THE FEDERAL COURT.

Recess Taken Until Friday Morning On Account of Thanksgiving Holiday.

YESTERDAY'S PROCEEDINGS.

No Cases Tried of Public Interest—Debtors Were From Cumberland and Robeson Counties—True Bills by the Grand Jury.

Very little business of public interest was transacted in the United States Court yesterday.

At 5:30 o'clock P. M. a recess was taken until Friday morning at 10 o'clock on account of the Thanksgiving holiday and in conformity to the proclamations of Governor Aycock and President Roosevelt.

Court convened yesterday morning as usual at 10 o'clock, all the officers having been present.

J. M. Edwards was summoned as a tales juror for the day.

The following cases were disposed of during the day:

Levi Coleman, Columbus county, replevin; judgment suspended and defendant discharged.

Dan McMillan, Robeson county, fraud against the government in securing witness ticket twice; case continued to the United States.

Ped Hines, Scotland county, robbery postoffice; continued for witnesses.

Artemus Easterling, Scotland county, robbery postoffice; continued.

Peter Martin, Scotland county, replevin; verdict guilty; judgment 30 days in jail, \$100 fine and costs.

Wright Smith, Cumberland county, replevin; verdict not guilty by direction of the court.

John Howell, Robeson county, replevin; verdict guilty; judgment suspended, defendant to be in jail 90 days.

Will Siles, Cumberland county, replevin; verdict not guilty.

Clint Hall, Cumberland county, replevin; verdict not guilty.

Thornton Lowrie, Robeson county, replevin; verdict guilty; sentenced to 30 days in jail; \$100 fine and costs.

Alex. Stull, and Patrick Locklear, witness, were called and failed and fined \$80 each.

Geo. Newell, Columbus county, replevin; continued under former order.

G. M. Spivey, Columbus county, replevin; verdict guilty after adjournment of court.

The following true bills for replevin were returned by the grand jury: Daniel McMillan, John Brock, Horace Gibson and Fannie Deas and not a true bill as to Billie Ward.

LOCAL DOTS.

Columbus Superior Court, Judge Oliver H. Allen presiding, is in session at Whiteville this week.

Owing to the prevalence of smallpox in James City, a suburb of Newbern, the colored excursion that was to have reached to Wilmington from Newbern Sunday has been called off.

In the article headed "Rights and Duties," which appeared in the STAR yesterday, the deaths from diphtheria in Greater New York in six months should have been 1,145 instead of 2,145 as printed.

The STAR was in error yesterday in stating that Dr. Richard J. Price's brother, Mr. Joseph Price, had gone to be with him in his illness at Fort Bayard Hospital, New Mexico. It should have been his mother, Mrs. Joseph Price.

BIG MONEY IN CROSS TIES.

At Least That's Opinion of Crazy Negro Who Was Taken Into Custody By the Police Yesterday.

There's one man at least who believes there's millions in the cross-tie business; in fact, he's so deeply impressed with his conviction along that line, that the belief has set him crazy.

He struck the town yesterday and wanted to buy up the earth upon the hopes of a realization of his plans to embark in the business that has so fascinated him.

He gives his name as T. W. Hooper and is as black as a negro generally gets to be; says he's from Governor Russell's plantation in Brunswick county, and has been engaged in getting out cross-ties for others, but is now going into business for himself.

He first came to public notice in Springer's hardware store yesterday afternoon, where he had made purchases of some \$40 or \$50 worth of cutlery, tools, etc., and said he would go out and return with the money. He next went into Honney's jewelry store and wanted to purchase seven gold watches, one each for himself, wife and five children.

He was turned down on that order and returned to Springer's, where he insisted that he had bought 300 head of hogs from Mills, the liveryman, and was going into the cross-tie business upon his own account. He said that he had already arranged to buy all the chickens and eggs that would come across the ferry that day and wanted a few cases of whiskey and some fine cigars to "blow himself" upon.

Mr. Springer saw the negro was crazy and Foreman B. R. Russell, of the Fire Department, who is a special officer, was called in to arrest him, which he did.

Hooper is locked up at the police station awaiting an investigation by a commission of lunacy. When asked by a reporter as to his home, he said his door was numbered under the sill and you could tell where he lived by the collard leaves around his door steps.

LOCAL MARKETS AND SHIPPING.

A Georgetown Steamer With Cotton—Barque and Schooner for New York.

Spirita turpentine was steady on the local market yesterday at 50 cents; receipts 115 casks.

The river steamers Hurl, Hawes, Franklin Pierce and Johnson were in port yesterday and brought large cargoes of cotton and naval stores.

The steamer Planter arrived Tuesday night with a cargo of 439 bales of cotton from Georgetown, S. C., for Messrs. Sprunt & Son. She got into the harbor just in time to escape the storm that must have been raging on the outside a few hours after her arrival.

The barque E. S. Powell cleared yesterday with a large cargo of cross-tie, consigned by Messrs. Flynn & Co. to parties in New York.

The schooner C. C. Lane, Captain Kelly, also cleared yesterday. She carried a cargo of 300,000 feet of lumber, consigned by the Cape Fear Co.

The steamer Planter, which arrived Tuesday night from Georgetown, S. C., as noted above, will go on the ways at Skinner's shipyard in this city for a general overhauling.

The pilot boat Wingham, of Georgetown, was here a few days ago and made arrangements to have the steamer hauled out. That a Wilmington firm should get this work from Charleston, to which port the steamer regularly plies, is a decided compliment.

The pilot boat Wingham, of Georgetown, will also be on the ways here in a few days, for general repairs.

LIEUT. ANDREW L. HARRISON.

Former Revenue Cutter Officer, Well Known Here, Died in Connecticut.

The Bristol (Conn.) Press, of November 20th, contains an extended notice of the death, near that city, on Saturday, November 15th, of Lieut. Andrew L. Harrison, who was well and favorably known in this city, where he was for a number of years chief engineer on the United States revenue cutter Colfax, which was stationed at this port.

Lieutenant Harrison was retired in 1894 at the age of 65 years, with the rank of lieutenant in the United States Navy. He was a man of wide experience, kind and courteous in his manner, and has friends in Wilmington by the score, who will regret very much to hear of his death.

During his life he was several times commended by his superiors for bravery and efficient service, and was a prime favorite on the Colfax as long as she was stationed here.

"Get in the Wrong Pe w" B. F. Sims, a white Federal Court attendant, got into the "wrong pew," figuratively speaking, yesterday about noon. He had been drinking to a pretty heavy extent and wandered aimlessly into the house of Mr. J. W. Cooper, who lives in the vicinity of Fifth and Campbell streets.

Mr. Cooper was at home at the time and demanded to know of Sims what he wanted in the house. The intruder replied that it was "one of his d—d business" whereupon Mr. Cooper whacked him over the head with a chair and put him in the hands of an officer on the street. Then he was transferred to the police station and will tell the mayor his troubles in the police court to-day.

Closing out sale of cameras, amateur supplies and picture frames at Taylor's Studio.

NO THANKSGIVING.

Superior Court Will Not Observe Holiday Owing to Very Heavy Docket.

TWO IMPORTANT SESSIONS.

Yesterday's Proceedings Were Interesting—T. H. Robbins Not Guilty of Embezzlement—Ed French Sent to the Penitentiary.

The New Hanover Superior Court will not observe Thanksgiving to-day although only a morning session may be held. This is because of the fact that the docket is very crowded and the term is for only one week.

A recess was taken at 5 o'clock yesterday afternoon until 9:30 o'clock this morning, when the trial of cases will be resumed.

Two rather important sessions of the court—morning and afternoon—were held yesterday. In the forenoon about a dozen colored defendants were given vacations of 30 days each on the road for gambling, and in the afternoon one of the capital cases was disposed of.

Another case of some interest in the afternoon was that of Thos. H. Robbins, a young white man of Wilmington who was charged by Capt. Preston Cumming with embezzlement in connection with a patent churn for which the young man was Capt. Cumming's agent. Mr. Robbins was represented by Messrs. Stevens, Beasley & Weeks and was found not guilty by instruction of the court.

Only one witness, Capt. Cumming, was introduced. A. J. Marshall, Esq., assisted in the prosecution.

The capital case was that of Ed. French, colored, who was placed on trial for the murder of Dave Armstrong, also colored. He pleaded guilty of manslaughter. The jury returned a verdict of not guilty of murder as charged in the bill of indictment, but guilty of manslaughter. French was sentenced to 12 months in the penitentiary.

His counsel were Brooke G. Empe, Esq., and Marsden Bellamy, Esq. The circumstances of the killing of Armstrong are well known to readers of these columns. The negroes worked at the cotton seed oil mill and, returning home one night about six weeks ago, French was carelessly handling a pistol which went off and killed his associate almost instantly.

French claims until yet that the shooting was accidental, but it is said that the State had evidence almost sufficient to convict of murder.

J. H. Williams, colored, charged with burglary, was arraigned and upon request of his counsel the case was left open until Friday morning. The court assigned Marsden Bellamy, Jr. Esq. and C. D. Weeks, Esq., to defend him.

The following proceedings of the day appear from the clerk's docket: On motion the judgment in case of State vs. Rosa L. Anderson and Dave Powell was stricken out as to Rosa L. Anderson and the same was ordered to remain as to the defendant Dave Powell, and the case is continued.

Isaac Gambler, gambling; thirty days on roads. Ernest Blount, gambling; 80 days on public roads. John Grady, gambling; 80 days on roads.

Alvis Lyons, gambling; called and failed; judgment nisi, sci. fs. and capias. Ed. Haywood, Jerrie Brock, Jim Sanders, Alphonso Robinson, David Green and John Jones, all colored, gambling; verdict guilty as to all except Jones; fined \$5 and costs.

L. T. Mills, forgery; continued. Lawrence Brown, larceny; submitted and sentenced to six months on roads. Archie McDuffie, assault with a deadly weapon; fined \$7.50 and costs. James Crawford, assault with deadly judgment nisi, sci. fs. and capias. Louise Carter, colored, assault with deadly weapon; pleaded guilty and sentenced to 60 days in jail, with leave to Commissioners to hire out for the costs.

The following entries were made in civil matters: M. J. Corbett & Co. vs. A. J. McKinnon; J. H. Cook, Esq., lodges a motion to set aside the judgment in this case. M. J. Corbett vs. M. P. McLean & Co.; Jno. H. Cook, Esq., enters a special appearance for the defendants in the case.

The following talemens were ordered summoned for to-morrow: H. R. Kuhl, Henry Tiselen, G. W. Branch, Hugh MacRae, H. Tracy Hunt, C. C. Covington, C. T. Grant, Wm. Blanks, W. J. Woodward, J. S. Canady, J. A. Orrell, K. H. Snell, Joseph J. Johnson, W. A. Sanders, W. H. McEachern and Henry Telfair.

Mr. Gibbon's Accidental Shot. A special to the Charlotte Observer from Hamlet says: "Perry Ingram colored, was shot in the back just above the hip this afternoon by Mr. H. E. Gibbon. The shooting was accidental. Mr. Gibbon was shooting at pigeons in his yard with a 22-caliber rifle when a glancing bullet, it is supposed, hit Ingram, who was two hundred yards away. The doctor who attended Ingram states that the wound may prove to be a very serious one."

Real Estate Transfers. By deeds filed for record yesterday Mrs. Annie W. Newbury transferred to D. O'Connor house and lot at northwestern intersection of Brooklyn and Nixon streets, 30x80 feet in size and another tract on south side of Swann, between Seventh and Eighth streets, 37x88 feet in size, consideration \$225; also two other tracts for the same consideration, the first at the northeastern intersection of Taylor and MacRae streets, 60x75 feet in size, and the second on east side of Seventh, between Taylor and Howard streets, 30x150 feet in size.

Wilmington Light Infantry Officers. The annual election of commissioned officers of the Wilmington Light Infantry will be held to-night. The officers to be elected are captain and first and second lieutenants.

THANKSGIVING EVE GERMAN.

Delightful Social Event Last Night in Hibernian Hall Complimentary to Many Young People.

Miss Leonora Cantwell gave a beautiful Thanksgiving german to her advanced afternoon and evening dancing classes last night in Hibernian Hall.

About thirty couples participated and the affair was a delightful social success from every standpoint. The music was by Mr. Heidt, pianist in Hollowbush's Orchestra, and many new and pretty figures were introduced, chief among the features of the dance having been the five-step.

The german was gracefully led by Mr. Harry G. Smallbones, Jr., and Miss Cantwell. The chaperones were Mr. and Mrs. J. Victor Grainger, Mr. and Mrs. C. E. Taylor, Jr., and Mr. and Mrs. Frank L. Huggins. The couples participating were as follows:

THANKSGIVING DAY EXERCISES.

At Hemenway and Union Schools Appropriate Programmes Were Observed.

Union, Hemenway and perhaps others of the city schools observed very creditable exercises in honor of Thanksgiving and North Carolina Day yesterday.

The entertainment at Union School was called "November's Crown" and was by the Eighth Grade. The costumes were very pretty and the parts all well taken. The characters were as follows: "King November," Theodore Kingsbury; "Knowledge," Edith Butler; "Power," Ferdinand Duls; "Prosperity," Isabel MacRae; "Invention," Etta Brand; "Independence," Paul Fitzgerald; "Justice," Leon Jewell; "Peace," Helen Hopewell; "Fate," Frank Britain.

The exercises at Hemenway were by the two third grades and the programme was charmingly rendered. There were songs, recitations and other features of a very high order. The exercises were greatly enjoyed by those in attendance.

A DAY OF THANKS.

Services in City Churches Will Be Feature of Thanksgiving Holiday Here.

SUSPENSION OF BUSINESS.

Many Stores and Offices Will Close, and Field and Forest Will Be Full of Sportsmen—Sunday Hours at the Post Office—Notes.

The chief feature of the Thanksgiving celebration in Wilmington to-day will be appropriate services in nearly all, if not quite all, the churches in the city. Then, also, there will be a suspension of nearly all lines of business and the day will may be given over to recreation and pleasure.

It is a great day for sport of every kind and the outgoing trains last night were well filled with hunters and fishermen, who have tied themselves to field and forest on gunning and angling expeditions. The greatest number of seekers after this diversion, however, will leave on the morning trains to day and on the various cars of the Consolidated Railways, Light and Power Co. to Wrightsville and Intermediate points.

At Wrightsville the platforms on the trestle over the Bank's channel have been completed, thirty-two in number, and for the convenience of those of the public who desire to spend the day at this resort and take advantage of the fine fishing there, the C. R. & P. Co. will operate the subwell and cars on a one-hour schedule. In addition to what is offered in the angling sport, there will be oyster roasting on the Sound and various other forms of entertainment to suit the most exacting.

Another trip that promises much pleasure for the Thanksgiving "tourists" is on the steamer Wilmington, which will leave her wharf in the city at 9:30 A. M. and return from all points of interest on the Cape Fear at 4:30 P. M. The fare for the round trip is only 50 cents.

On the Cape Fear golf links members of the Club are expecting a day fraught with many pleasures. The gentlemen's handicap tournament will be in progress all day, and there will be other features. The ladies of the Club will serve lunch.

With the Wilmington Lodge of Elks the day will be featured by an informal social session at the Temple this evening. Many members will attend, and all are anticipating a good time.

The Post Office will observe Sunday hours. The Custom House, Chamber of Commerce and all the banks will be closed, and many wharf merchants and other business men will suspend for the day. All the public schools of the city and the county will observe holiday, but regular exercises will be resumed Friday morning at the usual hour.

Thanksgiving Church Services. As before stated the most appropriate and elaborate observance of the day will be at the churches. Those who have furnished this paper with notices are as follows: Saint James—Thanksgiving services will be held in St. James' church to-day at 11 o'clock by the pastor, Rev. Richard W. Hogue. The offering will, as has been the custom for many years, be devoted to the support of the Thompson Orphanage.

First Baptist Church—11 A. M. special subject: "God in American History." The committee will receive in the vestibule material contributions for the poor of the church. A cash offering will be taken for the aged ministers support fund and the Orphanage.

Immanuel Presbyterian Church—There will be Thanksgiving services at Immanuel Presbyterian church, Front near Queen, to day at 11 o'clock conducted by the pastor Rev. C. W. Traywick.

St. Paul's Episcopal Church—The services at St. Paul's Episcopal church this morning will be at 10:30. There will be service and sermon at that hour and the exercises are expected to be of an unusually interesting character. The church has been beautifully decorated with grain and fruit and vegetables, all arranged in a highly artistic manner. The church is represented as being a poem of nature's productions. The choir will sing Walter Spinnery's exquisite harvest anthem entitled, "He Watereth the Hills from Above." All the decorations will be kept over Sunday and the Thanksgiving music will be repeated at the service Sunday night.
