Do you worry about nothing? Startle at trifles? Feel irritable, peevish, sad and blue? Suffer from neuralgia, sick headache, dizziness, backache, bearing-down pains? If so, your nerves are stretched to the snapping point, like the strings of a fiddle twisted up out of tune, which screeches at the least touch. You are in a dangerous condition of health and need a medicine to take the strain off your nerves. If you are a woman, what has overstrung you is probably disordered menstruality, which, in women, makes more trouble, pain and nerve sickness than any other single cause. The thing to do is to follow the example, being set daily by thousands of women, and take the good, old, reliable remedy for female disease, with a record of 70 years of success, in the cure of female diseases, viz:

Mr. E. M. Andrews, the well known fursiture dealer of the added to his beautiful stock of Furniture, a Music Department special supervision of a man with seven years experience. We t these celebrated instruments:

THE FARMER HEAPS what he has pre-viously sowed. The human body reaps likewise the natural crop of weakness, pain and death if the seeds of disease have been sown by bad habits of careless-ness in eating, sleeping and exercising. KEEP WELL IF TOU CAN and when you when you have been in keeping well use need a little help in keeping well use Nature's remedies, that do not roughly stimulate but gently quicken the action of Nature's functions in a natural way.
