HORNET WILL SAIL TO-DAY.

W. L I Made an Excellent Showing at the Exposition and Were Complimented by President Roosevelt-Other Notes.

The Wilmington Light Infantry, the crack military organization of the provisional regiment of State Guard troops, which acted as Governor Aycock's escort at the Exposition, returned yesterday from Charleston on the belated W. O. & A. train, and were most cordially welcomed home after a week of great enjoyment.

Everybody who went to Charleston last week came back singing the praises of the W. L. I., and Alderman E. P. Bailey, who was a prominent visitor at the big show, says that the company received favorable recognition by President Roosevelt when the regiment passed before him in review.

The train bearing the military came out of Charleston in three sections at 6:45 o'clock yesterday morning, one of which went via Columbia, another via Pee Dee on the "Short Cut," and the third came to Wilmington. The Sampson Light Infantry, under

Capt. Geo. L. Peterson, also arrived on the afternoon train yesterday and went through to Clinton last evening. The conduct of Capt. Peterson's company at the Exposition also evoked favorable comment and Eastern North Carolina has abundant reason to feel proud of the men. The U. S. S. Hornet will sail from

Charleston this morning with the North Carolina Naval Brigade aboard and will reach here to-night. The revenue cutter Algonquin will sail about the same time, also returning to Wilmington. Mr. Marsh had been signed to play in the outfield and the following special to the Washington Post gives particulars of the distressing accident:

"LYNCHBURG, VA., April 11.-M. M. Marsh, son of Rev. M. W. Marsh, was killed here to-day while playing baseball. He was practicing on the grounds in the suburbs of Rivermont and was attempting to get under a high fly when he ran over an embankment, falling a distance of about fifteen feet, Several blood vessels were ruptured and death ensued in a short time. Marsh was a locomotive fireman, but had recently given up his position with the Chesapeake and Ohio and signed with the Wilming-ton, N. C., baseball team."

#### Three Other Arrests Were Made Yesterday-Hearing To-morrow.

The controversy over the erection of a fence around the residence of Mr. J. F. Garrell, Jr., at southwest corner of Third and Walnut streets, will be heard in Justice McGowan's court at 10 o'clock to-morrow morning. As stated in yesterday's STAR Mr. Stephen Jewett, who has a residence adjoining objects to the building of the fence because it extends beyond the sidewalk and detracts from the value of his property. The Aldermen had previously granted Mr. Garrell permission to extend the fence, but in so doing, Mr. Jewett claims they exceeded their authority. The fence extends by actual measurement, Mr. Jewett says, ten feet over the sidewalk line.

Yesterday afternoon Contractor C. D. Morrill and Thos. Brown and Wm. Bethea, carpenters, began work again on the fence and were promptly arrested and brought before Justice Mc-Gowan. They gave bond for their appearance Monday.
