## RALLY DAY EXERCISES, FIRST BAPTIST CHURCH.

Unique and Very Elaborate Programme Arranged—Calling of the "Gracie Roll" an Interesting Feature.

The great Sunday school work with its twenty-two million pupils, officers and teachers has fixed on tomorrow, Sept. 28th, as Rally Day. This is to mark the end of Summer with its vacations, absences and disorganization and the commencement of the Fall and Winter work will find all present and all ready for earnest effort.

The programme and invitation cards gotten out by the First Baptist Sunday school, Mr. C. D. Weeks superintendent, are unique. Responses, songs, recitations and interesting ceremonies will characterize the occasion. The "Gracie Roll" card invites all "cunning, restless, angelic, delightful, lively, entrancing, resistless, orderly, lovely, luscious" babies from three days to three years old. All persons who have ever been connected with the school during the past forty years are cordially invited to be present.

The programme begins with a song and the Lord's Prayer after which, interspersed with responsive readings it is as follows:

Recitation, "Rally Day" by Miss Louise McManus.

Scripture Reading.

Song.

Recitation, "If I Were You" by Guy LaMoigne.

Primary Department: Recitation and Song by Mary Lorenzo.

Intermediate Department by Elmond Bass.

Junior and Senior Department, Miss Sadie Denmark.

## MYERS NOT GUILTY.

End of Long and Sensational Murder Trial at Southport Yesterday Afternoon.

BRUNSWICK SUPERIOR COURT.

Notable Array of Counsel Interested in the Case—Jury from Special Venue of 150 Persons—The Trial Will Likely End To-day.

After a long and hotly contested trial lasting three days in Brunswick Superior Court, the jury at 3:40 o'clock yesterday afternoon found Louis Myers, colored, not guilty of the burning to death of Clara Kelly, colored, at Navassa station, four miles from Wilmington, last January.

The history of the crime to which Myers was held to account is well known to readers of this paper. Both the woman and the prisoner were from well-to-do colored families and the best of legal talent was employed on both sides. Solicitor C. C. Lyon was assisted in the prosecution by ex-Judge E. K. Bryan and the defendant had able counsel in the personages of Herbert McClammy, Esq., Marsden Bellamy, Esq. and John H. Gore, Jr., Esq., all of this city.

Argument to the jury was begun late Wednesday afternoon and concluded at about 1 P. M. yesterday. The speeches of the attorneys in the case are spoken of as having been a remarkably fine effort. The plea of Herbert McClammy, Esq., for the defence is spoken of as having been especially brilliant.

A greater portion of the opening day of the trial was taken up in the selection of a jury from a special venire of 150 persons ordered summoned by Judge Allen to try the case.

The term of the court, which was for one week only, will perhaps adjourn this morning, as all the civil matters on the docket were continued, including the important suit of F. M. Moore against the Navassa Guano Company, which was remanded to the lower court by the Supreme Court for a new trial.

The term which will end to-day at Southport is said to be one of the largest in the history of Brunswick county. The attendance was tremendous.

FUNERAL THIS AFTERNOON.

Remains of the Late Samuel Roland Vick Arrived Last Evening.

The remains of the late Samuel Roland Vick, whose sad death at Wytheville, Va., has already been announced, arrived in the city last evening at 6 o'clock, accompanied by Mr. Alf. W. Vick, who was at the bedside of his brother when he passed away. The remains were met at the station by a large number of Mr. Vick's young friends and former associates, besides relatives, and the casket was borne tenderly to the residence of Mr. W. W. Hodges, Second, between Chesnut and Grace streets, where they will remain until the funeral services this afternoon at 4 o'clock from the First Presbyterian church. The interment will be in Oakdale cemetery.

Mr. W. M. Bawden, of Portsmouth, a cousin and intimate friend of Mr. Vick, and his aunt, Mrs. O. B. Strickland and her nephew, Mr. E. V. Deans, of Wilson, are among those here from out of the city to attend the obsequies.

Everywhere in the city yesterday there were expressions of profound sorrow at the death of Sam Vick. No young man had more friends than he or was held in higher esteem.

The pall-bearers from the station to the residence yesterday evening were Messrs. Eugene J. Woodward, Hugh W. Turrentine, J. Loftin Kerr, Geo. P. James, Joe T. King and W. C. Smith.

Negro With a Crostas Name. Esau Locklear, a coal black negro from the Southern section of Robeson county, was arraigned in the police court yesterday for disorderly conduct and carrying a concealed weapon—a pistol—which he brandished wildly about a departing negro excursion for Rowland, N. C. Thursday night. He was held for a higher court and in default of \$50 bond he went to jail.

Mr. Patterson's Appointments. G. B. Patterson, Esq., Democratic nominee for Congress in this district, and C. O. Lyon, Esq., Democratic nominee for solicitor in the sixth judicial district, will speak at the following places in Columbus county on the dates given: Sidney, Wednesday morning, Oct. 1st; Whiteville, Wednesday night, Oct. 1st; Cerro Gordo, Thursday morning, Oct. 2nd, and at Fair Bluff on the night of the same day.

"Thirty Days on the Roads." Louis Smith, the bad negro with whom Justice Bornemann had to deal Thursday, was given a trial yesterday and fined \$30 for disorderly conduct. In default of the fine he went to the roads for 30 days. His wife, whom he stabbed over the eye, wouldn't prosecute the case and Justice Bornemann could do no better than handle the case for disorderly conduct.

Small Fire Last Night. The explosion of a lamp from which the shade had fallen in one of the second floor rooms of Capt. W. P. Oldham's residence, No. 216 South Third street, caused a small fire about 7:30 o'clock last night. A telephone alarm was sent in to the department. The damage will not exceed \$15.

## COUNTY SUPERIOR COURT CONVENES MONDAY WEEK.

Few Damage Suits Filed for Appearance at This Term—Yesterday Was the Last Day for Summons.

The bar of the city will meet this morning at 10:30 o'clock in the office of Col. Jao. D. Taylor to arrange the calendar of civil cases for trial at the term of New Hanover Superior Court which will convene Monday week. Judge Henry K. Bryan, of Newbern, will preside and the term is for two weeks. On Monday, the opening day, court will not be convened until 2:30 o'clock in the afternoon.

Yesterday was the last day, according to the rule, for appearance at the October term and comparatively very few suits were instituted. The absence of suits for damages filed at this term is remarked upon by lawyers. There is only one and that is brought by S. G. Jordan, an agent of one of the beneficiary insurance associations doing business in the city, against the Consolidated Railways, Light and Power Co. No complaint is filed but it is understood \$5,000 actual and punitive damages will be asked. The complainant alleges that he was returning from Delgado on one of the trolley cars of the defendant company and that a transfer slightly torn was given him to the city line at Ninth and Princess streets. He wrapped the transfer around his finger, after the conductor on the suburban line told him that the torn transfer was all right, and in unwinding the paper from his finger it was torn again almost entirely across. Later, he folded it up and gave it to the conductor on the city car at Sixth and Orange streets, who in unfolding it, tore it entirely in two. The conductor informed the passenger that the transfer was "n. g.," but the passenger informed the conductor that he (the conductor) had torn it in unwrapping it and for that reason he would not pay the five-cent fare demanded, whereupon he suffered himself to be put off the car; then got back on and paid the amount. The suit will be an interesting one in that it will establish whether or not a disfigured or torn transfer on the cars is valid, a question which every now and then pops up with the conductors. Mr. Jordan is represented in the suit by Herbert McClammy and Brooke G. Empe, Esqs.

Three other important suits filed for appearance at the October term, not, however, for damages, are those brought by the County Commissioners to enforce the collection of corporation taxes from the local agencies of the Standard Oil Co., Armour & Co. and Swift & Co. Messrs. Rountree & Carr are employed by the county to prosecute the suits.

VETERAN COLORED PORTER DEAD.

Jacob Drew, Twenty Years in Pullman Service, Died at Hospital.

Jacob Drew, twenty years a Pullman porter on Southern lines, died yesterday morning at 1 o'clock at the James Walker Memorial Hospital, after an illness of a year. Prior to his going with the Pullman Company was "Jake," as he was familiarly called, was with the Atlantic Coast Line. He was a negro of the old school; was never presumptuous; had all the elements of a gentleman in his make-up and was respected by both white and colored.

"Jake" had spent all his life as porter under Capt. W. F. Corbett, the popular Pullman conductor, and no one is more profuse in his praise of the old negro's good traits than he. At the Hospital the old porter was given every attention and his end came peacefully.

Rev. Mr. Wheeler Ordained.

Rev. J. W. Wheeler, who was recently employed to take charge of the Baptist religious work at Delgado and adjoining mission points, was regularly ordained as a minister of the Baptist denomination at the First Baptist church Thursday night. Those who composed the ordination presbytery were Dr. Blackwell, Revs. Bryan, King, Paul and Vipperman. The ceremony was an impressive one. Rev. Mr. Wheeler was previously a minister of the northern branch of the Methodist Episcopal church.

Will Command City of Fayetteville. Fayetteville Observer: "Capt. J. C. Smith has been appointed to the command of the new steamer City of Fayetteville, of the Fayetteville and Wilmington Steamboat Company. Capt. Smith was one of the best of the Upper Cape Fear river captains, with a record of more than fifteen years in the service. A number of years ago Capt. Smith left the Upper Cape Fear service to accept command of the O. F. and Y. V. railroad's transfer steamer *Compton*, where he remained until the service was abandoned by the sale by the A. O. L. Capt. Smith has since been in command of several river craft, so his hand is well in. Mr. John K. Strange was some time ago appointed purser, and Mr. L. L. Moses, chief engineer.

Atlantic Coast Line Stocks. The wonder of the stock market now is Atlantic Coast Line, common and preferred. Yesterday common sold at \$180 per share and 395 was bid for A. O. L. of Connecticut. The activity of these stocks and their scarcity are regarded as significant in the railroad world and important announcements as to sweeping deals are expected daily. There was a fresh rumor on the streets here yesterday that the Coast Line had certainly closed a very important deal with the Louisville and Nashville.

## PYTHIAN CARNIVAL.

Enthusiastic Meeting of Executive and Joint Committees Held Last Night.

MANY DETAILS ARRANGED.

All the Departments Are in Good Hands. Railroads and Steamboat Lines Will Give Low Rates—Advertising Campaign Mapped Out.

After looking in upon the meeting of the Executive Committee at the office of Chairman Fishblate last night, the STAR thinks it can safely say there is not the least doubt of the success of the Pythian Carnival and Merchants' Fall Festival to be given in this city the first week in November. Not only was every member of the Executive Committee and chairman of the sub-committees, save one, present last night, but each person in the meeting had something to say and said it with an enthusiasm in the undertone that forebodes no evil.

A multitude of detail matters were disposed of and the work systematized thoroughly. The indications are that the Carnival will reach even beyond the measure of success mapped out in the mind of the most sanguine promoter.

Chairman Fishblate, of the Executive Committee, presided; the records were kept by Mr. L. B. Rogers and the following were present, viz: Messrs. W. H. Yopp, J. T. King, J. J. Hopkins, Dr. W. C. Galloway, Capt. W. P. Oldham, Col. Walker Taylor, Mr. H. E. Bonitz, chairman of the Finance and Soliciting committees; Mr. L. B. Rogers, chairman of the Transportation Committee; Mr. B. O. Stone, chairman of the Advertising Committee; Mr. J. D. Nutt, chairman of the Committee on Decorations; Maj. W. F. Robertson, chairman of the Amusement Committee; Mr. S. H. Fishblate, chairman of the Booth and Privilege Committee; Capt. T. D. Meares, chairman of the "Mount Peles" Committee; Col. Walker Taylor, at the head of the Information Bureau; Mr. James F. Woolvin, manager and keeper of the Country Store, and Mr. J. J. Fowler, chairman of the Parade Committee.

Each one of these sub-committee chairmen made an encouraging report from his respective department and the work is moving along nicely.

Carnival headquarters will be opened Oct. 1st at some central location and a competent man will be employed by the chairman of the Advertising Committee and placed in charge of the same. He will also look after the correspondence and subscription branch of the festival.

A telegram was read from Mr. W. S. Layton, proprietor of the Layton Carnival Company, stating that the lithographic advertising matter will be shipped next week. The committee has all arrangements complete for sending the same broadcast into the country, telling of Wilmington's big welcome week.

The Transportation Committee reported through Chairman Rogers that all the railroads had given every assurance of a very low rate for the occasion. The various steamboat lines entering the city have done likewise and are arranging excursions on every day of the fair.

The committee as a whole passed a resolution strongly commending a tobacco booth for the Carnival and assuring the promoters of the scheme every co-operation.

The Soliciting Committee made a fairly encouraging report, but still has the chute open for more. Every cent can be used in promoting the welfare of the city.

Mr. Nutt, chairman of the Decoration Committee, reported that he was at work on a design for the welcome arch to the Carnival grounds.

Mr. Fishblate, chairman of the Booth and Privilege Committee, said there would be nothing much doing in his department until the fakirs begin to arrive.

The Mount Peles Committee reported that with the lawyers, doctors and undertakers in that department, it thought it could take good care of the eruption on the water front.

Mr. Woolvin, proprietor of the Country Store, said he would be all right with his department if the people would give liberally of anything and everything.

Mr. Fowler, of the Parade Committee, reported on plans for a pageant that will mature later. It is not unlikely that there will be a revival of the Uniform Rank. Pythian lodges for miles around will be asked to join in the big K. of P. parade.

It is probable that the Grand Chancellor K. of P. will touch the button that will put the Carnival machinery in motion.

Handsome Advertising Device. Mr. W. M. Cumming, Wilmington's enterprising real estate agent, is distributing to his "best" customers and friends, an exceedingly neat and handsome little aluminum-back note book as an advertising souvenir of his well known agency. The seal and scroll, which is known all over the city as "Cumming's trade mark," is handsomely wrought on the front cover of the book.

Sensational Speakers Depart. Hon. Locke Craig and Senator Pritchard, both of whom made strong speeches in the joint debate at the Academy of Music Thursday night, left for Rocky Mount yesterday morning. They spoke in that city last night and will speak at Raleigh to-night. Both the speakers were bidden a fond good-by by their numerous friends and admirers in Wilmington.

## TOBACCO MOVEMENT IN HANDS OF A COMMITTEE.

Chamber of Commerce Refers Matter to Its Industrial and Business Enterprise Department.

The movement for a tobacco warehouse in Wilmington and the development of contiguous territory into a tobacco growing section received still further consideration at a meeting of the Executive Committee of the Chamber of Commerce yesterday afternoon.

Letters were received Thursday from two experienced tobaccoists of Kinston, N. C., who desire to locate here in case the movement materializes. The Executive Committee yesterday concluded to turn over the entire matter to the Committee on Industrial and Business Enterprises, leaving it discretionary with this committee to adopt such measures or seek any co-operation which they may deem necessary, reporting progress to the Executive Committee from time to time.

The Committee on Industrial and Business Enterprises is composed of Messrs. M. W. Jacobi (chairman), W. E. Worth, J. H. Boatwright, C. C. Chadbourne and W. H. Brown. The committee will at once take up the matter and push it to a final conclusion.

About the only other matter before the Executive Committee yesterday was an application from John H. Gore, Jr., Esq., for membership in the Chamber under Class B at \$25 per year. Mr. Gore was unanimously elected.

BLACK PATTS' TROUBADOURS.

Advance Sale of Seats Very Large—Matinee Tickets at Academy Box Office.

The advance sale of seats for the performance by Black Patti's Troubadours Monday night at the Academy of Music commenced yesterday morning and is already very large. There has also been many demands for tickets for the special matinee performance, but tickets for this event will only be sold at the Academy's box office. At the matinee the entire lower floor of the theatre will be reserved for the whites.

The Troubadours have always given a high class smart, up-to-date, stage show, embodying refined negro comedy, up-to-date variety, special specialties, and unmatchable singing, dancing and cake walking, but this season, if the advance reports be reliable, they not only outclass their former high standard but outrank any colored show in the world, presenting a varied bill of entertainment. There are forty people in the company.

PERSONAL PARAGRAPHS.

Rev. and Mrs. J. P. King returned from a trip to Western North Carolina yesterday.

Mr. P. Q. Moore and family have returned from a delightful outing at Rutherford, N. C.

Miss Fannie Green returned last evening from a pleasant sojourn of a few weeks at Mount Airy.

Mr. C. B. Pomeroy, advance agent of "A Runaway Match," which comes to the Academy of Music Thursday night, was in the city yesterday.

Mr. Hugh MacRae and party, who have been spending the Summer abroad, will sail Oct. 1st on the steamer *Oceanic* for home. They will spend a short time in New York and will reach Wilmington about the 15th.

THE STATE FAIR MARSHALS.

RALEIGH, N. C., September 26.—Marshals for the State Fair, October 27th to 31st, as selected by Chief Marshal Jno. L. Patterson, were announced to-day. There are about seven hundred in all.
