A COLORED SHOPLIFTER.

Search of Negro Woman's House Yesterday Disclosed a Large Quantity of Stolen Goods—Arrested.

City Detective Robert Green, in cooperation with the police department, yesterday landed in the station house Viola Edwards, a colored domestic, against whom it looks as if a case of systematic shop lifting will be developed. The woman was arrested by Policeman E. L. Smith at her home in St. James' avenue, near Eighth and Dock streets, and a search of the house prior to that time by Capt. Green disclosed that her home was a veritable store house for plunder. A quantity of dry goods, including several fine silk skirts, which were later identified by Mr. M. Braddy, of the Paris Millinery Store, were taken from the place to Chief of Police Furlong's office, where they await claim by the rightful owners.

The Edwards woman lately nursed for Mr. R. W. Wallace, who now lives at 514 Dock street, and a room there was recently plundered by the woman and about \$25 or \$30 and other property stolen. Mr. Wallace placed the case in the hands of Capt. Green a few days ago and yesterday he had collected sufficient evidence upon which to base a search warrant. Accompanied by Mr. Wallace, Capt. Green went to the woman's house and there the disclosures were made and an amount of money recovered, a part of which Mr. Wallace says is of the same denomination and description of that stolen from him. The woman was not at home and a policeman was stationed there until she returned.

LOCAL DOTS.

A number of extra policemen have been added to the force by Chief Furlong for Carnival week and the department is preserving excellent order.

Cotton receipts yesterday were 3,609 bales against 1,694 bales same day last year. The market was dull at 9 1/2c. Spindle turpentine advanced yesterday to 55 1/2c. tone firm.

Ed. Mosely, colored, was sent to the reids for 30 days by the Mayor yesterday on charge of disorderly conduct. Other cases in the police court yesterday were of no interest.

By deed filed for record yesterday Jasper C. Sailer, of New York, transferred to Mrs. Mary H. Kenan for \$10,500, the latter residence at southwest corner of Third and Orange streets.

Jim Judge has returned to town and last night he was arrested by Justice Bortman and remanded to jail, judgment in a recent case against him having been suspended upon condition that he leave town.

Willie Hall, aged five years, who lived at 511 Castle street, died Monday afternoon of appendicitis. The funeral was conducted at 11 o'clock yesterday morning by Rev. F. M. Shambarger and the remains were laid to rest in Bellevue.

Louis Lavender, alias "Skeel," a notorious negro thief, was arrested by Policeman Jones yesterday, charged with the larceny of a cloak from a Syrian merchant, on South Front street, which garment he later attempted to sell back to the man from whom it had been stolen.

The A. C. L. train from the North was more than an hour late yesterday morning on account of waiting for the Maria Wainwright Company at Goldsboro. The company played at Raleigh Monday night and came over the Southern to Goldsboro.

The steamer "City of Fayetteville" arrived yesterday afternoon. Among her passengers were Maj. Chas. H. Hays and Col. W. S. Cook. The steamer "Johnson" arrived from up the Cape Fear and will make another trip up the same river before returning to the Black River run.

Board of Audit and Finance.
The City Board of Audit and Finance met in regular session last night, but transacted no business of general interest. All members were present except Messrs. McNeil and Orrell. The contracts for coal as awarded by the Board of Aldermen were approved, and 18 coupons amounting to \$970, which had been paid, were burned. The usual bills for current expenses were examined and approved.

Death of Young Engineer.
Mr. Charles H. Kemp, an engineer, employed at the Angola Lumber Co., died yesterday afternoon at the James Walker Memorial Hospital after a brief illness. Mr. Kemp was a young man and moved to Wilmington only a short time ago. He boarded at the residence of Mr. J. E. Wilkinson, No. 714 North Fourth street. It is presumed that his remains will be sent to his former home for interment.

Hankins Boy Still Held.
Charlie Hankins, the young negro boy arrested for attempting to snatch a purse from two women on Princess street Monday night, is still held at the station house while the police are trying to ascertain the names of the parties whom he attacked. The stolen breast-pin also awaits identification. The boy now set up the defense that he was throwing confetti.

REIGN OF CARNIVAL.

Street Fair Opened in All Its Glory Yesterday Afternoon and Last Night.

THE PARADE AND FIREWORKS.

Spectacular Feature of the Week Takes Place To-night—Naval Reserves Make a Show—Country Store Doing a Good Business.

The section of Market street, between Front and Third, assumed carnival proportions yesterday, and all day long until a late hour last night the midway was crowded. The various attractions were well patronized, and if nothing unforeseen occurs the Junior Order of United American Mechanics will make a big success of the enterprise, both financially and from the viewpoint of entertainment furnished to those with a taste for confetti and the hundred and one other distinctive features of the modern street fair.

The various attractions opened yesterday afternoon at 1 o'clock and immediately the people began to crowd the tents. The splendors in front, the band, the popping of torpedo canes, the blowing of "zooks" and the tinkling of the striking machine bell, with the plaintive notes of the hobby-horse steam organette, all served to remind one that the merry carnival season was on again. The atmosphere was pleasant for the absence of kicks and everywhere the best of feeling prevailed. The crowd reached their maximum about 9 o'clock last night. One could scarcely pick a way through the vast throngs and young people threw confetti like flenda. A carload of the tiny parties must have been sold at "five-a-bag." It rained in sheets in the more populous center, but very few became angry. Amidst all the throngs only one arrest was made for an unpleasant incident. A young white man was taken to the police station for pushing another man over a young white girl, but he disclaimed any purpose to be disorderly.

The location of the principal shows was given in yesterday's paper. The "Red Dots" is situated on the north side of Market, immediately facing Front street, and the others face the Ferris wheel in the centre of Second and Market.

On the south side of Market, just east of the Ferris wheel, the Wilmington Division of Naval Reserves has put on an excellent attraction in the way of a museum, where are displayed their Spanish war curiosities, artillery, etc. The show will open this afternoon and the sailors deserve the patronage of the multitude.

The "country store," a local enterprise, is situated at Front and Market streets, and is in charge of the Daughters of Liberty, the ladies' organization of the Jr. O. U. A. M., and they are personally conducting it. The "store" did a smashing good business last night and the stock of good things offered for sale by an attractive method was almost exhausted. Merchants who can assist the ladies by sending other donations will confer a great favor by so doing.

To-day and to-night will be the crowning season of the fair. All the shows will open this afternoon and continue until midnight. This evening the feature of the entire carnival parade of the local military, prominent citizens, Fire Department, business designs and by no means least the beautiful flag effect by one hundred patriotic "Juniors" in charge of Chairman A. Watkins, of the Parade Committee, and Capt. E. P. Dudley, assistant marshal. The parade will be along the route given in yesterday's paper to Ninth and Red Cross streets, where the elaborate display of fireworks will take place. A feature of the parade will be the splendid carnival band which the BRAS inadvertently failed to mention yesterday. For the purpose of joining the parade all members of the Carnival Executive Committee are asked to meet at headquarters promptly at 7:30 o'clock to-night where carriages will be in waiting for them. Chairman Watkins has a final meeting with the Jr. O. U. A. M. committee last night and he is confident of making a fine showing. All who will participate in the parade are asked to report also at headquarters at 7:30 o'clock this evening in costume. They will move in time to be at Front and Orange streets by 7:45 o'clock where the procession will form and move half hour later. State Councilor Geo. E. Hood will arrive at 6 o'clock this evening from Goldsboro and will be met at the station by the committee who will escort him to The Orion and later to a carriage for the parade.

A free feature of the carnival is a death-defying trapeze act by "Perdico," a Wilmington boy, who appears each afternoon and at 10 o'clock nightly in front of the Bonits House. The act is highly creditable and daring.

Show Negro Stele Clothes.
At the request of one of the carnival showmen, Policeman Frank George last night arrested at Second and Market streets Ben Carroll, a negro who worked at one of the manager with a new suit of black clothes which he could give no account of buying. The show manager promptly had the negro arrested and the clothes await identification at the City Hall.

THE DISPENSARY PETITIONS.

Denial Which is Not a Denial and Correction Which is Not a Correction. A Statement Here.

Despite the statements contained in an interview with a "member of the Anti-Saloon League Executive Committee" and printed in an afternoon paper yesterday to the effect that none of the petitions asking for a dispensary election "have left his office yet," the local reporter of this paper, who has no feeling whatever in the matter except to substantiate his previous unbiased assertion to the contrary, has in his possession affidavits that some petitions are out and that signatures are being asked for. Furthermore, he has the admission by telephone last night of the aforesaid "member of the Executive Committee" that "some" petitions are out and the stumper may be "half a dozen; perhaps a dozen." In justice, however, to the Executive Committee man referred to, it is here stated that the idea he meant to convey in the interview was that while a few of the petitions were in the hands of some of the more ardent workers, no systematic effort had yet been commenced to further the movement and none would be until the Executive Committee meets Friday night. The work now being done is spasmodic in its character, but when the books are canvassed by the committee, systematic effort will be inaugurated.

In the light of the above there is no use to make further reply to the quotation from the interview that "up to the present time no effort has been made to secure signatures to the petitions and no work has been done since the meeting Friday night." It is also unnecessary for the reporter to make an argument in behalf of the authenticity of his registration figures, which are conceded to be correct with the exception of the First ward in which it is claimed in contradiction of the figures printed in these columns, that the registration is 504, when only 430 votes were cast in the first primary for mayor last April, and only 445 votes were cast for mayor in the second primary two days later.

The reporter, who makes this statement on personal grounds, has no desire to be disagreeable or throw the least impediment in the way of the movement for a dispensary election, but there are some things the average newspaper man cannot stand, and that is to be told flatly in print that he lied in print, when the facts are on his side of the case.

FUNERAL OF MRS. MEIER.

Impressive Services Conducted Over Remains of Good Woman Yesterday.

The funeral of the late Mrs. Maria Meier, wife of Capt. Joseph Meier, was conducted at 4 o'clock yesterday afternoon from Grace M. E. church in the presence of a very large gathering of friends. The services were very impressive and were by Rev. J. N. Cole, assisted by Rev. J. W. Potter. Special music was rendered by the choir and a wealth of beautiful flowers was laid upon the grave.

The pall-bearers were: Honorary, Dr. T. B. Kingsbury and Mr. J. H. Borenman; active, Messrs. John Haar, A. J. Marshall, E. Pocsell, H. M. Foard, A. G. Hankins and W. B. Cooper. The remains were quietly laid to rest in Oakdale.

CIRCUSES GANGL DATE.

Heavy Railroad Rates and Poor Business Force the Big Fellows Out.

On account of heavy railroad rates and generally poor business in the State, both Walter L. Main's and Sig. Santelli's circuses, which were booked to appear here Nov. 9th and Nov. 24, respectively, have cancelled their Wilmington dates. The information came in a letter to the C. R. L. & P. Co., which had made all arrangements for handling the people to the big tented enterprises at the Delgado switch on the suburban line. There is bitter disappointment in the announcement for the small boys and likewise to some older citizens, who always take the "little fellows to see the animals."

Y. M. C. A. Advertisers.
The Boston Stars, the opening attraction to the Y. M. C. A. Star Course, entertained a large and fashionable audience last evening. There were few vacant seats. The programme was nicely arranged and all were delightfully entertained. Many times were the performers recalled. Miss Harvey, as reciter, and Miss Blokford as soprano, deserve special mention. Mr. Reynolds was fully up to the standard as humorist. The next attraction in the Star Course is the company of Chicago Lady Entertainers.

Marriage at Southport To-day.
The steamer "Sanders" has been chartered and this morning at 8 o'clock will take to Southport a party of young people from Wilmington to attend the marriage of Miss Margaret Louise B. George, daughter of Capt. and Mrs. William S. George, of Southport, and Mr. William Henderson Stone, Jr., of Little River, S. C. The wedding will take place at high noon at the Trinity Methodist church. Mr. Stone and bride will pass through the city and arrive at Southport on the morning of the 23rd.

TERRY IS ARRAIGNED.

Preliminary of Important Murder Trial in New Hanover Superior Court.

THE SESSION YESTERDAY.

Defendant Present and Motion for Continuance Made—Removal to Another County—Other Proceedings of Day—Road Sentences.

S. Hill Terry, charged with the murder of his son-in-law, George Tate Bland, at the latter's home in Brooklyn fifteen days ago, was formally arraigned before Judge Brown in the Superior Court yesterday morning. The prisoner pleaded not guilty to the charge and was accompanied by the usual formalities and immediately thereafter defendant's counsel made a motion for continuance until next term upon the ground that sufficient time had not been given for the preparation of a defence. Solicitor Duffy on the other hand urged a speedy trial and said he was ready with the prosecution. Judge Brown denied the motion for continuance and set the case for trial beginning next Monday, Oct. 26th. Messrs. Bellamy & Bellamy, Russell & Gore, counsel for Terry, then notified the court that they desired to make another motion on the following day. Judge Brown said he would hear the motion and to that end, ordered that the prisoner be again brought into court this morning as soon as the day's session convened. While counsel made no intimation of the character of the motion to be made, it is learned upon pretty good authority that they will ask for removal to another county. Counsel for the State thinks that a request for such an extraordinary step will be denied and that the trial will go on as set by the Judge but attorneys on the other side appear just as confident that the case will not be tried at this term.

Besides Messrs. Bellamy & Bellamy and Russell & Gore, counsel for Terry, Walter E. Gafford, Esq., has been retained by the defence. Messrs. Lewis & Schultze, of Whiteville; E. S. Koonce, Esq., of Jacksonville, N. C.; Solicitor Duffy's law partner, and J. F. Sellers, Esq., of this city, it is said, will assist in the prosecution. Mr. J. B. Schultze, of Whiteville, arrived yesterday and conferred with the Solicitor. The defendant appeared in court yesterday in rather an indifferent kind of way and did not seem nervous. He shows the effect of confinement a little in the bleaching of his face. His son, W. R. Terry, who has remained very faithful to his father, was among the spectators in the court room. The defendant Terry was seated in the prisoner's dock and answered without a tremor the formal questions that were put to him in the arraignment. He also listened attentively to the reading of the bill of indictment by the clerk. As soon as the arraignment and discussion of the motion was over, Terry was taken back to jail.

Rather more rapid progress was made on the criminal docket in court yesterday, and there now remains for trial to-day only the cases against the women of alleged ill repute for selling beer without license and Charles Dunston, colored, for an assault with a deadly weapon upon his daughter. He had previously been convicted of carrying concealed weapons, the verdict having been rendered after court took a recess Monday afternoon. He is out on bond and failed to show up in court yesterday. When the beer-selling cases are disposed of, the court to-morrow will enter upon the trial of civil cases, the calendar of which has already been published.

After the arraignment of Terry yesterday, the civil suit of George A. Croft and wife against Grady Daves et al., was called up and judgment was given for plaintiffs. The most important criminal cases disposed of were those of George Boney, the negro charged with the larceny of chickens from Mr. M. C. Kreger, who was given ten months on the roads; Isaac Singleton, the colored tramp from Charleston, S. C., who was given the maximum penalty of 30 days on the roads for simple assault, the charge of attempted criminal assault upon the little colored girl, Sarah E. Payne, not having been sustained, and Robert Martin, who pleaded guilty of abandonment and was required to pay the costs of the case and \$1.50 per week to his wife through the clerk of the Superior Court.

Owen Bonham, charged with larceny, was found not guilty and the jury in the case of Etta Pugh and Wm. Crawford, charged with an affray, returned a verdict of guilty as to Crawford and not guilty as to Pugh. Crawford was given 90 days on the roads. A nol. pros. was taken by the solicitor in the case of Magpie Crawford and Etta Pugh, charged with an assault with a deadly weapon. J. H. Taylor, colored, pleaded guilty to an assault with a deadly weapon and was sentenced to 60 days on the roads or to pay the costs. Thos. Williams, charged with disorderly conduct, on appeal from the Mayor's court, was found not guilty.

Richard King and A. O. Lyons, the young negroes charged with crap shooting, were placed on trial and a verdict of guilty returned. Lyons, who was given 30 days.

Judgment absolute according to set in a case of J. A. Norris, an ex-convict, who was taken by the solicitor by his appearance in court to answer a charge of carrying concealed weapons. Judge Brown ordered that the cash bond be forfeited; the costs of the action paid and the balance paid over to the treasurer of the school fund.

The grand jury yesterday completed its work and will make its report first thing this morning. The jury at this term did not have to visit the various counties last year.

LADY'S NARROW ESCAPE.

Woman and Child Run Over by Runaway Team and Baby Carriage Smashed Occupant Slightly Injured.

That Mrs. William J. Hart and her little two-year old son whom she was pushing in a baby carriage, were not one or both killed yesterday afternoon about 5 o'clock at Fifth and Dock streets is due to the hand of a kind Providence. A runaway horse attached to a delivery wagon of the Wilmington Grocery Co. bore down upon them with all the fury of a maddened cyclone, smashed the baby carriage into smithereens, threw the boy to the sidewalk and knocked the mother down. The frightened woman picked up her child, only slightly hurt; and proceeded down town where she had started, but later her nerves collapsed and she had to be sent home in a carriage. A physician is attending her, and though she has several bad bruises and one of her arms is crushed right badly, she will probably recover in a day or two. The child was the least injured. The runaway horse smashed into a tree on the sidewalk and stopped soon after running into Mrs. Hart and child.

Mrs. Hart is the wife of a well known carpenter, who lives at 619 South Sixth street, and is sister-in-law of Mr. Jno. T. Yates, superintendent of the city fire alarm system.

COMING ACADEMY ATTRACTIONS.

"Holy-Toly" To-morrow Night—Week-End Bills of Distinction.

The sale of seats for Weber & Fields, magnificent production of "Holy-Toly" at the Academy of Music Thursday evening begins this morning at 8:30 o'clock at Plummer's. Seats will be \$1.50 and \$1 and the audience promises to be one of the largest and most fashionable of the season. The company appeared in Charlotte last week and the Observer critic says of the production:

"Holy Toly" was played to a large and evidently appreciative audience at the Academy of Music last night. It is a Weber & Fields affair, and therefore lacks any sort of cohesive force or plot, but it is full of pretty scenic effects and displays magnificent stage furnishings and gorgeous costumes. The music is tuneful and catchy, and the comedy is of the Weber & Fields dialogic type which never fails to produce mirth from the ordinary audience. In the hands of the performers who handled it last night "Holy-Toly" fares well enough. They have plenty of snap and breeziness, and a combination of good leads and only a fairly well favored but athletic chorus carries the piece with a rush and spirit that are good for the blues.

"Sweet Sixteen"—This is the attraction that is booked to appear at the Academy Friday night. It is a Weber & Fields affair, and the mere announcement of this organization is a sufficient guarantee to fill the popular play-house from pit to dome. This snappy and up-to-date musical comedy introduces a bevy of handsome young ladies fashionably costumed. The scenery is entirely new and carried by the company. The vaudeville portion consists of nothing but head liners. The comedians are very clever, and are of the mirth-provoking kind. This organization bristles with good humor and is sure to please the patrons of this popular theatre. Prices will be 35c and 50c. Saturday matinee "Two Old Cronies" will be presented as a special offering for the ladies and children and Saturday night the brand new farce comedy "At Atlantic City" will be the attraction.

THE NEWS FROM RALEIGH.

Insurance Underwriters in Session—State Fair—Reunion of Veterans. [Special Star Telegram.]

RALEIGH, N. C., Oct. 20.—The North Carolina Underwriters' Association, in annual session here to-night, elected the following officers for the ensuing year: President, A. B. Dufferfield; Vice President, H. C. Bragaw, Washington; Secretary and Treasurer, S. M. Boatwright, Wilmington; Executive Committee, W. J. Griswold, Durham; G. F. Harvey, Kinston; J. Van B. Mett, Wilmington; R. W. Murray, Greensboro; W. W. Smith, Raleigh.

President W. J. Griswold, of Durham, in an address retiring from the presidency, made a stirring appeal for loyalty to the Southern Tariff Association and its machinery. The resident agents' law was criticized and a committee was appointed to urge its repeal by the next Legislature. The membership has made a material increase during the year.

The State Fair was opened at noon by Hon. R. H. Battle, owing to the illness of Governor Aycock, who had a chill this morning but is now much better. The crowds are much larger than ever known for Tuesday of a Fair week. There was the largest first attendance of marshals on record. Col. Morton is leaving no stone unturned for success of this feature of the fair. He is attended by H. M. Chase, M. C. McIntosh, R. G. Grady, E. S. Pigford, Clayton Gille, Jr., D. M. Eascher, H. L. Voller, J. Van B. Metts and R. L. Williams, from Wilmington. Other marshals are here from all parts of the State.
