St. John's Masonie Hall property on Market street was exempted from taxation under Section 5 of the Revenue Act.

Proper correction of the tax was ordered made upon receipt of valuation from the Department of State as to stock of Atlantic National Bank. which was reduced to \$175 per share. and other corporation values were ordered noted.

Request of Father C. Dennen for transportation for boy to reformatory at Baleigh was granted.

License of The Orton bar was trans ferred to Quarles Bros.

Application of Jno. E. Wood for re duction in valuation of property of Mrs. E. L. Rush, on Orange street, was not granted, the books having already been made up.

Application for Walter G. MacRae to be appointed special surveyor for establishing lines on lands of H. Tietgen, in Harnett township, was referred back for more explicit information. The communication from Dr. Jos. Akerman, surgeon in charge of the James Walker Memorial Hospital, asking for co-operation with the Board of Health in preventing a too indiscriminate use of the charity wards by patients able to pay, was read and the chairman stated that the matter had presumably gone to the city council where is properly belonged, cases cited as an abuse of the privilege having all been from munic.pal sources. Dr.

Akerman stated that the Hospital Board of Managers feels that the wards of the institution and the ambulance are at the service of the needy public

had recently had the "fish" alley at Front street market paved and had laid 430 feet of drainage from Water and Walnut streets to the river at a cost of \$125, the pipe having been furnished by the A. C. L , and the repair work having relieved the flooded condition of those premises during rainy weather. Permission had been given the O. R., L. & P. Co. to extend a switch at Ninth and Orange streets into the company's yards there, the effect being to facilitate the handling and to relieve the congestion of cars on Princess street. Mr. Yopp also reported that the committee had twice called for bids for the Market street The company is for the purpose of drainage, but that on both occasions the proposals were reing and dealing in fertilizers, fertilizer garded as excessive and were materials and products. F. W. Davis rejected. It was the committee's idea is named as agent, upon whom pro- that the city could do the work itself cess may be served. The company has and save \$1,000. As to the paving of Market street, he said that the committee was waiting on samples of cerupon \$5,000. The stock is divided into tain brick for testing purposes and shares of \$10 each and are held as fol- that they would arrive this week. Mr. Behrends entered a protest against the city's doing the work, as he said experience had taught that all public work lotte, two shares. The charter is could be done cheapest by contract. Competition is rather lively and the bidders usually scale prices down to a minimum. Members of the committee, however, were quite positive that a big saving could be made by entrusting the work to the city engineer and superintendent of streets, who had figured very closely on the cost of the

Under report of Police Committee the resignation of Officer W. M. Har riss was accepted and Sub Policeman J. W. English was elected in his stead. Chairman Behrends, of the Water perior Court in this city, summons in Works Committee, reported a plan in

Wholesale and Betail, 119 Market Street.

tem, which moved the mayor to remark that other committees were having trouble to get material as well as the Streets and Wharves Committee. Contractors, Mr. Murrell said, wouldn't bid on removing the Fifth Ward Hook and Ladder Hall as the limit of \$250 was too small. However, the committee is working on another plan. The ordinance giving the hospital ambulance and police patrol wagon right of way on the streets, which came over from last meeting on objection of Alderman Hashagen. was call-
