LABOR DAY OUTINGS

Official Celebration by Trades Unions and Address by Hon. A. M. Waddell

ON TO CAROLINA BEACH! Parade and General Suspension of Business in the City—Attractions and Big Crowd Expected at Wrightsville.

Members of the Central Labor Union and their friends have arranged for a fitting observance of Labor Day at Carolina Beach tomorrow.

The Consolidated Company has arranged to handle an unusually large crowd and has provided added attractions at Wrightsville Beach for the occasion.

A majority of the places of business in the city will be closed for the day and all in the great American holiday in Wilmington, with any thing like favorable weather conditions, will be very generally observed by the people at large.

The official celebration of the day by the unions will be featured by a parade during the morning and an address in the pavilion at Carolina Beach by Hon. A. M. Waddell, mayor of the city, who on yesterday accepted a very pressing invitation from the committee to attend the celebration and speak briefly.

The Delgado Cornet Band has been engaged to furnish music for the day and the steamship Wilmington has been chartered for five trips during the day and early evening to handle the large crowds that are expected.

There will be music and dancing all day in the pavilion and a good time for all who join in the celebration is assured.

Members of the allied trades unions of the city will assemble at Front and Princess streets at 9:30 o'clock tomorrow morning and will form into a parade under direction of Mr. E. C. Yarborough, who has been chosen chief marshal.

His aides Messrs. F. V. Huggins, of the Railway Carmen; C. Nielsen, of the Pressmen's Union; Mr. C. H. Hubbard, of the Typographical Union; Mr. J. W. Curtis, of the Machinists' Union; Mr. H. Whitney, of the Plumbers' Union, and Mr. E. C. Yarborough, of the L. B. E. W. The parade will be headed by a platoon of police and the Delgado Band.

One or more of the companies of the Fire Department, with apparatus, will also take part.

The parade will be in what is known as open formation and will march from Front and Princess streets to Chesnut, thence to Fifth, to Orange, to Front, to Market, to water and the Wilmington dock, boarding the steamer and leaving the city for Carolina Beach at 11 o'clock.

The address of Mayor Waddell at the beach will take place about 1 o'clock and he will be heard by an immense crowd.

There will be five trips made by the steamer Wilmington during the day. They will be at 8:30 and 11 A. M., and 2:30, 5:15 and 7:30 P. M.

The Consolidated Company has given a rate of 25 cents for the round trip to Wrightsville Beach and Lumberton for the mecca to which hundreds of people will flock.

There will be boating, fishing, bowling, music and dancing for the enjoyment of everyone.

An excursion from Wadesboro and intermediate points on the Seaboard Air Line will bring to the city a large crowd of visitors, who will swell the throngs at both resorts.

While the great majority of Wilmington people will go to either Carolina or Wrightsville Beach, many others will avail themselves of the opportunity to visit Fayetteville afforded by Knight's excursion.

The special train will leave in the morning and return the same night.

High Class Vaudeville Will Inaugurate Season Tuesday Night.

Vaudeville such as is only seen on special occasions at Keith's and Proctor's will be given at the Academy of Music Tuesday night.

The performance Tuesday night will be an innovation for vaudeville in the South and will make up a superb attraction.

The company is one of the most expensive on the road, as each artist gets several hundred dollars salary.

Among these artists are May Yore and Bradley Strong, the pair whose marriage was in the lime light not so very long ago; Bonnie Thornton, James Thornton and Flo Irwin, the talented sister of May Irwin.

For this attraction there will be no advance in prices, and the sale of seats will be on sale at Plummer's Monday morning.

ARRESTED FOR KANSAS CITY

Man and Wife Who Conducted Fortune Teller's Booth at Wrightsville Past Summer are Held.

Upon telegraphic advices from Kansas City, Mo., that they are believed to be Prof. Harrington and wife, wanted there for obtaining money under false pretences, Chief of Police Williams late last night caused the arrest of C. J. Cooley and wife, Madame Dan, who have been conducting a fortune teller's booth at the Lumina pavilion, on Wrightsville Beach, the past summer.

The arrest of the man and woman was by Police Sergeant J. R. Hardee and Officer Walker, at the boarding place of the strangers on east side of Second, between Market and Dock streets.

They have nearly completed their season at Wrightsville and in a short time expected to move to some other point for the winter. Both stoutly deny that they are the persons wanted and point out that the description furnished by the Kansas City authorities does not fit them.

A telegram has been sent by Chief Williams to Chief of Police Vernon J. Rose, who authorized the arrest and steps will be taken at once by an exchange of photographs or otherwise to establish the identity of the persons under detention here.

Mr. Cooley and his wife have been here since last November and previous to that time give account of carnivals and street fairs in the North. They are being detained at the police station, pending advices from Kansas City.

MR. BUNTING TO BUILD.

Handsome New Business Structure For Lower Princess Street.

Mr. Justin M. Bunting, who recently purchased a building site of the Garrell property on Princess street, announces that work will begin Tuesday in tearing out the old stable building on the site to make ready for a handsome new two-story brick business house which he will erect there. The building will be plate glass and sand stone front. There will be a store and office on the first floor and five office rooms on the second floor.

The building will be modern in every respect and will add considerably to the appearance of that section.

Mr. Jno. F. Garrell, who has sold the other portion of the property except what was formerly the jail residence, next west of the old Court House, will decide this week whether or not he will also erect a handsome business building on addition on the east side of the one to be erected by Mr. Bunting. Mr. Garrell favors erecting a three-story structure but the two buildings will conform to the same architectural design. It is hoped that Mr. Garrell will also decide to build on the property.

Hollowbush's Academy Orchestra.

Hollowbush's Academy Orchestra has opened headquarters on the second floor of the former Wilmington Savings and Trust Company's bank office house, on Princess street, now occupied by Mr. W. M. Cunningham in the same apartments.

Woods was represented by William J. Bellamy, Esq.

Mr. Kellum to Speak.

State Superintendent of Public Instruction J. Y. Joiner, on account of a trip to New York, finds it impossible to meet his engagement to deliver an educational address at Southport tomorrow, and has asked Woods' Kellum Esq. of this city, to fill the appointment. DURHAM SENSATION

Ex-Mayor of the City Assaulted Judge Geo. W. Ward of Superior Court

INCENSED AT LIGHT SENTENCE Relative of Victim Thought Punishment of Negro For Manslaughter Insufficient, Flew Into Blind Rage—Held for Contempt.

(Special Star Telegram.) Durham, N. C., Sept. 2.—To-day in the Superior Court Allen Haskins, a negro was tried for shooting and killing I. C. Day, a white man. The negro was convicted of manslaughter and sentenced by Judge Geo. W. Ward to 15 months on the county roads.

The sentence so outraged former Mayor M. E. McCown, an uncle of the deceased, I. C. Day, that to-night between 6 and 7 o'clock he proceeded to the room of Judge Ward in a boarding house and protested that the sentence was "out of all proportion to the negro's crime."

He demanded that the sentence be set aside or made larger. Judge Ward declined to do so, whereupon McCown flew into a rage, cursed the judge and assaulted him. Several severe scalp wounds were inflicted upon his honor and his face was badly lacerated.

McCown was arrested and at 9 o'clock to-night was given a hearing on the charge of contempt of court. He was sentenced to 30 days in jail and to pay a fine of \$200. An appeal was taken. The affair has caused a great sensation here.

Another Account.

Charlotte, N. C., September 2.—A special from Durham says that M. E. McCown, ex-mayor of Durham, assaulted Judge George W. Ward, of the first judicial district, knocking him to the floor of the hotel lobby. The assault was occasioned by the imposing of a two years sentence on Allen Haskins, colored, by Judge Ward at the afternoon session of the Superior Court, for killing I. C. Day, who was a nephew of McCown. The attack was the occasion of some excitement. Judge Ward's assault was immediately attached for contempt, and is being given on a hearing in the Durham county court house to-night.

MAYOR'S COURT YESTERDAY.

Five Defendants Told Their Troubles to the Mayor Yesterday.

The municipal court "got busy" yesterday after several days of inactivity. Five cases had been docketed, though none of them was important. George Townsend, a negro, charged with creating a disturbance in Mr. Albert Rothschild's saloon, at Nutt and Red Cross streets, Friday night, advancing upon the proprietor of the place, in a threatening manner, was fined \$10 and costs. He was represented by William J. Bellamy and Brooke G. Empire Esq.

W. J. Jones, a white man, found asleep on the postoffice green after Friday midnight, was let off with the costs. Scipio Ashe, colored, an old offender, charged with being drunk and down, was fined \$5 and costs. Maggie Davis, colored, was taxed with \$10 and costs for disorderly conduct.

Milton Thomas, white, charged with being drunk and disorderly, was let off with the costs. STATE HOSPITAL INCIDENT.

Coroner's Jury Inquiring Into Death of Manias Nall.

(Special Star Telegram.) Raleigh, N. C., September 2.—The coroner's hearing of the evidence in the case of the death of Nall, the maniac who died after a chase by State Hospital attendants on Thursday, was private to-day and was continued. Solicitor Jones appeared. After consultation, the coroner announced to the public that he wished to discuss some information with the jury privately and the result would be announced later. He said he was advised by the solicitor that the proceedings were ex parte and that it would be improper and not according to law to place the hospital attendants on the stand at this stage of the proceedings. He said there was nothing to announce as to when the examination would be resumed but it is thought as soon as some witnesses from Chatham county, who saw the body come here, the examination will be continued as early as possible Monday.
