It is estimated that last year about 93,000 boxes were hooked out of the street boxes in Paris.

An Englishman named Pamlico Pickles has swapped it for the uncommon name of John Smith. He is named on Pickles.

That Washington preacher who defined dancing as "hugging set to music," gave dancing a great boost that didn't cost it a cent.

It is said that ex-Gov. Bob Taylor, of Tennessee, will receive \$25,000 for 100 lectures. That's better than playing the fiddle or playing Governor.

The Pacific railway and others opposed to the Nicaragua canal are now working the volcanic upheavels in Martinique and St. Vincent against it.

Charles M. Schwab has purchased one of the most attractive beach resorts on Staten Island, which he proposes to improve and fit up for the free use of poor children, such as he will select.

Camille Flammarion says the volcanic dust ejected by Mount Pelee and Soufriere may remain in the air for years and have a luminous effect at night. We may probably have some of those red sunsets which were witnessed for some time after the explosion of Krakatoa, which was a cracker sure enough, in 1883.

The latest consolidation reported comes from Wilmington, Delaware, where a man owns four kittens consolidated into one. Their hind legs are so welded together that their heads point to the four quarters of the compass. If that consolidation matures it would be hard for the bootjack man to sneak up on the blind side.

It is said that Andrew Carnegie, who doesn't believe in shot gun "benevolent assimilation," called upon President McKinley, when things began to look lurid in the Philippines, and offered to pay the \$20,000,000 we agreed to pay Spain, provided he were authorized to assure the Filipinos that this Government would ultimately acknowledge their independence.

A Cleveland, Ohio, preacher is banging ping pong, which he denounces as a menace to the church and religion. He complains that many of his congregation remain at home Sundays and nights to play ping pong when they should be at church. Perhaps if he threw more snap into his sermons there would be fewer ping pongers in his congregation.

CORPORATION COMMISSIONER

Yesterday afternoon instructed the Tax Listers of the County.
Corporation Commissioner Samuel L. Rogers, arrived in the city yesterday in pursuit of his duties as railroad and tax commissioner. Of course, his business here all came under the head of the latter, as yesterday afternoon he met the tax listers of New Hanover county and instructed them as to their duties. All the listers were present at the meeting, as were also County Commissioners McCasch and Vollers.
The talk consumed about two hours and was most explicit and clear as to the meaning of the law and the manner in which it should be carried out. Commissioner Rogers has been about with a week on his present trip. He goes from here to Whiteville to-morrow.

MEMORIAL HOSPITAL.

Formal Opening of the Institution Founded by the Late James Walker.

INSPECTED BY THE PUBLIC.

The Building Complete in All Its Appointments—One of the Finest in the South—Total Cost, Including Equipment, Over \$40,000.

The James Walker Memorial Hospital, the great gift of our late esteemed townsman, Mr. James Walker, will be open for occupancy to-morrow. Yesterday its doors were opened and public inspection invited. During the day several hundred visitors, a large majority being ladies, inspected the handsome building, which is so greatly to be commended for its location and its situation among the foremost cities of the South along this line.
The building as heretofore described, is of the finest pressed brick, with brown stone trimmings, and is three stories high, exclusive of basement. It is substantially constructed and finely planned, and relative to the latter it is not amiss to state that the building is situated at just such an angle as to allow sunshine to each room at some time during the day.
The entire portion of the building on the first floor to the right of the main entrance, which fronts the west, is given up to the institution's officials and attendants. There you find Dr. S. R. Little's office and sleeping apartment, a cosy parlor, sleeping apartments for Dr. J. M. Hall, the pharmacist, Miss M. L. Hench, night superintendent, Miss L. M. Heller, matron, and one for the nurses. To the left is an attractive general parlor or reception room and seven rooms, finely appointed, for pay patients. Ward B, for females, is also to the left on this floor.
At the very head of the wide stairway on the second floor is a spacious and handsomely furnished parlor for pay patients. At the northern end of the long corridor is Ward C, also for females, and at the opposite, southern end, is Ward D, for males. Each ward is fully equipped with all conveniences and is neat and attractive in appearance. Upon this floor are thirteen private rooms.
The third floor is entirely given up to the operating department. Here is a perfect operating room, lighted by a glass roof, so to speak, and possessing all the most modern and necessary appliances. The floor is tiled, while every appointment of the room is either glass, marble or iron. This room occupies the western-central part of the third floor and is adjoined on the south by the anesthetic and instrument rooms, each fully equipped, and on the north by the sterilizing room. On this floor is also a recovery room for patients who have undergone a serious operation and have to be kept near by for from 24 to 48 hours.
A large elevator makes the floor accessible for patients, as they can be rolled on cots to the elevator and then carried to the operating room.
In the basement is the cuisine department, as well as laundry, helpers' dining room, pharmacy, emergency operating room and furnace and cold air department. The latter is in charge of Engineer W. E. Bower.
Of course, each floor has all necessary toilet and linen rooms and to each room during the summer is transmitted cool air from a large electric fan in the cold department. The furnishing throughout is uniform. Each private room has an enamel bed, oak dresser, enamel washstand, chair and table. In the wards there is an enamel bed, a small table and a chair for each patient.
The large lawn in front of the building is to be cultivated and made most attractive for both patients and visitors to view.
The "moving in" of patients will be commenced to-morrow morning. The old hospital building will be retained for negroes.

Death of Dudley McIlhenry.

The STAR chronicles with deep regret the death of Mr. E. D. McIlhenry, which occurred yesterday afternoon about 5 o'clock, after a short illness of about a week. He was about fifty years of age and was a man of fine education and one well liked. To mourn his loss he leaves two sisters, Mrs. Washington Ostlett and Mrs. S. M. Lockhart, of this city, and four brothers, Mr. W. A. McIlhenry, of Muncie, Ind., Mr. John K. McIlhenry, of Greensboro, and Messrs. T. C. and E. H. McIlhenry, of Wilmington. The deceased was a son of our late esteemed townsman, Col. T. C. McIlhenry, and a grandson of Governor Dudley. The funeral will be held at St. John's Episcopal church this afternoon at 5 o'clock.

Funeral This Afternoon.

The remains of the late Robert Gibbs Mallett reach the city last night from Mobile, Ala., and were taken to the residence of Mrs. Gabriel Holmes, a sister of the deceased, on Third St., between Chesnut and Grace. The funeral will be held at 5 o'clock this afternoon from St. James Episcopal church.

Delightful Beach Party.

A charming marooning party went to Wrightsville Beach last night and is now holding merry away at the attractive Arrindale cottage. The young ladies and gentlemen composing the party, and who are chaperoned by Mr. and Mrs. Warren Johnson, are Misses Marie Baldwin, Mary Borden, Marie Peckham, Katherine Maffitt and Alice Borden, and Messrs. Marnden Bellamy, Jr., T. A. Baxter, E. L. Hunt, J. L. Kerr, J. A. Angel, J. McCre Hatch, John Peckham and E. A. Metts.

Body Recovered.

The body of the young negro, Davy Green, who was drowned in the Cape Fear river, near Navassa factory, Friday afternoon, was recovered about noon yesterday. It was brought to the city and carried to the undertaker's shop of Thos. Rivers, on Third street, whence it was removed to the house of Hector Green, the lad's father.

About Elks and Red Men.

This week's *Dramatic Clipper* contains complimentary allusion to the way the Spooner Dramatic Company was royally entertained here by the Elks and Red Men. It is of interest to note that Miss Allie Spooner and Mr. and Mrs. Spooner have gone to Washington, D. C., to summer.

ANOTHER BIG MORTGAGE RECORDED YESTERDAY.

Seaboard Air Line Files Supplementary Deed of Indenture of Its Gigantic Bond Issue at the Court House.

The Seaboard Air Line yesterday filed at the office of the register of deeds a supplementary deed of indenture to the one negotiated and recorded about two years ago. The deed is to the Continental Trust Co., of Baltimore, Md., trustee, and covers \$75,000,000 worth of bonds. However, this does not in the least mean that the Seaboard Air Line is either issuing new bonds or borrowing more money. It is simply an amplification of the original mortgage, to include recent acquisitions of the road. This, of course, makes the bonds much stronger. In other words, it brings the mortgage up to date and covers all the Air Line possessions, some of which could not be enumerated in the original mortgage as the road at that time had not completed negotiations for them. It will be remembered that the \$75,000,000 worth of bonds were first mortgage, fifty years, 4 per cent. gold bonds.

The supplementary deed enumerates the additional acquisitions as that portion of the line between Richmond and Ridgeway, N. C., the Roanoke Rapids branch of the same road, the Gibson branch of the Raleigh and Gaston, the Lenoir branch of the same road, the Gibson and Pittsboro branches, branch lines on the Carolina Central, the Georgia, Carolina and Northern, and other constituent property of the Seaboard Air Line.

This deed of indenture like the original one is being recorded in every county that the road touches, but unlike its predecessor it escapes the "war tax," which was \$19,217 last time.

SHIPMENT OF STRAWBERRIES.

Decrease in the Movement—Only Thirty-seven Cars Friday.
The daily report of Mr. H. T. Bauman, business agent of the East Carolina Truck and Fruit Growers' Association, shows that on Friday the total strawberry shipments through South Rocky Mount amounted to 37 refrigerator cars and 552 crates, distributed as follows:

Refrigerator Cars—Pittsburg 8, Buffalo 4, two each to Boston, Hartford, Bridgeport, Utica, Cleveland and Montreal, and one each to New York, Philadelphia, Worcester, New Haven, Pittsfield, Scranton, Erie, Syracuse, Rochester, Albany, Jamesville, Cincinnati and Toronto.
Express—New York 36 crates, Newark 6, Philadelphia 183, Baltimore 15, Washington 71, Wilmington, Del., 40, Chester 103, Richmond 71, Virginia points 42.

THE LATE JAMES WILSON.

He Left No Will—His Estate Much Less Than Expected.
Close friends of the late James Wilson have ascertained that his estate will not be worth probably more than half the amount indicated by first estimates. It is now thought that \$500,000 to \$700,000 will fully cover its value. Mr. Wilson left no will and his property will all go to his surviving relatives in the proportion of one-third to his sister, Mrs. Napier, of Brooklyn, N. Y., one-third to his niece, Mrs. McLeish, of Washington, D. C., and one-sixth each to his two nephews, Messrs. Duff and Conger, of New York city.

Hotel Thief Arrested.

Detective Green Captures a Negro Thief and Recovers Stolen Property.
Detective Robert Green last night cleverly trapped a negro thief.
Last Wednesday night Mr. D. E. Oakes, a traveling representative of the Peck-Hammond Co., of Cincinnati, was robbed of his watch and a handsome pocket knife while a guest at the Fulton Hotel. The case was placed in the hands of Detective Green, and as usual the gully one was apprehended. The detective last night arrested Yancey Strickland, a negro who had done odd jobs around the hotel, and found the stolen knife on his person. He denied having the watch, but after being locked up confessed that he had hidden it in a house, corner of Eleventh and Prince streets, and there Detective Green found it.

Game of Baseball.

An interesting game of baseball was played Friday afternoon between the Market Street Giants and C. F. A. in which the Giants won in a score of 8 to 1. Register, the first baseman for the Giants, played a beautiful game. Reilly and Orom were the batteries for the Giants; Melers and Poits for the C. F. A.

New Pastor Arrives.

Rev. J. L. Vipperman arrived in the city last night from Dallas, N. C., and to-day will assume the pastorate of the Brooklyn Baptist church, holding his first service at 11 o'clock this morning. He succeeds Rev. J. J. Paysour.

Destructive Hail Storm.

The STAR learns from the Maxton Chief that the recent hail storm in that section completely destroyed many fields of cotton, cantaloupes and vegetables. The loss of Dr. H. W. McNeill alone is estimated at one thousand dollars.

OUR TENTH DEFEAT.

But It Was Forfeited Because We Wouldn't Stand for Mr. Proud's Unfair Decision.

MANAGER BEAR IN TROUBLE.

Charlotte Conquered Raleigh a Third Time, Though It Took Eighteen Innings—Newbern Again in Hard Luck—League Notes.

YESTERDAY'S GAMES
Greensboro, 2; Newbern, 1.
Durham, 9; Wilmington, 0; (forfeited).
Charlotte, 1; Raleigh, 0; (18 innings).
WHERE THEY PLAY TO-MORROW.
Wilmington at Charlotte.
Raleigh at Greensboro.
Durham at Newbern.
STANDING OF THE CLUBS.

Club	Won.	Lost.	Per cent.
Charlotte	8	3	.727
Raleigh	8	4	.667
Greensboro	7	5	.583
Durham	7	5	.583
Newbern	4	8	.333
Wilmington	1	10	.090

DURHAM, N. C., May 17.—In the game here this afternoon Wilmington left the field in the last half of the seventh inning and forfeited to Durham. Score, nine to nothing. Up to that stage it was a clean game, with many brilliant plays. Neither side had scored. Wilmington took her seventh inning and retired without any chance at the home plate. Durham came up, and Stockdale reached first on a clean hit, stole second. Curran followed and reached first on error, the first baseman failing to touch the bag, and Umpire Proud called him safe. This caused the trouble that resulted in Wilmington leaving the field.

Wilmington Forfeited Game.

Durham comes to Wilmington for three games next Thursday.
—Wilmington will begin a series of three consolation games at Charlotte to-morrow.
—The latter part of that eighteen-inning game at Charlotte must have been played by torchlight.
—The report that McGinnis had been appointed captain of the Wilmington team lacks confirmation.
—Newbern is trying her best to overtake Wilmington. But what we need is an undertaker, not an overhauler.

There was no ping-pong in the seven innings played by the Wilmington boys at Durham yesterday. It was real baseball.

It is said at Durham that the "best crowd" of that town "support Proud." Well, yes; you see, it wasn't the Durham Bulls that were gored.

Proud is undoubtedly the most thoroughly decomposed umpire who ever stood on the North Carolina diamond. Chloride of lime wouldn't save him.

That was a great game at Charlotte. Eighteen innings were played and the result was: Charlotte, 1; Raleigh, 0. This made it three straight for the Hornets.

The Hon. George Dudley Proud (Blessed Tony, what a name!) will soon end his brilliant career in the State Legislature, Charlotte, Wilmington and Greensboro have entered protests, and this is more than enough to humble Proud's pride.

CRYSTAL PARLORS.

Up to Date Ice Cream and Soft Drink Parlors for the Summer.
To-morrow morning Tenney's Crystal Parlors will be opened at the store No. 121 Market street, occupied last by J. J. C. Shepard, Jr., and they will, no doubt, find instant and popular favor. The parlors will offer both night and day an attractive place for ladies and gentlemen to obtain delicious ice cream and soft drinks. The latter will be most up-to-date in character and will embrace thirty-odd drinks, such as Ping Pong Rapure, Golfer's Sherry Ice, College Juice, etc.

Mr. D. L. Gore and wife yesterday transferred to Mr. W. B. Cooper the old Dingelhoff residence on Fifth street between Chesnut and Grace. The consideration was \$4,000 and the lot is given as 32x165.
