Why didn't that Colombia volcano report when Senator Morgan was socking it to the Panama canal?

A cute young woman in Cincinnati married the lawyer who won a \$10,000 damage suit for her, and saved the fee.

The anthracite coal commission established a record. It cost only \$38,000, which was \$12,000 less than the amount appropriated by Congress.

An opponent of the corset rises to remark that there is "neither beauty nor health in it." We don't know about the health, but we have seen nice bunches of beauty tied up in them.

It is somewhat premature to be figuring on the prospective wheat crop, but Kansas is estimating on a yield of 100,000,000 bushels, Oklahoma on 40,000,000 and Nebraska on 60,000,000, with a number of other wheat-growing States to hear from.

In his Shiloh speech Senator Beyeridge quoted "vox populi, vox Dei est" and said if that wasn't true popular government is a failure. We believe some in vox populi ourself. but we don't think Mr. Beveridge would try it in the Philippine. He is one of the hold-your-grips, neverpull-down-the-flag fellows.

The population of Europe has nearly doubled in the past twenty years, and the increase in America has been three and a half fold. In that time the population of the earth has nearly doubled. At this rate of increase good farming lands will come high after a while.

As an illustration of the value and good work done by the Life Saving Service, last year there were only 335 lives lest out of 25,567 lives imperilled, while in 1875-76 out of 13,487 endangered 501 lives lington, and will arrive in Wilmingwere lost.
