## News of the Fight Locally.

Only a few of the confirmed sports were on the look-out for bulletins from the Jeffries-Fitzsimmons fight pulled off last night in San Francisco. As there is considerable difference in the time here and in 'Frisco it was long past midnight when bulletins commenced to come in from the ring side and very few remained up for the news. ## DURGLARY CHARGE AMENDED.

Wiley Mazingo Sent to the Roads for 30 Days for Drunkenness.

Willey Mazingo, white, was arraigned in the police court yesterday on the charge of burglary, particulars of which appeared in these columns a few days ago. From the evidence of policemen and several other witnesses it developed that young Mazingo was woefully drunk on the night of his alleged crime and fell over a fence into the yard of the house, which he is charged with entering. When he awoke in a stupor he was attempting to find his way out and stumbled into

Under these circumstances the warrant was amended so as to charge drunkenness, and Mazingo was sent to the roads for 30 days. He was not represented by counsel. A. J. Marshall, Esq., appeared for him, however, at the first hearing and secured the continuance.

## AT CAMP TERRELL.

ARRESTED LAST NIGHT.

Wanted in Petersburg, Young George Phillips Was Taken in Charge by Detective Robert Green.

Upon a telegram from Chief of Police R. F. Ragland, of Petersburg, Va., in which a felony is charged City Detective Robert Green last midnight arrested G. W. Phillips, a young white man well knewn in this city, where he was born.

Capt. Green received the telegram shortly after 11 o'clock at his home; he came immediately down town, and in less than half an hour the young man was arrested just as he boarded a Princess street car at the junction. Five minutes later Captain Green had wired Chief Ragland of the capture, and it is likely an officer will come for young Phillips to-night. When locked up at the station house the prisoner had on his person a lady's gold watch, and a ring, which he is accused of having taken, was lo cated. He had only \$1,35 in money on his person. Particulars of the charge against young Phillips is contained in the following special to the Richmond Dispatch :

PETERSBURG, VA., July 24.—A war-rant was issued to-day for the arrest of a young man named George W. Phillips, on the charge of robbing Mrs. Jessie P. Lambert, a widow lady residing on Sycamore street. Phillips, it is stated, has been boarding for some time in the same house with Mrs. Lambert and enjoyed the confidence of all the inmates of the house. Mrs. Lambert had frequently trusted him to attend to matters of business for her and had also entrusted articles of value to his keeping, such as her watch and

Yesterday she asked him to cash a check for \$50 on the Petersburg Savings and Insurance Bank and bring her the money. He cashed the check and last evening left the city, carrying with him, it is alleged, not only the money, but a double-case gold watch, a valuable bracelet containing twelve monogram gold dollars, an opal scarfpin and a valuable diamond set ring. It is also charged by his landlady, Mrs. Akers, that taking these belongings away he left his board bill unpaid. Philips came here some months ago from Wilmington, N. C., and has been employed in a furniture installment house here.

Mr. and Mrs. Rathjen were present as chaperones and well sustained their reputation as gracious hosts, in behalf of their sons.

Among the guests were Miss Kate Walker, of Warsaw; Miss Sophie Heines, Miss Lottie Haar, Miss Annie Adrian, Miss Katie Fick, Miss Eva Stolter, Miss Christine Hintze, Miss Fredericka Martens, Miss Marie Rush, Miss Carrie Ortmann, Miss Dora Bornemann, Miss Riston Banck, and Messrs. Charlotte Observer: "The Southern Railway Company has decided to require all its employes to stand an examination every three months on the rules of the company. The new ruling will apply to all employes except colored brakemen and flagmen, who have no responsibility and cannot be promoted. It is maintained by Southern Railway officials that many accidents are directly due to the fact that employes are not familiar with, or misunderstand rules, and the purpose of the examinations is to see to it that the men in the service of the company have a correct interpretation of all rules and regulations."

All members of the division, who can spare the time, are requested to report at the armory at 2 o'clock this afternoon.

The Last Day of Fifth Georgia Regiment's Outing at the Hammocks.

REVIEW OF THE TROOPS.

Adjutant General Royster and Other North Carolina State Guard Officers Present- Delightful Reception by Wilmington Light Infantry.

Adjutant General B. S. Royster, of the North Carolina State Guard, ac- business trip. companied by Col. F. A. Macon, of Henderson, quartermaster-general, N. C. S. G., and Major Wm. Landis, of Oxford, Assistant Adjutant General, N. C. S. G., arrived in the city yesterday noon from Raleigh and in the afternoon the party, accompanied by Major W. F. Robertson and Major C. H. White, of the Governor's staff in this city, went down to Wrightsville and reviewed the Georgia troops of the Fifth regiment now in camp there.

Adjutant General Royster came as the personal representative of Governor Aycock, who found it utterly impossible to come down as expecteds The distinguished North Carolina State Guard officers came over the S. A. L. and were met at the station by Major Robertson. Later they were joined by Major White and the party left for Wrightsville on the 3 P. M. train, arriving in camp in time to reach the troops on dress parade late in the afternoon. It is unnecessary to state that the North Carolinians were favorably impressed with the personnel and discipline of the Georgia regiment, which is conceded by all to be one of the finest the beach has ever entertained. The North Carolinians were most cordially re-

ceived by the Georgia officers and shown every hospitality of camp life. A large crowd of civilians witnessed the parade, which was the last of that he is improving. the day's encampment. The Georgia soldier boys never showed off to better advantage and the exchange compliments was very general.

The regiment will break camp at o'clock this afternoon and the soldiers will be taken on a two-section train over the Seaboard Air Line, reaching Atlanta at 10 A. M. to-morrow. Officers and men of the Guard express themselves as delighted with the "Hammocks" as an encampment ground and say they will come again. The weather has been very fine for camp life and the boating and fishing has had a peculiar charm for the Georgians. Wilmington and the beach people have been delighted to have the visitors with them and all testify as to the well-behaved manner of the men and the splendid

soldierly bearing of the capable staff of officers. Last night the officers of the Fifth Georgia Regiment, the visiting and local North Carolina State Guard officers and many friends, including the ladies, of course, were the guests of the Wilmington Light Infantry at a delightful reception at the Atlantic Yacht Club house on the beach. The pretty home of the club was thronged with fair women and gallant soldiers and it was late when the festivities came to an end. Capt. Adrian, his staff of officers and members of the Light Infantry vied with one another in according genuine Cape Fear hospitality to their guests, and the affair was one of the most elaborate and enjoyable of this

### season's beach events. The Baseball Game,

The game of baseball at Hilton Park yesterday afternoon between a team from the "Fifth Georgia" and the Wilmington Amateurs resulted in a fiasco. Only two and a half innings were played and the Georgians had decidedly the better end of those two and a fraction. The game had to be called to allow the "Troopers" to reach camp in time for the final dress parade yesterday afternoon. The score was 5 to 2 when the fireworks ended before about 75 spectators. Neither team distinguished itself by "putting up the real article."

THE BEACH TROLLEY LINE

Pirst Car to the Beach Yesterday-The Progress of the Work.

The first trolley car to reach Wrightsville Beach "anchored" off the Caroina Yacht Club house on the Seacoast road yesterday morning and to-day the work will have progressed sufficiently for a car to proceed the entire ength of the track.

The bonding has been completed and work was begun yesterday on the installation of the storage batteries in the old station at Wrightsville. Work has also begun on the stringing of the feed wires and the end of next week will find the small trolley cars transporting passengers 'straight through.' The large suburban cars, however, will not be here until about August 5th and it will not be until they are ready for the track that the schedule of the steam trains will be abolished. Even without the reinforcements of the storage batteries, the current at Wrightsville is said to be very strong and the

line in splendid order. It is safe to say that the line will be one of the finest in the South. Church Notices.
