Hornet's arrival in the harbor.

THE N. C. BASEBALL SCHEDULE

An Official One Will Doubtless Settle All Complaint of Kickers.

News and Observer, 10th.]

King Kelley, after stirring up baseball here by a vigorous kick because of the baseball schedule as it concerns Greensboro, left yesterday for Greensboro. He is just back from the North and has signed a bunch of players whom he considers "good 'uns." Kelley's grievances, coupled with those of Charlotte, have been called to the attention of the Schedule Commit tee, which says the schedule issued is not a complete one, and that when it is finished and officially sent out that each club will find that it is taken care of. Regarding one complait of King Kelley that his club was away from home nine days, the committee say that as the club is scheduled for Wilmington and Newbern, it will save money to it in mileage to play either in Raleigh or Durham before going

back to Greensboro.

The committee is trying to get a schedule to suit every club and will do its best to succeed. President Busbee will issue an official schedule to the clubs in the next few days.
