What was it that President Boose-Telt said to Ray Stanard Baker when he dined at the White House?

By sending in General Wood? tomation for Major General scole and the second be after bemolito Annanias.

Continue the open door of hope for Crum and leave one more hole for Wood to crawl in, is what Roose teit means by again sending in their comination to the Senate.

laving an eye on President Roosetetts message as to the Panama matter, he impresses us as much win his easy gliding plansability as be has astonished us with his unvarying indiscretions.

If Roosevelt and Payne hurry up with the prosecution of the post tice department grafters, they may serve out their terms in time to get in the swim when the Panama canal coodgate is opened by the Great asteropod of Graft.

The gore of the President's ox must be serious The Philadelphia Press (Republican) berates the Sen the for getting Congressional busito to into such a targle that a Philatelphia lawyer will take a long t me to get at the end of the skein. Contraction of the local division of the loc

The STAR craves the recognition of the chair long enough to remark that with new men and old principles as against centralization en one hand and paternalism on the other, the Democratic party will be the to stand four legged on the histings in next year's campaign.

President Rocsevelt invited Roy Manard Baker, the newspaper man whose testimony was favorable to Gen. Wood, to dine with him at the Winte House. It is hoped that the tonor paid to Roy will not cause Mater witnesses to fish for a Presiinstal invitation. The President tionat might have dined the Baker

Mr. E. P. Bailey Contends that He Has Right to Block a Thoroughfare.

The controversy between Mr. E. P. Bailey and the city authorities relative to the public or private ownership of ing to the base of the same. The brain the alley leading into the Wilmington was also impaired. Iron Works from Second street and

the right of Mr. Bailey to block half or all of the thoroughfare claimed by him, brief mentios of which has been made in these columns, developed into further conflict of opinion yesterday. Capt. W. H. Northrop, Jr., foreman; Mr. Bailey, exercising what he regards B. F. King, secretary; Reuben Grant, as his rights and foiled in his attempt Chas. Davis, John Thomas and Housto place barriers in the way, yesterday ton Moore. The investigation began displayed red fligs and warnings of

danger in the mouth of the alley. These were removed under orders of Chief of Pollee Furiong, when his sttention was called to the matter. Red topsy, which was at once ordered. lanterns and other danger signals were also removed by the police last night and carried to the station. Mr. Bailey still contends that the property is priwate and he has a right to place what he pleases thereon, and, as staled yesterday, a civil proceeding may be brought to determine the controversy. MARRIED YESTERDAY EVENING.

Pretty Service is St Matthew's English Latheran Church.

In the presence of a large assemblage of their friends in St. Matthew's English Lutheran church last night at 8 o'clock, Miss Lee A. Skipper, an attractive young lady of this city, and Mr. George A. Peterson, were married in a beautiful service by the Bev. C.

W. Kegley, pastor of the congregation. The church was very prettily and eff-ctively decorated with plants and flowers and the solemn scene was beautiful indeed. Mr. and Mrs. Poterson received the

happiest congratulations of their friends after the ceremony. They will reside in Wilmiegton.

compliment to Prof. Catlett. Pro'. Washington Catlett, principal

Yesterday's Newbern Journal says "Those who were at the Mildred-Rouclere entertainment last night and disposed to think lightly of vaudeville must have had to change their opinfor this sale. ion, for certainly the acts produced last night were most assuredly wonder workers. It was beyond doubt the best vaudeville that has ever visted this city and it has artists who stand at the head of their profession. "Rouclere as a sleight of hand ma-

nipulator was a marvel which few can equal. His act was one as puzzling as it was pleasing and pleasing as it was puzzling. The exhibition of mental phenomena by Mildred was a wonder-

ful example of mind reading. Her talent as displayed in an audience where she was a complete stranger, read the minds of the people in the house, was one which alone was worth the price of admission. The act consisting of the Flight of Princess Iris was composed of a series of illusions of

astonishing cleverness. "The Kitamuras Troupe of Japanese acrobats won the admiration of the house, particularly in the drum balancing feature, which was performed with perfection and to the entire satisfaction of the spectators.'

The company will be seen at the Academy here the three remaining nights of this week and Saturday matinee. Seats now on sale at Plummer's.

Of the Harris-Parkinson Company, which plays at the Academy next week at popular prices, yesterday's Raleigh News and Observer says:

"In Suany Tennessee," as given last night at the Academy of Music by the Architect H. P. S. Keller, it is un Harris-Parkinson Company, was a derstood, has drawn plans for the explay that charmed the audience.
