> For One Year . . . \$4.00. For Six Months . . . \$2.00.

Positively, no subscription will be taken at the reduced rates for a period less than six months. For one month the price will be, as heretofore, \$1.25 for three months; or, fifty cents for one month.

This offer, as will be noted, is for a limited period only, and is made for the purpose of giving those who appreciate the value of a daily newspaper an opportunity to read the STAR for six months, or more, at a cost of about one and a quarter cents per copy, and then determine whether or not they will continue their subscription at the regular price.

No name will be entered on our books under this offer unless the order is accompanied with the cash. While this proposition is made primarily to secure new subscribers, old subscribers outside the city may avail themselves of its advantages at the reduced rate

six months in advance. On account of the heavy expense attached to our city circulation department this offer does not apply

provided they pay all arrearages and for not less than
