A DAY OF WEDDINGS.

Popular Young People of Wilmington Pledged Their Troth at Hymen's Altar.

GOODMAN-SHRIER NUPTIALS.

Miss Goodman to Mr. Shrier; Miss White to Mr. Lertz; Miss Cook to Mr. Matthews; and Miss Bappler to Mr. Marple—The Attendants.

Four marriage ceremonies were solemnized in this city yesterday and each of them joined the heart and hand of popular young people of Wilmington, who have the best and most sincere wishes of many friends for their happiness and welfare through life.

The ceremony which united in marriage Miss Bertha Goodman, the accomplished daughter of Mrs. Lina Goodman, to Monroe L. Shrier, of New York, was celebrated at 4.30 o'clock in the Temple of Israel in the presence of a large gathering of friends, Rev. Dr. S. Mendelsohn, the rabbi of the congregation, officiating.

The church was elaborately decorated with a wealth of palms, smilax and crotons and the scene was a very pretty one indeed.

Mr. Alf H. Yopp, the organist, skillfully rendered a programme of music as the guests arrived, among the selections having been "First Festival March" (Pachelbel), "May March" (Offenbach), "Adagio" (Balkmar), "Morgenthorpe" (Bakiste). As the bridal party entered a march from Lohengrin was played and the exit was to the tuneful strains of Mendelsohn.

The bride was handsomely attired in a gown of grey satin crepe de chine, trimmed with Duchess lace and pearls. She carried a shower bouquet of Lilies of the Valley and asparagus plumes. The maid of honor, Miss Maude Shrier, of New York, a sister of the groom, wore an elegant costume of white crepe de chine, trimmed with Duchess lace and carried a bouquet of bridesmaids' roses caught with ribbon to match.

The best man was Mr. Adolf Harry Goodman, brother of the bride, and he with the ushers, Messrs. Geo. Honnet, Jr., Marshall Shrier, Albert Solomon and E. L. Bear, were dressed in suits of conventional black.

Following the wedding ceremony an elaborate reception was tendered the bridal party from 5 to 10 o'clock in the Harmony Circle rooms in the MacRae building. The decorations were by Reher and were very elaborate, consisting of smilax, palms, ferns and flowers. An elaborate wedding supper was served by the King's Daughters. There was also music and dancing.

The bride and groom left on the 7 o'clock northbound train for Washington and Atlantic City, returning to New York later where they will be at home to friends.

Some girls are lusty ball hitters. An Indiana girl playing golf the other day hit the ball so hard that it caught her father on the fly and killed him.

Senator Quay, who is manipulating the political wires in Pennsylvania, admits the loss of Tioga county, over which there was such a warm contest. But this doesn't get him as bad as losing his Senatorial toga would.

James Kavanaugh, who died in Watertown, Mass., a few days ago, aged 112 years, had been a tobacco user for a hundred years, and also indulged in stimulating beverages, to which habits some attribute his premature death.

The Washington Times in warning people how to take care of dogs, to prevent the dogs from getting "mad," says dogs should not be fed much meat, and should have free access to drinking water. The idea of feeding dogs with meat, with present Trust prices. Absurd.

That newspaper man who got within a half mile or so of the crater of Mont Pelee, will have to surrender to Prof. Angelo Heilprin, who sneaked up and peered down into the yawning mouth and got splattered all over with mud and ashes.

It is said that Charles Schwab, who got mad sometime ago as a son of Congressman Dalzell, for jibing him on account of his undervaluation of college education, will get even by putting a fly in the old man's butter-milk, and defeating him for Congress, which he thinks he can do as 90 per cent. of Dalzell's constituents are dependent upon the steel plants in charge of Schwab. Another Trust object lesson.

Some men never know how to moderate their hilarity. One of that kind in Williamsburg, Mass., was tickled by a joke told him that it took him two hours to put on the laugh brakes, and when he did he was so lagged out that he fell asleep. When he woke up he couldn't say how to his wife, and he hasn't spoken since, although that was about three months ago. The doctors think he may come around all right after a while, but we'll wager that he will henceforth dodge the story teller.

STATE MEDICAL BOARD MET YESTERDAY EVENING.

All Members Present at the Opening Session—Schedule of Examinations Prepared—Eighty-one Applicants.

The 49th annual session of the North Carolina State Board of Medical Examiners was called to order by Dr. E. C. Register, the president, in the ball room of the Seashore Hotel yesterday afternoon and medical students, their friends and relatives from all parts of the State are making the hotel headquarters. The dining room and verandas with their crowds last night reminded one of olden times. About two hundred guests are at present registered at the hotel and Manager Hinton says that they are arriving on every train.

At the initial meeting of the Board of Examiners, eighty-one applicants for license were registered, two of the number being ladies and six being negroes.

The Board as now constituted consists of Dr. E. C. Register, Charlotte, president; Dr. J. Howell Way, Wayneville, secretary, and Doctors T. S. McMullen, Hertford; D. T. Taylor, Washington; Thos. E. Anderson, Statesville; Albert Anderson, Wilson, and J. C. Walton, Reidsville.

Preparations were perfected for the examinations which begin this morning and which have been set and classified by the Board as follows:

Thursday morning—"Materia Medica," Dr. E. C. Register.
Thursday afternoon—"Chemistry," Dr. T. S. McMullen.
Friday morning—"Midwifery and Diseases of Women," Dr. Albert Anderson.
Friday afternoon—"Surgery," Dr. D. T. Taylor.

Saturday morning—"Anatomy," Dr. J. Howell Way.
Saturday afternoon—"Practice of Medicine," Dr. J. C. Walton.
Monday morning—"Physiology," Dr. Thomas E. Anderson.

NEURO LABORERS WALKED OUT.

About Seventy-five Quit Work at the Cape Fear Mill Yesterday Morning.

Between 75 and 100 negro laborers employed in the mill department of the Cape Fear Lumber Company's plant in this city went out on a strike yesterday morning upon the company's refusal to grant them a ten-hour day instead of twelve as now, the men being employed by the hour. The mill had to be shut down for the day in consequence of the walk-out, although the yard force and all the white employees remained at their posts.

The men have been given until this morning to return to their work and no trouble is anticipated. The same rule as to hours is in effect, with possibly one exception, all over this section as was in vogue at the Cape Fear company when the negroes rebelled.

While labor organizers are thought to be at the bottom of the affair.

Seashore Hotel Opening.

The formal opening of the Seashore Hotel takes place on Saturday evening, at which time Manager Hinton will give a german to the visiting medical men. The music will be furnished by the Carolina Orchestra of 80 pieces, which has been engaged for the season. The signs of improvement around the hotel this year are marked.

The new annex with its 60 rooms, 20 of which are in suites with private baths is ready for occupancy and the new bowling alley and pool and billiard rooms erected just back of the hotel and over the sound are already popular resorts. The hotel this year is lighted with Klixon lights, and every modern improvement has been installed.

COMMERCE CHAMBER.

Constitution and By-laws Adopted for Government of the Consolidated Body.

THANKS TO THE COMMITTEE.

A Last Effort to Get Freight Train With Passenger and Mail Service on a Night Schedule Via Seaboard Air Line—Special Meeting.

At a special called meeting of the Chamber of Commerce in the Seaboard Air Line building yesterday afternoon, the constitution and by-laws drafted by the committee for the consolidated body was unanimously adopted, with slight amendments, accepted by the committee; the formal of electing the staff of officers, and the Board of Managers as an executive committee, was observed; so that nothing now remains in carrying out completely the scheme of consolidation some time ago begun.

President James H. Chadbourne presided at the meeting; Secretary James Kyle kept the records, and the following were in attendance: Messrs. J. A. Arrindale, Wm. Calder, E. W. Malloy, L. B. Rogers, S. P. McNair, W. H. Brown, C. H. Robinson, J. A. Taylor, George R. French, Walker Taylor, W. E. Worth, John Frank, A. H. Zoeller, T. D. Meares, Peter McQueen, Jr., W. P. Oldham, E. F. Johnson, H. K. Nash and J. T. King.

President Chadbourne stated that the object of the meeting was to hear the report of the special committee on constitution and by-laws, composed as follows: Mr. Wm. Calder (chairman), Messrs. J. Allen Taylor, Geo. R. French, W. H. Sprunt, E. M. Emerson, M. W. Jacob and C. H. Robinson.

Mr. Calder in presenting the draft acknowledged the obligations of the committee to Mr. J. A. Taylor for a generous gift of the work and read the various sections, the rules of trade of the old Produce Exchange to remain in effect until altered to suit the new conditions. The new constitution provides for the maintenance of a freight bureau and retains as far as practicable all the machinery of the old Exchange.

Mr. E. W. Malloy suggested that the eleven to constitute a quorum be not changed to fifteen as provided in the new charter, but offered some explanation by Mr. J. A. Taylor and others he withdrew the objection.

By consent of the committee the provision requiring oath for the inspectors of election was stricken out. There was also some objection to the arbitration clause as it stood under the old Produce Exchange law and incorporated in the new, but a motion by Mr. Malloy and seconds by Col. Walker Taylor and Capt. Meares to make arbitration free, was lost, only five voting in the affirmative. The new constitution was then adopted unanimously, with grateful thanks to the committee.

Upon motion of Mr. William Calder it was ordered that the \$500 left over from the two old organizations be placed in a surplus fund, which he hoped some day, by additions each year, would be large enough for the Chamber to build a home of its own.

Copies of the new constitution and by-laws were ordered printed and a copy sent to each member.

That Extra S. A. L. Train. The following resolution was unanimously adopted and Messrs. E. W. Malloy and L. B. Rogers appointed to prosecute the matter further:

WHEREAS, The S. A. Line authorities have refused to place an additional passenger service on their line between Wilmington and Hamlet as per the request of the commercial bodies of Wilmington, and

WHEREAS, We believe such action on their part is detrimental to their own interest, as well as a hindrance to the progress of our city and its enterprises, logging, as it does, the "wheels of progress," with an inadequate, insufficient, and unsatisfactory service of only one train every twenty-four hours.

Therefore be it resolved, That we deplore said action, and sincerely hope that the matter will be reconsidered, and that the service asked for, viz: a through freight train with suitable sleeper, passenger, mail and express cars, leaving Wilmington between 6 and 8 P. M., reaching Hamlet between 11 and 12 at night, and leaving Hamlet about 12 A. M., and reaching Wilmington between 6 and 7 A. M., be given, which would contribute to their own and our interest.

Real Estate Transfers. By deeds filed for record yesterday Thos. S. Evans and wife transferred to Nellie W. Mercer for \$1,300, house and lot on east side of Second between Orange and Ann streets, 48x105 feet in size, and Stephen Snoden et al. transferred to John Franklin Rogers for \$30, tract of land in Harnett township, lying near Bradley's Creek on Green-ville Sound, and containing two acres more or less.

The Police Court Yesterday. In the police court yesterday James Covington, colored, was fined \$5 for firing a pistol in the city limits. John Miller, colored, was charged with the larceny of a mule and dray, which he found in the street, but it was shown that he had no felonious intent and was intoxicated, whereupon the prosecutor, A. E. Lamb, withdrew the warrant and paid the cost.

PRETTY CHURCH FESTIVAL.

United Workers of First Baptist Congregation Gave Charming Entertainment Last Night—"Apollo's Oracle."

The entertainment in the lecture room of the First Baptist church last night under the auspices of the United Workers of the congregation was one of a novel and unique character and was greatly enjoyed by a very large gathering. The affair was arranged in a charming manner by Miss Elizabeth D. Burt and the programme was carried out under her capable direction.

"Apollo's Oracle," an entertaining mythological play, was presented by a bevy of twenty-five pretty young ladies in elegant costumes, with Miss Louise Corbett in the leading role of Prometheus. The staging and lighting effects were superb. Questions were propounded by the audience touching current topics and the oracle was invoked for an answer, which was always quick and witty.

The play was followed by "Studies With a Fan" by Miss Norma Foster, which was exceedingly pretty and captivating. Next came three pretty tableaux: "Death of Virginia," "Dance of the Muses" and an improvised scene introducing all the characters in "Apollo's Oracle."

Miss Burt played all the musical accompaniments in a most fascinating and acceptable manner.

"Mystery Boxes" were sold and afforded no end of amusement. There was also a "Question Table," conducted by a number of gentlemen and ladies which was also a prolific source of amusement and revenue.

Upon the whole the affair was one of the prettiest and most successful given at the First Baptist church in many years.

By deeds filed for record yesterday Thos. S. Evans and wife transferred to Nellie W. Mercer for \$1,300, house and lot on east side of Second between Orange and Ann streets, 48x105 feet in size, and Stephen Snoden et al. transferred to John Franklin Rogers for \$30, tract of land in Harnett township, lying near Bradley's Creek on Green-ville Sound, and containing two acres more or less.

RALEIGH, N. C. June 4.—One of the most loosely pointed games of ball ever played in Raleigh was the one this afternoon. It gave fans a reminder of old field school ball. Raleigh won, but deserves no credit. Up to the fifth inning, Wilmington hadn't secured a single hit off Childs while Mathison had been batted for a grand total of eleven runs and twelve hits. In the fifth, however, Fisher caught Childs' delivery for a home run, bringing the first score for Wilmington. Sweeney also put in a home run during the eighth inning. In the sixth, Fisher relieved Mathison in the box for Wilmington but Raleigh gave him a warm reception, making four runs in quick succession.

Capt. Kain was in the game to-day again, having about recovered from his recent accident at Charlotte.

Squibs By the Horse Editor. —It was by no means a shot-out. —With the stick, "our" Sweeney and Fisher batted 'em to the tall wood yesterday.

—Mace's reorganized team will meet Kelly's Kritters on the Greensboro grounds to-day.

—Two straight from the Raleigh Turtles is as good as could be expected with our crippled team.

—The Red Birds can't chirp over a victory like that yesterday. Twenty-five runs in nine innings is not calculated to entuse.

—Fisher's desperation at the speed of the merry-go-round at Raleigh drove him to the slab yesterday, where he did pretty well, thank you.

—The Horse Editor journeyed yesterday to Merry Maxton, but will be back in time to get his arsenal in readiness from which to umpire Friday's game.

—It is refreshing to know that Durham got a whiff of Umpire Froud before that vain official was at last relegated to the unknown by President Bush.

—This was asked of "Apollo's Oracle" at the entertainment at the First Baptist church last night: "If Mace doesn't spice our team, how can we report percentage?" The baseball reporter didn't wait for the answer, for the Oracle had just heard the score from Raleigh.

The Reorganized Baseball Team. An enthusiastic meeting of the baseball fanatics was held at the City Hall last night. Col. Walker Taylor presided and stated the object of the meeting, after which he asked Major W. F. Robertson, also of the canvassing committee, to further state the object. Maj. Robertson carefully reviewed the situation and told how the team had been left penniless and homeless; how they had been taken up by the citizens and put on their feet again and how the franchise had been saved to Wilmington. He also spoke of the fund in hand to support the team and the need of more. He then moved the election of the following local board of directors, who were chosen unanimously: H. J. Gerken, W. H. McEachern, S. P. Adams, County Treasurer H. McL. Green and J. E. Thompson. The board was authorized to carry the team no further in the season than the public subscriptions would warrant, but all expressed confidence in the public to support a good team even beyond the season limit.

Upon motion of Mr. James Allen and second by Mr. W. L. Burkheimer, the canvassing committee was voted grateful thanks for its efforts.

Subsequently the Board of Directors met and elected Mr. H. J. Gerken chairman and J. E. Thompson secretary and treasurer.

The Benefit Game To-morrow. The Uniform Fund baseball game to be played to-morrow under the auspices of the Wilmington ladies promises to be unique and well attended. The line up of the two teams given below will you for the first statement:

Provision has been made by each team for a double pitching staff, and the city authorities have arranged for an adequate delegation of police for the protection of the umpire—the "Hus Editor." In addition, he proposes to be well armed from head to foot. Capt. Anrum Lord will have charge of the Benedicts on the field and Capt. Brooks Emple of the Bachelors. The game will be called at 4.30 o'clock, and the admission will be 25c; children 15c.

By a liberal patronage of this game, which will be played from start to finish strictly on its merits, the public will have an opportunity to contribute in a general way to a needy cause and will have the satisfaction of feeling that they aided in equipping the new team in a style befitting the city's pride in such matters.
