Biology has Proved that Dandruff is

Science is donig wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been roubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes landruff or scurf by digging into the scalp to get at the root of the hair, where saps the vitality; causing itching scalp, falling hair, and finally baldness. Without dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
