# COMMERCIAL BODIES.

Another Plan of Consolidation is Adopted by the Chamber of Commerce.

NOW UP TO THE EXCHANGE.

Graduated Membership With Corresponding Benefits-A Holland Submarine Boat Wanted at Wilmington. Thanks to Mr. Tompkins.

The much-discussed problem of consolidating the Produce Exchange and Chamber of Commerce, of Wilmington, had another inning at a special called meeting of the latter organization held yesterday afternoon in its rooms in the Seaboard Air Line building. The result of the meeting was the adoption of a plan evolved from an exhaustive study of the subject by the joint committee from both bodies and the recommendation of the plan to the Produce Exchange, as an equitable basis upon which the merger may be effected. The report is as fol-Memorandum.

Consolidation of Chamber of Commerce and Produce Exchange.

Consolidation under name and charer of the Chamber of Commerce. Class A. Merchants, dealers and factors who would derive direct benefit from market quotations, annual, dues of \$50. Class B. Manufacturers, wholesale

dealers, factors and agents only indirectly benefitted by market quotations, annual dues of \$25.

Class C. Exclusive retail dealers, professional men and citizens, annual lues of \$10. Class A and B to have access to the floor of the Chamber at all times and to enjoy full rights and privileges. Class C to be a limited membership without rights of access to the floor of the Chamber; or to use market quotations or to vote for the election of officers. This class shall be privileged to

all regular or called meetings and

shall have a vote at such times on matters of public policy.

At a meeting of the joint committee on consolidation from the Chamber of Commerce and Produce Exchange the above basis for consolidating the two bodies was endorsed by unanimous vote.

T. D. Meares, George R. French and J. Allen Taylor, committee.

Mr. J. Allen Taylor in presenting the report explained that the memoranda had been prepared after a personal canvass among members most vitally affected. Forty-four had pledged themselves for membership in Class A at \$50 and 37 at \$25 per year, making the revenue already in sight between \$3,200 and \$3,300. No effort had been made up to that time to interest members in the \$10 class. The object was to have the consolidation under the charter and name of the "Chamber of Commerce" and that the Produce Exchange be allowed in turn to retain its present management

and machinery. The question of vote allowed Class C, and other details of the proposed consolidation was discussed by Messrs. W. E. Worth, J. A. Taylor, Geo. R. French, L. B. Rogers, T. D. Meares, M. W. Jacobi, H. A. Burr, J. A Arringdale, T.W. Clawson and Col. Jno. L. Cantwell, but a motion by Mr. Sam Bear, Jr., to adopt was at length unanimously passed with the exception of Col. W. L. DeRosset, who explained his vote in effect that the Chamber would lose much of its influ-

ence and standing by the merger. The plan will now go to the Produce Exchange and if adopted by that body, a movement will at once be inaugurated to carry it in effect. The secretary was directed to con-

vey the thanks of the Chamber to Hon. D. A. Tempkins for his recent very excellent address in the Y. M. C. A. auditorium in this city. Upon suggestion of Collector of

Customs B. F. Keith, a resolution was adopted asking the government to station one of the Holland submarine boats in this harbor and the secretary was directed to forward at once copies of the resolution to North Carolina's representatives in Congress. The following Washington special to the Raleigh Post will be read with interest in this connection "The petition of the business men of Wilmington for the assignment of two Holland submarine torpedo boats at that port may be granted. Five of these wonderful little demons will soon be ready for permanent location, and as Wilmington is the first of the seaport cities of the South to take an interest n them the town stands a good show of getting at least one of them. Senstor Pritchard and Congressman Bel-lamy have brought the petition of the Wilmington citizens to the attention of the Secretary of the Navy. Wilmington's interest in the submarine torpedo being ahead of that of other cities, places her application most favorably before the secretary."

Dr. Charles Martin Niles, Rev. Dr. Charles Martin Niles, rec tor of St. Paul's parish, Ossingingon-the-Hudson, and secretary of the Church Parochial Mission Society, closed a series of successful services in St. James' church, this city, at 4:30 o'clock yesterday afternoon and left n the evening, returning to his home Dr. Niles made a splendid impression in Wilmington and is pronounced by many the ablest divine heard here in many years. He made many friends during his brief stay in Wilmington and accomplished much spiritual good.

### "YE OLD FOLKS' CONCERT" A SPLENDID SUCCESS

Music, Song and Recitation Combined With Beautiful Environment to Please a Large Andience at Y. M. C. A.

"Ye Old Folk's Concert" was heard and enjoyed last evening in the Y. M. C. A. auditorium by a very large audience which demonstrated its pleasure by repeated encores and enthusiastic applause. The entertainment was arranged by the Woman's Auxiliary of the Association and was executed in the minutest detail in a very clever and acceptable style. The stage effects and costumes were highly appropriate, elaborate and very pretty.

The scene was laid in the time of Raleigh and Elizabeth and Mr. and Mrs. Chas. McMillen served as host and hostess in charming manner. The guests of honor were Mr.T. Alex. Bax. ter as Sir Walter Raleigh and Miss Hazel Love as Queen Elizabeth. Their interpretations were perfect and elicited much applause. They were preceded upon the stage by two little girls handsomely dressed in colonial costume and then the receiving began. Guests impersonating characters from all ages, were ushered in early and late and during the progress of their arrival a charming programme in music, song and recitation was observed. Mr. and Mrs. McMillen cleverly rendered a vocal duet in which the "quarrelling dea" was uppermost and the entire cast joined in singing for an opening "The Old North State." "My Old Kentucky Home" was rendered as an intermediate selection by the entire cast and "Auld Lang 'Syne" was

sung at the close of the entertainment. In the interim Misses Norma Foster. Rena Mills, Mary Cole, Mattie Horne, Nora Scott and Mr. Henry McFarlane charmed the audience with pleasing solos. Mrs. B. C. Moore was also very clever in a recital of "Priscilla." Mr. George T. Hewlett also entertained superbly with an impersonation of the old plantation darkey. He sang "Old Black Joe" and was given two very enthusiastic encores.

A. M. Waddell at the piano and Miss Norma Foster with the violin. Miss Foster especially contributed much to the excellence of the entertainment.

The Woman's Auxiliary scored s great success in the concert, and that the efforts were appreciated by a large audience is gratifying.

OPERA HOUSE OVATION.

Large Audience Greeted Spooner Dramatic Company at Theatre Last Night.

The Spooner Dramatic Company achieved nothing less than a signal, artistic triumph last night in its presentation of well known "Camille." The production well merited the appreciation of the large audience present. As Camille Miss Spooner accomplished a finished portrayal, and Mr. Dudley's Armond was faultless. The support was also perfect.

The company closes its engagement with two performances to-day. At matinee, commencing at 3 P. M., at which time the prices will be 10 and 20 cents, the roaring farce comedy "A Lawyer's Wedding" will be presented. To-night "Nell Gwynne" will be elaborately produced.

James Sprunt Institute,

Rev. Dr. A. D. McClure will leave to-day for Kenansville, N. C., where on to-morrow he will deliver the annual sermon opening the commencement exercises of the James Sprunt Institute. Rev. L. E. Wells, of Teachey's N. C., will arrive to-day and will fill Dr. McClure's pulpit at St. Andrew's to-morrow at the usual hours. The annual concert at James Sprunt Institute will take place Monday evening and the annual address will be delivered by Hon. Chas. R. Thomas at 11 A. M. Tuesday.

Liquid Air Entertainment, At considerable expense the Y. M. C. A. has secured the Liquid Air Entertainment to be given in Wilmington on Thursday, May 8th, and a canyass is now being made for seats, the charge for which will be 75 cents' with no reserve. A capable lecturer and expert demonstrator, with complete laboratory apparatus, will make this paradoxical subject clearly understood, even by the young, and the marvellous experiment, will entertain and astound all.

May Day Excursion.

The ladies of the Woman's Auxiliary of the Y. M. C. A. have arranged a delightful "May Day Excursion" on the steamer Wilmington for next Thursday. The excursion is down the river and out to sea, touching at all points of interest along the route. Refreshments will be served on board trip is 50 cents; children half price.

the private dining room handsomely decorated and a table laden with all the delicacies of the season. The arrangements were very original, the table being laid out in the shape of a diamond, a handsome ball and bat of flowers being the principal feature. Covers were laid for eleven who were assigned to different positions on the diamond under the command of Capt Clem Hamilton. When the captain had arranged his team in their respective positions at the table the umpire. Jack Hanns, walked into the room handsomely attired in full evening dress which caused a ripple of ap-plause. The umpire in a neat and pleasing speech informed the guest of honor that this game was called to show his appreciation to a faithful employe whose honesty and integrity should go a long ways towards land ing the pennant for the Wilmington team. A number of vocal selections by the short stop and pitcher were among the pleasing features, together with some very witty impersonations from third base. The umpire recited "McCloskey's One-Eyed Goat" to the amusement of the whole team. The star play of the game was made by Charles Brizzolara, who caught a high-ball just as it was about to go over the fence. Owing to a number of errors made in the latter part of the game, and some of the players being out of practice the umpire had to cal the game on account of daylight. Fol
