Health Advice For Women WRITE US FREELY and frankly, in strictest confidence, telling all your troubles, and stating your age. Don't Hesitate If you suffer from any kind of female troubles, don't hesitate to take Wine of Cardui. It is a medicine which, for over half a century, has proved of remarkable efficacy in just such diseases. "For the last nine years", writes Sam'l. L. Davidson, the well known real estate operator of 1655 Eliot St., Denver, Colo., "my wife suffered from female troubles, and if it had not been for Wine of Cardui she would be suffering yet. I broke up my business East to bring her here, but it did not improve her general health. Our physician could not help her, and all his skill came to naught. She asked him if there was no known cure for female trouble. He said there was a patent medicine, but would not tell her its name. So she asked her druggist, and he recommended Wine of Cardui. After trying it, my wife says that Cardui, with plenty of fresh air, will do more than all the doctors combined, and we recommend it to all female sufferers, where no surgical operation is necessary." Try it for periodical pains. S. L. Davidson. At Every Drug Store In \$1.00 Bottles
