Southern Agency Organized in This City for Important Work-Business Men Generally Are Interested.

The Southern Freight Claim Agency is a new enterprise recently established in Wilmington and one that promises to grow rapidly in favor with the business men not only of this city but all through this section of the Carolinas. The Claim Agency is composed of shippers and receivers of freight generally and its purpose is the promotion of the settlement of just and equitable claims against transportation lines, which, it is believed by the promoters, can best be accomplished by handling such claims through one office, fully equipped with ecords and blanks, and using a thoroughly systematic method of prepar-
