## The Morning Star.

### OUTLINES.

The Weather Bureau reports an improvement in the condition of the weather. The General Assembly of Virginia convened yesterday the first time since the new constitution. The negroes in the city will remain here until this afternoon. The excursion train, consisting of thirteen passenger coaches and a baggage car, left the Queen City at 8 o'clock in the morning and, after a safe and pleasant trip, reached the city at 4:30 o'clock yesterday afternoon. From that time on trolley cars and streets were thronged with the jolly excursionists. Many of them took the first train to Wrightsville Beach, where they are now enjoying Old Ocean to the fullest extent. The moonlight excursion down the river, given last night by the Second Regiment Band, was "taken in" by scores of the visitors. The main feature of to-day's program will be a trip to Southport and out to sea. On account of this trip the steamer *Wilmington* will not make her usual afternoon run at 2:45 o'clock to Carolina Beach. Both hotels and the boarding houses at Wrightsville Beach, as well as those in the city, are crowded with guests. The excursion train is scheduled to leave for home at 5 o'clock this afternoon from the S. A. L. depot.

## STATE CONVENTION.

About Seven Hundred Delegates Have Arrived and Are Ready for Business.

### SENATOR SIMMONS THERE.

Walker Appears to Be the Favorite for Western Judge—Contest Will Be Close Between Browns and Connor—Will Finish To-night.  
[Special Star Telegram.]  
GREENSBORO, N. C., July 15.—The city is rapidly filling up with delegates to the Democratic State Convention. Three hundred were here when the train from the east came in this evening, bringing in four hundred and fifty delegates, mostly delegates. Western delegates have not come in largely yet. They are expected on night trains, and it is believed they will swell the number to one thousand by to-night.  
Chairman Simmons arrived this evening and has headquarters at the Benbow House. He will call the convention to order at noon to-morrow. It is impossible to forecast the result of the convention. But it is noticeable that Mason's friends are growing more confident hourly. There is a well grounded feeling that he has latent strength that will rally to his support and give him a majority. As between Connor and Brown, it is hard to forecast. Friends of both are equally confident. Walker seems to be the favorite for the Western judge, but a long contest is expected over this nomination. With no unexpected delays the convention will finish its work by eight o'clock to-morrow night. But it is feared that there will be a prolonged debate over the senatorial primary question, and that contests for corporation commissioner and western judge will be drawn out.  
Greensboro is doing handsomely by the convention. The new Opera House is fitted up with electric fans and supplied with ice and water. A band is provided to give a concert to-morrow morning, and also furnish music as needed during the convention.  
Delegates from New Hanover here are Messrs. Jao. D. Bellamy, Nixon Davis, F. H. Stedman, T. W. Davis, E. K. Bryan, G. H. Smith, Herbert McClumny, W. H. Bernard. Headquarters are at the Benbow.  
W. H. Kitchin was nominated for Congress from the Fifth district in convention here to-night. No opposition.

## ATTEMPTED BURGLARY.

Negro Seen in the Act of Breaking in Col. Cantwell's Residence.

Burglars the past few nights have been operating in the vicinity of Eighth and Princess streets, as during that time several attempts have been made to break in houses in that locality. About midnight Monday a bold attempt at burglary was made at the residence of Col. John L. Cantwell, on Princess street between Eighth and Ninth. At the time mentioned Mr. T. G. Gause, who was staying for the night with Mr. Paul Cantwell, was awakened by a grating noise. He awakened young Mr. Cantwell and the two went quietly in the direction of the noise, the dining room on the first floor on the western side. When they arrived at the dining room door they saw a negro at the room window. The negro saw them about the same time and immediately took flight, jumping over the fence in order to make his escape.  
The would-be burglar in order to effect an entrance had cut away a slat of the window blind, which were closed, and was reaching inside to unfasten the shutters when Messrs. Gause and Cantwell arrived on the scene.  
Funeral of the Late J. D. Steijas.  
The funeral services over the remains of the late J. D. Steijas were held yesterday afternoon at 8 o'clock at St. Paul's Evangelical Lutheran church, Rev. A. G. Voigt officiating. A large number of friends of the deceased were present to pay their last respects. The Linden Grove Order of Druids attended the funeral in a body. The pall-bearers were: Messrs. John Haar, T. L. Powell, F. W. Ortman and A. J. Marshall, honorary; Messrs. Paul Cassin, Charles Schindler, Martin Schibbea, S. H. Fishblade, E. Pospolt and Charles Collins, active. The interment was in Oakdale, where a number of friends placed floral tributes upon the newly made mound.

## THE CITY FINANCIERS.

Semi-Monthly Session of the Board of Audit and Finance Yesterday Afternoon.

### TWO INTERESTING MATTERS.

Citizens File a Petition Against the Building of a Central Fire House and the Worth Ice Company Calls for a Reckoning—Other Matters.  
The most interesting features of yesterday's session of the Board of Audit and Finance was a petition and a communication, which were referred to the Board of Aldermen.  
The communication was from the Worth Ice Company, and was as follows:  
Mr. H. C. McQueen, Chairman of the Board of Audit and Finance.  
DEAR SIR—The city during the month of March advertised for bids for furnishing material for the city, among other things for ice to the 30th of March we submitted a bid to furnish the city with the ice they may require for the next fiscal year, in accordance with the contract. Our bid was to supply the ice at the price which might require at the uniform price of thirty cents per hundred pounds. The bids were opened in the usual way and at the time they were opened there were present the Mayor, Messrs. B. F. King, W. H. Northrup, Jr., S. P. Adams and myself. For the ice there was a bid from ourselves and one from the Independent Ice Company. The Independent Ice Company's bid was considerably higher than ours, the city taking the ice in the way it does. We were the lowest bidder, and yet we were not allowed to furnish the ice, as we do, only a special advertisement in the "Messenger" and we are informed that the bid we made ourselves has never been submitted to the Board of Audit and Finance to be opened.  
This is a small matter, but the principle of the matter is just the same, whether it is a small or whether it is a large matter, and we desire to call the attention of the Board of Audit and Finance to the fact that we were the lowest bidder, and that we are entitled to the ice.  
Yours, truly,  
Wm. E. Worth & Co.  
The petition was relative to the proposed Central Fire House and was presented in person by C. W. Weeks, Esq., who made a speech in its favor. It was as follows:  
To the Board of Audit and Finance of the City of Wilmington, N. C.  
The undersigned citizens of the city of Wilmington, property owners and residents in the vicinity of Fourth and Dock streets, are opposed to the establishment of the proposed consolidated fire department on Fourth street, between Market and Dock, for the following reasons:  
First—That they are informed from authentic sources that such action will reduce the efficiency of the city's fire department.  
Second—That it will be a needless expense and a risky experiment to indulge in at this time.  
Third—That the interest of the public not demands such consolidation, the undersigned further objects to it on the ground that it will subject them to a nuisance, hardship and loss, in that part that is used by the great number of horse, firemen and fire apparatus with the noise and the other more objectionable features incident thereto, will make said locality undesirable for the residence and will materially deteriorate the value of their properties.  
Therefore, your petitioners pray that your Honorable Board will not approve the action of the Board of Aldermen in regard to the consolidation of said fire department and the erection of a building in residence and will locally, Respectfully submitted,  
MILDRED J. HUGGINS, A. M. BALDWIN, ANNE J. MITCHELL, CLARA J. MITCHELL, E. H. MURSON, GEO. W. HUGGINS, JOSEPH E. HANBY, JOHN R. HANBY, M. L. ALDERMEN.  
Action upon the award of the contract by the Aldermen for the erection of the fire house was, of course, deferred.  
All gas fixtures, certain scenery, etc., in the Opera House owned by Mr. Schloss was approved by the Board at \$3.25 and he was allowed that amount for the property.  
The clerk reported a satisfactory examination of the books of the treasurer and that his statement showed for the month of June, \$7,196.83 receipts and \$3,800.00 disbursements. Among bills audited and approved was, one for \$3,807.90, the balance due Roger Moore's Sons & Co., for the Princess street paving. The entire amount for the work, which was from Second to Fourth streets, was \$6,324.85.  
A warrant was ordered drawn for the Board of Education for \$327.30, being the amount of fines collected in the police court for the six months past.  
There were present at the meeting Mr. H. E. McQueen, chairman, and Messrs. Jesse Wilder, S. P. McNair and C. W. Yates.

### Part of Cargo Burned.

The schooner *William P. Hood*, Capt. James W. Smith, came into port yesterday to be loaded with crates by the Hall Tie and Lumber Company. The schooner went to Georgetown to take aboard a cargo, but after receiving about 4,000 ties a forest fire put an end to the work by burning the remainder of the ties, which were on shore. Consequently the schooner had to come here. She is consigned to Messrs. Geo. Harris, Son & Co.

### Marriage To-night.

The marriage of Miss Augusta Bate to Mr. V. M. Gilbert will be celebrated to-night at 9 o'clock at the residence of the bride-elect's father, Mr. Geo. E. Bate, corner of Seventh and Chesnut streets.

## Sale of Property.

Yesterday Sallie Ennett, Willie T. Ennett and W. M. Cumming and wife conveyed to E. T. Huggins, for \$500 consideration, a piece of property on Chesnut street between Ninth and Tenth.

Samuel Bear, Jr., transferred to George F. Selter, for \$600, a piece of property in Brooklyn, and H. J. Bierman disposed of Edwin Russ a piece of country property.

### Confederate Veteran Passes Away.

Last week one of Greenville's most valuable and esteemed citizens, Mr. John Flanagan, passed into eternity. He was a man of high character, and a brave Confederate soldier.  
The Greenville *Reflector* well said of him: "Mr. Flanagan was an honest man in the highest sense, and his word was his bond. He was a noble man, a man who loved truth and disdained sham in any guise, and he enjoyed the confidence of every one."  
— The many friends of Mr. James K. Collier were glad to hear that he was able to be down street yesterday.

The undersigned having purchased \$13,750,000 par value of the above Bonds, offer \$10,500,000, the unsold portion, for sale at the price of 100 and accrued interest, payable Thursday, July 24th, 1902, at which time the Bonds will be ready for delivery.  
The Bonds are limited to \$20,000 per mile of railway (including underlying divisional liens) and are secured by a mortgage covering (subject to underlying divisional mortgages) the railways, appurtenant franchises and property of the Railroad Company.  
For further particulars respecting the First Consolidated Mortgage 50 year 4 per cent. Gold Bonds and the Atlantic Coast Line Railroad Company we beg to refer to the letter of Henry Walters, Esq., First Vice-President, copies of which can be had on application at our respective offices. From this letter it will be seen that these Bonds are now a first lien upon about 570 miles of Railway, and that the net earnings of the system for the year ending June 30th, 1902, will exceed \$5,800,000; being approximately double the interest charge of the consolidated Company for the year ending June 30th, 1902, including interest on \$31,034,000 First Consolidated Mortgage Bonds outstanding, will amount to \$2,976,307.  
The Bonds cannot be redeemed prior to maturity.  
Copies of the Mortgage and Counsel's opinion may be seen at our respective offices.  
We Recommend These Bonds As a Desirable Investment.  
Subscriptions will be opened at the offices of the undersigned on Thursday, July 17th, 1902, at ten A. M., and close at three P. M. the same day, or earlier, without notice.  
The right is reserved to reject applications and to allot amounts less than they applied for.  
Application will be made to list these Bonds on the New York Stock Exchange.
