OCTOBER WEDDINGS

Three Pretty Ceremonies Yesterday and Last Night of Much Interest to Many

POPULAR YOUNG COUPLES

Miss Alice A. Curtis and Mr. A. Warwick—Miss Emma Croom and Mr. M. F. Croom—Pretty Marriage Near Currie at Noon.

Three marriages of quite a good deal of interest to a large number of friends in this city and elsewhere, were celebrated in Wilmington and vicinity yesterday afternoon and last night. The ceremonies are described as being very pretty indeed and were attended by large numbers of friends and relatives of the parties to the marriage vows.

Curtis—Warwick.
At the home of the bride's mother, Mrs. Ruth E. Curtis, No. 809 South Fifth street, at 9 o'clock last night, a beautiful ceremony performed by the Rev. Fred D. Hale, D. D., pastor of the First Baptist Church, joined in marriage Miss Alice A. Curtis, an attractive young lady of this city, and Mr. Hardy Warwick, a popular young employe of the Cape Fear Lumber Company in Wilmington. The home which had been very prettily decorated for the occasion was thronged with admiring friends and relatives of the young people and every detail of the arrangements for the pretty affair was carried out with charming precision. The bride wore a becoming costume of white chiffon and carried a lovely bouquet of bride's roses and maiden hair ferns. She was attended as maid of honor by her friend, Miss Letitia Aman, who was similarly attired and carried carnations. The groom was attended, as best man, by Mr. W. P. Conner. They wore the conventional black with bou-tonieres of carnations.

Following the wedding Mr. and Mrs. Warwick received the happiest felicitations of their large number of friends at an elegant reception that was given in their honor. Dainty refreshments were served and a large number of very handsome wedding gifts on display showed the great popularity of the young people. One especially valued present was by the fellow-employees of Mr. Warwick at the mill, a very handsome Morris chair.

Among the out-of-town guests here for the wedding were Mr. King of Georgetown, S. C., a friend of the groom, and Mrs. H. M. Russ, of Conway, S. C., a sister of the bride.

Mr. and Mrs. Warwick will reside at No. 801 South Fifth street.

Croom—Croom.
At 9:30 o'clock last night at the home of the bride's sister, Mrs. L. M. LeGwyn, in this city, Mr. Major F. Croom and Miss Emma C. Croom, of Currie, N. C., were married in a quiet but very pretty ceremony performed by the Rev. A. D. McClure, D. D., pastor of St. Andrew's Presbyterian Church. There were present a number of intimate friends and relatives of the parties to the marriage vow and after the wedding they received the happiest congratulations of many. Elegant refreshments were served during the progress of a reception which followed the marriage. Among the guests from out of the city were: Mr. and Mrs. B. F. McLean, of Maxton, Mrs. McLean being a sister of the bride. Mr. and Mrs. Croom will make their home at the handsome residence of the groom on Dock, between Sixth and Seventh streets. Both the bride and groom have a large number of friends here and elsewhere, who will be interested and pleased to know of their marriage.

Ward—Ward.
Yesterday at high noon at Keith Presbyterian Church, five miles from Currie, N. C., on the A. & Y. railroad, a beautiful wedding joined in marriage Mr. A. D. Ward and Miss Mary C. Ward, the attractive young daughter of Sheriff A. C. Ward, of Pender county. The church was prettily decorated and the blinds having been opened, a very pretty lighting effect drawn, a very pretty lighting effect was possible, lending a rare charm to the scene. The ceremony was by the Rev. A. D. McClure, D. D., pastor of St. Andrew's Presbyterian Church, of this place, and there were present a large number of friends to witness the happy event in the lives of the young people to the marriage vow. The color scheme of the wedding was white and blue and this was very prettily carried out.

The ushers were Messrs. George Highsmith and C. D. Murphy, while the attendants were Miss Zelma Bland of Burgaw, and Mr. George Ward, Miss Belle Smith and Mr. James F. Moore; Miss Leta Larkins, of Wil-

IMMIGRANTS ARRIVE

Party of New England Farmers and Gardeners Here to Locate at Carolina Trucking Development Company's Settlement.

A party of some twenty or twenty-five intelligent, industrious and thrifty New England farmers and market gardeners arrived in the city Tuesday night and left yesterday morning for Artesia, the new suburban settlement of the Carolina Trucking & Development Co., on the W. C. & A. railroad near Whiteville where they will locate. The party was brought South by the Rev. W. S. Key and his wife, who delivered a series of lectures and addresses upon the "Resources of North Carolina" throughout the New England States during their vacation the past Summer. The party also includes a number of farm hands and mechanics, who will make their homes at the new settlement of the Development Company.

Rev. Mr. Key, who came here from the North to deliver a series of sermons on the Unitarian faith last Winter, was so signally impressed with the climate and advantages in Eastern Carolina that he decided to utilize his Summer vacation in telling others of the prospect here and the colony which arrived yesterday is the result of his first trip into New England. Should the colonists now here become satisfied with their new homes, others will come and a large number of them will locate on the large land holdings of the Carolina Trucking Development Co. in this section.

The party of settlers now at Artesia are all well-to-do, intelligent and were guests while in the city at The Orton annex. Mrs. Key joined the travelers at Philadelphia and as Dr. Key expresses it, will "mother" the women and children of the colony at their new homes which are now being located and erected for them at Artesia.

MR. J. C. GORE ASSIGNED.

Former Wilmington Man Unsuccessful in Clarkton Business Venture.

Mr. J. C. Gore, formerly with the D. L. Gore Company in this city, but for the last year or more in business for himself at Clarkton, N. C., has made an assignment for the benefit of his creditors, several of whom in this city received notice to this effect yesterday. Mr. Gore was engaged in general merchandising and poor collections is the reason assigned for the failure. It is thought that the liabilities will be about \$3,500 or \$4,000 with the assets nominally about the same.

Mr. Gore has a great many friends in Wilmington who will hear of his reverses with much regret.

MR. CLEMENTS TO RETURN.

Popular Young-Wilmingtonian Coming Back to The Orton.

It is announced by Manager Hinton, of The Orton, that Mr. Julian R. Clements, the well known young hotel man, has been secured as successor to Mr. R. M. Hankinson as chief clerk at the hostelry. Mr. Clements is now with the Albion to which he went from the Harbor, in Raleigh, a short time ago and resigns there to come back to "his first love." He was chief clerk at the Seashore Hotel last Summer and is well known to the travelling public. His return to Wilmington will be hailed with delight by a large number of friends here and on the road in this territory.

THE FEDERAL COURT DISTRICT MEETING.

Two Cases From Cumberland County Engaged All of the Session Yesterday

TRIAL OF CAPT. L. McLEAN

Will Begin This Morning in All Probability—Witnesses Here to Testify—Number of Bills Returned By Grand Jury.

The United States District Court was engaged practically all day yesterday in the trial of one case from Cumberland county, that in which D. McN. Ray, a man of some prominence, was charged with operating an unlicensed still, etc. The case occupied all the morning session of the court and when a recess for the day was taken at 2 o'clock the jury had just retired. A verdict was not rendered until 3 o'clock in the afternoon and the court not being in session, it was sealed and will not be returned formally until this morning. Whether the verdict is guilty or not guilty will not be known until court convenes at 9:30 o'clock. The case was hard fought on both sides, the defendant having been represented by Samuel H. MacRae, Esq., and ex-Judge Thos. H. Sutton, of Fayetteville. A vigorous prosecution was conducted by District Attorney Skinner and Assistant District Attorney J. A. Giles. The case was begun about 11 o'clock and with the number of witnesses examined and the argument of counsel to the jury, it was three hours later when it was completed. Mr. Ray is an extensive land owner and it seems that the still was found on his place and in sight of his house. The burden upon the government was to prove that the illicit still belonged to Mr. Ray.

The only other case tried yesterday was that of George A. Raynor, of Cumberland, charged with the operation of an unlicensed still. He was found guilty but judgment in the case was reserved.

It is almost certain that the case of Capt. Lauchlin McLean, master of the British steamer Osceola, will be tried to-day and all arrangements to that end are being made. The grand jury yesterday returned a true bill and New Hanover cases will be called to-day according to the rule that obtains in the court.

The case will be one of the most interesting of the term. Messrs. Rountree & Carr and Bellamy & Bellamy will appear for Capt. McLean. Hon. James Haughton, British Vice Consul at Newport News, and the boarding master at that port, are here to testify for the defence. The case is very familiar to the public. It is learned that a new statute was passed this year which provides a penalty for taking on board any seaman in the least intoxicated or under the influence of any drug, and that this charge may be brought out on the defendant, though the defence is quite sure that this cannot be proven to the satisfaction of the jury.

The following true bills were returned by the grand jury yesterday: J. R. Sholar, Cumberland, retailing Nathan Hill, Cumberland, retailing S. W. Hall, Cumberland, retailing and distilling. Lon C. Patton, alias John Ferguson, alias Charles E. Moloeh, forgery of a U. S. Army warrant. T. M. Savage, I. S. Davis and Archie Guthrie, violation of navigation laws. Frank McArthur, Cumberland, retailing. Ed. Buras, Cumberland, retailing. Frank McArthur, Cumberland, retailing. J. P. Thompson, Bladen, retailing. Not a true bill was returned in the case of James Barfield, Cumberland, charged with retailing.

The case against the defendant named above for forgery grows out of a United States Army warrant that he is alleged to have forged and passed upon some one at Fort Caswell some time ago, the amount being about \$280. The defendant has never been taken and the return of the bill is a mere formality. The case against Messrs. Savage, Guthrie and Davis, mentioned above, charges that they violated the navigation laws of the country by mooring a boat to a buoy or channel mark. The case was tried before a United States Commissioner some time ago and was dismissed, but is re-instated on the docket upon a bill from the District Attorney's office upon a report of the case from the Department at Washington.

DISTRICT MEETING.

Knights of Pythias of Wilmington Section Will Assemble at Clarkton November 15th—Special Train to be Run

The Knights of Pythias of this jurisdiction of which District Deputy John F. Littleton, of Wilmington, is in charge, have arranged for a big district meeting at Clarkton, N. C., on the fifteenth of the coming month. The district includes the lodges here, at Southport, Whiteville, Chadbourn, Council's and perhaps others and from the central location decided upon, it is expected that there will be a very large attendance. Arrangements have been made for a special train from Wilmington leaving after work hours on the evening of the meeting and returning after the exercises at night. The train will be over the Seaboard Air Line and it has already been chartered. The rate will be very low and it is hoped to carry at least one hundred Knights from this city alone.

The Clarkton people have arranged to entertain the visitors handsomely and the programme of exercises will include some interesting features. The committee in charge are endeavoring to have the Grand Chancellor of the State present and there will also be other speakers of note present. If expedient the degree work of the order will be put on in amplified form by a picked team from all the lodges. This will prove decidedly interesting for the Pythians.

It is expected that the programme for the occasion can be announced in a few days. District Deputy Littleton has completed all arrangements for the special train from Wilmington and is now at work on the programme of the exercises.

MR. DECKER TO LEAVE CITY.

Accepts Notable Engagement With Famous Opera Star—Go Abroad.

Mr. W. Scott Decker, who for more than a year has been in charge of the Steiff Music House in this city and has made for himself a very great many friends as well as having built up a large business for his house, will leave this evening for Providence, R. I., to join Mrs. Decker, who preceded him about two weeks ago on a visit to relatives in that city. From Providence Mr. Decker goes on Tuesday to Boston where he becomes secretary-treasurer of the Hortense Neilson Opera Company, one of the most notable opera attractions put out this season by Klaw & Erlanger, the famous booking agents and theatrical proprietors of the country.

Mr. Decker will be with the Hortense Neilson company in this country until July, when it will be taken for a tour abroad including India, Austria, Japan, China and South Africa. Mrs. Decker and little son will accompany Mr. Decker on the tour abroad.

There is local interest in Mr. Decker's engagement from the fact that Miss Neilson is expected in Wilmington about the middle of February to appear under the auspices of the Knights of Columbus. Friends of Mr. Decker look forward with pleasure to seeing him then. His departure from Wilmington, now is generally regretted.

Their Infant Son Dead.

Mr. and Mrs. J. G. Seitter, who live at the experiment farm of the Carolina Trucking and Development Company, on the suburban car line, had the misfortune to lose their infant son, Emile Otto, aged 13 months, by death yesterday morning. Many friends tenderly sympathize with the parents in their sorrow. The funeral will be conducted at 10 o'clock this morning by Rev. C. W. Kegley, pastor of St. Matthew's English Lutheran Church, and the interment will be at the Acorn Branch Burying grounds, in Cape Fear township.

DEPOT AT PEMBROKE

Corporation Commission Orders Union Station There by A. C. L. and Seaboard

IDENTITY OF DEAD MAN

Machinist Killed by Railroad Detective is Still Unknown—Two Fayetteville Enterprises are Chartered—Other Raleigh News Notes.

Raleigh, N. C., Oct. 31.—The Corporation Commission made an order to-day for the Seaboard Air Line and the Atlantic Coast Line railroad companies to erect a union depot at Pembroke, Robeson county, adequate to the needs of the place within 60 days. Also the two roads to provide suitable joint freight facilities. Pembroke is the junction of the Carolina Central road of the Seaboard System and the Wilson short cut of the Atlantic Coast Line.

The identity of the man killed here by the Seaboard Air Line Railway Policeman Bivens Saturday night remains in doubt, he having been identified as both W. H. Bryson of Chatham county, and James Southall of Petersburg. However, he is most probably Bryson as he has tattoo marks on his arms that seem to correspond with marks on the arm of Bryson. Bivens is still in jail without bail and there will probably be no further effort to secure bail since the evidence showed strongly that the man was running from the officer when shot and that in view of the slight offense of hobbling on the train, did not warrant the officer in using his weapons in an effort to arrest.

The Cumberland Savings and Trust Company, a new banking enterprise, was chartered to-day for Fayetteville. The capital is \$30,000 authorized and \$10,000 subscribed by Frank H. Stedman, F. S. Clark and H. W. Lilly, Mr. Stedman holding 92 of the 100 shares subscribed.

The Fayetteville Development Company was chartered to-day with \$150,000 capital authorized and \$4,000 subscribed by W. J. McDairmid and others for the development of real estate.

PRIMROSE MINSTRELS GOOD.

Return of Old-Time Class Heartily Welcomed in Wilmington.

Old-time negro minstrelsy received a hearty welcome upon its return to Wilmington with the appearance of Mr. George Primrose and an excellent company at the Academy of Music yesterday matinee and night. The music, singing, dancing, stage settings, etc., were all and more than could be desired and the minstrels were the equal or better than anything seen here this season. Mr. Primrose personally received a most enthusiastic welcome upon his return. He is just as clever, just as graceful in his dancing specialties and just as appreciative as he ever was and the latch string will always hang on the outside to him in this burg.

But the Primrose show is not a one-man affair. It is an all-star cast and there were no favorites last night. It is the verdict of those who saw the show that all were good. Emile Subers, introduced in the first part as a "Georgia Primrose" took the audience by storm and did a very clever stunt for 20 minutes to the repeated encores of the audience. Funny songs, parodies, monologues with a rasp or two at local institutions kept the crowd in a good humor from start to finish. Eddie Horan was clever in his singing and dancing and Charles Reinhardt could have had the stage yet if the house had been so inconsiderate and he had been so kind.

In the second part the drill of the Southern Cadets and the "Silver Shower Clog" dance were prime favorites. The finale, a grand spectacular transformation, with a highly illuminated picture of Gen. Robert E. Lee, was a fitting close to the old-time Southern scenes that had preceded.

SIXTEEN PER CENT. INCREASE.

Postoffice Receipts at Wilmington Continue on Ascendency.

According to the official figures obtained from Postmaster Thos. E. Wallace, the receipts at the Wilmington postoffice for the month of October ended last night were \$8,400.17 against only \$7,239.61 same month last year, an increase of \$1,160.56, or 16 per cent. The showing is very creditable indeed when it is recalled that last October was the heaviest in the history of the postoffice up to that time. The postoffice receipts show a very healthy condition of business affairs at Wilmington.
