[Special Star Telegram.]

RALEIGH, N. O., March 23.-The postoffice at Mount Olive was broken into last night and robbed of a considerable sum of money and stamps. The wrecked safe, together with other surroundings, indicate that the work was done by professionals. Two suspicious looking characters went to Mount Olive Saturday, They had each a small bundle under the arm and claimed to be selling chairs. They made inquiry about a night policeman, the meaning of which can now be easily understood. They were both fairly well dressed. They got between \$300 and \$500 in money and stamps.

The safe is supposed to have been blown open with dynamite about 2 o'clock this morning. The stamps were scattered along the street quite a

It is understood that the thieves intended to steal the horse and buggy from C. B. Hatch, but that they could not find the harness. The lock on the stable door was torn off and a bridle and saddle were left on the ground. The thieves took \$200 in money, \$200 in stamps and dropped \$100 in stamps near the railroad depot. The safe was blown open by knocking off the dial and inserting dynamite.

The brick wall of the building was badly damaged by the explosion.

Messrs. C. W. Worth. G. Herbert Smith, Sam Bear, Js., and Mr. Nelson Millett, composing the Chamber of Commerce committee to solicit subscriptions to the capital stock of the new hotel enterprise at the beach, were hindered by the rain yesterday morning but yesterday afternoon they commenced an active canvass that bore good results before nightfall and with a continuation of the responses, the new hotel may be put down in the list

certainties. "Just say the committee reports rogress," replied a prominent member of the delegation whom a reporter approached late in the afternoon That expression was accompanied by a brief conversation relative to the success of the movement which was encouraging, to say the least. Previous to the meeting of the Chamber of Commerce, \$16,000 in capital stock had been subscribed and only \$9,000 remained for the committee to raise for the present. Mr. Millett will take the list upon the completion of the committee's canvass and he will interest \$35,000 outside capital. The success of the venture will then be wured.

In anticipation of the success of the movement plans are already being drawn for the building and little time will be lost in its construction when the company is organized. As a really sound business investment, some very conservative opinions are expressed that the hotel will be a money-maker from the start.

REV. DR. M. W. EGERTON.

Preached Pine Sermons in Pirst Baptis Church Sunday Morning-Evening.

The Rev. Dr. M. W. Egerton, of Knoxville, Tenn., who came to Wilmington upon an invitation from the pulpit committee of the First Baptist church, preached two powerful sermons to the congregation Sunday morning and evening and much impressed all who heard him. He is a speaker of eloquence, earnest, and a man of commanding appearance. Sunday morning Dr. Egerton took his text from Job 14-14: "If a Man Dies Shall was taken from Matthew 27-42: "He Saved Others; Himself He Cannot Save." Both discourses were characteristic of the strong Baptist divine that he is recognized as being in the Southern Baptist Convention.

Dr. Egerton is a native North Carolinian, having been born in Rutherford county. He is 35 years of age. He spent his boyhood days at Hendersonville and attended the University of North Carolina. Afterwards he studied law and practiced his profession at Hendersonville for seven years. He then entered the ministry and has been preaching seven years, having spent the past four years as pastor of the First Baptist Church at Knoxville. He is a man of family, having a wife and three children.

Dr. Egerton returned to his home yesterday morning. It is not known whether a call will be extended to him; neither is it known if he would consider one, should one be tendered.

MRS. CAROLINE VONGLAHN DEAD.

After a lingering illness of three years with arterio schlerosis, Mrs. Caroline VonGlahn, widow of the late Henry VonGlahn and a most estimable woman, passed away at ten minutes to 9 o'clock Sunday night at her home on southwest corner of Fifth and Princess streets. The news will be received with sincere regret by many friends of both the deceased and family. The funeral will be conducted at 11 o'clock this morning from the late residence and the remains will be laid to rest in Oakdale.

Mrs. VonGlahn was a native of New York city and was in the 60th year of her age. She had lived in Wilmington nearly all her life and her husband, who preceded her to the grave about a year ago, was prominently identified with the business interests of the city. Mrs. VonGlahn was a consistent member of the First Presbyterian church and her funeral to-day will be conducted by the pastor of that congregation. THE SUPERIOR COURT

Rapid Headway Being Made on the Criminal Docket That Breaks All Record.

THE SLOT MACHINE CASES.

Defendants Submitted and Paid Costs. Two True Bills for Vagrancy--Young Attorneys Admitted-Burt Green Gets Two Years-Notes.

Forty-five of the ninety odd cases on the criminal docket for trial at this week's term of New Hanover Superior Court were disposed of yesterday at the opening session, Judge Robert B Peebles presiding and Solicitor Duffy prosecuting. Twenty-three of the number were for the operation of slot machines, which the grand jury investigated last time, and as all the defendants submitted, it required but little time to get them out of the way. Many of the other cases disposed of during the day were also submissions, but there is usually so much preliminary work in the organization of the court, etc. that nearly a day is lost in that way. Not so with Judge Peebles and Solicitor Daffy. They went to work with a vim yesterday and if such a thing is possible, it is likeln that they will finish the unusually large number of cases with in the required time. The court is the "biggest" held in New Hanover in a long time and the large number of cases brings out a court room full of witnesses and defendants.

The slot machine cases were the first off the docket. Eighteen of them were againt S. F. Harmon and there was one each against F. M. Brown, H. Woebse, J. S. Sneeden, C. D. Gore and John Turner. All the defendants were let off upon payment of costs and a suspension of the traffic. The costs in cases against Mr. Harmon amounted to about \$140 while the other defendants

had to ante up about \$10 each. turned by the grand jury during the day, both for burglary. Albert Blizzard, white, one of the defendants, who was out on \$100 bond, was immediately re-arrested and placed in jail upon the return of the bill. He is charged with entering the residences of Andrew J. Walker, ex-Policeman W. B. Brown and others a few weeks ago. The other defendant is Allen Jones, colored, who is charged with the robbery of the Rocks Springs Hotel. Both cases will likely be tried this term.

Another case of importance on the docket is that in which Robert and Walter Thomas, colored, charged with implication in the stabbing and death of Daniel Shines, colored, in Cato Boney's "ranch," in Brooklyn, a short time ago. As one of the material witnesses is sick, the case may go over to next term.

Four other cases that will attract some attention are those against the Wrightsville Beach Hotel Co., charged with Sunday liquor selling last Summer. A number of prominent men will be summoned as witnesses.

During yesterday's session of the court, Messrs. Woodus Kellum and Walter P. Gafford, who were recently licensed to practice law, presented their certificates, took the necessary oath and were admitted to practice.

Court met at 10 o'clock, all the officers in attendance. The sheriff re-turned the list of jurors summoned for the term with the exception of John Meschaw, L. S. Webb, Arthur H. Weston and B. C. Rogers, who were not found. Excused by the Judge: E. P. Bailey, Albert Solomon, J. E. Bunting, J. H. Dreher, C. C. Parker, Thos. H. Thompson and B. F. Gore.

The grand jury for the term was sworn as follows: R. W. Price, (foreman), O. S. Matthews, E. H. Davis, Godfrey Hart, A. C. Skipper, Owen Hansley, E. L. Ennett, Sam. S. Drew, George W. Penny, William Tiencken, T. M. Justice, S. H. Mintz, Joseph Britt, R. G. Litgen, J. F. Sellars, C. E. Hall, B. F. King and Duncan Blanton, Mr. W. R. Smith was sworn as bailiff of the grand jury, the position so long held by the late C. M. Harris.

The following cases were submitted and penalties imposed as indicated.

THEN THERE'S A QUESTION.

Authority Will Be Consulted As to Constitutionality of Passage of the Act. \$300 to Chamber of Commerce. Odd Fellows' Building.

A brief but important session of the Board of County Commissioners was held yesterday afternoon at the call of Chairman McEachern, who was present with other members of the body as follows: Messrs. Gabriel Holmes, H. L. Vollers and W. F. Robertson. The business of the meeting primarily was to consider the building of a fence around Federal Point township, making the territory enclosed free from the stock law, which action is mandatory upon the Commissioners by an act passed by the late Legisla-

of the meeting, and a discussion ensued in which the constitutionality of the law was questioned, for the reason that the record shows it was not passed on three separate readings on three distinct days, as all laws affecting taxation of the people are required to be passed by the General Assembly. However, the Commissioners saw no alternative to building the fence as and upon motion of Maj. Robertson, it was ordered that the route contemplated in the act be surveyed and that a committee be appointed to advertise for bids for furnishing material and erecting said fence according to such plans and specifications as may be agreed upon. The committee to have the work in charge is composed of Chairman McEachern and Messrs. Robertson and Vollers.

posed of, a letter from President Chadbourn, of the Chamber of Commerce, was read. Mr. Chadbourn asked that the county take the same action as the city, in contributing \$300 towards the cost of an advertising booklet which will shortly be issued by the Chamber of Commerce, calling attention to the resources of New Hanover and Wilmington and intended for judicious distribution. The appropriation of \$300 was unanimously made by the Board. A letter was read from Mr. William L. Smith stating that he represented an organization (Odd Fellows), which could use the county lot at the northwest corner of Third and Princess streets, and would be glad to confer with the Commissioners in regard to a purchase of the same. The size of the lot wanted is 80 feet on Princess and 66 feet on Third street and is presumably for the erection of a handsome I. O. O. F. building, which the order

in Wilmington has had in contemplation some time. The chairman stated that the late Legislature had passed a new act empowering the sale of the property, but as the Board was not familiar with its provisions, it would be best to defer definite action and report to Mr. Smith accordingly. The suggestion was adopted by the Board, which would consent to a sale only upon condition that the proceeds go into the sinking fund for liquidation of the new Court House debt. Recently there has been some agitation for a sale of the property with a view of diverting the proceeds into the school fund, but that
