A GOOD WOMAN PASSED AWAY

Mrs. Carl Muggle Died Rather Suddenly at Family Home Last Night—The Funeral This Afternoon.

Friends in the city will hear with exceeding great sorrow of the death of Mrs. Johanna Muggle, wife of Mr. Carl Muggle and a most estimable woman, whose death occurred rather suddenly last night at the family residence, Princess near Second street.
Mrs. Muggle was 90 years in the best of health until 9 o'clock last night when, as she was about to retire, she suffered a severe attack of heart failure from which she died two hours later while under the care of the best physicians who were quickly summoned.
Mrs. Muggle was born in Wilmington Feb. 7th, 1859, and was a daughter of the late G. H. W. Range and Mrs. Johanna Range, who survives her. She is also survived to mourn their loss by four sisters and two brothers, Mrs. Aiden Powell, of Smithfield, N. C.; Mrs. Z. G. Lott, Miss Katie Range, Miss Bertha Range-Smith, Mr. J. Theodore Range and Mr. G. W. Range. Of the immediate family besides the heart-broken husband, there survive two bright little children, Carlotta, aged 18 years, and Ludolph, aged 11. The bereaved ones have the sympathy of very many friends.
The funeral will take place this afternoon at 5 o'clock from the late residence, thence to St. Paul's Lutheran church, of which the deceased lady was a consistent member, and thence to Oakdale cemetery.

Race of the Bulls and Giants.

Two games to-morrow, one at 10 A. M. and the other at 4 P. M.
Wilmington played another very naughty game yesterday.
Never mind the shot-outs. We'll all go out and see the game to-day.
The game will be called at 4 P. M. "Many are galled, but few are won."
Possibly the local team will be strengthened by a visiting pitcher this afternoon.
You know Newbern cannot beat us four straight. If she can we mean to see how it is done.
It is a tight race between the Bulls and the Giants. It now stands three "skunks" for each.
Being now engaged in a fruitless effort to raise money and cantaloupes, the horse editor will sell his baseball franchise on reasonable terms.
Thackara and Devlin, of last year's Wilmington team, are now with the Newbern team, the former in the capacity of captain. The Wilmington cranks should give "Thack" the glad hand at the park this afternoon.

Crushed Between Car and Engine.

While attempting to couple a car to a shifting engine on the A. C. L. dummy line at foot of Chestnut street about 8 o'clock yesterday afternoon, Geo. Lucas, colored, 26 years old, was caught between the "dummy" engine and the "bumpers" of the car and badly crushed about the left side. It is thought he has suffered internal injuries and may die. He was removed to his room upstairs corner of Nutt and Mulberry streets, where Dr. D. W. Bulluck, Atlantic Coast Line surgeon, attended him.

The Judicial Convention.

The Democratic convention of the fifth judicial district, composed of the counties of New Hanover, Duplin, Lenoir, Sampson, Pender and Onslow, is called by Chairman Henry E. Faison and Secretary Frank Thompson to assemble at the Court House in Wilmington on July 24th at 3 P. M. Only a solicitor is to be nominated. Thus far the STAR has heard of no opposition to the present very able incumbent, Rodolph Duffy, Esq., of Onslow. The New Hanover delegates are instructed unanimously for him.

The Stranded Schooners.

Nothing was heard yesterday from the stranded schooners off Cape Lookout, and so huge from here, so far as could be learned, went to their assistance. The *Ida C. Schooner*, Capt. "Ben" Robinson, is consigned to Messrs. George Harris, Son & Co., and has a cargo of coal for one of the tubers out the river.

Dr. Craig Barrow, of Saranac.

Dr. Craig Barrow, of Saranac, arrived from the South last night.

PASTOR OF DELGADO CHURCH.

Rev. J. W. Wheeler has accepted call to the mission work at Delgado Mills and has removed with his wife and child to cottage No. 50 in the village. He will preach at Delgado two Sundays in each month and devote the remainder of his time to the Baptist mission work in contiguous territory.

The employment of Rev. Mr. Wheeler was made possible by a very liberal contribution from an outside source through the mission committee of the First Baptist church.
Rev. Mr. Wheeler until week before last was of the Methodist Episcopal church in the Newbern district, and was baptized into the Baptist faith by Rev. Hight C. Moore, of Newbern, Thursday a week ago. He is said to be a very consecrated man and an earnest worker. For several years he was associated with Rev. C. R. Paul, of Southside Baptist church, this city, and it was largely through Mr. Paul's influence that he was secured for the work here. He is a native of Tennessee and is aged about 30 years, pleasant in conversation and with a willing hand for the work he has undertaken.

PRETTY GURCH ENTERTAINMENT.

"A Bunch of Roses" Charming Rendered at Chapel of the Good Shepherd.
A delightful little play, "A Bunch of Roses," was charmingly presented by the Sanctuary Guild of the Chapel of the Good Shepherd last evening to an appreciative audience. The play was well staged, the lighting effects were good and the costume elegant. The entertainment took place in the Hall of the Good Shepherd, which was attractively decorated for the occasion. The cast of characters was as follows, and each part was well taken:
Mrs. Rose—Mrs. A. E. Carter.
The Roses—Misses Sadie Huhn, Ethel Lewis, Helen Skinner, Mary Marine, Katie Hall, Lillie Gorman and Lizzie Oliver.
Rosebud—Misses Gertrude Lewis, Hattie Burrus and Alice Skidmore.
Mr. Malrose—Mr. Walter Thomas.
The second part of the play was by the same cast with different characters.

Big Celebration at Southport.

Perhaps nowhere will the celebration of the fourth be more elaborate or fitting than in the delightful little city of Southport. Energetic committees have been at work the past month to make the celebration exceed all former efforts and it is very certain that they have accomplished their undertaking. There are no more hospitable people on earth than those of Southport and to their Wilmington friends they say "Welcome." Every form of entertainment known to the civilized world will be provided, including boat races, baseball, athletic contests, concerts and patriotic demonstrations. The annual oration will be by Dr. Calvin S. Blackwell, of Wilmington, and that is sufficient guarantee that it will be one of unusual excellence.
The steamer *Wilmington* will make three round trips during the day, leaving at 8:30 A. M., at 2 P. M. and 7 P. M. and leaving Southport at 11 A. M., 4:30 and 9:30 P. M. The steamer *Compton*, in charge of the clever Capt. W. A. Sanders, will also make three round trips during the day, leaving Wilmington at 8:15 A. M., 9 P. M. and 7 P. M., leaving Southport, 10:30 A. M., 4:30 P. M. and 9:30 P. M. The fare will be 25 cents and the boat will run through without transfer.

"GLORIOUS FOURTH."

Elaborate Celebration Friday at the Beaches and Also at Southport.

NUMBER OF EXCURSIONS.

Annual Regatta at Wrightsville by Carolina Yacht Club—Special Train to Lake Waccamaw—The Day on the River—Two Ball Games.

The "glorious fourth of July" in Wilmington, at the beaches, at Southport, at Lake Waccamaw and at many adjoining places will be appropriately celebrated tomorrow and without a doubt upon a much more extensive scale than in many years past.
The observance in Wilmington will consist of little more than closing of stores and offices, while at the other points mentioned attractive programmes have been arranged and many city folks will turn guests and enjoy the recreation of the day with their neighbors. At Hilton Park there will be two professional games of baseball during the day and perhaps an excursion party from Newbern to enjoy them. The local team has taken a "bracer" and will win one of the "wreaths" which will be in the morning and afternoon.
Wrightsville Beach will be a popular place on the "fourth" as of yore. There will be the usual 20 trains a day over the Seacoast road to take the crowds to and from the popular resort and an attractive programme of events will entertain the people while there. The train schedule is leaving Wilmington at 6:30, 9, and 10:15 A. M., 12:15, 1:45, 3:15, 5:15, 7:45 and 9:15 P. M.; leaving Ocean View at 7:30 and 10 A. M., 12 noon, 1:30, 3, 5, 6:10, 7:30 and 11 P. M.
Of course the drawing card will be the annual regatta by the Carolina Yacht Club for which all arrangements are complete. There will be from seven to ten entries. The prizes are very handsome this year and are on display at Mr. George Honnet's jewelry store, where they were purchased. The first is a splendid chafing dish; the second, a three-light silver candleholder and the third, a handsome silver flask, neatly chased and engraved. The cup offered by Commodore Cowan will go to the fastest yacht. The yachts will report promptly at 4 o'clock and the regatta will commence at 4:30 P. M. The Regatta Committee is composed of Messrs. George Harris, T. W. Davis, and J. K. Williams. Another attraction advertised for the day is a yacht race over an outside course, open to all without restriction as to class, sail, area or ballast. Cash prizes are advertised. The fireworks display at night, it is said will be better, fuller and fierier than ever before. A submarine explosion is one of the features of the display advertised. Morning and afternoon concerts will be given by the Carolina Orchestra and a ball will be given at the Seashore Hotel. Dancing will also be in progress at Ocean View pavilion while bowling, ping-pong and pool contests for prizes will be in progress at the amusement parlors of the Seashore Hotel.

Fourth at Carolina Beach.

The fourth at Carolina Beach will be made notable by the annual excursion to that resort by Jeff Davis Council No. 63, Junior Order of United American Mechanics. There will be three round trips during the day and the fare will be only 25 cents. The boats leave at 8:30, 10:30 and 12:00 A. M., and at 2 P. M. and the last at 7 P. M. Passengers may take their choice of going through to Southport at the same price and the schedule of leaving that city is 11 A. M., 4:30 P. M. and 9:30 P. M. At the beach the Juniors and their friends will enjoy a day of delightful sea breeze, a baseball game between picked teams, sack races and other athletic sports. Accommodations have been provided for a very large crowd and a pleasant time is assured. Mr. John E. Wood is chairman of the committee of arrangements.

BRILLIANT EVENT AT WARSAW

Miss Carrie Hassey Became the Bride of Dr. Jas. H. Newbury in a Beautiful Ceremony in Baptist Church.

WARSAW, N. C., July 2.—A marriage in which Warsaw society has been interested for some weeks was consummated at the Baptist Church at 8:30 o'clock this evening, when Miss Carrie Hassey, the lovely and accomplished daughter of Dr. LaFayette Hassey, became the bride of Dr. James Henry Newbury, a talented young dentist of Warsaw, N. C.

The strains of the wedding march artistically rendered by Miss Laura Lake Harrell, of Goldsboro, the bride, handsomely costumed in white silk, ornamented with diamonds, carrying a bouquet of carnations entered upon the arm of her brother, Mr. Ernest Hassey, of Charlotte, while the groom entered in the big chair, accompanied by his best man, Mr. Jas. Southland, of Goldsboro, entered the opposite aisle and meeting at the altar, were made man and wife by a beautiful and impressive ring service.
The maid of honor was Miss Louise Hassey, sister of the bride, wearing a handsome pink organdie. The attendants were Capt. James Harrell, of Goldsboro, with Miss Pattie Maye, of Fremont; Mr. Joe E. Johnson, of Wilson, with Miss Eva Hussey, of Warsaw, Mr. Ed. J. Hill, of Warsaw, with Miss Daisy Johnson, of Teachey; Dr. J. M. Williams, of Kenansville, with Miss Grace Hussey, of Atlanta; Mr. Jack E. Williams, of Warsaw, with Miss Mary Cox, of Catherine Lake, with Miss Williams, of Kenansville, Mr. J. H. Hinson, of Kenansville, Mr. Clark G. Glatbrook, of Baltimore, with Miss Annie Maye Newbury of Wilmington; Mr. Perry J. Heath, of Selma, with Miss Annie Ross Williams, of Kenansville. The ladies wore white organdie; the gentlemen full dress. Little Miss Martha Whitaker of Greensboro, was ring bearer; a Miss Eva Hussey, flower girl; both being nieces of the bride.
The church was elaborately decorated for the occasion by Mr. Glatbrook, a skilled, professional decorator of Baltimore, and a beautiful floral appearance. The happy pair left on the 8:45 train for an extended bridal tour embracing Toronto, Niagara Falls, Rochester, Baltimore and Washington, and will be at home, Magnolia, after July 20th, where Dr. Newbury, who has successfully won the degree of D. D. S. at the University of Maryland, and is a member of the American Medical Association, will temporarily locate for the practice of his profession. Both are well known in Eastern North Carolina society circles, and have a host of friends who will join in wishing them a long, happy and prosperous life's journey. The presents were numerous and valuable, attesting the popularity of the young people.

One of the most pleasant features of the occasion was the reception on Tuesday night at the home of Dr. Hassey, followed by an impromptu dance at the home of Dr. J. H. Johnson, in which a large number of Goldsboro, Wilmington, Clinton, Faison, Kenansville and Warsaw's society people participated. The music was by Rochester, Baltimore and Washington, and will be at home, Magnolia, after July 20th, where Dr. Newbury, who has successfully won the degree of D. D. S. at the University of Maryland, and is a member of the American Medical Association, will temporarily locate for the practice of his profession.
