FINAL DAY'S SESSION.

North Carolina Medical Society
at Wrightsville Adjourned
Yesterday Until 1903.

VERY VALUABLE PAPERS.

Those Heard on the Last Day Most Inter-
esting, Perhaps, of the Entire Ses-
sions—Delightful Trip on the
Steamer Wilmington.

Interesting papers by distinguished
physicians and surgeons and able dis-
cussions of the subjects introduced
were the features of the closing ses-
sion of the 49th annual meeting of the
N. C. Medical Society at the Seashore
Hotel, Wrightsville Beach, yesterday
morning.
Final adjournment was had at 1
o'clock in the afternoon and many of
the visitors came up to the city and
became guests of the local Board of
Physicians on a delightful excursion
down the Cape Fear on the splendid
steamer Wilmington, in charge of
that prince of good fellows, Capt.
John W. Harper. The trip included
all points of interest down the river
and the visiting doctors and their
friends were delighted with the enter-
tainment. The steamer came along-
side her wharf late in the afternoon
and a number of the guests left on the
evening train for their homes. The
remainder of the party will leave to-
day.
The final session of the Society at
Wrightsville was called to order at 10
A. M., and report of sections was called
for. "Creosote" was the subject of
a valuable paper, read by Dr. J. B.
Wright, and an interesting discussion
followed by Dr. A. A. Kent, of Le-
noir, leader of debate, and Dr. J. F.
Highsmith, of Fayetteville. Dr. J.
E. Stokes presented a treatise on
"Oncosis of the Uterus" and the read-
ing was followed by a lively debate.
Dr. E. A. Mays, of Greensville, dis-
cussed "Perineal Lacerations, Their
Prevention and the Necessities of
Immediate Repair."
Perhaps one of the most valuable, if
not the most valuable, papers of the
entire sessions, was that on "Appen-
dicitis," by Dr. F. J. Kirby, of Balli-
more, Md. Dr. Kirby's treatise of the
disease was thorough and was listen-
ed to with great profit.
"The Spirit of Commercialism," by
Dr. B. R. Graham, of Wallace, was
another of the very best read during
the meeting. "Further Observations
on Ovarian Cysts in Colored Women,"
was the title of a well prepared paper
by Dr. Hubert A. Royster, of Raleigh.
From a practical standpoint, not
that of the sessions was better than
that at the meeting yesterday on "The
Doctor, the Patient and the Impor-
tance of Good Roads to Both," by Dr.
Eugene Street, of Glendon. By resolu-
tion it was ordered that the Society
furnish the paper to the press for pub-
lication.
The visiting physicians speak in
highest terms of the manner of their
entertainment at the Seashore Hotel.
Manager Hinton provided his table
each day with all the delicacies of the
sea, and each and every guest was
given the utmost consideration. It is
safe to say from what one heard from
members of the Society yesterday that
never before have they been more
handsomely entertained for their an-
nual meeting.

LOCAL DOTS.

—Cotton on the local market
advanced to 94 cents yesterday.
—A large Sunday School excu-
sion from Durham will reach here to-
morrow to visit the seashore.
—The schooner C. C. Lister
cleared yesterday for New York with
cargo from the Cape Fear Lumber
Company.
—The Cape Fear Towing and
Transportation Company has taken
the offices formerly occupied by the
Chadbourn Lumber Co.
—Invitations have been received
in the city to attend an impromptu
German to be given by the Riverside
German Club at Lumberton to-night.
—The Norwegian barque Kotka,
Capt. Erikson, cleared yesterday for
Amsterdam with cargo of 9,950 bar-
rels of rosin consigned by Marchison
& Company.
—Southport Standard: "The
Morning Star" has the contract for
carrying Fort Caswell mail between
Southport and Fort Caswell for the
year beginning July 1st, 1902."
—Two other dealers, one white
and one colored, were each fined \$25
and the costs for failure to pay license
tax, yesterday. It is in dead earnest,
too, for there are no remissions of the
fine upon payment of cost.
—Fayetteville Observer, 12th:
"State Engineer Joseph H. McRee, of
Wilmington, arrived in the city to-
day at noon to make the survey for
the wharf of the Fayetteville and Wil-
mington Steamboat Company."
—Sampson Democrat: "The
huckleberry market took a tumble
Tuesday. The quality has been very
inferior this season, caused in a great
measure by the want of rain, and by
the careless way in which they are
gathered."

ALGONQUIN IN WASHINGTON.

A special to the Raleigh Post from
Washington, D. C., says: "The revenue
steamer Algonquin from Wilmington,
N. C., which has been in dry dock
at Baltimore for several weeks past
undergoing repairs, arrived in
Washington yesterday. While com-
ing up the river the Algonquin rescued
two men who were clinging to the
bottom of a capsized boat. The two
men would have drowned but for the
timely action of Captain Wiley of the
Algonquin and the members of the
crew. The Algonquin will remain here
for a week."
Bitten By a Rattlesnake.
A two-year-old son of Mr. George
Teak, who resides a short distance
from the city on the Federal Point
road, was bitten by a large ground
rattlesnake Wednesday afternoon,
while he was playing near the edge of
his father's house. The snake was
killed soon after the child was bitten.
The little fellow was brought to Wil-
mington and given medical attention
by Dr. Charles T. Harper. He was
doing very well yesterday.
Rev. R. B. Johns to Wed.
Invitations have been issued for the
marriage of Rev. R. B. Johns, presiding
elder of the Wilmington District, M.
E. Church, and Miss Florida Gertrude
Worth, of Guilford College, for the
past few years principal of the High
School of this city. The wedding will
take place at the Friends church,
Guilford College, on Wednesday,
June 25th, at 4:30 o'clock. They will
be at home after August 1st, at No.
408 Grace street, this city.
On to Wilmington.
Fayetteville Observer, 12th: "Messrs.
H. B. Short of Lake Waccamaw, and
Reston Stevenson, of Wilmington,
arrived here from Chapel Hill Tues-
day night at 11 o'clock via the Cape
Fear River. These young men em-
barked on New Hope Creek, four
miles from Chapel Hill, in a canvas
boat of their own making last Friday
at noon and made their way to the city
yesterday morning in their small craft.
They say the trip up to this point was
a most enjoyable one."

SMALLPAX PATIENT DISCHARGED.

The negro Pearce, committed to the
smallpox hospital about three weeks
ago, was discharged yesterday. Pearce
came here from whom Capt. Green had
the negro for whom Capt. Green had
such a lively chase on a Sunday morn-
ing. The negro was given new clothes
and sent on his way rejoicing.

Suggs, the star twirler on Kelly's
staff, was very effective in the box for
the visitors yesterday and let the lo-
cals down with three hits. Krause,
the local firing artist, was in better
form than on Monday and gave up six
hits, which were, however, well scat-
tered.

The score was 5 to 2 in favor of
Greensboro, the runs having been
principally on errors, though none of
them were very glaring.

Neither team could send a man
across the plate until the fifth and with
the exception of the fourth the teams
were up and down in almost their or-
der. In Wilmington's half of the fourth
Mathison drew four balls, stole second
and went to third on catcher's passed
ball, after Hines had bunted out and
Dommel had fanned. With Mathison
on third, Lawson fanned.

Three Greensboro chinks were
pasted up in the fifth. McKernan got
life on Deiters' error, was sacrificed
by Poole and came home on Cooks
single to left. Suggs bunted to
Krause, who threw wild and on a
blocked ball, Umpire Sherman allowed
the two runners to gallop across
the plate. There was riotous acro-
batism in this flagrant violation of well
established rules and a protest was
entered by Manager MacGeer and
Myers, next up, flew out to left
on beautiful work of Hines.

In the sixth, the locals put in their
first run on a wild throw of Krause's
hit from third to first and he came
home on another error of the same
kind, after Mathison and Hines were
up and hit to the infield, Dommel
having been doubled, short to first.

Wilmington got in a beautiful
double in the seventh, but neither
team scored.

In the eighth, the visitors put in two
more on a pass to Suggs, a single by
McKernan, a dumb play and an error
of second. In their half of the same
inning the locals got another on a pass
to Mathison, with two men down, and
a beautiful single to centre by Hines,
who played great ball throughout the
game. No runs came in the ninth and
these figures tell how "it was did."

MR. J. H. SLOAN TO LEAVE US.

A special to yesterday's Columbia
State says:
"SPARTANBURG, June 11.—Spartan-
burg is to have a new national bank,
with a capital stock of \$100,000, in
which some of the most practical and
successful business men in this por-
tion of the South will be materially
interested. J. H. Sloan will be the

EDITOR SHERMAN'S RESOLUTION.

Resolved, That we congratulate him
on the rich fruit that his labor has
borne and thank him heartily and pro-
foundly for this great service to his
native town and State.

In view of the facts recited above,
of his qualifications, and of the circum-
stances that Hon. H. L. Cook has with-
drawn from the Congressional race in
this District, Cumberland will present
a united front in advocating Major
Hale's nomination by the Democratic
Congressional convention which meets
in this city August 20th.

North Carolina has not now a single
Confederate veteran in either House of
Congress. That cannot be said of any
other Southern State. We could
better re-assess our loyalty to
Southern ideals than by beginning
with the election of Maj. Hale.

Maj. Hale's demonstration of the
commercial feasibility of the Cape
Fear Improvement scheme and of the
inferiority to her neighbors and the
wonderly liberality, has been literally a
work of genius. His long and success-
ful fight for this scheme against appar-
ently insurmountable opposition has
exhibited executive capacity of the
highest order. For these reasons the
people of this section regard his elec-
tion to Congress as indispensable to
the completion of the work so well be-
gun.
