### WEATHER REPORT

U. S. DEPT. OF AGRICULTURE, WEATHER BUREAU, WILMINGTON, N. C., MAY 3. Temperatures: 8 A. M., 70 degrees; 1 P. M., 77 degrees; maximum, 89 degrees; minimum, 66 degrees; mean, 78 degrees. Rainfall for the day, .00; rainfall since 1st of the month to date, .00. OORTON REGION BULLETIN. The weather continues warm in all districts, with maximum temperatures ranging from 84 to 92. There has been very little rainfall, a few scattered showers being reported in the Atlanta, Charleston and Wilmington districts. FORECAST FOR TO-DAY. WASHINGTON, May 3.—For North Carolina: Fair Sunday and Monday; fresh south winds. Port Almanac—May 4. Sun Rises 5:05 A. M. Sun Sets 6:49 P. M. Day's Length 13 H. 44 M. High Water at Southport 8:02 P. M. High Water Wilmington 7:32 P. M. A snake was killed in Rome, Ga., a few days ago which was nine feet long and fourteen inches in circumference, and the snake season hasn't fairly opened yet. New Mexico is running in a rough row of stumps. Her sheep are dying on the ranges, because of drought, and the grasshoppers are eating up the crops. Our Congressmen are preparing to deluge their constituents with a flood of eloquence and information. It is said there are now in stock in Washington 300,000 copies of speeches to be sent out as campaign literature. As a swimmer the Jacksonville Times-Union does not propose to let the New Jersey fog take away the honors from the Florida razor-back, which it declares can swim ten miles on a dead stretch without turning over on its back to float. Commissioner Evans will go out of the Pension business to take that \$25,000 a year consular job in London, about June 1. He got something "equally as good" or better, and will escape the larpings by the Pension attorneys, and pension grabbers. In Trenton, N. J., four Italians tackled a policeman named Smith. When the fracas was concluded one of the Italians was dead, one in a hospital, one in the calaboose, and the fourth striking out for parts unknown. They hitched onto the wrong Smith. Senator Clarke, worth \$123,000, 000, of Montana, peddled clocks before he dabbled in mines, and Col. Cody hunted buffaloes to feed railroad laborers before he went into the "Wild West" show business. That's how Bill got the Buffalo handle in his name. It is said that the Washington war managers will back General Chaffee in his war on the Moros, because they feel that withdrawing our troops would look like backing out, which would give a setback to American prestige. Better send Gen. Smith down there with some more silver dollars. Governor Crane, of Massachusetts, has just distributed medals to all the survivors in that State who responded to Lincoln's first call for troops when the unpleasantness began between the North and the South. He should also present medals to the surviving negroes in the South who later went in to fill Massachusetts quotas in subsequent calls.

## FRUIT AND VEGETABLE MOVEMENT YESTERDAY.

Strawberry Shipments Not Heavy on Account of Sunday Market—New York and Baltimore Quotations. Strawberry shipments yesterday were not so large as on preceding days from the fact that shipments forwarded yesterday would tend to reach most Northern markets on Sunday—a bad market day. Very heavy shipments of lettuce are going forward now with other vegetables, especially from the Northern section. The shipments of peas yesterday from the Northern section amounted to about 1,300 baskets and it is estimated that on Monday the consignments will reach 5,000 packages. Cauliflower is now being shipped from the Wilmington section and New York prices yesterday were in the neighborhood of \$3 per basket. The following special market reports were received by the STAR last night. New York, May 3.—The market today: Peas \$2.50 per bushel basket, with active transactions. Strawberries, fancy, 1.80 to 2.00; choice, 1.40 to 1.60. There is a good demand for rosin well-headed lettuce at from \$1.25 to 1.50. Cabbage are bringing \$3.50 per barrel. J. & G. LIPPMAN, Wholesale Produce, corner Washington and Harrington streets. BALTIMORE, Md., May 3.—There was a good demand for berries to day at from 10 to 17 cents. Peas brought \$1.50 per bushel for good stock; beets, six to eight cents per bushel. STERLING & FRANKLIN, Wholesale Produce Commission Merchants, 27 East Pratt street. Shipping Agent's Daily Report. The daily report of Mr. H. T. Bauman, business agent of the E. C. Truck and Fruit Growers' Association, shows distribution of Friday's shipments of berries through South Rocky Mount as follows: Destination. Refrigerator by Express. ## BASE BALL ECHOES.

Final Practice of the Wilmington Team at Hilton Park Yesterday Afternoon. RALEIGH IS COMING TO-DAY. Games With A. & M. and Graham by Red Birds and Kelly's Kids—Parade Monday and Opening Exercises—Change of Captain's Notes. Precious little remains to be added to what has already been said in these columns about the baseball opening Monday. The Giants yesterday put in a good day's practice at team work and signaling, so that everything will "come our way" when Mayor Waddell tosses the first sphere over the plate at 4 P. M. sharp. The Raleigh team, accompanied by 35 or 40 rooters of the "deepest die," will arrive this evening or to-morrow morning in fine fettle for the "fight." The trolley parade of the teams will start from Front and Princess streets promptly at 8 o'clock, and the Second Regiment Band is called to meet in uniform at the armory half an hour earlier. The parade, of course, will be to the grounds and the line-up of the team will be the same as given in yesterday's STAR. Brandt, "the powerful," will be in the box for the locals and Fisher will be at the receiving end. Both of them are in great shape and talk confidently of victory. "Bill" Dommell will captain the team in the absence from the game of Capt. Henry, who has requested Manager Bear to make Dommell the permanent captain, inasmuch as his position will require him to be out of the game frequently and the change from one to another would tend to demoralize the men. Manager Bear has consented to make the change. Tickets for the game are on sale at Gerken's and nowhere else down town. General admission is 25 cents with 10 cents extra for grand stand. Ladies will be admitted free at the gate but will be charged 25 cents at the grand stand. Children 13 years of age or under will be admitted for 15 cents. Colored persons will likewise receive the 15c rate. Preliminary Posters to the Opening. RALEIGH, N. C., May 3.—The Red Birds had their final practice this afternoon in the game with Wake Forest College and won in a score of 10 to 2. The collegians advantaged themselves of a single error by the professionals and made the two runs, else it would have been a shut-out. The team leaves to-morrow for Wilmington, confident of taking two of the three games from the Giants. The line-up and batting order of the team will most probably be as follows: Pastor, s. a.; Stoffe, 1b.; Kain, l. f.; Hook, 3b.; Smith, 1b.; Sherman, r. f.; Grant, c. f.; Meyers, c.; Leonard and White p. GREENSBORO, N. C., May 3.—The Greensboro League team defeated Graham in a score of 18 to 1 this afternoon. The team leaves to-morrow to open the season at Newbern. More or less uneasiness is always manifested in the Summer by persons on heavily laden cars, on their way to the park when crossing the iron bridge over the Coast Line tracks and the wooden bridge over the Carolina Central road. The Consolidated Railways, Light and Power Co., has looked carefully into this matter and are putting in 12x12 stringers at the iron bridge and has had a competent man to inspect the Carolina Central bridge. The company says both bridges are perfectly safe in every respect. That Frenchman, McGinnis, and Cap. Dommell sauntered into the baseball stadium last night and charmed immensely with a "fetching" duet. They are "songsters" of the first water and make a clever pair on the ball diamond. Solomon's Shoe Store and Peterson & Bull have offered a pair of shoes each for the first home run by a local player on the Hilton diamond. INSTALLATION OF DRUIDS. Linden Grove No. 2 Inducted Officers into Their Positions—Richmond Meeting. At the last regular meeting of Linden Grove No. 2, United Ancient Order of Druids, Deputy Grand Arch Julius Sternberger installed the following officers for the ensuing term: P. A.—Geo. Simon. N. A.—S. Siegler. V. A.—S. Behrens. Sec.—Geo. Ziegler. Treas.—A. J. Marshall. Cond.—B. M. Hill. I. G.—W. W. Killites. O. G.—G. W. Borsemann. Hon. S. H. Finhblate and A. J. Marshall, Esq., were elected representatives to the meeting of the Grand Grove, to be held June 2nd in Richmond, Va. On May 8th the Grove will hold a social session, when a supper will be served to the members. A Liquid Entirely Dry. A slight hand performance and the juggler's art can hardly be compared with the Liquid Air Demonstration at the "Y. M. C. A." Thursday night. As the "real thing" pure liquid air will be used at an expense of fifty dollars just for the material. Subscribers for tickets can obtain the same at De-Rose's book store and can reserve the same without extra cost Monday morning. Public sale of tickets Tuesday morning at De-Rose's. An Educational Rally. Prof. Washington Oatlett has called a meeting of all district school committees in New Hanover county, to be held on Saturday, May 31st. State Superintendent Joyner will be invited to attend and address them. Atlanta to Wrightsville. Atlanta Constitution: "The Seaboard Air Line will during the coming summer run excursions to Wrightsville, N. C. The excursions run to this point last summer were so popular and proved so successful that the officials have determined to make them permanent. It is quite probable that several will be run during the summer.

## SHAD TO REPLENISH THE CAPE FEAR RIVER SUPPLY.

Splendid Place for Government Hatchery Near Hilton—One Million of Young Fish Were Turned Loose. The one million young shad for deposit in the Cape Fear river arrived at 6:35 o'clock last evening, in charge of Aitche Williamson, on a special car attached to the incoming Northern train. At the station Mr. Williamson was met by Messrs. Ed Taylor, J. B. Fales, J. A. Nixon, E. H. Freeman, J. M. Holmes and W. H. Yopp, all prominently connected with the fish industry here, and the young fish were taken to the river at Hilton Park and liberated at 7:30 o'clock. The temperature of the water was 75 degrees and Mr. Williamson thinks the conditions were in every way favorable. The fish turned loose were only five days old, but were as lively as crickets and shot into the water as if in every way pleased with the home of their adoption. They were raised by the government at the U. S. hatchery in Edenton and Mr. Williamson appeared very appreciative of the co-operation the local dealers gave him here. Usually, he says, the work has to be done by him unaided. A million of the young shad were turned loose by Mr. Williamson at Six Run, on Black river, last Tuesday and the same number were placed in the Neuse river at Kingston Friday. Mr. Williamson says there is a splendid location here for a fish hatchery and the government would do well to locate one near Wilmington. The local dealers will call the matter of the establishment of a hatchery here to Hon. Jno. D. Bellamy and see what can be done in the matter.

## A FITTING MEMORIAL.

Tablet Unveiling by Colonial Dames Next Tuesday at Old Brunswick. THIRD ANNUAL PILGRIMAGE. Event Hailed With Pleasure by All Who Delight to Revel in Colonial History. Programme of Exercises—The Inscription—Schedule. Many persons are anticipating with more than the usual pleasure the third annual pilgrimage of the North Carolina Society of Colonial Dames day after to-morrow to the ruins of St. Philip's church at Old Brunswick, on the Cape Fear. The added interest to the occasion this year is because of very appropriate and elaborate exercises that mark the unveiling of the first monument ever erected in North Carolina to colonial commemoration. It is a tablet to the memory of the lamented Col. Maurice Moore, who in 1728 dedicated the site for the town of Brunswick and was one of the patriots of that good old colonial settlement, which offered the first armed resistance to England's tyranny. The memorial arrived Friday night from Philadelphia and will be placed on the walls of the old church as a slight token of the reverence in which the memory of Col. Moore is held. The exercises will be conducted by Rev. Dr. T. D. Bratton, of St. Mary's College, Raleigh, and Rev. F. H. T. Horsfield and Dr. James Carmichael, of this city. Little Miss Florence Kidder, daughter of Mrs. Geo. W. Kidder, one of the founders and the first president of the N. C. Society of Colonial Dames, will unveil the tablet, and the annual address will be by Hon. B. G. Connor, of Wilson, president of the North Carolina Historical Society. The programme is as follows: Processional, hymn 229. Selection from Holy Scriptures. The Lord's Prayer. Psalm (Aethiopian), 105. Apostles' Creed. Prayer, Rev. Mr. Horsfield. Hymn, "God Bless Our Native Land." Benediction. Unveiling of Tablet, Miss Florence Kidder. A Memorial. COLONEL MAURICE MOORE, Gentleman and Soldier of the King, who in the Year of Our Lord 1728 Founded in a Wilderness The Town of Brunswick. Reserving for the Glory of God the portion of land on which was built this Parish church of Saint Philip's. Also to the Heroes and Patriots of the lower Cape Fear whose brave deeds illustrated its Colonial History. Brunswick was for a time the seat of the Royal Settlement in the Province and the residence of its founders. JOHNSTON, DOBBS, TRYON. It was the scene of the first armed resistance to the Stamp Act in any American Colony when Chinese Soldiers led by citizens Hugh Waddell and John Ashe defied the Power of Great Britain and prevented the landing of Stamps from the Ships of War Nov. 28, 1765. This tablet is the gift of Selma M. Harvey and Ida N. Moore, descendants of Maurice Moore and is erected under the auspices of the North Carolina Society of the Colonial Dames of America. A. D. 1902. "For these are deeds that should not pass away and names that must not wither. The steamer Wilmington will leave her wharf Tuesday morning at 9:45 o'clock to take down the party. Tickets for the trip will be sold at 50 cents. Invitations have not been sent out generally, as all who are interested and who desire to picnic at the site of the old town are invited to go. Closed Last Night. The Dan Packard Vaudeville Co., closed a rather unsuccessful 8-night engagement at the Opera House last night. Probably for the reason, more than anything else, that there were few to see the performance, no matinee was given yesterday afternoon and only "a corporal's guard" was on hand when the curtain went up last night. The performance, however, contained a number of meritorious features and those who were present, seemed to enjoy them. The company expects to leave to-day for Newbern. Speaks on Millennium. Mr. B. H. Barton, of Philadelphia, will begin a series of discourses to-day, at 3 P. M., in Fifth Ward hall and ladder hall on Fifth, near Castle street, under the auspices of the Watch Tower Bible and Tract Society, of Allegheny, Pa. The meetings will be strictly non-sectarian and everybody is invited. By-Law Committee. Messrs. Wm. Calder, W. H. Sprunt, M. W. Jacob, Geo. B. French, J. A. Taylor, H. M. Emerson and C. H. Robinson have been appointed by President Worth, of the Chamber of Commerce, to draw up the constitution and by-laws for the consolidated Chamber recently organized. "Jep" for Commissioner. Engineer Jenson, of Florence, who runs on the A. C. I., from Charleston to Greenville, is prominently spoken of for railroad commissioner of South Carolina.
