ROUSTING THE VAGRANTS.

Police Hot on Their Trail—Pool Room Raided Yesterday. The police are still "hot-footing it" after vagrants. A number of them have been convicted and sent to the rock pile from the Mayor's court within the past week, but the most successful haul yet made is believed to be that made yesterday afternoon by Officers C. G. Jones, C. E. Wood and E. J. Grimsley when they raided a negro pool room at Sixth and Brunswick streets. Seven stalwarts loitering about the place. Eugene Alston, James Bennett, Ed Dudley, Tom King, Robert Hendricks, H. Pollock and Zolzie Pearsall fell into the net of the police and will tell their story to the Mayor to-day at noon. Officers Wood and Grimsley sent in two others from Fourth and Brunswick a little later in the afternoon. They were Fred Lloyd and Zach Pollock.

Conductor McGlaughon Injured.

Mr. D. H. McGlaughon, a freight conductor of the Coast Line, with head quarters in this city, was painfully hurt at Wilson, N. C., night before last. He was walking past a switch lamp when a piece of scantling protruding from a flat car knocked the stand over on him, painfully injuring his knee. He came home yesterday morning on the train from the North and went to his home at 709 Grace street where he is doing as well as could be expected.

Young Boy Dead.

William Noah Hobbs, ten years old, a son of Mr. and Mrs. W. I. Hobbs, of Folkstone, N. C., died Wednesday night at the home of Mr. Darden, No. 707 South Front street, where the little fellow had been under treatment for a complication of diseases. His father and mother were with him when he died and accompanied the remains to Folkstone for interment yesterday afternoon.

Had a Close Call.

"A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C. Sticker, of Miletus, W. Va. "Persistent use of the Salve completely cured it." Cures Cuts, Burns and Injuries. 25c at R. R. Bellamy, drug-gist.

LOCAL DOYS.

—The regular monthly meeting of the New Hanover Teachers' Association will be held to-morrow morning in the Cape Fear Academy building. A large attendance is hoped for. —By deed filed for record yesterday The Winter Park Gardens Company transferred to John Heritos for \$10; and other considerations, six acres of land adjoining the town site of the company on the suburban line of the Consolidated Company. —The police headquarters and room of the Board of Audit and Finance at the City Hall have been supplied with arc lights while the gas supply is gone. The Aldermen speak of having the entire building wired for electric lights. —The Star is requested to say that the Larkin's Soap Club was delightfully entertained yesterday at the home of Mrs. C. F. Seitter, on the Castle Haynes road. There were a large number of ladies in the party and all were delightfully entertained. —It will be disappointing to many to know that Paul Gilmore in his new play "At Yale" will not be seen at the Academy of Music this season. Although Mr. Gilmore is a prime favorite with Wilmington theatregoers, it will be recalled that circumstances were such that his last two appearances here were not financially successful and for this reason Mr. Jules Murry, his manager, did not book the attraction for this city this season. —The bar of the city will meet this morning at 11 o'clock at the office of Col. John D. Taylor at the Court House for the purpose of arranging the calendar of cases for trial at the one-week term of New Hanover Superior Court convening December 3. Judge E. B. Jones will preside and this will be his last term for the circuit at Wilmington. Judge Long presides at the term of the criminal court beginning January 21.

"THE FOUR PICKERTS."

Return of Popular Price Entertainers All Next Week. The Thanksgiving week attraction at the Academy of Music will be the Four Pickerts and the company which is well remembered here, having played a highly successful engagement at the local theatre two years ago, is said to be better than ever. A repertoire of the latest successes is being presented and the specialties are all new and up-to-date, including the Pickerts in some clever and snappy dance sketches. Miss Blanche Pickert will present her most popular vaudeville turns. Monday night the company will open its engagement with a fine performance of "In Oklahoma" which is a bill new to Wilmington and one of much heart interest, as well as splendid comedy. Seats for this performance will be on sale to-morrow. The company will give a special Thanksgiving matinee.

HELEN GRANTLEY TO-NIGHT.

"The Little Gray Lady" a Story of Department Life. One of the dramatic novelties of the year is promised in the engagement of that beautiful young actress Helen Grantley, with her appearance at the Academy of Music to-night in the new and successful play, "The Little Gray Lady," called by the New York critics the great love play, written by Channing Pollock. The praise bestowed on it while at the Garrick Theatre and the Majestic Theatre have not been approached by that given any other play this season. The reason is not far to seek. "The Little Gray Lady" contains every element that makes for success in a play. As already intimated, the love factor is very strong. Its comedy is no less delightful, its human interest is entrancing. The types and incidents of the play were taken from real life. Every little incident, as well as every emotion is easily recognized by the spectators as all have experienced themselves. The story deals with departmental life in Washington. Most of the characters are employed in the Redemption Bureau of the United States Treasury and the plot hinges upon the unique and clever way in which one of them makes a hundred dollar bill. This youth is loved by Anna Gray, the "Little Gray Lady," and she in turn is loved by Sam Mead, a secret service agent, whose business it is to hunt down the criminal. The latter committed his deed out of infatuation for the extravagant, flirtatious daughter of the keeper of the boarding house at which most of the persons involved live. The way in which the tangled skein is straightened out is highly dramatic. Seats now on sale.

Y. M. C. A. Notes.

There will be a game of football at Hilton Park this afternoon between the Young Men's Christian Association Juniors and the boys from the High school. Both teams have been practicing hard for the game and it promises to be very interesting from every standpoint. Mr. E. C. Hill will referee the game. The other officials have not yet been selected.

HELD FOR SUPERIOR COURT.

Negro Chased by Citizens Wednesday Night—Other Cases. Peter Griffin, alias "Boodler" the young negro who led the citizens such a hot chase around Front and Princess streets Wednesday night when he was discovered breaking into the store of Julius P. Taylor, was arraigned in the Mayor's court yesterday and admitted being in the place, but excused himself from "breaking in." The evidence against him was bang up, and he went to jail in default of \$100 bond for his appearance at the January term of the Superior Court. Alexander Holloway, a companion of Griffin's, was arrested on a charge of being implicated in the robbery, but he proved an alibi and was released. Mary Murphy, colored, charged with disorderly conduct, was fined \$5 and costs by the Mayor. D. Russ, indicted for shooting a pistol in the city limits, was found guilty but judgment was suspended. Weston Prince, a half-witted negro, was sent over to the county authorities for an examination by a commission of lunacy. Cotler Caldwell, a negro charged with vagrancy, proved that he had legitimate employment and was discharged.

THE MURCHISON NATIONAL.

All the Additional Stock Taken—Half Million Capital Now. The additional shares of the Murchison National Bank stock recently authorized by the Board of Directors and approved by the stockholders in special called meeting in this city have been all taken and the capital of the institution is now \$500,000, all fully paid in. It is understood that no other bank in the State has a larger capital. In making the allotment of new stock preference will be given to subscribers from one to five shares. It is unnecessary to speak further of the great progress and prosperity of the Murchison Bank. The management is keeping well abreast of the times and the bank is one of the leading factors in the development and prosperity of the section.

REVIVAL AT WARSAW.

Many Converted and the Good Work Still Going On. Warsaw, N. C., Nov. 22.—A protracted meeting at Warsaw Baptist Church began here Saturday before the second Sunday in the month, the pastor, Rev. C. M. Rock, being assisted by Rev. Mr. Kendrick, of Mount Olive. The Christian people of all three of the churches—Baptist, Presbyterian and Methodist—have been revived as never before. To-night eight accepted Christ and joined the Baptist church making a total of 41. As we thought the meeting was about to come to a close the pastor announced preaching for to-morrow and to-morrow night. He also asked if anyone wished to request prayer for friends. Requests went up from all over the house. At this time there was a great pentecostal outpourings of the Holy Spirit.

BOARD OF ALDERMEN.

Shortest Session on Record Held Yesterday Afternoon. The shortest session of the Board of Aldermen on record was the special called meeting of the body yesterday afternoon at 4 o'clock for the purpose of hearing the request of the Society of Colonial Dames for some needed improvements about the monument which they have recently erected at Third and Market streets to the memory of Cornelius Harnett and the Revolutionary heroes of the Lower Cape Fear. When the request had been granted one or two members attempted to get in one or two little items of other business, but some one had made a motion to adjourn and that was not debatable. The Board would hear nothing further.

The meeting was presided over by Mayor Pro-Tem. O'Brien in the absence of Mayor Waddell, who was in attendance upon the funeral of Judge Meares. The request of the Dames was through Mrs. Luola Murchison Sprunt, president of the Society, who called attention to the need of a coping of granite between which and the monument a suitable pavement of tiling is greatly to be desired. As this part of the work is within the province of the Streets and Wharves Committee the communication was addressed to them, with the earnest request that they provide for the improvement detailed. It was estimated that the cost of the coping and tiling would be in the neighborhood of \$300 and an appropriation of that amount or so much thereof as is needed was made, the Board of Audit and Finance concurring. At its night session the latter Board concurred in the action and the work, it is presumed, will be undertaken by the Streets and Wharves Committee at once.

A Temperance Lecture.

At the First Baptist Church Sunday night Mr. A. D. Wilcox, will deliver one of his splendid illustrated temperance lectures. The members of the McKanna Temperance Club have a special invitation to attend this service. Drinking men from all over the city will be helped by hearing Mr. Wilcox. Dr. Hale says Mr. Wilcox is not a crank, nor extremist, but that he will keep his crowd awake, and will entertain as well as do them good.
