K. Jones, R. L. milinery. Altogether the firm has 26,000 feet of floor space under the nicely arranged. From front to rear The "Dr. McKanna Temperance for the opening one finds a very tasteful decoration of plants and flowers vines from which large bunches of the delicious fruit hang in clusters, the whole lighted with incandescents, half concealed in the foliage. The effect here as we l as that all over the store, is very pretty indeed and combines with the magnificent display of goods to make a beauty-place not tobe despised. The decorations were designed by Mr. Rehder and Mr. E. C. Moore and were executed under their capable direction.

Miss Sarah Gardner assisted by Miss Maude Lee Vaughan, for several years connected with one of the largest millinery houses in Raleigh, and nine other young lady assistants are in charge of the trimming department of the millinery goods, and Miss Lottie Hobbs, assisted by Misses Burkheimer and Gerdes, is in charge of the salesroom. Miss Gardner and Mr. and Mrs. Rehder spent some weeks North in the early part of the season and they have made a beautiful and one of the largest selections ever brought to the city. More than 500 exclusive styles in hats are shown with a great variety of trimmings. The leading of the lighter materials. The leading The only other case disposed of in patterns in hats are the Georgette,

> millinery establishment. Just to the rear of the millinery de-

partment may be found a complete department of cloaks, furs, veils and the like in all colors and styles. This was made possible by the enlargement most convenient in the State. The enlargement also afforded opportunity for adding another department known as the Five, Ten and Twenty-Five Cent counters where many useful articles are attractively displayed.

The carpet room of the establishment is on the second floor in the annex. This too is very complete and the line includes every variety and price of goods including rugs, curtains, portieres and the like. Here the latest machinery is installed for
