An American teacher on the island of Mindanao says the Moros are clever workmen, that they know how to temper copper, (a lost art) can make gunpowder and guns, know how to use them and are brave, too. He thinks we will have a tough job if we undertake to conquer them.

Senator Hanna's brother, who is also rich and has a winter home in Thomasville, Ga., in answer to a question as to how he liked Georgia, said he liked it well enough to build a home in Thomasville for each of his married daughters. He likes his Southern neighbors and is charmed with their "unbounded hospitality."

The American Wool and Cotton Reporter, by figures, shows that notwithstanding the protection given wool by the Dingley tariff there has been a decrease of 30 per cent. in the rocks of Maine, New Hampshire and Vermont. The increase in sheep has been altogether in the far West where pasturage is abundant and cheap.

When the exuberant young Senator Beveridge, of Indiana, slid up alongside of the sedate and venerable Senator Jones, of Arkansas, and asked his "caudid" opinion of his (Beveridge's) speech on the Philippine Civil Government bill, the Senator from Arkansas, with Arkansasian frankness, replied: "I must say that when your ideas catch up to your vocabulary you will rank as a great orator."

Prices Remained "To the Bad"—Statement of Distribution of Thursday's Shipments—The Quotations.

The strawberry market took another "turn to the bad" in prices yesterday and remained around the 10 and 15 cent mark for ordinary grades. BALTIMORE, Md. May 2.—Strawberries to-day brought: Fancy, 16@20 cents; Choice, 10@18 cents. Peas, \$1.50@2.00. Beets, seven to eight cents per bunch.

SHAD FOR CAPE FEAR

Government Will Send Supply from Edenton Hatchery to Stock the River.

WILL ARRIVE THIS EVENING.

Million Young Fish Will Be Turned Loose To-morrow Near Six Runs—Means Much for the Local Industry. Effort of Mr. Bellamy.

A million young white shad from the United States Fish Commission will arrive in a special car attached to the 6 o'clock train from the North this evening and will be used in stocking the waters of the Cape Fear. The fish were secured from the government for this purpose through the efforts of Hon. Jno. D. Bellamy, Congressman from this district, at the solicitation of Messrs. W. H. Yopp and Fales & Nixon, leading fish and oyster dealers of this city, and also parties interested at Fayetteville and other sections along the river.

For the past few years the shad supply has been gradually falling off and the million small fish which are to be put in the river now will bring the shad industry up to its former proportion. In 1870 or 1875 when Col. Waddell was in Congress, he secured a large supply for stocking the river and during the seasons immediately following the "planting" of the fish, the supply was very good indeed. It is hoped that similar results will follow now, and experts say they will.

The fish will come here direct from Edenton, N. C., where the U. S. Government has a large hatchery, and will be in charge of Attache Williams, who telegraphed Mr. Yopp yesterday afternoon to meet the car with a wagon at the train.

The young fish will probably be taken from the car to one of the fish warehouses and kept over night in running water until to-morrow, when they will be taken up the river to Six Runs, about fifty miles from Wilmington and turned loose.

This supply will mean much to the fishermen, dealers, and consumers in this section.

THE FEDERAL COURT HERE.

Assistant District Attorney Spears Arrived Yesterday—Calendar for the Week.

Oscar J. Spears, Esq., of Lillington, U. S. Assistant District Attorney, arrived in the city yesterday from New-Born to get his docket in shape for the beginning of Federal Court in this city Tuesday. The new District Attorney, Col. Harry Skinner, who succeeds C. M. Bernard, will arrive Sunday night or Monday morning and Judge Purnell will come Monday afternoon or Tuesday morning.

Court will convene Tuesday, 10 A. M. Cases from Columbus and Cumberland are set for that day and on Wednesday Robeson cases will be heard. Thursday has been assigned to Brunswick, Sampson, Bladen and Pender and Friday will be given over to cases from Scotland, Richmond and New Hanover.

LIQUID AIR ENTERTAINMENT.

Wonderful Demonstration Next Thursday Evening at the Y. M. C. A.

Four water upon a hot stove and it instantly rises in steam; pour Liquid Air upon ice and it quickly passes off in vapor, because the ice (being 244 degrees "warmer"), has the same effect upon it the stove has on water. Put a kettle containing Liquid Air on ice and the liquid boils violently. As it becomes chilled by the intensely cold liquid the air changes color and the boiling is less active; if a few pieces of fresh (and comparatively warm) ice are placed in the kettle the vigorous boiling will be resumed, and not infrequently the lid of the kettle forced off in open cans or bottles. Liquid Air is harmless as water, but if confined would burst the largest Krupp gun ever made. A demonstration of this wonderful element will be given at the Y. M. C. A. next Thursday evening, May 8th.

Subscribers for tickets can reserve their seats without extra cost at De-Rosset's book store Monday morning.

Schooner Flora Pressey arrived with 1100 barrels cement for Roger Moore's Sons & Co., from New York. Schooners Josephine Elliott, Ralph M. Hayward, Wm. F. Campbell and Mabel Hall went to sea at noon, having cleared the day before.

The executive committee of the Teachers' Assembly has decided on Morehead City and arrangements are being made to that end. The date for the meeting is June 10-15th.

APPROPRIATE MEMORIAL SERVICES ON SATURDAY.

Rev. J. M. Wells, Ph. D., Will Be the Orator—Crosses of Honor for the Veterans—Military Parade.

The Memorial Committee of Cape Fear Chapter, Daughters of the Confederacy, of which Mrs. J. J. Hedrick is chairman, has about completed arrangements for an elaborate observance of Memorial Day, to-day week. The exercises this year will be much on the same order of the patriotic observances in former years. As usual the exercises will take place at the Confederate Monument in Oakdale cemetery with a military parade of the Veterans, W. L. I., Naval Reserves, and Boys Brigade of America, from the Light Infantry armory on Market street.

By appointment of Cape Fear Camp U. C. V., Mr. Clayton Giles will be chief marshal and his aides will consist of Capt. A. D. Brown, Capt. T. O. Bunting and Messrs. W. A. Cornish, Stephen Jewett, J. A. Montgomery, Robert J. Sykes, J. G. Skipper and S. J. Sneedon. The address this year will be by Rev. J. M. Wells, Ph. D., of this city and Rev. J. N. Cole will act as chaplain. The ladies of Cape Fear Chapter, U. D. C., will meet at the lodge in the cemetery at 4 P. M. and the exercises at the monument will begin promptly half an hour later.

Crosses of Honor will be presented upon the occasion to all Veterans entitled to them and who have previously sent in their applications with the proper endorsements.

CHIEF CLEVERLY TRAPPED THIEF.

An Ex-Mariner Fell in Love With Screw Plate Belonging to Cooperage Co.

Daniel Pierce, a middle-aged white man and something of a happy-go-lucky fellow, who came here a month or six weeks ago as mate on the schooner Wm. P. Flood, from which vessel he was discharged soon after her arrival in port, was cleverly trapped in theft and locked up last night by Chief of Police Furlong and Officer C. E. Wood.

Clad in overalls and cap he went to the Slocumb Cooperage and Veneer works yesterday afternoon and began "knocking around." Pretty soon one of the workmen saw him take a valuable screw plate, worth about \$25, and hide it in the building so it would be accessible from the outside when night came on. Mr. C. L. Taylor, manager of the works, reported the occurrence to Chief Furlong, who advised that everything be kept quiet. When night came on Chief Furlong detailed Officer Wood to watch the spot where the tool had been left and sure enough at 9 o'clock Pierce was on hand and took the coveted possession. Officer Wood immediately laid hands on the offender and he will answer to Mayor Waddell for his sins in the police court to-day.

Pierce claims to be an engineer and as such fully realized the value of the article he was after.

WOOD CHOPPERS ENTERTAINING.

Woodmen of the World Honoring Distinguished Member of Their Camp.

The entertainment shown yesterday by Live Oak Camp No. 6, W. O. W. to Hon. Josiah Towne, of Minneapolis, Minn., a prominent member of the Sovereign Camp, Woodmen of the World, consisted chiefly of a carriage drive to the sound, an oyster roast at Stokely's and an enjoyable social session of the local lodge last night.

The party left for the sound at 3:30 o'clock yesterday afternoon and returned at 6:30 P. M. Those who accompanied Mr. Towne, were Messrs. J. C. E. Wood, Benj. Bell, J. W. Fleet, W. H. Howell, A. H. Addison, W. G. A. Oterson and Dr. J. D. Webster.

The reception last night was rather informal but very enjoyable. Refreshments were served during the progress of the evening. The arrangements were in charge of Messrs. John E. Wood, W. H. Howell, J. W. Fleet, A. H. Addison, Benj. Bell and Thos. R. Post.

Mr. Towne is undecided whether he will leave to-day to visit the Newbern camp or wait till Monday.

The Valuable Lord Property.

Mr. W. M. Cumming, the real estate man, advertises for sale as a whole or in lots, the valuable Lord property on Front street. There were persistent rumors about a week ago that this property had been sold to the Flagler interest and that a large Winter hotel would be erected thereon, but Mr. Cumming says these reports were erroneous, although the site is an ideal one for an enterprise of this kind. It is to be hoped yet that enterprising capitalists will be attracted to the place and develop some such enterprise.

Dorcas Society Officers.

The Dorcas Society of St Paul's Lutheran church has elected officers for the ensuing term as follows: President, Mrs. E. Blasinger; Vice President, Mrs. A. G. Voigt; Recording Secretary, Mrs. E. P. H. Strunk; Treasurer, Mrs. H. Voller. The committee on visiting the sick and the various other committees have been appointed. The society decided upon some very material improvements to the interior of St. Paul's church.

BASE BALL DOINGS.

Batting Order of the Wilmington Giants As They Will Line Up on Monday.

NOTES FROM OVER LEAGUE.

Raleigh Defeated A. & M. and Charlotte Made Easy Work of St. Mary's—The Particulars of the "Grand Opening" in This City.

Play Ball!!
Day after to-morrow Wilmington—and the STAR says "Wilmington," for everybody is expected to be there—will see her first League ball for the season. The opening game as everybody knows, or should know, will be with the Raleigh Court House team and it will be quick, snappy, and of the kind that will make the heart of the crank feel proud. The trolley parade of the contesting teams and Second Regiment Band will take place at 3 o'clock and on the diamond Mayor Waddell will toss the first ball, opening the league season.

Brands will go in the box for the locals and if for any reason there should be an occasion for him to retire, Dan, the young Pennsylvania south-paw, will take his place. Fisher will be at the receiving end, as Capt. Henry is not yet in the form he would like to be. In Capt. Henry's absence from the game, Dommel, the clever first baseman, will captain the team. Villeneuve, who has been here for the practices, was yesterday given his release by Manager Bear. He was not quite fast enough for short and besides Manager Bear finds it impracticable with the low salary limit to carry more than 12 men. Villeneuve will go to his home at Sumter, S. C. to-day and Matheson, one of the pitchers, will do the stunt at short. Matheson has developed great strength in his new position and the cranks will find him all right.

The team will line up in the following batting order: Brown, 9b; Matheson, ss; McGinnis, cf; Dommel, 1b; Brandt, p; Lattin, 3b; Fisher, c; McCann, if; Miller, rf.
The price of admission at the park will be 25 cents for gentlemen with 10 cents extra for grand stand. Ladies will be admitted at the gate free but will be charged 25 cents for grand stand privileges. Children 12 years will be admitted for 15 cents. The 15 cent rate will apply to colored people.

League Notes From Everywhere.
The reason for the transfer of the opening games from Durham to Charlotte is that the Durham grounds have not quite been completed. Durham plays her final game with the Trinity team this afternoon.

Raleigh, N. C. May 2.—The Raleigh professionals won easily from the A. & M. cadets to-day in a score of 18 to 7. The "Red Bird" leave Sunday for the opening game in Wilmington.

Charlotte, N. C. May 2.—The St. Mary's boys were not in it at any stage of the game with the Charlotte league team this afternoon. The score was 24 to 3 and might have been more had the Professionals chosen to chase around the cushions. Elaborate preparations are going on for the opening game here Monday with Durham.

Charles Traeger, from Hoboken N. J., will do the stunt in centre field for the Red Birds. Traeger is said to be a good stick artist also. He was signed Thursday.

McMackin, who formerly pitched for Charlotte, has been given his ten days' notice of release by Brooklyn, and it has been reported that he has signed with Durham. Either he or Stockdale will pitch the opening game at Charlotte.

The Durham league club is now in shape for the beginning of the season. Three more men have been released. A few days ago Morgan, the outfielder, was given his release, and to-day Darby, short stop; Bonet, pitcher, and Logan, catcher, were given their releases. At present the line-up of the team is as follows: Turner, left field; Curran and Tucker, catchers; Morris, Bruker, Murphy and Sullivan, pitchers; Stoffel, short stop; Dieters, third base; H. E. Taylor, centre field; Walters, second base; Capt. Stockdale, first base, and C. S. Taylor, substitute. One of the pitchers will play in right field. There are now thirteen men in the club.

Sporting Life: "George Dudley Froud, of Philadelphia, who has made a considerable success for some years in this city and New Jersey, has been appointed as umpire by President Busbee, of the North Carolina League. We have no doubt about Mr. Froud's success."

Amateur Contest Yesterday.
The Cape Fear Academy and Dock Street baseball teams had a fine game at Seventeenth and Market streets yesterday afternoon in which the O. F. A. took off the honors in a score of 17 runs to 10. Jackson and Potts were the battery for the winners while the opposition were Moore and Register. The features were Rosenman's batting and Jackson's pitching for the O. F. A., and the clever stick work of Register for the Dock street team.

The Lutheran Synod.
The Lutheran Synod, now in 99th annual meeting at Concord, has elected Dr. A. G. Voigt, Dr. G. D. Bernheim and Mr. A. D. Wessell, of this city, as delegates to the United Synod of the Lutheran Church, South, which will meet in Charleston, S. C., May 7th. The Synod is considering the removal of the N. C. College from Mt. Pleasant.

BADE CORDIAL WELCOME TO THEIR NEW PASTOR.

Delightful Reception to Rev. C. B. Paul by the Congregation of Southside Baptist Church Last Night—Exercises.

The congregation of Southside Baptist church last night bade a very cordial welcome in formal manner to its new pastor, the Rev. C. B. Paul, who arrived this week from Swansboro, N. C., to take up his duties in Wilmington.

The reception took place in the church; and the chancel was very prettily decorated in honor of the occasion. The exercises were opened with prayer by Rev. Levi Bryant and after the singing of Hymn No. 387 by the choir, Rev. Jno. E. King introduced Mr. Paul, and very cordial welcome addresses were delivered by Mr. J. F. Littleton, on behalf of the church, Superintendent J. S. Canady, in behalf of the Sunday School; by Mr. John W. Brown, in behalf of the young people, and by Rev. Dr. Calvin S. Blackwell, pastor of the First Baptist church, in behalf of the Baptists of the city. Those addresses were followed by a very feeling and eloquent response by Rev. Mr. Paul, after which the choir sang a hymn and the benediction was pronounced by Rev. J. F. Littleton, of the Brooklyn Baptist church.

Rev. Mr. Paul will conduct his initial services at Southside to-morrow at 11 A. M. and 8 P. M.

Pranks at a Saw Mill.
Mr. Henry D. Burkheimer, railway mail clerk on the Newbern road, who arrived yesterday, told of a most unusual occurrence yesterday morning at the saw mill of Mr. T. E. Kerr, of Jacksonville, N. C. A fly wheel on the engine of the mill flew off while rapidly in motion and a piece of it was thrown a quarter of a mile into the top of Mrs. Jacob Giles' house. The big piece of iron crashed through the roof and down through one of the rooms in which Mrs. Giles was about her household duties. No one was hurt except a negro at the mill, who was slightly injured by flying debris.

At the Opera House.

Dan Packard's vaudevillians pleased another fair-sized audience at the Opera House last night. The bicycle team again scored a big hit, while the Carleton Sisters, of course, delighted every one. This afternoon at special bargain matinee, when the price of admission will be 25 cents to all, a strong bill will be presented. At the performance to-night every lady accompanied by the holder of a paid 60 cents ticket will be admitted free.
