Tuesday Morning, Oct. 24.

WILMINGTON, N. C.

MISS ROOSEVELT'S PRES-ENTS.

The press of the entire country is discussing the predicament over the presents which were made to Miss Alice Roosevelt by foreign The John C. Winston Company, Philarulers and others while she was abroad this Summer. The New York Times makes this interesting and suggestive reference to the matter:

"If the Congress were to pass a Transcript. ment of import duties the gifts cut their hair will never be popular special bill relieving from payreceived by the daughter of the too much from short-haired women President during her recent trip, and long-haired men.-Washington we do not believe that there would Post. be a score of Americans who would object. But there are dif- the United States as an attraction at ficulties in the way of this disposition of the matter. One is that day we will be willing to compare such a bill in its progress through crowds with them.-Columbia Record. the two houses, while its essential purposes would be accepted as President was induced to stop at Lexgood, would probably and not un-reasonably arouse a debate as to him a majority in the last National the extremely foolish law under election." Must be a mistake about which duties are required in such that. Our recollection is that Roosecases. That is an experience that velt carried more counties than the the friends and beneficiaries of Charlotte Chronicle. the tariff wish at all costs to avoid __United States army engineers if it be possible. And in this in- have reported that for an outlay of stance it is obvious that the incon- from \$8,000,000 to \$10,000,000, a fourvenience and absurdity of fining the President for courtesies shown to his daughter not on her or his to his daughter, not on her or his tow such systems of navigation as personal account, but wholly on those of the Mississippi and the great account of his official position, lakes. It may be practicable to go by are only the natural consequence fresh water from Montreal to New Orof the excessive animosity toward leans yet.—Montreal Gazette. foreign goods which lies at the lation of the late Oscar Wilde's "De bottom of the tariff laws. Another Profundis" has found an extensive difficulty is in the fact that Mr. sale, it is thought to be not unlikely Roosevelt, with characteristic di. that things will happen over the verrectness, has declared that he nacular version. The sale profits of the version, it is stated, amount, so would pay the duties as any other far, to between £800 and £900. This citizen would, and he might be sum is claimed by the official Receiver embarrassed by having submitted in Bankruptcy for the benefit of the for his signature a measure of this sort. Meanwhile the ridiculous aspect of the matter may turn lous aspect of the matter may turn of that Wallace house gavel in the attention to the real cause of it. Timrod library in Columbia for use in his Clansman. That by the way, We hope that it will." It is said that Miss Roosevelt's ought to be regarded as the most sa-

presents are valued at \$100,000 to announce the downfall of the worst and that the tariff duty on them government in the history of the world and the uprising of the rule of the is \$25,000. Of course the country white race in the South. It literally would not like to have President struck the shackles of barbarous ty-Roosevelt pay the duty but there It would be a good thing for Mr. Dixon. is no other way out of it. He to have in connection with his study would not permit an exception in us another play taking in that very his case, but the incident will exciting incident in our history.-Florserve to show the balance of us how much we pay in tariff duties, not so much on foreign goods that we may use but on the increased Tommy-It's what pa cuts off o' the price which the tariff enables peach tree after he called me three manufacturers to tack on in order Leader. to get the benefit of the protection which is levied on the people in for you, dear. Bobbit-Pa, won't you markets were unchanged to 3-16c their interest by the President's Pa-Why do you want to break it, son? party.

THE PRESIDENT AND SOCIAL EQUALITY.

Says our esteemed contemporary the Charlotte Chronicle:

"In his talk with Clarence H. Poe, at Raleigh, President Roosevelt declared himself keenly in- you'll have no money left for alimony terested in Southern affairs, and if you don't look out."-Yonkers anxious to hold up the hands of Statesman. broad men like ex-Governor Aycock and Bishop Strange. 'I wish to follow your conservative and Mr. Greatman-Oh, no doubt, no doubt. liberal Southern leaders; not try It's often been published. Strangerto impress views of my own, said Then I was not mistaken. What were the President. On the question of you cured of-London Tit-Bits. social equality and intermarriage he is quoted as saying that he had never known a white man, North themselves. "I don't think that's at all or South, since reconstruction, right. One of those careless policewho believed in that sort of men might shoot a valuable football player by mistake."—Cieveland Plainthing."

Still the President must remember that no Northern State has a law against inter-marriage of the eleven good men and true in the box. races. This shows that the idea One juryman arose. "Please, Judge," is not so repugnant to the masses He had to go on private business, but that they are not willing for mis- he's left his verdict with me."-New eegenationists to marry to suit themselves. It also plainly means that States which have no laws against this monstrous crime tolerate it.

Politically, President Roosevelt for years, that seemed incurable, till thought the negro Crum was good enough to force on the proud City teed cure for cuts and burns. 25c. of Charleston as collector of cus- ata R. R. Bellamy's drug store. toms and against other protests of the entire State of South Carolina. Politically, officially or socially, the President entertained Booker T. Washington at his table, but as he will take Bishop Strange and former Governor Ay cock as his advisers they will tell him that the Crum incident was an enforcement of political equality and the Washington incident was rather social from the Southern point of view.

The Star begins the publication to-day of a series of one hundred signed letters of graduates of the famed Keeley Institute at Greensboro, a new letter appearing each day. They are from men who had lost control of themselves by the excessive use of alcoholic liquors and who certify that they were completely cured by the Keeley

Burnsville, N. C., Nov. 30, 1904.

PUBLIC OFFER

Wish to Accept. Are you thin? Do you require more flesh to be really well and strong?

To every such person in Wilmington, we make the following offer: Commence at once a course of treatment with Vinol, our cod liver oil preparation, without oil, and if after you have taken what we consider enough to Jan. .12.37½ 12.37½ 12.27½ 12.27½ restore your normal weight, and has not succeeded, we will pay for all the Vinol you have taken. A prominent New York physician

the best way to gain good, solid, firm flesh is to take Vinol, for in it you get all the curative, flesh-making and strength-creating properties contained in that grand old remedy, cod liver oil, without the nauseating oil itself. It is delicious, and the weakest stomach can retain it. Thin people are usually weak and ailing, and Vinol is what they need."

Vinol acts first upon the stomach, creates an appetite for good, wholesome food, strengthens and tones up the digestive organs. Rich, red blood is sent coursing through every vein. firm flesh is created wherever it is needed and emaciated figures, hollow cheeks and sunken eyes are soon a thing of the past.

Every thin person in Wilmington should try Vinol on our guarantee. Robert R. Bellamy, Druggist.

GEORGE I. WHITNEY, President,
Whitney & Stephenson, Pittsburgh, Pa. H. L. W. Hyde, Secretary, Hyde Bros. & Co., Iron & Steel, Pittsburgh, Pa.

J. B. FINLEY, Capitalist, C. S. RITCHIE, Cashier First Nat'l Bank. Washington, Pa.

HERING & FULLER, J. J. KENNEDY, The Whitney Company has been formed for the purpose of de of the Yadkin River in North Carolina. A letter from Mr. George L. Whitney & Stephenson, Pittsburgh, President of the Company, gives the

Present development, 40,000 horse-power, with sufficient land (or the ights to build an additional 50,000 horse-power plant. Within a radius by electric power transmission) there are now 257 cotton mills, using the power, costing \$35 to \$50 per annum. There are also numerous other milting the carries and the contract of the carries and the carries are carried and the carries are carried and the carries and the carries are carried and the carried and the carries are carried and the carri within the same radius—contracts could now be made for the entire pr electric horse-power at highly remunerative rates.

Gross Annual Earnings, estimated. Operating Expenses..... Interest on Bonds.....

We quote in detail from Mr. Whitney's letter as follows: "I do not hesitate to say that the project is sound in every pa an enormous and unfailing water-power; the work is now more than an enormous and unfailing water-power; the work is now more than an enormous rapidly pushed by competent contractors, the T. A. Gillespie Company, constantly increasing demand for electric power at profitable price meanby coal fields or forced. nearby coal fields or forests, and there is no doubt that the Company

able investment from its start. "The development of this property from its inception has been in procurable in the country, and this is true of its legal and engineering tractors who have taken charge of construction, who rank second to not the electrical and hydraulic builders, who will be readily recognized as discovered to the electrical and hydraulic builders, who will be readily recognized as discovered to the electrical and hydraulic builders, who will be readily recognized as discovered to the electrical and hydraulic builders, who will be readily recognized as discovered to the electrical and hydraulic builders. "As you know, there is demand for bonds of well-planned water parties." of the permanence and large profits of such undertakings, as well as the buy desirable public utility or municipal bonds at remunerative price

offer are, in my opinion, well secured, and should sell at a considerable "Very truly yours, GEO. I well \$1,500,000 of the bonds having been sold, we say \$3,000,000 for subscription at 100 and accrued interest. Copies of the Prospectus and Mortgage can be had on application.
