LOCAL DOTS.

British steamer *Whitehall*, hence for Bremen, arrived July 24th.
Miss Josephine Phillips, of Tarboro, who has been a popular guest at Wrightsville, returned home yesterday.
The ducking thief, Louis Lavender, was tried in the police court yesterday and sent to jail to await the action of the higher court.
Mr. J. E. Hatch, the well known painter and decorator, has completed the improvement to St. James' church and parish house.
Commissioners McEachern, Holmes and Alexander and Tax Assessor Gerrit Walker visited Wrightsville Beach yesterday afternoon and approved the improvements to the Seashore Hotel and three new cottages.
Mr. Clinton Smith, son of Capt. James A. Smith, of the schooner *William P. Hood*, who is sick at the Marine Hospital, was much better yesterday. It is expected that he will be well enough in a few days to leave for his home in Dighton, Mass.
Duplin Journal: "Seven thousand watermelons were shipped from Faison on July 21st. Five hundred and ninety crates of cantaloupes were shipped one day last week by express, and on Monday over 800 and Tuesday about the same."
Savannah News: "The Atlantic Coast Line has issued a local folder for the Second Division. This was got out by the passenger department, under the direction of Mr. W. H. Leahy. It shows the schedules of all the passenger trains and of all the through sleepers on this division."
GAME THIS AFTERNOON.
George Soldier Boys' Team and the Wilmington Team Ready to Play.
The soldier ball players and the Wilmington team will meet on Hillion diamond this afternoon. It is going to be an exciting game and will, no doubt, be largely attended. The soldiers will be out in force to roof, if possible, their team to victory.
The line-up of the Wilmington team was given yesterday. The soldiers' team will be as follows:
Wood, c; Moore, p; Bathers, 1b; Sheridan, 2b; Barry, 3b; Masby, ss; Wynne, lf; Sabine, cf; and Boyer, rf.
Both teams have several professionalists in their ranks.

THE GEORGIA REGIMENT AT "CAMP TERRELL."

Another Ideal Day in Every Respect—The Military Ball—Last Dress Parade To-day—Camp Notes.

Yesterday was ideal in every respect. The boys at "Camp Terrell" were all kept busy, some practicing for the ball game to-day, others fishing and bathing, but all drilling. The floor committee, who have made the arrangements for the military ball, given last night, worked very hard and to them was largely due the success of the event.
All the officers and men attended. Also a number of members from the Wilmington Light Infantry, the Cape Fear Club and the Carolina Yacht Club, to whom a cordial invitation had been extended.
The german was led by Captain Tom Barrett, of Newnan, Ga., with Miss Margaret Hoyt, of Washington, N. C. The dancing commenced at 10 o'clock and stopped at 2 A. M.
Major Patton and Lieutenant Colonel Kennan were on the floor committee and their efforts in making the ball a success are to be commended. The regimental band gave a concert from 9 to 10 o'clock. It was greatly enjoyed.
All the soldiers got passes until 2 o'clock in order to attend the ball. Heretofore they had to be in camp by midnight.
To-night the officers and men of the Wilmington Light Infantry will give a german complimentary to the officers and men of the Fifth Georgia and their lady friends, at the Atlantic Yacht Club, the use of which was kindly tendered them by the Commodore. The club building has been prettily decorated with Japanese lanterns and bunting.
Major Bragaw, of Washington, N. C., who is in command of the Second Battalion, Second Regiment, N. C. S. G., was a visitor at dress parade yesterday.
Yesterday the officer of the day was Captain Smith of company A., and of the guard Lieutenant White of company L.
This evening the last dress parade will be held, as the regiment will break camp late to-morrow afternoon. As this will be the last chance to witness a parade of the Georgia boys, a very large crowd is expected to be present.
The troops will leave in two sections. From all sides regret is heard at the regiment having to leave. The boys hope to come again next year. They are a very gentlemanly set, and we can safely say for all who came in contact with them that the troops, as a whole, were the best ever camped at Wrightsville.

A FINE LOVING CUP.

Presented Yesterday to Congressman Bellamy by U. S. Revenue Cutter Officers.

ABLE WORK APPRECIATED.

The Cup a Handsome Gold Lined Silver One and Stands Fifteen Inches High on a Polished Black Walnut Pedestal—Presentations.

As a token of their appreciation of earnest and able work in their behalf the officers of the United States Revenue Cutter Service yesterday presented to congressman John D. Bellamy, of this district, a magnificent loving cup. It was shipped from New York city, with an enclosed card containing names of a special committee, Captain John W. Collins and Captain C. F. Shoemaker. The latter officer is well remembered here.
The cup is of sterling silver and is gold lined. It is mounted on a handsome highly polished black walnut pedestal and alone it is ten inches high; mounted on the pedestal it reaches about 15 inches in height. It has three beautifully chased handles. Upon one side of the cup appears Congressman Bellamy's initials prettily engraved, and on another appears the following appropriate inscription:
"Presented to Hon. John D. Bellamy, Member of Congress from North Carolina, by the Officers of the United States Revenue Cutter Service as a Slight Token of Friendship and of their Admiration of His Able and Distinct Efforts in their Behalf."
The efforts referred to were in connection with a bill passed by the present Congress for the benefit of the officers of the United States Revenue Cutter Service. The bill had been pending for several years and its final passage caused great rejoicing among the officers interested. The estimate placed upon Congressman Bellamy's effort in behalf of the bill is shown in the handsome manner in which he has been remembered.
Congressman Bellamy strongly advocated the bill and was instrumental in bringing it to a successful issue. The bill greatly benefits the cutter service in many ways. Under the bill there is a retirement age and longevity pay, something that did not exist before. Now, the officers are retired at the age of 64, when before they had to grow almost decrepit in the service and even then merely placed on waiting orders. The longevity pay is also another important factor, as at the expiration of every five years of service the officers get additional pay. Also, under the bill the officers now possess a relative rank. These are only three features of the many which the bill contains and each of which acts directly to the benefit of the officers of the cutter service.

COAST LINE'S CLERKS.

Big Force for the Auditing Department Will Arrive Next Week.
The large clerical force for the auditing department of the Greater Atlantic Coast Line will arrive next week, about Thursday. The force will number between sixty and seventy-five young men, coming from Savannah, Richmond and Norfolk, and it is very essential that they get boarding houses. Mr. Graham Farmer, of the Coast Line, has been appointed to secure these boarding places. All who accommodate any of the young clerks with board are requested to notify Mr. Farmer, at the railroad's main office here, at once.

GARRIED BACK TO KINSTON.

Chief of Police Jas. H. House Came After His Man Yesterday.
Chief of Police James H. House, of Kinston, arrived in the city yesterday morning and left in the afternoon with the old white man, J. W. Hoyt, arrested by the police here Wednesday afternoon at the request of the Kinston authorities.
Chief House says that the charge upon which Hoyt is arrested is for obtaining \$10 from a citizen of Kinston under false pretense, although he is also wanted for swindling one of the hotels.
The old man seems resigned to his fate, but his manner creates an abundance of pity.
Charge Withdrawn.
Chief of Police Furlong will very likely return from Kinston without a prisoner, as it is understood, on good authority, that the charge of embezzlement against Mr. Henry Olden-butel has been withdrawn. Mr. Olden-butel arranged everything amicably with the prosecutors, Straus, Gunst & Co., of Richmond, Va. This intelligence will be learned with pleasure by many.

NEGRO LAD MISSING.

A young negro lad, Willie Jackson, probably eleven years of age, left his parents' home 1111, North Fourth street, Wednesday, and has not been heard of since. The police and others are now on the look out for him.
Young Jackson is quite a celebrity here. He was known as the "boy preacher," and has held many meetings in the city.

REPORT ON CAPE FEAR RIVER IMPROVEMENT.

The Work is Hand Outlined by an Army Engineer and What is Proposed to be Done in the Future

Yesterday morning's Raleigh Post contains the following very interesting report from its special Washington correspondent:
"The chief of engineers of the War Department made public to-day a number of reports from officers in charge of river and harbor projects, with estimates for the fiscal year 1904. Reports on a number of the river and harbor plans in North Carolina are submitted by Captain E. W. Van C. Lucas. The improvements of the Cape Fear, both below and above Wilmington, are included.
This report, which is very voluminous, contains a wide range of information. The manner in which the appropriations made by Congress are to be expended is a feature. The amount of commerce for the past year was developed by the streams undergoing improvement, the recommendations for future appropriations and the ultimate cost of all improvements are dwelt upon in this report.
There was no work of improvement on the Cape Fear river above Wilmington last year because of lack of funds. All expenditures were for maintenance. The report of the engineer says:
"With the available balance it is proposed to maintain the natural channel up to Fayetteville, to do the preliminary work necessary for extending lock and dam sites under the canalization project for obtaining eight feet depth to Fayetteville, and to purchase sites for locks and dams, when locations are determined. Additional appropriations are recommended of \$8,000 annually for the maintenance of the proposed channel to Fayetteville and of \$400,000 for the construction of the first lock and dam. It is not believed advisable to begin the construction of a lock and dam at any other location for its completion under one contract."
The ultimate cost of this project is \$1,300,000. The amount appropriated to date is \$198,350.
The commerce on the river for the year ending December 31st, 1901, was 24,112 tons, and 5,810 tons. Passengers numbered 2,305.
No work of improvement was done on the Cape Fear below Wilmington last year for lack of funds. Operations were restricted to maintenance work with the suction dredge Cape Fear, which removed 37,745 cubic yards of sand in August and July, when the dredge went to Savannah, where it now is. The engineer's report says:
"With the available balance it is proposed: first, to connect the old Woodbridge and Savannah wharves and Balhead to protect against further erosion; second, to re-dredge the river channel where shoaling has occurred; third, to repair the sand and gravel pier at New Inlet dam and Snow Marsh dyke; fourth, to remove the obstructions from the mouth of Brunswick river; and fifth, if funds permit, to construct mooring dolphins at Wilmington. Should any balance remain, it will be applied to the work of continuing the improvement of the navigation project of October, 1890, to obtain twenty feet depth and 370 feet width from Wilmington to the ocean, about sixty per cent of which, estimated at \$2,500,000, is believed the available balance will hardly suffice to do the necessary work of restoration above outlined, and no further progress with the project is expected until the appropriations are made. Additional appropriations are recommended of \$250,000 for continuing the improvement of \$50,000 for maintenance and \$200,000 estimated for the completion of the lower Cape Fear project is \$858,000; the amount already expended on this improvement is \$85,000.
Wilmington's total commerce last year was 727,359 tons; a gain of 28,103 tons over the previous year. No new transportation lines were established; exports were: foreign and coastwise, 60,461 tons; and internal, 100,448; imports were: foreign and coastwise, 304,981; and internal, 161,429 tons.
North Carolina's principal port exported products to the amount of \$9,687,064, of which cotton figured to the extent of \$2,238,000. The other exports were: lumber, turpentine, etc., but were of small value as compared with the exports of cotton. The appropriations for coal, salt, potash, pyrites and malinit, total value was \$384,463.
Wilmington's growth as a port has been rapid. The total value of the freight transported was 290,000 tons; in 1889 it was 326,512 tons; in 1894 it was 437,433 tons; in 1897 it was 595,496; in 1899 it was 621,853, and in 1901 it was 727,359 tons."

JUDICIAL CONVENTION

Held Yesterday Afternoon at the Court House and a Solicitor Nominated.

SPLENDID SELECTION MADE.

Rodolph Duffy, Esq., Was Renominated by Acclamation—The Executive Committee Elected—Several Fine Speeches Were Made.

The Judicial Convention for this, the Fifth District, was held at the Court House yesterday afternoon, and Rodolph Duffy, Esq., was renominated solicitor by acclamation.
The convention was called to order shortly after 3 o'clock by Henry Grady, Esq., of Sampson county, who was elected as temporary chairman in the absence of H. E. Faison, Esq., of Sampson county. Frank Thompson, Esq., of Onslow county, was made secretary.
On motion of W. J. Bellamy, Esq., of New Hanover county, Mr. Grady was made permanent chairman.
On motion of B. G. Empe, Esq., of New Hanover county, the committee on credentials, resolutions, etc., were dispensed with.
A roll call of the counties comprising the First District showed Onslow, Pender, Sampson and New Hanover represented, and Duplin and Lenoir not represented.
Prior to the election of an executive committee, the chair announced that the only business would be the nomination of a solicitor.
B. G. Empe, Esq., of New Hanover, placed Rodolph Duffy, Esq., in nomination, and in doing so ably eulogized the man and the lawyer. He spoke of Mr. Duffy's fearless and earnest work as solicitor; that he had known him since 1884, and that he knew him to admire him more as the years past. He characterized him as an able representative of Democracy and an able exponent of the law, and, in closing, said that New Hanover county stood united as a man in favor of the renomination.
W. J. Bellamy, Esq., of New Hanover, seconded the nomination in a few handsome remarks.
Frank Thompson, Esq., of Onslow, also seconded the nomination and spoke of Mr. Duffy's zealous and courageous work as solicitor. As a native of the same county as the nominee he gratefully referred to the time, four years ago, when New Hanover county had helped Onslow to nominate Mr. Duffy for the first time.
After these three speeches Mr. Duffy was declared, by the convention unanimously, by acclamation.
Mr. Duffy was called upon for a speech, and the chair appointed Bruce Williams, Esq., of Pender, and B. G. Empe, Esq., of New Hanover to escort him to the platform.
Mr. Duffy, who is a fluent speaker, spoke for about fifteen minutes. First, he expressed his great appreciation for the kinds words of his friends and for the nomination, and then went on to recall the time, four years ago, when the white people of North Carolina made such a grand and glorious fight for liberty and State. He implored the members of the convention not to get careless in their support of Democracy or to take things for granted, but to stand as a unit—to stand together, to work together, to vote together. Every candidate, he said, should understand himself to the party and remember that no man can ever get above the people. In conclusion he called to mind the great suffering New Hanover county had endured under negro rule, and said that no community had ever acted more nobly.
The executive committee for the ensuing term was elected, as follows:
B. G. Empe, New Hanover; Frank Thompson, Onslow; H. E. Faison, Sampson; Bruce Williams, Pender; Hampton D. Williams, Duplin, and Y. W. Ormond, Lenoir.

FOUNDLING ADOPTED.

The Babe Left at James Walker Memorial Hospital Finds a Good Home.
The little girl foundling left at the James Walker Memorial Hospital Tuesday midnight has secured a most excellent home. Yesterday afternoon the little one was adopted by Capt. and Mrs. Nathan J. Williams, whose love for children is marked and well known. They filed the necessary papers with Col. Jno. D. Taylor, clerk of the Superior Court, and in doing so had the name of Gladys Hanson inscribed as that of the baby's. The name Hanson is given in honor of Mr. J. K. Hanson, the pharmacist at the hospital, who first discovered the child and looked so well after her welfare.
Capt. and Mrs. Williams are happy over the advent of the youngster into their household, and well they may be, for the little one is a bouncer and exceedingly bright.

FIREMEN'S TOURNAMENT.

Two More World's Record Breakers Scored—in the Ross Reel and Hook and Ladder Contests.
[Special Star Telegram.]
RALEIGH, N. C., July 24.—The tournament in connection with the State Firemen's Association came to a gratifying successful close to-day.
Two more world's record breakers were scored. This makes three during the season opened yesterday. Goldboro Eolipase Hose Company beat the world, making the two hundred yard dash and showing water in 288 feet of hose in 39 1/5 seconds. The previous record was 43 seconds.
To-day, in the Hook and Ladder contest, the Raleigh company ran 300 yards, set and mounted apparatus in 44 2/5 seconds; previous world record, 44 4/5 seconds. Greensboro was second, making 53 seconds.
In the Hand Reel races, the Capitol company, Raleigh, made the 150 yard dash in 25 3/5 seconds; previous world's record being 26 seconds. The record of other contestants in this race was: Spencer, 28 3/5; Charlotte, 27 1/2; Monroe, 30 1/5; Salem, 29; Concord, 29 3/5; Tarboro, 29.
In the Grab Reel races, Spencer made a dash of 20 seconds; Raleigh, 22 1/5; Monroe, 24 3/5; Salem, Rescue (Raleigh), Charlotte, Tarboro, 29.
There was only one contestant in the individual foot race. Mr. Spencer Bass, Tarboro, made the hundred yards dash in 10 4/5 seconds.
Officials in the Firemen's Association, Raleigh, made the 150 yard dash and tournament remarkably successful.

IN LIMBO AT LAST.

Our bogus check giver has at last about run his checkless and swindling course, as the following clipping from yesterday's *Charlotte Observer* will show:
"C. W. Pritchard, the young man who registered in Charlotte from Jacksonville, Fla., last Saturday, and who brought his claim to relationship with Senator Pritchard and the aid of a forged bank book, succeeded in distributing a number of worthless checks about Charlotte, in limbo. He was captured yesterday in Charlotteville, Va. During the afternoon the chief of police of that town telegraphed to a bank here to know if Pritchard's account was good. A reply was at once sent that it was very bad. Then another telegram came to Chief of Police Irwin stating that Pritchard had been arrested for passing worthless checks and asking if he was wanted in Charlotte. A consultation of some of Pritchard's Charlotte friends was held and a telegram was sent to Charlotteville officials to lock him up, pending the necessary proceedings to have him brought to Charlotte. It is supposed that he attempted to play the same game in Charlotteville that he did here but that it was blocked by the prompt use of the telegraph between the bank here and the bank here. Steps will be instituted without delay to have Pritchard brought to Charlotte for trial."
—Mr. Geo. H. Fitch, formerly secretary of the Y. M. C. A., is visiting the family of Rev. Dr. J. P. Millan at Lumberton.

DIED IN PENDER COUNTY.

Mrs. Sophia A. Dew Passed Away at Her Home in Casnetuck.
[Special Star Correspondence.]
CURRIE, N. C., July 23.—Mrs. Sophia A. Dew, a most estimable woman, passed away at her residence, on July 23rd, at Casnetuck, Pender county. Mrs. Dew was 75 years of age, a consistent member of the Baptist church and a woman of remarkable energy and business qualifications. For some years she has been an invalid, receiving without stint the loving care of her sons and daughters.
On yesterday her soul took its flight from earth, and to-day they tenderly laid her away under the oak beside the husband of her youth. She leaves to mourn her loss many friends and her children, Messrs. J. W. J. A. and M. C. Dew; Miss Pinkie Dew and Mrs. F. F. Flynn.
